**Item 8.01 Other Events.**

On October 19, 2001, Materion Corporation, through its wholly owned subsidiary, Materion Advanced Materials Technologies and Services Inc. (AMTS), completed the acquisition of EIS Optics Limited. The transaction, valued at approximately \$24 million, was financed with internally generated cash and borrowings under the Company's \$325 million revolving line of credit.

EIS Optics is a leading producer of optical thin film filters, glass processing, lithograph and optical subassemblies that allow for the precision management of light in a broad range of end-use applications throughout the projection display, entertainment lighting, sensors, medical instruments and gaming industries. Products manufactured with EIS Optics' materials and assemblies include projectors, cinema components, HDTV, high-end hand-held cameras and gaming systems.
