Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

Item 4.02 filed on a Current Report on Form 8-K with a filing date of August 9, 2007 is deleted and replaced in its entirety with the following:

On August 8, 2007, the Audit Committee of the Board of Directors of the Company, upon management's recommendation, and after discussion with the Company's independent registered public accounting firm, Ernst & Young LLP, concluded that the Company's previously issued financial statements as of and for the three months ended March 31, 2007 (the "Financial Statements") should no longer be relied upon.

The Company has determined that there was a mathematical mistake made in the calculation of the compensation expense for stock appreciation rights for the three months ended March 31, 2007, which resulted in a \$2.8 million overstatement of such expense for that three-month period. After tax effect, the correction of this error on the Financial Statements is an increase in net income of \$2.2 million or \$0.06 per share – basic and diluted, as summarized below.

As originally reported	As restated
Three-Months Ended March 31, 2007	
(in thousands, except per share data)	
CONSOLIDATED STATEMENT OF OPERATIONS:	
Access and network services (excluding depreciation and amortization)	\$150,401 \$150,095
Selling, general and administrative (excluding depreciation and amortization)	51,459 48,986
Income from operations	25,322 28,101
Income taxes	9,566 10,130
Net Income	14,504 16,719
Net income per share - basic	0.40 0.46
Net income per share – diluted	\$0.39 \$0.45

The Company will file an amendment to its financial statements in connection with its Quarterly Report on Form 10-Q as soon as practicable.
