**Item 2.05 Costs Associated with Exit or Disposal Activities.**

This Form 8-K/A amends the Current Report on Form 8-K filed by The St. Joe Company (the "Company") on March 17, 2010 regarding the relocation of the Company's corporate headquarters and the consolidation of certain other existing offices (collectively, the "relocation"). The information previously reported in the original Form 8-K is incorporated by reference into this Form 8-K/A, except to the extent such information has been modified or amended as described herein.

The Company previously disclosed that it expects to incur charges to earnings in connection with the relocation related primarily to termination and relocation benefits for employees. Such charges are expected to be cash expenditures. Based on employee responses to the announced relocation, the Company estimates that total relocation costs should be approximately \$5 million (pre-tax). These relocation costs include relocation bonuses, temporary lodging expenses, resettlement expenses, tax payments, shipping and storage of household goods and closing costs for housing transactions. These estimates are based on significant assumptions, such as home values, and actual results could differ materially from these estimates.

In addition to the previously disclosed cash termination benefits of \$1.7 million primarily incurred during the first quarter of 2010, the Company estimates that approximately \$0.5 million of additional cash termination benefits will be payable to employees terminated in connection with the relocation.

Most of the termination and relocation benefits described above are expected to be incurred through the second quarter of 2011.
