Item 1.01 Entry into a Material Definitive Agreement.

On July 22, 2005, Verticalnet, Inc., a Pennsylvania corporation ("Verticalnet"), entered into a Share Purchase Agreement (the "Share Purchase Agreement") with Patrick Lawton, Brent Summers, Peter Linsell, Andrew Knotts, Colin Robertson and Alphen Trading Limited (collectively, the "Shareholders"). Pursuant to the Share Purchase Agreement, Verticalnet acquired all of the outstanding capital stock of Digital Union Limited, a private limited company registered in England ("Digital Union"), from the Shareholders. In exchange for the outstanding capital stock of Digital Union, Verticalnet issued the Shareholders an aggregate of 4,458,690 shares of Verticalnet common stock. Under the Share Purchase Agreement, certain Shareholders may receive up to an additional 3.5 million shares of Verticalnet common stock in the aggregate if certain revenue based milestones are achieved within the first year after the closing of the transaction. Digital Union is a privately-held provider of on-demand sourcing and procurement solutions based in Guildford, Surrey, United Kingdom. The acquisition of Digital Union was completed on July 22, 2005 and as a result of the acquisition, Digital Union became a wholly-owned subsidiary of Verticalnet.

In connection with its acquisition of Digital Union, Verticalnet also entered into a Registration Rights and Lock Up Agreement dated as of July 22, 2005 with the Shareholders (the "Registration Rights Agreement"). Pursuant to the Registration Rights Agreement, Verticalnet agreed to file a registration statement with the Securities and Exchange Commission seeking to register the 4,458,690 shares of Verticalnet common stock issued to the Shareholders under the Share Purchase Agreement before November 19, 2005. Verticalnet also granted the Shareholders piggyback registration rights with respect to the 4,458,690 shares of Verticalnet common stock issued to the Shareholders under the Share Purchase Agreement and any additional shares issued if the revenue based milestones under the Share Purchase Agreement are achieved. All of the Shareholders agreed not to sell or transfer a portion of the shares of Verticalnet common stock received until July 22, 2006, and certain Shareholders agreed not to sell or transfer a portion of the shares of Verticalnet common stock received at the closing as well as a portion of any additional shares issued if the revenue based milestones under the Share Purchase Agreement are achieved until July 22, 2007.

The foregoing is only a summary of the Share Purchase Agreement and Registration Rights Agreement. You are urged to read such agreements in their entirety for a more complete description of the terms and conditions of such agreements. Copies of the Share Purchase Agreement and the Registration Rights Agreement are attached to this report as Exhibits 2.1 and 4.1, respectively.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On July 22, 2005, Verticalnet issued an aggregate of 4,458,690 shares of Verticalnet common stock to the Shareholders in exchange for all of the outstanding capital stock of Digital Union. The shares of Verticalnet common stock were issued in reliance on the exemption from registration provided by Rule 903 of Regulation S under the Securities Act of 1933. Each Shareholder represented to Verticalnet that, among other things, such Shareholder was not a U.S. person and was acquiring the shares of Verticalnet common stock in an offshore transaction, as such terms are defined in Rule 902 of Regulation S.

The transaction was privately negotiated and did not include any general solicitation or advertising. Each Shareholder also represented that it was acquiring the shares without a view to a distribution and was afforded the opportunity to review all publicly filed documents and to ask questions and receive answers from Verticalnet's officers.
