### **ISS Recommends Shareholders Vote AGAINST Inter-Tel Buyout by Mitel**

*Mihaylo Receives Financing Commitments Demonstrating Feasibility  
of Recapitalization Proposal*

*Mihaylo Urges Shareholders to VOTE NO on Mitel Proposal*

**TEMPE, AZ June 20, 2007** Steven G. Mihaylo, founder and former Chief Executive Officer of Inter-Tel (Delaware), Incorporated (NasdaqNM: INTL - News) today announced that Institutional Shareholder Services ( ISS ), one of the world's leading providers of proxy voting and corporate governance solutions to the institutional marketplace, recommended that shareholders vote AGAINST the merger with Mitel Networks Corporation ( Mitel ) at the June 29<sup>th</sup> shareholder meeting.

## Edgar Filing: MIHAYLO STEVEN G - Form DFAN14A

In its report, ISS stated that Based on our review of the terms of the transaction, in particular, the relatively low 7.6 percent 1-day offer premium, the flawed sale process, lack of an imminent reason to sell the company without conducting a proper sale process, and valuation, we believe that the merger agreement does not warrant shareholder support. <sup>1</sup>

I am gratified ISS agrees with my position that shareholders should not vote in favor of the Mitel buyout at \$25.60 per share. I believe we are here today due to a flawed process that resulted in an undervalued offer, stated Mr. Mihaylo. Based on the assumptions underlying the recapitalization analysis, the Company is worth more than the Mitel offer. Indeed, I believe a proper auction should have been conducted to win the highest price for shareholders, he said.

Furthermore, as ISS recognized, Mr. Mihaylo is not alone in his concerns regarding the process and valuation: Millenium Management LLC, which owns approximately 3.2% of the outstanding shares, sent a letter to Inter-Tel on June 13, 2007, stating that, in their view, the process was not a full and fair auction and the proposed purchase price fails to value the Company adequately.<sup>2</sup>

Mr. Mihaylo added, Absent a higher bid, I believe Inter-Tel has a better alternative through a leveraged recapitalization, which will provide greater value to all shareholders and will at the same time preserve the opportunity for future growth and upside potential, including a potential sale at a later date. I urge all shareholders, especially current and former employees who care as

much about the Company as I do, to stand up, be heard and vote their shares AGAINST this buyout proposal.

With regard to his proposed recapitalization plan, Mr. Mihaylo also announced that the Royal Bank of Canada and RBC Capital Markets have committed a total of \$255 million to finance Mr. Mihaylo's recapitalization plan subject to customary closing conditions similar to those contained in the Mitel financing commitments.

The Senior Secured Financing Commitment Letter consists of the following:

First-lien term loan facility in an aggregate principal amount of up to \$125.0 million

\$30.0 million revolving credit facility

Second-lien term loan facility in an aggregate principal amount of up to \$100.0 million

## Edgar Filing: MIHAYLO STEVEN G - Form DFAN14A

With Royal Bank of Canada and RBC Capital Markets as my financing partners and their firm commitment to my recapitalization plan, I am confident Inter-Tel shareholders will agree that my proposal is superior to Mitel's buyout offer and will vote AGAINST the merger at the upcoming meeting of shareholders on Friday, June 29, 2007, stated Mihaylo. I believe the \$255 million commitment should more than adequately address concerns raised by the Board concerning the financeability of the recapitalization proposal and should not require any asset disposition.

Mr. Mihaylo added, "The Board has had ample time to pursue its strategic options" but I believe the Board never had a coherent plan as evidenced by its recent agreement to sell the Company to Mitel. Thus, if the shareholders vote AGAINST the merger, I believe it should be viewed as an unequivocal vote of no-confidence for the Board and the Company's leadership over the past 15 months.
