VOTING AT THE ANNUAL MEETING

Record Date and Outstanding Stock

The Board of Directors has fixed the close of business on April 6, 2015 as the record date (the “Record Date”) for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting and at any adjournment thereof as set forth in this proxy statement. As of Record Date, the Company had 46,623,992 shares of its common stock, par value \$0.001 per share (the “Common Stock”) issued and outstanding.

Quorum Requirement

The presence, in person or by proxy, of stockholders entitled to cast a majority of the total number of votes entitled to be cast at the Annual Meeting constitutes a quorum. For purposes of determining the presence or absence of a quorum, shares present at the Annual Meeting that are not voted, or abstentions, and broker non votes (which occur when a broker has not received directions from customers and does not have discretionary authority to vote the customers’ shares, as described below) will be treated as shares that are present at the meeting but have not been voted.

If a quorum is not present in person or by proxy at the meeting, or if fewer shares are present in person or by proxy than is the minimum required to take action with respect to any proposal presented at the meeting, the chairman of the meeting or the stockholders entitled to vote at such meeting, present in person or by proxy, have the power to adjourn the Annual Meeting to a date not more than 120 days after the original Record Date without notice other than announcement at the meeting.

How Proxies Will Be Voted

All proxies solicited by the Board of Directors of the Company that are properly executed and received prior to the meeting, and that are not revoked, will be voted at the meeting. Shares represented by those proxies will be voted in accordance with the instructions marked on the proxy. If no instructions are specified, shares will be counted as a vote FOR the proposals described in this proxy statement.

How to Vote Your Shares

You may vote your shares the Annual Meeting:

- Via the Internet using the website indicated on the enclosed proxy card;
- By telephone using the number indicated on the enclosed proxy card;
- By completing and signing the enclosed proxy card (your ballot), and mailing it in the postage-paid envelope included in this package; and
- You may also vote in person if you are able to attend the Annual Meeting.

Votes Required for Approval; No Dissenters’ Rights

Assuming the presence of a quorum, the vote required to approve each of the proposals at the Annual Meeting is as follows:

The affirmative vote of a plurality of the votes cast by the holders of shares of Common Stock present or represented at the Annual Meeting is required for the election of the Board of Directors’ two nominees for election as directors under Proposal 1.

The affirmative vote of a majority of the votes cast by the holders of shares of Common Stock present or represented at the Annual Meeting is required for approval of Proposal 2, ratification of the selection of Ernst & Young LLP as the Company’s independent registered public accounting firm to audit the accounts of the Company for the fiscal year ending December 31, 2015.

Each share of Common Stock is entitled to one vote with respect to those matters upon which such share is to be voted. No cumulative voting rights are authorized and dissenters’ rights are not applicable to any of these matters.

Table of Contents

Special Notice Regarding Shares Held in Broker Accounts

Under New York Stock Exchange (“NYSE”) Rule 452, NYSE member organizations are prohibited from giving a proxy to vote with respect to "non-routine" matters such as (i) an election of directors, (ii) any proposal related to executive compensation (including any stockholder advisory votes on the approval of executive compensation) or (iii) an authorization to implement an equity compensation plan, or any material revision to the terms of any existing equity compensation plan, without receiving voting instructions from a beneficial owner. Therefore, brokers will not be entitled to vote shares at the Annual Meeting with respect to Proposal 1 without instructions by the beneficial owner of the shares. Beneficial owners of shares held in broker accounts are advised that, if they do not provide instructions to their broker in a timely manner, their shares will not be voted in connection with the election of directors (Proposal 1). Conversely, NYSE Rule 452 permits brokers, on certain routine matters, to exercise their discretion in voting shares they hold in “street name” on behalf of beneficial owners who have not returned voting instructions to the brokers. Routine matters include the ratification of the selection of the independent registered public accountants (Proposal 2).

