## GOL announces a codeshare agreement with Air Canada

**São Paulo, March 11, 2015 -GOL Linhas Aéreas Inteligentes S.A. (BM&FBOVESPA: GOLL4 and NYSE: GOL), (S&P: B, Fitch: B-, Moody's: B3),** the largest low-cost and best-fare airline in Latin America, hereby announces to its shareholders and the market in general the signature of codeshare agreement with Air Canada. This partnership is still awaiting approval of *Agência Nacional de Aviação Civil* (ANAC) and *Conselho Administrativo de Defesa Econômica* (CADE).

"We have invested in partnership that provides ever-increasing benefits to our customers. The expansion of the partnership with Air Canada is precisely this, and it will also strengthen our presence in international markets," said *Ciro Camargo*, head of alliances at GOL.

The two companies currently have an interline agreement that allows customers to make a single reservation for flights on both carriers.

The expansion of this partnership under the Codeshare agreement will initially allow Air Canada to include its code on flights operated by GOL, enabling its customers a greater number of connections to destinations between the companies.

It also provides for a Frequent Flyer Program Agreement which, when concluded, will allow the members of either loyalty program – Smiles from GOL and Aeroplan from Air Canada - the ability to accumulate and redeem miles on eligible flights operated by the two carriers.
