Item 8.01 Other Events.

On April 27, 2010, we announced that the U.S. District Court in Minnesota declined to accept the plea agreement between Guidant and the U.S. Department of Justice (DOJ) related to product advisories issued in 2005, before we acquired Guidant. Instead, the Court invited the parties to consider a modified agreement fashioned to further serve the public interest, including community service, public education and charitable activities, and suggested the DOJ allocate a portion of the settlement funds to Medicare. The Court did not suggest revisions to the remaining terms of the plea agreement.

We plan to work with the DOJ in an effort to develop a modified plea agreement that is acceptable to the Court, the DOJ and the Company.

In November, Guidant agreed to plead to two misdemeanor charges related to the failure to include information in reports to the U.S. Food and Drug Administration, and we agreed to pay \$296 million on behalf of Guidant.

A copy of the press release is attached as Exhibit 99.1 hereto.