In instances - such as voting on Proposal 1 at the Annual Meeting - where brokers are prohibited from exercising discretionary authority (so-called “broker non-votes”), the shares for which they have not received voting instructions are counted as present for the purpose of determining whether or not a quorum exists at the Annual Meeting, but are not included in the vote totals. Because broker non-votes are not included in the vote, they are not counted as votes cast “for” or “against” a proposal. Accordingly, assuming the presence of a quorum at the Annual Meeting, abstentions and broker non-votes will have no effect on the election of any nominee for director under Proposal 1, so long as such nominee receives any affirmative votes. Broker non-votes do not occur on "routine" matters such as Proposal 2, but abstentions also will have no effect on the ratification of the selection of the independent registered public accountants under Proposal 2.

Revoking a Proxy; Voting at the Annual Meeting

You may revoke your proxy at any time by: (i) sending prior to the Annual Meeting a letter stating that you are revoking your proxy to the Secretary of the Company at the Company’s offices located at 1100 Walnut, Suite 3350, Kansas City, Missouri 64106; (ii) properly executing and sending, prior to the Annual Meeting, a later dated proxy; or (iii) attending the Annual Meeting, requesting return of any previously delivered proxy, and voting in person. Attendance at the Annual Meeting will not cause your previously signed proxy to be revoked unless you specifically so request. Please note that if your shares are held of record in the name of a bank, broker or other nominee and you wish to vote in person at the Annual Meeting, you must obtain a legal proxy, executed in your favor, from the holder of record. You should allow yourself enough time prior to the Annual Meeting to obtain this proxy from the holder of record.

Expenses and Solicitation of Proxies

The expenses of preparing, printing and mailing the enclosed proxy card, the accompanying notice and this proxy statement and all other costs in connection with the initial solicitation and voting of proxies will be borne by the Company. The Company may also reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of shares of the Company. In order to obtain the necessary quorum at the Annual Meeting, additional solicitation may be made by mail, telephone, telegraph, facsimile, e-mail or personal interview by representatives of the Company, by the Company's external manager, Corridor InfraTrust Management, LLC ("Corridor"), by the Company’s transfer agent, by brokers or their representatives. The Company will not pay any representatives of the Company or Corridor any additional compensation for their efforts to supplement proxy solicitation.

PROPOSAL ONE

Election of Directors

The Board of Directors of the Company unanimously nominated Charles E. Heath and David J. Schulte following a recommendation by the Corporate Governance Committee of the Company, for election as directors at the Annual Meeting. Mr. Heath, who is being nominated for re-election, is one of the Company's four independent directors and his present term expires in 2015. Mr. Heath currently serves as Chairman of the Company's Corporate Governance Committee and as a member of the Company's Investment Committee and Executive Committee. Mr. Schulte, who is being nominated for re-election, is the Company's President and Chief Executive Officer as well as director and his present term expires in 2015. Mr. Schulte currently serves as a member of the Company's Investment Committee and Executive Committee. Each of Mr. Heath and Mr. Schulte has consented to be named in this proxy statement and has agreed to serve if elected. The Company has no reason to believe that Mr. Heath or Mr. Schulte will be unavailable to serve.

The persons named on the accompanying proxy card intend to vote at the meeting (unless otherwise directed) "FOR" the election of Mr. Heath and Mr. Schulte as directors of the Company. Currently, the Company has six directors, four of whom (the "Independent Directors") are "independent" as defined under the New York Stock Exchange listing standards. In accordance with the Company's Articles of Incorporation, its Board of Directors is divided into three classes of approximately equal size. The current terms of the directors of the different classes are staggered. The terms of Richard C. Green and Catherine A. Lewis expire on the date of the 2016 annual meeting of stockholders, and the terms of Conrad S. Ciccotello and Barrett Brady expire on the date of the 2017 annual meeting of stockholders.

The Board of Directors has nominated each of Mr. Heath and Mr. Schulte for election to a term of service as a director that will expire at the 2018 annual meeting of stockholders, and until his respective successor is duly elected and qualified. If either of Mr. Heath or Mr. Schulte is unable to serve because of an event not now anticipated, the persons named as proxies may vote for another person designated by the Company's Board of Directors.

