**GOL announces readjustment of the transfer price of airline tickets and miles by its Loyalty Program**

**São Paulo, December 14, 2015 - GOL Linhas Aéreas Inteligentes S.A.**

**(BM&FBOVESPA: GOLL4 and NYSE: GOL), (S&P: B-, Fitch: B-, Moody's: B3)**, the largest low-cost and best-fare airline in Latin America hereby announces to its shareholders and the market that it calculated the adjustments in the prices of classical airline tickets and miles, as provided in the Miles and Airline Ticket Purchase Agreement ("Agreement") signed on December 28, 2012 between (i) GOL Linhas Aéreas Inteligentes S.A. ("Company"), controlling Shareholder of Smiles S.A. ("Smiles") and VRG Linhas Aéreas S.A. ("VRG"); (ii) VRG, provider, client and controlled company; and (iii) Smiles, controlled company.

The adjustments in the prices of classical airline tickets and miles sold for VRG was calculated representing an increase of 3.0% and 3.2% respectively, based on the composition of the airline tickets issued in the last period of validity.

The executives of the Company, VRG and Smiles accompanied the calculation under the methodology established in the initial terms of the Agreement, which was followed by a review conducted by a specialized technical consultancy. The Management believes that such procedures were sufficient and appropriate to ensure that the transaction was performed on an arm's length basis and in full compliance with the Agreement.

**FORWARD-LOOKING STATEMENTS**

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
