## **Increase in Maximum Size of Additional Lot of Shares for Petrobras Global Offering under Brazilian Law**

Rio de Janeiro, September 17, 2010 Petróleo Brasileiro S.A. Petrobras today announces that, pursuant to Brazilian law, Petrobras board of directors has approved an increase in the maximum number of common shares and preferred shares (collectively, the Shares ), including Shares in the form of American Depositary Shares (ADSs ), that may be issued by the Company in addition to the Shares initially offered in its public equity offering in Brazil (the Brazilian Offering ) and outside of Brazil (the International Offering and, together with the Brazilian Offering, the Global Offering ) (the Additional Lot ).

As a result, the maximum size of the Additional Lot under Brazilian law has been increased from up to 10% to up to 20% of the Shares initially offered in the Global Offering.

Investing in our Shares and ADSs involves risks. See the section entitled Risk Factors in the Preliminary Prospectus Supplement filed with the U.S. Securities and Exchange Commission (the SEC ).

This announcement is not an offer of Petrobras shares. Petrobras shares may not be offered or sold in the United States absent registration or an exemption from registration. Petrobras has registered the offering in the United States. The public offering of Petrobras shares is being made by means of a prospectus filed with the SEC containing detailed information about Petrobras and the offering.

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