In accordance with the Company's Bylaws ("Bylaws"), each share of the Company's Common Stock may be voted for as many individuals as there are directors to be elected. Thus, each common share is entitled to one vote in the election of Mr. Heath and one vote in the election of Mr. Schulte. Stockholders do not have cumulative voting rights.

The following table sets forth each Board member's name, age and address, position(s) with the Company and length of time served, principal occupation during the past five years, and other public company directorships held by each Board member. Unless otherwise indicated, the address of each director is 1100 Walnut, Suite 3350, Kansas City, Missouri 64106.

Table of Contents

Each director was selected to join the Company's Board of Directors based upon their character and integrity, and their willingness and ability to serve and commit the time necessary to perform the duties of a director. In addition, as to each director other than Mr. Schulte and Mr. Green, their status as an Independent Director, and, as appropriate, their service as a director for the Tortoise Funds, and, as to Mr. Schulte and Mr. Green, their roles with Corridor, were an important factor in their selection as a director. No factor was by itself controlling.

In addition to the information provided in the table above, each director possesses the following attributes: Mr. Brady, executive and leadership roles with public real estate companies; Ms. Lewis, executive and leadership experience in public accounting, and tax expertise in the energy sector; Mr. Heath, executive leadership and business experience; Mr. Ciccotello, experience as a college professor, a Ph.D. in finance and knowledge of energy infrastructure MLPs; Mr. Schulte, executive and leadership roles with the Tortoise Funds and Corridor; and Mr. Green, executive and leadership roles with public energy companies and Corridor.

Pursuant to the requirements of Section 303A.02(a) of the NYSE Listed Company Manual, our Board of Directors has reviewed whether any director has any relationship with the Company's independent auditors that would preclude independence under SEC and NYSE rules, or any material relationship with the Company (either directly or as a partner, member, shareholder or officer of an organization that has a relationship with the Company) which could (directly or indirectly) materially impact the ability of such director or nominee to exert his or her independent judgment and analysis as a member of the Board. As a result of this review, the Board affirmatively determined that four of the Company's six current directors, were independent under the applicable standards of the SEC and NYSE. Mr. Green and Mr. Schulte, our Chairman of the Board and our Chief Executive Officer and President, respectively, were not deemed independent. In making the independence determinations with respect to the other four directors, the Board considered the fact that Mr. Ciccotello and Mr. Heath are each directors of the Tortoise Funds, as described above. The Company is externally managed by Corridor, an affiliate of Tortoise Capital Advisors, L.L.C. ("TCA"), a registered investment adviser with approximately \$17.5 billion of assets under management in the U.S. energy infrastructure sector as of February 28, 2015. TCA also provides investment advisory and management services to the Tortoise Funds, and our Board of Directors does not believe that such relationship interferes in any way with the independence of Mr. Ciccotello and Mr. Heath as directors of the Company.

Mr. Green serves as Chairman of the Board of Directors. The appointment of Mr. Green as Chairman reflects the Board of Directors' belief that his experience, familiarity with the Company's day-to-day operations and access to individuals with responsibility for the Company's management and operations provides the Board of Directors with insight into the Company's business and activities and, with his access to appropriate administrative support, facilitates the efficient development of meeting agendas that address the Company's business, legal and other needs and the orderly conduct of meetings of the Board of Directors. Mr. Heath serves as Lead Independent Director. The Lead Independent Director, among other things, chairs executive sessions of the four directors who are Independent Directors, serves as a spokesperson for the Independent Directors and serves as a liaison between the Independent Directors and the Company's management. The Independent Directors regularly meet outside the presence of management and are advised by independent legal counsel. The Board of Directors also has determined that its leadership structure, as described above, is appropriate in light of the Company's size and complexity, the number of Independent Directors and the Board of Directors' general oversight responsibility. The Board of Directors also believes that its leadership structure not only facilitates the orderly and efficient flow of information to the Independent Directors from management, but also enhances the independent and orderly exercise of its responsibilities.

