**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

e) On February 2, 2010, the Compensation Committee of the Juniper Networks (the "Company") Board of Directors adopted the 2010 Annual Incentive Plan, a cash bonus plan in which the Company's named executive officers participate. Under the 2010 Annual Incentive Plan, each named executive officer has an incentive target specified for that individual which is expressed as a percentage of base salary. Target incentive percentages for the Company's named executive officers participating in the plan are as follows:

- Kevin Johnson: 150%
- Mark Bauhaus: 100%
- Robyn Denholm: 100%
- Kim Perdikou: 100%
- Pradeep Sindhu: 100%

Bonus determinations under the plan will be based on achievement of specified objectives during the year, with the portion of incentive target allocated to objectives as follows:

- 35% based on the Company's revenue growth
- 35% based on the Company's operating margin
- 30% based on achievement of other specified strategic goals

However, in the case of a general manager of a business group, such as the Company's Infrastructure Products Group or Service Layer Technology Business Group, the incentive is based as follows:

- 25% based on the business group's revenue growth
- 25% based on the business group's operating margin
- 10% based on the Company's revenue growth
- 10% based on the Company's operating margin
- 30% based on achievement of other specified strategic goals

The incentive amounts paid after the end of 2010 will depend on the level of achievement of each objective and range between zero and 200% of the target incentive allocated to each element.
