Item 1. Security and Issuer

This Schedule 13D (the "Schedule") relates to the Class A Common Stock, par value \$0.0001 per share ("Class A Common Stock") of PennyMac Financial Services, Inc., a Delaware corporation (the "Issuer").

Item 2. Identity and Background

This Schedule 13D is being filed by BlackRock, Inc. (the "Reporting Person"). The Reporting Person is a Delaware corporation that, through its subsidiaries, provides diversified investment management directly and indirectly through various investment products to institutions, intermediaries and individual investors. Investment management services primarily consist of the management of equity, fixed income, multi-asset class, alternative investment and cash management products. The Reporting Person, through its subsidiaries, offers its investment products in a variety of accounts, including open-end and closed-end mutual funds, iShares® exchange-traded funds, collective investment trusts and separate accounts. In addition, the Reporting Person, through its subsidiaries, provides market risk management, financial markets advisory and enterprise investment system services to a broad base of clients. Financial markets advisory services include valuation services relating to illiquid securities, dispositions and workout assignments (including long-term portfolio liquidation assignments), risk management and strategic planning and execution. The principal office and business address of the Reporting Person is 55 East 52nd Street, New York, NY 10055.

For information required by Instruction C to Schedule 13D with respect to the officers and directors of the Reporting Person (collectively, the "Covered Persons"), reference is made to Schedule A annexed hereto and incorporated herein by reference.

During the last five years, none of the Reporting Person, its subsidiaries or, to the knowledge of the Reporting Person, any of the Covered Persons has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

During the last five years, none of the Reporting Person, its subsidiaries or, to the knowledge of the Reporting Person, any of the Covered Persons was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding and violation with respect to such laws.

Neither the present filing nor anything contained herein shall be construed as an admission that the Reporting Person constitutes a "person" for any purposes other than Section 13(d) of the Securities Exchange Act of 1934 (the "Act").

Item 3. Source and Amount of Funds or Other Consideration

The Reporting Person, in its role as an investment adviser for certain client accounts, acquired beneficial ownership of 512,631 shares of Class A Common Stock (the "Client Securities") after the Issuer's registration of the Class A Common Stock pursuant to

Section 12 of the Act. Such acquisitions were made with available funds of the applicable client accounts and were acquired for investment purposes by funds and accounts for which certain of the Reporting Person's advisory subsidiaries act as investment advisers. The general investment policy associated with these applicable client accounts is to replicate the economic performance of a third party index. The aggregate purchase price for the Client Securities was \$10,311,036.06.

In a reclassification of the outstanding limited liability company interests of Private National Mortgage Acceptance Company, LLC (the "LLC") consummated in connection with the initial public offering of the Issuer, but in advance of the Issuer's registration of the Class A Common Stock pursuant to Section 12 of the Act, BlackRock Mortgage Ventures, LLC, an indirect wholly owned subsidiary of the Reporting Person ("BLK MV"), received 21,670,647 Class A Units of the LLC ("Class A Units") in exchange for equity interests in the LLC that had then been held by BLK MV prior to the initial public offering of the Issuer. The Issuer is the managing member of the LLC.

Pursuant to an exchange agreement between the Issuer, the LLC and BLK MV entered into on May 8, 2013 (the "Exchange Agreement"), BLK MV may exchange its Class A Units for shares of Class A Common Stock on a one-for-one basis, subject to customary conversion rate adjustments for stock splits, stock dividends, reclassifications and certain other transactions. The foregoing summary of the Exchange Agreement is qualified in its entirety by reference to the Exchange Agreement, which is Exhibit 99.1 hereto and is incorporated herein by reference.

On December 13, 2013, BLK MV exchanged 1,800,000 of its then-owned Class A Units for 1,800,000 shares of Class A Common Stock pursuant to the Exchange Agreement, which did not alter the Reporting Person's beneficial ownership of the Class A Common Stock.

Other than the Client Securities, the Reporting Person indirectly holds 1,800,000 shares of Class A Common Stock and 13,760,647 Class A Units (collectively, the "Reporting Person Securities").

Item 4.