The Board of Directors has determined that each member of the Audit Committee is "financially literate" and is "independent" as defined under the applicable New York Stock Exchange listing standards. The Board of Directors has determined that Conrad S. Ciccotello is an "audit committee financial expert." The Corporate Governance Committee

The Corporate Governance Committee: (i) identifies individuals qualified to become Board members and recommends to the Board the director nominees for the next annual meeting of stockholders and to fill any vacancies; (ii) monitors the structure and membership of Board committees and recommends to the Board director nominees for each committee; (iii) reviews issues and developments related to corporate governance issues and develops and recommends to the Board corporate governance guidelines and procedures; (iv) evaluates and makes recommendations to the Board regarding director compensation; (v) oversees the evaluation of the Board and management; (vi) has the sole authority to retain and terminate any search firm used to identify director candidates and to approve the search firm's fees and other retention terms, though it has yet to exercise such authority; and (vii) may not delegate its authority.

The Corporate Governance Committee will consider stockholder recommendations for nominees for membership to the Board of Directors so long as such recommendations are made in accordance with the Company's Bylaws. Nominees recommended by stockholders in compliance with the Bylaws of the Company will be evaluated on the same basis as other nominees considered by the Corporate Governance Committee. Stockholders should see "Stockholder Proposals and Nominations for the 2015 Annual Meeting" below for information relating to the submission by stockholders of nominees and matters for consideration at a meeting of the Company's stockholders. The Company's Bylaws require all directors and nominees for directors, at the time of their nomination (i) to be at least 21, but less than 75, years of age and have substantial expertise, experience or relationships relevant to the business of the Company or (ii) to be a current director of the Company who has not reached 75 years of age. The Corporate Governance Committee has the sole discretion to determine if an individual satisfies the foregoing qualifications. The Corporate Governance Committee also considers the broad background of each individual nominee for director, including how such individual would impact the diversity of the Board, but does not have a formal policy regarding consideration of diversity in identifying nominees for director.

The Board of Directors has determined that each member of the Corporate Governance Committee is "independent" as defined under the applicable New York Stock Exchange listing standards. On August 7, 2013, the Nominating, Corporate Governance and Compensation Committee was renamed the Corporate Governance Committee. In 2013, the Board of Directors authorized the elimination of the Compliance Committee in order to streamline committee responsibilities due to the overlap between the prior Compliance Committee charter and the prior Corporate Governance Committee charter. The Corporate Governance Committee has assumed all responsibilities previously held by the Compliance Committee, including: the review and assessment of management's compliance with applicable securities laws, rules and regulations; monitoring compliance with the Company's Code of Ethics and Business Conduct; and handling other matters as the Board of Directors or committee chair deems appropriate.

Copies of each of the committee charter documents referenced above, as approved and adopted by the Board of Directors, are available on the Company's website, <http://corenergy.corridortrust.com>, and in print to any stockholder by written request directed to the Secretary of the Company at 1100 Walnut, Suite 3350, Kansas City, Missouri 64106.

The Company's Board of Directors met twelve times during 2014. Each director attended more than 75% of the aggregate of (i) the total number of Board meetings and (ii) the total number of meetings of Board committees on which the director served at the time during 2014. The Company does not have a policy with respect to Board member attendance at annual meetings. All of the directors of the Company attended the Company's 2014 annual meeting.

Risk Management. The Board of Directors' role in the Company's risk oversight reflects its responsibility under applicable state law to oversee generally, rather than to manage, the Company's operations. In line with this oversight responsibility, the Board of Directors will receive reports and make inquiry at its regular meetings and as needed regarding the nature and extent of significant risks (including compliance and valuation risks) that potentially could have a materially

adverse impact on the Company's business operations, performance or reputation, but relies upon the Company's management to assist it in identifying and understanding the nature and extent of such risks and determining whether, and to what extent, such risks may be eliminated or mitigated. In addition to reports and other information received from the Company's management regarding its operations and activities, the Board of Directors, as part of its risk oversight efforts, will meet at its regular meetings and as needed with Corridor's management to discuss, among other things, risk issues and issues regarding the Company's policies, procedures and controls. The Board of Directors may be assisted in performing aspects of its role in risk oversight by the Audit Committee and such other standing or special committees as may be established from time to time. For example, the Audit Committee will regularly meet with the Company's independent public accounting firm to review, among other things, reports on internal controls for financial reporting.

