1- In accordance with the Material Facts dated 09.29.2008, 10.17.2008, 10.21.2008, 12.18.2008 and 12.30.2008, CSN disclosed the creation of a strategic partnership with ITOCHU Corporation, Nippon Steel Corporation, JFE Steel Corporation, POSCO, Sumitomo Metal Industries, Ltd., Kobe Steel, Ltd., and Nisshin Steel Co., Ltd. Such alternatives include, but are not limited to, the potential combination of CSN’s and Namisa’s iron ore operations and correlated activities. The negotiations regarding the terms and conditions that would be applicable to such potential transaction have not been concluded to date.

Finally, CSN would like to add that neither a binding offering has been made nor any binding agreement has been executed related to such assets, and that the Company will keep the market updated, at the appropriate times, should any binding act take place that would comprise a material fact pursuant to the legislation in force.
