b) The business experience of each director.	X		
***: Publicly traded companies cannot have more than 21 directors.			
	Yes	No	Comments

7.3 Board of Directors' Structure.

For the compliance of its duties, the Board of Directors may create one or more committees to support it. On each of the following duties, in comments you should indicate the body that executes it or, if applicable, explain why is it not executed (Best Practice 15)

22. In order to make more informed decisions, indicate if the following duties are executed by the Board of Directors (Best Practice 16):

a) Audit***.

X

The audit committee is responsible of reviewing the accuracy and integrity of quarterly and annual financial statements in accordance with accounting, internal control and auditing requirements. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the independent auditor, who reports directly to the Audit Committee. The Audit Committee has implemented procedures for receiving, retaining and addressing complaints regarding accounting, internal control and auditing matters, including the submission of confidential, anonymous complaints from employees regarding questionable accounting or auditing matters. To carry out its duties, the Audit Committee may hire independent counsel and other advisors. As necessary, the company compensates the independent auditor and any outside advisor hired by the Audit Committee and provides funding for ordinary

administrative expenses
incurred by the Audit
Committee in the course of its
duties.

June 29, 2015

Page 9

b) Evaluation and Compensation.	X	The Corporate Practices Committee carries out the duties that formerly executed the evaluation and compensation committee.
c) Finance and Planning.	X	The Finance and Planning Committee works with management to set our annual and long-term strategic and financial plans and monitors adherence to these plans. It is responsible for setting our optimal capital structure and recommends the appropriate level of borrowing as well as the issuance of securities. Financial risk management is another responsibility of the Finance and Planning Committee.
d) Corporate Practices***	X	The Corporate Practices Committee, which consists exclusively of independent directors, is responsible for preventing or reducing the risk of performing operations that could harm the value of our company or that benefit a particular group of shareholders. The committee may call a shareholders meeting and include matters on the agenda for that meeting that it deems appropriate, approve policies for related party transactions, approve the compensation plan of the chief executive officer and relevant officers, and support our board of directors in the elaboration of related reports.
e) Other. (describe)		N/A