The Board of Directors believes that not all risks that may affect us can be identified, that it may not be practical or cost-effective to eliminate or mitigate certain risks, that it may be necessary to bear certain risks to achieve the Company's goals and objectives, and that the processes, procedures and controls employed to address certain risks may be limited in their effectiveness. Moreover, reports received by the directors as to risk management matters are typically summaries of relevant information and may be inaccurate or incomplete. As a result of the foregoing and other factors, the risk management oversight of the Board of Directors is subject to substantial limitations.

Executive Sessions; Communicating With the Board. The Company has designated Mr. Heath as the presiding director to preside at all executive sessions of the Company's non-management directors. Executive sessions of the Company's non-management directors are held at least twice a year. Stockholders and any interested parties may communicate directly with Mr. Heath, or with the non-management directors as a group, by writing to the Secretary of the Company at its principal office at 1100 Walnut, Suite 3350, Kansas City, Missouri 64106.

Director Compensation Table

As we are externally managed by Corridor, we have no employees at the corporate level, and we do not compensate Mr. Green or Mr. Schulte for their service as directors. Each of our officers is an employee of Corridor or one of its affiliates. Corridor is not obligated to dedicate certain of its employees exclusively to us, nor are it or its employees obligated to dedicate any specific portion of its or their time to our business. As described below under the heading “Certain Relationships and Related Party Transactions,” we pay a management fee and certain other fees to Corridor, which it uses in part to pay compensation to its officers and employees who, notwithstanding that certain of them also are our officers, receive no cash compensation directly from us.

The following table sets forth certain information with respect to the compensation paid by the Company to each of our independent directors for their services as a director during fiscal 2014. The Company does not have any retirement or pension plans, except for the Roth 401(k) plan for the employees of its subsidiary Omega Pipeline, LLC and 401(k) plan for the employees of its subsidiary MoGas Pipeline, LLC.

By unanimous written consent of the Board of Directors, the stock retainers due on April 1 and July 1, 2014 were deferred to October 1, 2014 and January 1, 2015, and the April 1 and July 1, 2014 retainers were instead paid in cash. Accordingly, (i) 1,006.7114 shares of restricted stock were granted under the Director Compensation Plan, as

⁽²⁾ amended, to each independent director on October 1, 2014, having a grant date value of \$7.45, which was the closing price of one share of common stock as reported on the NYSE on the date of the grant and (ii) 1,121.0762 shares of restricted stock were granted on January 2, 2015, having a grant date value of \$6.69, which was the closing price of one share of common stock as reported on the NYSE on the date of the grant.

The Chairman of the Audit Committee receives an additional annual retainer of \$5,000. The Lead Director and each other committee chairman receives an additional annual retainer of \$1,000. The Independent Directors are also reimbursed for expenses incurred as a result of attendance at meetings of the Board of Directors and Board committees.

Required Vote

Mr. Heath and Mr. Schulte will be elected by the vote of a plurality of the votes cast by the holders of all shares of Common Stock of the Company present at the meeting, in person or by proxy. When there are two vacancies for director, as is the case here, a vote by plurality means the two nominees with the highest number of affirmative votes, regardless of the votes withheld for the candidates, will be elected. Therefore, withheld votes and broker non-votes, if any, will not be counted towards a nominee’s achievement of a plurality. Each common share is entitled to one vote in the election of Mr. Heath and one vote in the election of Mr. Schulte.

BOARD RECOMMENDATION

The Board of Directors of the Company unanimously recommends stockholders of the Company vote “FOR” Mr. Heath and Mr. Schulte as directors.

PROPOSAL TWO

**Ratification of Selection of
Independent Registered Public Accounting Firm**

The Board of Directors of the Company recommends that the stockholders of the Company ratify the selection of Ernst & Young LLP (“E&Y”) as the Company’s independent registered public accounting firm, to audit the accounts of the Company for the fiscal year ending December 31, 2015. E&Y’s selection was approved by the Company’s Audit Committee and was also ratified and approved by the Board of Directors of the Company, including all of the Independent Directors.

