BELLEVUE, Wash. — January 9, 2019 - T-Mobile US, Inc. (NASDAQ: TMUS) provided a preliminary view of key customer results for the fourth quarter and full-year 2018. The company posted its best quarter ever in total net customer additions of 2.4 million, delivered its best fourth quarter ever in branded postpaid net additions of 1.4 million and had record low fourth quarter postpaid phone churn of 0.99%. For the full year 2018, T-Mobile exceeded its customer guidance delivering 4.5 million branded postpaid net additions and showed that the Un-carrier's momentum accelerated year-over-year. Since the launch of the Un-carrier movement in 2013, T-Mobile's Un-carrier strategy has resulted in an increase in its customer base of more than 46 million - resulting in a total customer base of 79.7 million at the end of 2018.

"The T-Mobile team delivered our best customer results ever in Q4 2018 and we did it in a competitive climate while working hard to complete our merger with Sprint." said John Legere, CEO of T-Mobile. "That's 23 quarters in a row where more than 1 million customers have chosen T-Mobile - along with a postpaid phone churn result that's below 1%. These customer results speak volumes about our company, our network and our brand!"

Preliminary Fourth Quarter and Full-Year 2018 Customer Results

T-Mobile continued to deliver meaningful value to consumers in the fourth quarter of 2018 and the results again showed up in the company's customer additions. Customers who join T-Mobile get access to a host of Un-carrier benefits that solve everyday pain points such as Unlimited rate plans, Netflix at no extra charge for qualifying customers on family plans, free international data roaming and texting in more than 210 countries and destinations, T-Mobile Tuesdays and the best customer service in the industry with T-Mobile's Team of Experts - all on the nation's fastest 4G LTE network. As a result, T-Mobile added 2.4 million total net customers in the fourth quarter - its best quarter ever, bringing its total customer count to 79.7 million at year-end 2018. This marks the 23rd consecutive quarter that T-Mobile has generated more than 1 million total net customer additions. Total customer additions in 2018 were 7.0 million, an acceleration year-over-year, marking the fifth consecutive year that T-Mobile added more than 5 million net customers.

T-Mobile also saw continued strength on the postpaid side, reporting branded postpaid net customer additions of 1.4 million in the fourth quarter of 2018. This was T-Mobile's best fourth quarter branded postpaid net customer addition performance to date and represents an acceleration both quarter-over-quarter and year-over-year. Branded postpaid phone net customer additions were 1.0 million in the fourth quarter of 2018 - the company's best quarterly performance in 4 years. For full-year 2018, the company added 4.5 million branded postpaid net customers, which accelerated year-over-year and exceeded the top end of the increased guidance range for branded postpaid net customer additions of 3.8 to 4.1 million.

Branded prepaid net customer additions were 135,000 in the fourth quarter of 2018 and 460,000 for full-year 2018. Migrations to branded postpaid plans reduced branded prepaid net customer additions by approximately 160,000 in the fourth quarter of 2018 and 585,000 for full-year 2018.

Wholesale net customer additions were 909,000 in the fourth quarter of 2018 and 2.1 million for full-year 2018.

Not only are customers coming to T-Mobile, but they are also staying longer. T-Mobile posted its best-ever fourth quarter branded postpaid phone churn result this quarter showing the power of the company's value proposition. Branded postpaid phone churn was 0.99% in the fourth quarter of 2018, down 19 basis points year-over-year and down 3 basis points sequentially. This was the company's second-lowest branded postpaid phone churn result ever.

Branded prepaid churn was 3.99% in the fourth quarter of 2018, down 1 basis point year-over-year and down 13 basis points sequentially.

#### Preliminary Customer Results

### Cautionary Statement Regarding Forward-Looking Statements

This communication contains certain forward-looking statements concerning T-Mobile, Sprint and the proposed transaction between T-Mobile and Sprint. All statements other than statements of fact, including information concerning future results, are forward-looking statements. These forward-looking statements are generally identified by the words “anticipate,” “believe,” “estimate,” “expect,” “intend,” “may,” “could” or similar expressions. Such forward-looking statements include, but are not limited to, statements about the benefits of the proposed transaction, including anticipated future financial and operating results, synergies, accretion and growth rates, T-Mobile’s, Sprint’s and the combined company’s plans, objectives, expectations and intentions, and the expected timing of completion of the proposed transaction. There are several factors which could cause actual plans and results to differ materially from those expressed or implied in forward-looking statements. Such factors include, but are not limited to, the failure to obtain, or delays in obtaining, required regulatory approvals, and the risk that such approvals may result in the imposition of conditions that could adversely affect the combined company or the expected benefits of the proposed transaction, or the failure to satisfy any of the other conditions to the proposed transaction on a timely basis or at all; the occurrence of events that may give rise to a right of one or both of the parties to terminate the business combination agreement; adverse effects on the market price of T-Mobile’s or Sprint’s common stock and on T-Mobile’s or Sprint’s operating results because of a failure to complete the proposed transaction in the anticipated timeframe or at all; inability to obtain the financing contemplated to be obtained in connection with the proposed transaction on the expected terms or timing or at all; the ability of T-Mobile, Sprint and the combined company to make payments on debt or to repay existing or future indebtedness when due or to comply with the covenants contained therein; adverse changes in the ratings of T-Mobile’s or Sprint’s debt securities or adverse conditions in the credit markets; negative effects of the announcement, pendency or consummation of the transaction on the market price of T-Mobile’s or Sprint’s common stock and on T-Mobile’s or Sprint’s operating results, including as a result of changes in key customer, supplier, employee or other business relationships; significant transaction costs, including financing costs, and unknown liabilities; failure to realize the expected benefits and synergies of the proposed transaction in the expected

timeframes or at all; costs or difficulties related to the integration of Sprint's network and operations into T-Mobile; the risk of litigation or regulatory actions; the inability of T-Mobile, Sprint or the combined company to retain and hire key personnel; the risk that certain contractual restrictions contained in the business combination agreement during the pendency of the proposed transaction could adversely affect T-Mobile's or Sprint's ability to pursue business opportunities or strategic transactions; effects of changes in the regulatory environment in which T-Mobile and Sprint operate; changes in global, political, economic, business, competitive and market conditions; changes in tax and other laws and regulations; and other risks and uncertainties detailed in the Form S-4, as well as in T-Mobile's Annual Report on Form 10-K for the fiscal year ended December 31, 2017 and in its subsequent reports on Form 10-Q, including in the sections thereof captioned "Risk Factors" and "Cautionary Statement Regarding Forward-Looking Statements," as well as in its subsequent reports on Form 8-K, all of which are filed with the SEC and available at [www.sec.gov](http://www.sec.gov) and [www.t-mobile.com](http://www.t-mobile.com). Forward-looking statements are based on current expectations and assumptions, which are subject to risks and uncertainties that may cause actual results to differ materially from those expressed in or implied by such forward-looking statements. Given these risks and uncertainties, persons reading this communication are cautioned not to place undue reliance on such forward-looking statements. T-Mobile assumes no obligation to update or revise the information contained in this communication (whether as a result of new information, future events or otherwise), except as required by applicable law.
