The percentage indicated in the column 'percentage economic participation' corresponds to the economic participation of each shareholder, which was not changed as a result of the split mentioned above. According to the Company's Bylaws and for all purposes of the Lei das S.A. will be considered this percentage and not the percentage corresponding to participation in the share capital, as requested in this form.

The percentage indicated in the share participation column corresponds to the percentage of the number of shares of each shareholder of the Company, after the split of the common shares approved in the Extraordinary General Meeting of the Company, occurred on 23.03.2015.