E&Y has audited the financial statements of the Company since the Company’s commencement of operations on December 8, 2005, and does not have any direct financial interest or any material indirect financial interest in the Company. A representative of E&Y is expected to be available at the Annual Meeting, to have the opportunity to make a statement and respond to appropriate questions from the stockholders. The Company’s Audit Committee intends to meet twice each year with representatives of E&Y to discuss the scope of their engagement, review the financial statements of the Company and the results of their examination.

Required Vote

E&Y will be ratified as the Company’s independent registered public accounting firm by the affirmative vote of a majority of the votes cast, in person or by proxy, at the meeting by the holders of Common Stock. Each common share is entitled to one vote on this proposal. For the purposes of the vote on this proposal, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote.

BOARD RECOMMENDATION

The Board of Directors of the Company unanimously recommends that stockholders of the Company vote “FOR” the ratification of Ernst & Young LLP as the Company’s Independent Registered Public Accounting Firm.

As described above, the Company's Corporate Governance Committee, consisting of Charles E. Heath (Chair), Barrett Brady and Conrad S. We do not compensate our non-independent directors or any of our other officers, and as we are externally managed, we have no employees at the corporate level.

During the Company's last completed fiscal year: (i) no executive officer of the Company served as a member of the compensation committee (or equivalent) of another entity, one of whose executive officers served on the Corporate Governance Committee; (ii) no executive officer of the Company served as a director of another entity, one of whose executive officers served on the Corporate Governance Committee; and (iii) no executive officer of the Company served as a member of the compensation committee (or equivalent) of another entity, one of whose executive officers served as a director of the Company.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Company's Audit Committee selected E&Y as the independent registered public accounting firm to audit the books and records of the Company for its fiscal year ending December 31, 2015, and the Board of Directors has recommended that the Company's stockholders ratify such selection pursuant to Proposal 2. E&Y is registered with the Public Company Accounting Oversight Board.

**INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM
FEES AND SERVICES**

The following table sets forth the approximate amounts of the aggregate fees billed to the Company by E&Y for the fiscal years ended December 31, 2013 and December 31, 2014, respectively:

	2013	2014
Audit Fees ¹	\$610,845	\$702,020
Audit-Related Fees	\$140,681	\$183,500
Tax Fees ²	\$441,750	\$505,800
All Other Fees	—	—
Aggregate Non-Audit Fees ³	\$582,431	\$689,300

For professional services rendered auditing the Company's annual financial statements, reviewing interim financial statements, and reviewing the Company's statutory and regulatory filings with the SEC. The audit fees for December 31, 2013 and December 31, 2014 are based on amounts billed and expected to be billed by E&Y.

(2) For professional services rendered to the Company for tax compliance, tax advice and tax planning.

(3) Note: Aggregate Non-Audit Fees represent the sum of tax fees and audit-related fees for each respective year.

The Audit Committee of the Company has adopted pre-approval policies and procedures, most recently updated as of March 10, 2014. Under these policies and procedures, the Audit Committee of the Company pre-approves: (i) the selection of the Company's independent registered public accounting firm; (ii) the engagement of the independent registered public accounting firm to provide any non-audit services to the Company; (iii) the engagement of the independent registered public accounting firm to provide any non-audit services to the Company's manager or advisor or any entity controlling, controlled by, or under common control with the Company's manager or advisor that provides ongoing services to the Company, if the engagement relates directly to the operations and financial reporting of the Company; and (iv) the fees and other compensation to be paid to the independent registered public accounting firm. The Chairman of the Audit Committee of the Company may grant the pre-approval of any engagement of the independent registered public accounting firm for non-audit services of less than \$10,000, and such delegated pre-approvals will be presented to the full Audit Committee at its next meeting for ratification. Under certain limited circumstances, pre-approvals are not required under securities law regulations for certain non-audit services below

certain de minimus thresholds. Since the Company's adoption of these policies and procedures, the Audit Committee of the Company has pre-approved all audit

and non-audit services provided to the Company by E&Y. None of these services provided by E&Y were approved by the Audit Committee pursuant to the de minimus exception under Rule 2.01(c)(7)(i)(C) or Rule 2.01(c)(7)(ii) of Regulation S-X.