Purpose of Transaction

All of the Reporting Person Securities were acquired for investment purposes. The Reporting Person intends to review on a continuing basis its investment of the Reporting Person Securities in the Issuer. Based on such review, the Reporting Person may acquire or dispose of Class A Common Stock or other securities of the Issuer at any time or formulate other purposes, plans or proposals regarding the Issuer or any of its securities, to the extent deemed advisable in light (i) the price and availability of the Issuer's securities; (ii) subsequent developments concerning the Issuer's business and prospects and the industry in which the Issuer operates; (iii) the Reporting Person's general investment policies; (iv) other investment and business opportunities available to the Reporting Person; (v) general market and economic conditions; (vi) tax considerations and (vii) such other factors as the Reporting Person may consider relevant.

All of the Client Securities were acquired for investment purposes by funds and accounts for which certain of the Reporting Person's subsidiaries act as investment advisers. The general investment policy associated with these applicable funds and accounts is to replicate the economic performance of a third party index.

With respect to the Client Securities, the Reporting Person expects each of its advisory subsidiaries to evaluate on a continuing basis its client accounts' investment in the Issuer and that each such subsidiary may from time to time acquire or dispose of shares of Class A Common Stock or other securities of the Issuer on behalf of such client accounts. Any acquisitions or dispositions will depend upon (i) the price and availability of the Issuer's securities; (ii) subsequent developments concerning the Issuer's business and prospects and the industry in which the Issuer operates; (iii) the Reporting Person's advisory subsidiaries' general investment policies with respect to the applicable accounts managed by the Reporting Person's advisory subsidiaries; (iv) other investment and business opportunities available to the Reporting Person's advisory subsidiaries on behalf of their clients; (v) general market and economic conditions; (vi) tax considerations and (vii) such other factors as the Reporting Person's advisory subsidiaries may consider relevant. Any such acquisitions or dispositions may be made, subject to applicable law, in open market transactions or privately negotiated transactions.

Except as set forth in this Schedule, the Reporting Person has no present plans or proposals that relate to or would result in any of the actions described in Item 4(a) through (j) of Schedule 13D under Rule 13d-1(d).

Item 5. Interest in Securities of the Issuer

(a) and (b)

The information set forth on the cover page to this filing is incorporated herein by reference.

The Reporting Person Securities and the Client Securities represent, in the aggregate, 46.7% of the total number of the outstanding shares of Class A Common Stock, as calculated pursuant to Rule 13d-3(d).

The Reporting Person has the power to vote and dispose of the shares of Class A Common Stock that it beneficially owns other than 16,108 shares held for clients who have retained sole voting power over such shares.

(c)

The information set forth in Item 4 is hereby incorporated herein by reference.

On June 28, 2013, BLK MV donated 6,110,000 of its then-owned Class A Units as a charitable gift to a donor advised fund, which interests accordingly are not reported as beneficially owned by the Reporting Person on this Schedule 13D.

In addition to those transactions described above in this Item 5(c), Schedule B sets forth transactions in the Shares which were effected during the sixty day periods ending on each of June 28, 2013 and February 28, 2014, the nearest practicable date prior to the filing of this Schedule, all of which were effected in the ordinary course of business and not with the purpose or effect of changing or influencing the control of the Issuer. The transactions in the Class A Common Stock described on Schedule B were effected on the NYSE unless otherwise indicated.

Except for investment advisory clients of the Reporting Person's subsidiaries who may have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, Client Securities, no other person is known by the Reporting Person to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, any shares of Class A Common Stock beneficially owned by the Reporting Person.

The ownership percentages set forth above are based on 18,887,777 shares of the Class A Common Stock outstanding as of November 12, 2013, as set forth in the Quarterly Report on Form 10-Q filed by the Issuer with the Securities and Exchange Commission on November 14, 2013, plus the 13,760,647 Class A Units held by BLK MV and the 1,800,000 shares of the Class A Common Stock issued to BLK MV on December 13, 2013 in exchange for 1,800,000 Class A Units pursuant to the Exchange Agreement.

Item 6. Contacts, Arrangements, Understanding or Relationships with Respect to Securities of the Issuer

The information set forth in Item 4 is hereby incorporated herein by reference.

The Reporting Person indirectly holds one share of Class B common stock, par value \$0.0001 per share (the "Class B Common Stock") of the Issuer. Each holder of Class B Common Stock is entitled to a number of votes at the Issuer's stockholder meetings that is equal to the aggregate number of Class A Units held by such holder.

