### **1.01**

#### **Investment Agreement**

On December 19, 2012, Santo Mining Corp. (the “Company”) entered into an investment agreement (the “Investment Agreement”) with Deer Valley Management, LLC (the “Investor”) whereby the Investor shall purchase up to \$5,000,000 of the Company’s common stock, \$0.001 par value (the “Common Stock”).

The Investment Agreement provides that the Company may, from time to time during the Open Period (defined below), in its sole discretion, deliver a notice (the “Put Notice”) to the Investor which states the dollar amount that the Company intends to sell to the Investor on a date specified in the Put Notice (the “Put”). The Company will be entitled to Put to the Investor (the “Put Amount”) the number of shares of Common Stock equal to one hundred percent (100%) of the average daily volume of the Common Stock for the ten (10) consecutive trading days immediately prior to date of the applicable Put Notice (the “Pricing Period”). The purchase price per share to be paid by the Investor for each Put Amount will be calculated at a twenty-two and a half percent (22.5%) discount to the weighted average price of the three lowest closing bid prices of the Common Stock, as reported by Bloomberg, L.P., during the Pricing Period. The Open Period begins on the trading day after a registration statement is declared effective as to the Common Stock to be subject to the Put, and ends thirty-six (36) months after such date, unless earlier terminated in accordance with the Investment Agreement (the “Open Period”). The Company has reserved 17,000,000 shares of its Common Stock for issuance to the Investor under the Investment Agreement.

#### *Registration Rights Agreement*

In connection with the Investment Agreement, the Company and the Investor also entered into a registration rights agreement (the “Registration Rights Agreement”). Pursuant to the terms of the Registration Rights Agreement, the Company is obligated to file a registration statement (the “Registration Statement”) with the U.S. Securities and Exchange Commission (the “SEC”), within 21 days of the execution of the Investment Agreement, to cover any shares that have been or maybe issued pursuant to a Put (the “Put Shares”) and any shares that maybe issued with respect to the Put Shares by way of exchange, stock dividend or stock split or in connection with a combination of shares, recapitalization, merger, consolidation or other reorganization (the “Registrable Securities”). The amount of the Registrable Securities required to be included in the initial Registration Statement shall be no less than the maximum amount of common stock permitted by the SEC to be included in a Registration Statement pursuant to Rule 415 (the “Rule 415 Amount”) promulgated under the Securities Act of 1933, as amended (the “Act”), and the Company shall file additional Registration Statements to register additional Rule 415 Amounts until all the Registrable Securities are registered. In addition, the Company is obligated to maintain the effectiveness of the Registration Statement through the Registration Period (as defined in the Registration Rights Agreement).

The foregoing descriptions of the Investment Agreement and Registration Rights Agreement are qualified in their entirety by reference to the provisions of the Investment Agreement and Registration Rights Agreement filed as exhibits 10.1 and 10.2 to this Current Report on the Form 8-K (this "Report"), respectively, which are incorporated by reference.

### **Securities Purchase Agreement**

On December 19, 2012 (the "Closing Date"), the Company also entered into a securities purchase agreement (the "Securities Purchase Agreement") with the Investor. Pursuant to the Securities Purchase Agreement, the Investor has agreed to purchase 400,000 shares of the Company's common stock at \$0.20 per share (the "Shares") for aggregate proceeds of \$80,000. \$50,000 was provided on the Closing Date and the remaining \$30,000 will be provided upon the earlier of the Effective Date (defined below) of the Registration Statement (defined below) or the filing of Amendment No.1 to the Registration Statement.

Pursuant to the Securities Purchase Agreement, the Company granted the Investor registration rights with respect to the Shares. The Company will file a registration statement ("Registration Statement") with the SEC to register the Shares within 30 days after the Closing Date and have it declared effective within 120 days after the Closing Date (the "Effective Date").

The Securities Purchase Agreement also contains a price protection provision (the "Price Protection Provision"), whereas the Shares will be valued at 50% discount to the price of the Company's common stock on the Effective (the "Share Value"). In the event that the Share Value is less than \$80,000, the Company will issue additional shares of registered common stock to the Investor, such that the value of the total shares being issued by us to the Investor will total \$80,000.
