## Edgar Filing: GYRODYNE CO OF AMERICA INC - Form 8-K/A

### 1. BACKGROUND AND BASIS OF PRESENTATION

The accompanying Statements of Revenue and Certain Expenses (the "Statements") include the operations of the Port Jefferson Professional Park (the "Property") for the year ended December 31, 2006 and the six months ended June 30, 2007. The Property was acquired by Gyrodyne Company of America, Inc. (the "Company") from an unaffiliated third party on June 27, 2007, for approximately \$8.9 million. The Property is a 41,651 square-foot (unaudited) multi-tenant ten building complex located in Port Jefferson Station, NY.

The accompanying Statements have been prepared on the accrual basis of accounting. The statements have been prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission and for inclusion in the current reports on Form 8-K of the Company as required by the Securities and Exchange Commission, Regulation S-X, Rule 3-14. The Statements are not intended to be a complete presentation of the actual operations of the Property for the year ended December 31, 2006 and for the six months ended June 30, 2007. Expenses excluded relate to the Property's management fees, depreciation and amortization expense, interest expense and other costs not directly related to the future operations of the Property.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Real Estate

Costs related to the acquisition of and improvements to the Property and related equipment are capitalized. Expenditures related to repairs and maintenance are expensed as incurred.

#### Revenue Recognition

Rental revenues are recorded on a straight-line basis over the term of the leases. Reimbursements from tenants for real estate taxes and other recoverable operating expenses are recognized as revenue in the period the applicable expenses are incurred.

#### Property Operating Expenses

Property operating expenses represent the direct expenses of operating the Property and include maintenance, utilities, repairs and insurance costs that are expected to continue in the ongoing operation of the Property.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions of the reported amounts of revenues and certain expenses during the reporting period. Actual results could differ from those estimates used in the preparation of the financial statements.

#### Interim Statements

The Statement for the six months ended June 30, 2007 is unaudited and has been presented for informational purposes; however, in the opinion of the Company's management, all significant adjustments necessary for a fair presentation of the Statement for the interim period have been included. The Company is not aware of any other material factors relating to the Property that would cause the reported financial information not to be indicative of the operating results.

1. This column represents the results of Gyrodyne Company of America, Inc. for the year ended December 31, 2006. On May 1, 2006 the Company changed its fiscal year ending April 30, to a calendar year ending December 31, and therefore filed a transition report for the eight months ended December 31, 2006 on Form 10-K with the Securities and Exchange Commission. This was in connection with the Company converting to a Real Estate Investment Trust. The amounts shown for the twelve months ended December 31, 2006 were prepared from internal statements and therefore are unaudited.
  
2. This column represents the historical operations of Port Jefferson Professional Park as if the Company had owned the property for the entire twelve month period shown, adjusted for depreciation in the amount of \$169,599, depreciated on a 39 year life, and interest expense in the amount of \$323,943, as if the Company had paid the assumed mortgage for the twelve months ended December 31, 2006. In addition, the deferred tax credit in the amount of \$725,000 has been shown as part of the acquisition since, as a REIT, the purchase of the Port Jefferson Professional Park will eliminate that portion of the deferred tax created from the condemnation of the Flowerfield property.
  
3. This column represents the results of Gyrodyne Company of America, Inc. as if the acquisition did not take place on June 27, 2007. Revenue of \$10,239, expenses of \$434 and a deferred tax benefit of \$725,000 were reversed to reflect the Company's results for the six months ended June 30, 2007 as if the acquisition had not taken place.
  
4. This column represents the historical operations of Port Jefferson Professional Park as if the Company had owned the property for the entire six month period shown adjusted for depreciation in the amount of \$84,799, depreciated on a 39 year life, and interest expense in the amount of \$160,276, as if the Company had paid the assumed mortgage for the six months ended June 30, 2007. In addition, the deferred tax credit in the amount of \$725,000 has been shown as part of the acquisition since, as a REIT, the purchase of the Port Jefferson Professional Park will eliminate that portion of the deferred tax created from the condemnation of the Flowerfield property.
