Clarifications about news: Association with Galp and Revision of the Business Plan

Rio de Janeiro, January 14, 2010 Petróleo Brasileiro S.A. - Petrobras, wishes to clarify the news published by the Brazilian and international press regarding: potential acquisition of the stakes held by ENI S.p.A. in Galp Energia; possible partnerships with Galp Energia in the exploration segment; and contracts for oil products distribution in Europe.

The Company clarifies that it is always analyzing investment opportunities in Brazil and abroad that are aligned to the strategies set forth in its Business Plan, but that in this case there is no negotiation in progress.

Additionally, the Company confirms the procedure it has in place of revising its Business Plan annually, excluding the year ended and adding an additional period. The Plan for 2010-2014 period is currently under analysis; however, at the present time no change has been made to the goals nor to the project portfolio of the current Plan (2009-2013).

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
