Item 1.01 Entry into a Material Definitive Agreement.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

Our Amended and Restated Senior Revolving Credit Agreement (the “Restated Credit Agreement”) provides for semi-annual redeterminations of our borrowing base on April 1 and October 1 of each year. Effective April 1, 2010, our borrowing base under the Restated Credit Agreement was increased from \$350 million to \$375 million.

On April 5, 2010, we amended the Restated Credit Agreement (the “Revolver Amendment”) to, among other things, allow us to (1) issue up to \$250 million of unsecured senior or senior subordinated debt securities (“Senior Notes”), subject to certain conditions, and (2) enter into a sale and leaseback transaction for all or any part of our compression, gathering and midstream facilities located in California with an aggregate sale price not exceeding \$15 million (the “Compressor Sale-Leaseback Transaction”). The Revolver Amendment provides that proceeds from any Senior Notes must be used to repay or prepay at least \$80 million of the outstanding principal balance of the second lien term notes (the “Second Lien Notes”) outstanding under our Amended and Restated Second Lien Term Loan Agreement (the “Term Loan”). The Revolver Amendment also provides that if Senior Notes are issued, our borrowing base under the Restated Credit Agreement will be reduced by an amount equal to \$.25 per \$1.00 of principal amount of Senior Notes issued in excess of the principal amount of Second Lien Notes repaid or prepaid contemporaneously with the issuance of such Senior Notes.

On April 5, 2010, we also entered into the Second Amendment to our Term Loan (the “Second Lien Amendment”) to, among other things, allow us to (1) issue up to \$250 million in Senior Notes, and (2) enter into the Compressor Sale-Leaseback Transaction.

The foregoing description of the Revolver Amendment and the Second Lien Amendment do not purport to be complete and are qualified in their entirety by reference to the respective amendments, which will be filed as Exhibits to our next Quarterly Report on Form 10-Q.

Certain lenders under the Restated Credit Agreement and the Term Loan, and their affiliates or predecessors, have in the past performed, and may in the future from time to time perform, investment banking, advisory, general financial, and commercial services for Rosetta Resources Inc. and its affiliates and subsidiaries for which they have in the past received, and may in the future receive, customary fees and reimbursement of expenses.
