PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 24 Indemnification of Directors and Officers

Our bylaws provide indemnification by the company of any individual made a party to proceeding because he is or was an officer, director, employee or agent of the company against liability incurred in the proceeding, to the fullest extent permissible under the laws of Nevada. The bylaws provide that the company advance the expenses of officers and directors incurred in defending any such proceeding, provided that the company received an undertaking from such person to repay the expenses advanced if it is ultimately determined that he is not entitled to be indemnified.

The Nevada Revised Statutes ("NRS"), Chapter 78 provides:

NRS 78.7502 provides for the discretionary and mandatory indemnification of officers, directors, employees and agents.

NRS 78.7502 (1) provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, except an action by or in the right of the corporation, by reason of the fact that he is or was a director, officer, employee, or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with the action, suit or proceeding if he acted in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful.

NRS 78.7502 (2) provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses, including amounts paid in settlement and attorneys' fees actually and reasonably incurred by him in connection with the defense or settlement of the action or suit if he acted in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation. Indemnification may not be made for any claim, issue or matter as to which such a person has been adjudged by a court of competent jurisdiction, after exhaustion of all appeals there from, to be liable to the corporation or for amounts paid in settlement to the corporation, unless and only to the extent that the court in which the action or suit was brought or other court of competent jurisdiction determines upon application that in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.

NRS 78.7502 (3) To the extent that a director, officer, employee or agent of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsections 78.7502 (1) or 78.7502 (2), or in defense of any claim, issue or matter therein, the corporation shall indemnify him against expenses, including attorneys' fees, actually and reasonably incurred by him in connection with the defense.

NRS 78.751 provides that authorization is required for discretionary indemnification of directors, officers, employees or agents, advancement of expenses to those parties and a limitation on indemnification and advancement of expenses.

NRS 78.751 (1) provides that any discretionary indemnification under NRS 78.7502, unless ordered by a court or advancement pursuant to subsection 2, may be made by the corporation only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances. The determination must be made:

(a) By the stockholders;

(b) By the board of directors by majority vote of a quorum consisting of directors who were not parties to the action, suit or proceeding;

(c) If a majority vote of a quorum consisting of directors who were not parties to the action, suit or proceeding so orders, by independent legal counsel in a written opinion; or

(d) If a quorum consisting of directors who were not parties to the action, suit or proceeding cannot be obtained, by independent legal counsel in a written opinion.

Edgar Filing: ReoStar Energy CORP - Form SB-2/A

NRS 78.751 (2) provides that the articles of incorporation, the bylaws or an agreement made by the corporation may provide that the expenses of officers and directors incurred in defending a civil or criminal action, suit or proceeding must be paid by the corporation as they are incurred or in advance of the final disposition of the action, suit or proceeding, upon receipt of an undertaking by or on behalf of the director or officer to repay the amount if it is ultimately determined by a court of competent jurisdiction that he is not entitled to be indemnified by the corporation. The provisions of this subsection do not affect any rights to advancement of expenses to which corporate personnel other than directors or officers may be entitled under any contract or otherwise by law.

NRS 78.751 (3) provides that the indemnification and advancement of expenses authorized in or ordered by a court pursuant to NRS 78.751:

(a) Does not exclude any other rights to which a person seeking indemnification or advancement of expenses may be entitled under the articles of incorporation or any bylaw, agreement, vote of stockholders or disinterested directors or otherwise, for either an action in his official capacity or an action in another capacity while holding his office, except that indemnification, unless ordered by a court pursuant to NRS 78.7502 or for the advancement of expenses made pursuant to subsection 2, may not be made to or on behalf of any director or officer if a final adjudication establishes that his acts or omissions involved intentional misconduct, fraud or a knowing violation of the law and was material to the cause of action.

(b) Continues for a person who has ceased to be a director, officer, employee or agent and inures to the benefit of the heirs, executors and administrators of such a person.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the SEC that such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

Item 26 Recent Sales of Unregistered Securities

On February 1, 2007, we entered into a Contribution Agreement with JMT Resources, Ltd., REO Energy, Ltd., and Benco Operating, Inc., pursuant to which we acquired certain assets related to oil and gas properties, and other related rights, including contractual rights to production and contractual rights for providing for the acquisition or earning of any such interest in exchange for the issuance of an aggregate of 54,750,000 shares of our common stock to the contributors. The shares issued to the contributors were exempt from registration under the Securities Act of 1933, as amended, pursuant to Section 4(2) thereunder.

From January 2007 through May 2007, we sold to investors in a private placement transaction an aggregate of 11,462,000 units, of our securities. Each unit consisted of one share of common stock and a warrant to purchase one share of common stock. The purchase price was \$1.00 per unit and we received an aggregate of \$11,462,000 in gross proceeds. The warrants have an exercise period of two years and an exercise price of \$1.50 per share. The securities sold in the private placement were exempt from registration under the Securities Act of 1933, as amended, pursuant to Regulation S promulgated thereunder. As part of the private placement, we agreed to register 11,462,000 shares of common stock issued in the private placement and 11,462,000 shares of common stock issuable pursuant to the warrants.

Item 28 Undertakings

A. The undersigned small business issuer hereby undertakes:

- Statement:
- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; notwithstanding the foregoing, any increase or decrease in the of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;
 - (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and
 - (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
 - (4) That, to determine liability to any purchaser in the initial distribution of the securities, in a primary offering of securities of the undersigned small business issuer pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned small business issuer will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
