Director Stock Purchase Plan

On March 19, 2015, the Board of Directors of Blonder Tongue Laboratories, Inc. (the “Company”) adopted the Director Stock Purchase Plan (the “Plan”). The Plan allows non-employee directors of the Company to elect to purchase common stock of the Company in lieu of receiving a portion (up to 65%) of their annual director retainer fee. The maximum number of shares of common stock that can be purchased by all participants, in the aggregate, pursuant to the Plan is 150,000 shares. The shares will be purchased directly from the Company at the fair market value of the Company’s common stock on the date of purchase (based on selling prices reported on NYSE MKT), which is the date on which a quarterly installment of the director retainer fee is paid by the Company to its non-employee directors.

The foregoing summary is not complete and is qualified in its entirety by reference to the Plan, which is filed as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.