In addition to the aggregate fees billed to the Company by E&Y detailed in the preceding table, TCA and Corridor paid E&Y \$70,500 and \$0, respectively in 2013 and \$130,100 and \$0, respectively, in 2014 for tax and other non-audit services. These tax and other non-audit services were not required to be pre-approved by the Company's Audit Committee. No entity controlling, controlled by, or under common control with Corridor that provides ongoing services to the Company, has paid to, or been billed for fees by, E&Y for non-audit services rendered to Corridor or such entity during the Company's last two fiscal years.

The Audit Committee has considered whether E&Y's provision of services (other than audit services) to the Company, Corridor or any entity controlling, controlled by, or under common control with Corridor that provides services to the Company is compatible with maintaining E&Y's independence in performing audit services.

OTHER MATTERS

The Board of Directors of the Company knows of no other matters that are intended to be brought before the meeting. If other matters are presented for action, the proxies named in the enclosed form of proxy will vote on those matters in their sole discretion.

The Company has written procedures which prohibit certain transactions with affiliates of the Company and require board approval of certain transactions with affiliated persons of the Company.

The Company is managed by Corridor, an asset manager specializing in financing the acquisition or development of infrastructure real property assets. Corridor assists the Company in identifying infrastructure real property asset investments that can be leased to businesses that make goods, provide services or own assets other than securities, which business we refer to herein as “operating companies” and is generally responsible for the Company’s day-to-day operations. TCA, an SEC registered investment adviser, provides the Company certain securities focused investment services necessary to evaluate, monitor and liquidate our remaining securities portfolio. Corridor compensates TCA for providing securities focused services to the Company.

Corridor is located at 1100 Walnut, Suite 3350, Kansas City, Missouri 64106. Corridor is an affiliate of TCA. Pursuant to the Management Agreement with Corridor, effective July 1, 2013, as amended effective January 1, 2014, the Company pays Corridor quarterly a base management fee equal to 0.25% (1.00% annualized) of the average monthly Managed Assets for such quarter, calculated and paid in arrears within 30 days of the end of each fiscal quarter. The term “Managed Assets” as used in the calculation of the management fee means all securities and real property assets (including any securities or real property assets purchased with or attributable to borrowed funds) minus accrued liabilities other than (1) deferred taxes and (2) debt entered into for the purpose of leverage. Accrued liabilities are expenses incurred in the normal course of operations. For purposes of the definition of Managed Assets, “securities” includes the securities portfolio, valued at then current market value. For purposes of the definition of Managed Assets, “real property assets” includes assets invested, directly or indirectly, in equity interests in or loans secured by real estate and personal property owned in connection with such real estate (including acquisition related costs and acquisition costs that may be allocated to intangibles or are unallocated), valued at the aggregate historical cost, before reserves for depreciation, amortization, impairment charges, bad debts or other similar noncash reserves. The base management fee for any partial quarter will be appropriately prorated.

The Company also pays Corridor quarterly an incentive fee pursuant to the Management Agreement of 10% of the increase in distributions paid over a threshold distribution equal to \$0.125 per share per quarter, calculated and paid in arrears within 30 days of the end of each fiscal quarter. No incentive fee shall be paid on (i) any dividend paid after the Board of Directors has determined to liquidate the Company, or (ii) all or any portion of any dividend expected by the Board of Directors not to be sustainable in subsequent quarters. The incentive fee for any partial quarter will be appropriately prorated. At least half of any incentive fee paid to Corridor must be reinvested by Corridor in the Company’s Common Stock. During the fiscal year ended December 31, 2014, the Company paid Corridor fees totaling \$3,467,600 pursuant to the Management Agreement.

