### **ITEM 1.01. *Entry into a Material Definitive Agreement.***

On March 25, 2007, HealthSouth Corporation, a Delaware corporation (the "Company"), entered into a Stock Purchase Agreement (the "Stock Purchase Agreement") with ASC Acquisition LLC ("Buyer"), a Delaware limited liability company and newly-formed affiliate of TPG Partners V, L.P. ("TPG"), pursuant to which Buyer will acquire the Company's surgery centers division for approximately \$945 million. The purchase price consists of cash consideration of \$920 million, subject to certain adjustments, and an equity interest whereby the Company will have an option to acquire 5% of Buyer's primary shares acquired by TPG at closing at an exercise price that will escalate at 15% annually, which option is estimated to be worth \$25 - \$30 million assuming a five-year horizon.

The closing of the transactions is subject to the satisfaction of closing conditions set forth in the Stock Purchase Agreement, including certain regulatory and other approvals. The closing is anticipated to occur in the third quarter of 2007.

On March 26, 2007, the Company issued a press release, a copy of which is attached hereto as Exhibit 99.1 and incorporated herein by reference, announcing that the Company has entered into the Stock Purchase Agreement referenced herein.

### ***Forward-Looking Statements***

Certain statements made in this Current Report on Form 8-K are forward looking, reflect the Company's current intent, belief or expectations and involve certain risks and uncertainties. These forward-looking statements include, but are not limited to, statements regarding the likelihood and timing of the closing of the transactions contemplated by the Stock Purchase Agreement. The Company's actual future results may not meet the Company's expectations. In addition to those factors identified in the Company's Annual Report on Form 10-K for the year ended December 31, 2006, and other filings with the SEC, factors that may cause future results to differ materially from the Company's current expectations include, but are not limited to, the possibility that the Company's sale of the surgery centers division will not close, the risk of a significant adjustment to the purchase price and regulatory delay in approving the sale. The Company undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
