registrant in connection with Rule 12g3-2(b):

GOL Launches Daily Flights to Juazeiro do Norte in Ceará

São Paulo, September 22, 2006 - GOL Linhas Aéreas Inteligentes (NYSE: GOL and Bovespa: GOLL4), Brazil's low-cost, low-fare airline, today begins operating daily flights to Juazeiro do Norte, in Ceará, Brazil. These new flights will operate on the Rio de Janeiro - Fortaleza - Juazeiro do Norte route. From Fortaleza, there will be connections for other destinations operated by GOL.

Located approximately 565 km from Fortaleza, the capital of Ceará state, Juazeiro do Norte is home to approximately 240 thousand and is one of the most important religious centers in Brazil. Every year, nearly two million pilgrims visit the city in honor of Priest Cícero Romão Batista (1844-1934), who is considered to be a saint by his followers. In addition to southern Ceará, the Juazeiro do Norte airport also serves passengers flying to northwest Pernambuco, Paraíba and southwest Piauí.

We are pleased to offer our customers daily flights to Juazeiro do Norte as it is an important historical and cultural destination in Brazil, said Tarcísio Gargioni, Vice President of Marketing & Services for GOL. This is another key step in GOL's efforts to popularize air travel throughout the country by offering low-cost, high quality service.

Tickets are available for purchase on GOL's website, www.voegol.com.br. Please see the destination table below for more information on flight schedules:

About GOL Linhas Aéreas Inteligentes

GOL Linhas Aéreas Inteligentes, a low-cost, low-fare airline, is one of the most profitable and fastest growing airlines in the industry worldwide. GOL operates a simplified fleet with a single class of service. It also has one of the youngest and most modern fleets in the industry that results in low maintenance, fuel and training costs, with high aircraft utilization and efficiency ratios. In addition, safe and reliable services, which stimulate GOL's brand recognition and customer satisfaction, allow GOL to have the best value proposition in the market. GOL currently offers over 500 daily flights to 52 airports in Brazil, Argentina, Bolivia, Paraguay and Uruguay. GOL growth plans include increasing frequencies in existing markets and adding service to additional markets in both Brazil and other high-traffic South American travel destinations. GOL shares are listed on the NYSE and the Bovespa. GOL: here everyone can fly!

This release contains forward-looking statements relating to the prospects of the business, estimates for operating and financial results, and those related to growth prospects of GOL. These are merely projections and, as such, are based exclusively on the expectations of GOL's management concerning the future of the business and its continued access to capital to fund the Company's business plan. Such forward-looking statements depend, substantially, on changes in market conditions, government regulations, competitive pressures, the performance of the Brazilian economy and the industry, among other factors and risks disclosed in GOL's filed disclosure documents and are, therefore, subject to change without prior notice.

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
