Item 8.01

Other Events

On December 24, 2015, Assured Guaranty Ltd. announced that its bond insurance subsidiaries Assured Guaranty Municipal Corp. (AGM) and Assured Guaranty Corp. (AGC) entered into a restructuring support agreement (RSA) with the Puerto Rico Electric Power Authority (PREPA) and other stakeholders. The restructuring transaction described in the RSA is intended to, among other things, provide a framework for the consensual resolution of the treatment of insured PREPA revenue bonds in PREPA's recovery plan and to provide bridge financing for PREPA's January 1, 2016 interest payment. AGM's and AGC's proportionate share of the PREPA bridge financing is approximately \$15 million in the aggregate. Upon finalization of the restructuring transaction, insured PREPA revenue bonds (with no reduction to par or stated interest rate or extension of maturity) will be supported by securitization bonds issued by a special purpose corporation and secured by a transition charge assessed on ratepayers. To facilitate the securitization transaction, which enables PREPA to achieve debt relief and more efficient capital markets financing, AGM and AGC will issue surety insurance policies in an amount not expected to exceed \$113 million in the aggregate in exchange for a market premium to support a portion of the reserve fund for the securitization bonds. The closing of the restructuring transaction is subject to certain conditions, including enactment of related legislation by the Puerto Rico legislature and execution of acceptable documentation and legal opinions.

A copy of the press release is attached as Exhibit 99.1 hereto.