Under an Administrative Agreement, Corridor, as our administrator, performs (or oversees or arranges for the performance of) the administrative services necessary for our operation, including without limitation providing us with equipment, clerical, bookkeeping and record keeping services. For these services we pay our administrator a fee equal to 0.04 percent of our aggregate average daily Managed Assets, with a minimum annual fee of \$30 thousand. The Company paid Corridor total fees of \$134,335 pursuant to the Administrative Agreement during the fiscal year ended December 31, 2014.

HOUSEHOLDING OF PROXY MATERIALS

If you and other residents at your mailing address own Common Stock in street name, your broker or bank may have sent you a notice that your household will receive only one annual report and proxy statement for each company in which you hold shares through that broker or bank. This practice of sending only one copy of proxy materials is known as "householding." If you did not respond that you did not want to participate in householding, you were deemed to have consented to the process. If the foregoing procedures apply to you, your broker has sent one copy of our Annual Report and this proxy statement to your address. However, even if your broker has sent only one copy of these proxy materials, you should receive a proxy card for each stockholder in your household. If you wish to revoke your consent to householding, or to request householding if you are receiving multiple copies of our proxy statement and annual report, you must contact your broker, bank or other nominee.

NOMINATIONS FOR THE 2016 ANNUAL MEETING

Method for Including Proposals in the Company's Proxy Statement. Under the rules of the SEC, if you want to have a proposal included in the Company's proxy statement for its next annual meeting of stockholders, that proposal must be received by the Secretary of the Company at 1100 Walnut, Suite 3350, Kansas City, Missouri 64106, not later than 5:00 p.m., Central Time on December 19, 2015. Such proposal must comply with all applicable requirements of Rule 14a-8 of the Exchange Act. Timely submission of a proposal does not mean the proposal will be included in the proxy material sent to stockholders.

Other Proposals and Nominations. If you want to nominate a director or have other business considered at the Company's next annual meeting of stockholders but do not want those items included in its proxy statement, you must comply with the advance notice provision of the Company's Bylaws. Under the Company's Bylaws, nominations for director or other business proposals to be addressed at the Company's next annual meeting may be made by a stockholder who has delivered a notice to the Secretary of the Company at 1100 Walnut, Suite 3350, Kansas City, Missouri 64106, at least 120 days (e.g., 5:00 P.M. Central Time on December 19, 2015), but no more than 150 days (e.g., 5:00 P.M. Central Time on November 19, 2015), prior to the anniversary of the date of mailing for the Notice of this year's Annual Meeting (April 17, 2015); however, if we hold our 2016 Annual Meeting more than 30 days before or after such anniversary date, we must receive the notice not earlier than the 150th day prior to the annual meeting date, and not later than the 120th day prior to the annual meeting date or the tenth day following the date on which we first publicly announce the date of the 2016 Annual Meeting, whichever occurs later. With respect to nominees for director, the notice must include, among other things, the name, age, business address and residence address of any nominee for director, certain information regarding such person's ownership of Company shares, and all other information relating to the nominee as is required to be disclosed in solicitations of proxies in an election contest or as otherwise required by Regulation 14A under the Exchange Act. With respect to other business to be brought before the meeting, a notice must include, among other things, a description of the business and any material interest in such business by the stockholder and certain associated persons proposing the business. Any stockholder wishing to make a proposal should carefully read and review the applicable Company's Bylaws. A copy of the Company's Bylaws may be obtained by contacting the Secretary of the Company at 877-699-CORR (2677) or by writing the Secretary of the Company at 1100 Walnut, Suite 3350, Kansas City, Missouri 64106. Timely submission of a proposal does not mean the proposal will be allowed to be brought before the meeting.

These advance notice provisions are in addition to, and separate from, the requirements that a stockholder must meet in order to have a proposal included in the Company's proxy statement under the rules of the SEC.

A proxy granted by a stockholder will give discretionary authority to the proxies to vote on any matters introduced pursuant to the above advance notice Bylaw provisions, subject to applicable rules of the SEC.
