On March 31, 2008, Hill-Rom Holdings, Inc. (the Company) completed the spin-off of its funeral services business through a distribution of all of the common stock of Hillenbrand, Inc. (formerly known as Batesville Holdings, Inc.) to the Company's shareholders. As a result of the spin-off, the Company required additional time to record the effects of the spin-off, close its books and prepare financial statements for the quarter ended March 31, 2008. As a result, the Company's Quarterly Report on Form 10-Q for the quarterly period ended March 31, 2008 could not be filed by the prescribed due date without unreasonable effort or expense. The Company represents that the Form 10-Q will be filed no later than the fifth calendar day following its prescribed due date.

Yes  No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Because of the spin-off of the Company's funeral services business as described in Part III above, the results of operations of the funeral services business will be presented as discontinued operations in the Company's condensed consolidated statements of income for all periods presented in the Company's Quarterly Report on Form 10-Q for the quarterly period ended March 31, 2008.

Compared to the prior year second quarter, earnings from continuing operations per fully diluted share were 40 percent lower primarily due to non-recurring costs related to the spin-off transaction, which also included a stock modification charge to maintain the value of existing equity awards and a loss on the extinguishment of debt.