Two members of the Issuer's board of directors have been nominated to such positions by BLK MV pursuant to its rights under the Stockholder Agreement (as defined below).

The following descriptions are qualified in their entirety by reference to the Exchange Agreement, the Registration Rights Agreement, the Tax Receivable Agreement, the Stockholder Agreement and the LLC Agreement (each as defined below), which are, respectively, incorporated herein by reference to Exhibits 99.1, 99.2, 99.3, 99.4 and 99.5 hereto, respectively.

EXCHANGE AGREEMENT

The information set forth under Item 3 is hereby incorporated by reference.

REGISTRATION RIGHTS AGREEMENT

BLK MV is party to a Registration Rights Agreement dated May 8, 2013 (the “Registration Rights Agreement”), pursuant to which the Issuer has agreed to register for resale under the Securities Act of 1933 shares of Class A Common Stock received in exchange for Class A Units held by BLK MV and the other parties to the agreement. In addition, BLK MV has the right, subject to the terms of the Registration Rights Agreement, to demand that the Issuer registers the sale of shares of Class A Common Stock held by it. BLK MV may also require the Issuer to make available shelf registration statements permitting sales of shares of Class A Common Stock into the market from time to time over an extended period. In addition, BLK MV has the ability under the Registration Rights Agreement to exercise certain piggyback registration rights in respect of shares of Class A Common Stock held by it in connection with registered offerings requested by other registration rights holders or initiated by the Issuer.

TAX RECEIVABLE AGREEMENT

BLK MV is party to a Tax Receivable Agreement dated May 8, 2013 (the “Tax Receivable Agreement”) that provides for the payment from time to time by the Issuer to BLK MV and the other holders of Class A Units of 85% of the amount of the net tax benefits, if any, that the Issuer is deemed to realize under certain circumstances as a result of (i) increases in tax basis resulting from exchanges of Class A Units for shares of Class A Common Stock of the Issuer and (ii) certain other tax benefits related to the Tax Receivable Agreement, including tax benefits attributable to payments under the Tax Receivable Agreement.

STOCKHOLDER AGREEMENT

BLK MV is party to a Stockholder Agreement with the Issuer dated May 8, 2013 (the “Stockholder Agreement”) which provides that the Issuer’s board of directors will consist of no more than nine directors as long as BLK MV and its affiliates hold at least 10% of the voting power of the Issuer’s outstanding capital stock. The Stockholder Agreement also provides that BLK MV has the right to nominate two individuals for election to the Issuer’s board of directors as long as it, together with its affiliates, holds at least 15% of the voting power of the Issuer’s outstanding capital stock, and the right to nominate one individual for election to the Issuer’s board of directors as long as BLK MV, together with its affiliates, holds at least 10% of the voting power of the Issuer’s outstanding capital stock. In addition, the Stockholder Agreement provides that BLK MV, as long as it, together with its affiliates, holds at least 10% of the voting power of the Issuer’s outstanding capital stock, has the right to nominate one member to each committee of the Issuer’s board of directors, and as long as such nominees meet the independence standards applicable to such committees, the Issuer will appoint such nominees as members of such committees. The Stockholder Agreement also provides that neither the Issuer’s certificate of incorporation nor its bylaws may be amended in any manner that is adverse to BLK MV or its affiliates without the consent of BLK MV, as long as BLK MV, together with its affiliates, holds at least 5% of the voting power of the Issuer’s outstanding capital stock.

LLC AGREEMENT

BLK MV is party to the Fourth Amended and Restated Limited Liability Company Agreement of the LLC dated May 8, 2013 (the “LLC Agreement”). Pursuant to the LLC Agreement, the Issuer is the sole managing member of the LLC and operates and controls all of the business and affairs of the LLC. While BLK MV and the other holders of Class A Units do not have voting rights under the LLC Agreement, BLK MV and certain other holders have consent and other rights over certain actions relating to the LLC, including, among other items, with respect to (i) the creation of additional classes of units or securities, (ii) agreements that would limit the ability of the LLC to make tax distributions or payments under the Tax Receivable Agreement, (iii) dilutive issuances and (iv) amendments to the LLC Agreement.
