Acquisition of a Plant in Bahia

Rio de Janeiro, August 27, 2010 - Petróleo Brasileiro S.A - Petrobras announces that, through its wholly-owned subsidiary Petrobras Biocombustível - Pbio, it has acquired 50% of the joint stock of Bióleo Industrial and Comercial, for R\$15.5 million .

Bióleo is an oil extraction plant located in Feira de Santana, state of Bahia, with capacity to process 130,000 tons of grains of several types of oilseeds. The unit has installed capacity to store 30,000 tons of grain and tankage for 10 million liters of oil.

The control of the company will be shared among Petrobras and the other partners, who remain with a 50% stake in Bióleo. The agreement also provides for investments of R\$6 million for operational and HSE (Health, Safety, and Environment) improvements to be disbursed equally by the partners.

This announcement is for informational purposes only and does not constitute an offer, invitation to or request for an offer for underwriting or purchasing any securities in Brazil or in any other jurisdiction and, therefore, should not be used as the basis for any investment decision.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
