Proxy Statement for the 2016 Annual Meeting of Shareholders

to be Held on March 24, 2016

Important Notice Regarding the Availability of Proxy Materials for the

2016 Annual Meeting of Shareholders to be Held on March 24, 2016:

The Notice of Annual Meeting, this Proxy Statement and the Accompanying Annual Report

are Available on the Internet at: www.cstproxy.com/ccf/2016

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Citizens Community Bancorp, Inc. of proxies, in the accompanying form, to be used at the Annual Meeting of Shareholders (the "Annual Meeting") of Citizens for the purposes set forth in the accompanying Notice of Annual Meeting to be held on March 24, 2016 and any adjournments thereof. Only shareholders of record at the close of business on January 11, 2016 will be entitled to notice of and to vote at the Annual Meeting.

Our principal executive offices are located at 2174 EastRidge Center, Eau Claire, Wisconsin 54701. It is expected that this Proxy Statement and the form of Proxy will be mailed to shareholders on or about January 25, 2016.

GENERAL INFORMATION

Proxies and Voting Procedures

Shareholders can vote by completing and returning a proxy card in the form accompanying this Proxy Statement or, if shares are held in "street name," by completing a voting instruction form provided by your broker.

The shares represented by each validly executed proxy received by Citizens or its authorized agents in time will be voted at the Annual Meeting and, if a choice is specified in the proxy, it will be voted in accordance with that specification. If no instructions are specified in a signed proxy returned to Citizens, the shares represented thereby will be voted FOR the election of the directors listed in the enclosed proxy card and FOR the ratification of Baker Tilly Virchow Krause, LLP as Citizens' independent registered public accounting firm for the fiscal year ending September 30, 2016. If any other matters are properly presented at the Annual Meeting, including, among other things, consideration of a motion to adjourn the meeting to another time or place, the individuals named as proxies and acting thereunder will have the authority to vote on those matters according to their best judgment to the same extent as the person delivering the proxy would be entitled to vote. If the Annual Meeting is adjourned or postponed, a proxy will remain valid and may be voted at the adjourned or postponed meeting. As of the date of printing of this Proxy Statement, we do not know of any other matters that are to be presented at the Annual Meeting other than the matters referred to in the accompanying Notice of Annual Meeting. However, if any other matters are properly presented at the Annual Meeting, it is intended that the persons named in the proxy will vote on such matters in accordance with their judgment.

Shareholders may revoke proxies at any time to the extent they have not been exercised by giving us written notice or by a later executed proxy submitted by mail. Attendance at the Annual Meeting will not automatically revoke a proxy, but a shareholder attending the Annual Meeting may request a ballot and vote in person, thereby revoking a prior granted proxy. The cost of solicitation of proxies will be borne by Citizens. Solicitation will be made primarily by use of the mail; however, some solicitation may be made by our employees, without additional compensation, by telephone, by facsimile or in person. We have also retained Regan and Associates to assist us with the solicitation of proxies for the Annual Meeting for a fee of not less than \$6,000 plus a reasonable amount to cover the expenses of such solicitation firm.

Shareholders Entitled to Vote

Citizens common stock, \$0.01 par value per share (the “Common Stock”), is the only class of voting security of Citizens Community Bancorp, Inc. Only shareholders of record at the close of business on January 11, 2016 will be entitled to notice of and to vote at the Annual Meeting. On the record date, we had outstanding 5,231,265 shares of our Common Stock, entitled to one vote per share.

Quorum; Required Vote

A majority of the votes entitled to be cast at the Annual Meeting, represented either in person or by proxy, shall constitute a quorum with respect to the meeting. Approval of the election of the nominee directors requires a plurality of the shares represented at the Annual Meeting, meaning that the two individuals receiving the largest number of votes are elected as directors. The ratification of the appointment of the independent registered public accounting firm requires the affirmative vote of a majority of the outstanding shares cast, in person or by proxy, at the Annual Meeting by the holders of the Common Stock. Abstentions and broker nonvotes (i.e., shares held by brokers in street name, voting on certain matters due to discretionary authority or instructions from the beneficial owners but not voting on other matters due to lack of authority to vote on such matters without instructions from the beneficial owner) will count toward the quorum requirement but will not count toward the determination of whether the directors are elected or the other proposal is approved. The Inspector of Election appointed by our Board of Directors will count the votes and ballots.

Certain shares of our issued and outstanding Common Stock are held by participants in our 401(k) Profit Sharing Plan (the “401(k) Plan”). If you hold shares of our Common Stock in the 401(k) Plan, the trustee for the 401(k) Plan will vote the shares you hold through the plan as you direct. We will provide plan participants who hold Common Stock through the 401(k) plan with forms on which participants may communicate their voting instructions. In the event that a 401(k) Plan participant fails to give timely voting instructions to the trustee of the 401(k) Plan with respect to the voting of shares of our Common Stock at the Annual Meeting that are allocated to the participant in the 401(k) Plan, then the trustee shall vote such shares in such manner as directed by the Plan Administrator.

PROPOSAL 1:

ELECTION OF DIRECTORS

It is intended that shares represented by proxies in the enclosed form will be voted FOR the election of the two nominee directors in the following table to serve as directors for another three year term. Our Board of Directors is divided into three classes, with the term of office of each class ending in successive years. Accordingly, two directors are to be elected at the Annual Meeting to serve for a term of three years expiring at our annual meeting of shareholders in 2019 and four directors will continue to serve for the terms designated in the following schedule. As indicated below, all persons nominated by our Board of Directors are incumbent directors. We anticipate that the nominees for election as directors will be candidates when the election is held. However, if any of the nominees should be unable or unwilling to serve, the proxies, pursuant to the authority granted to them by our Board of Directors, will have discretionary authority to select and vote for substituted nominees (except where the proxy withholds authority with respect to the election of directors). As noted above, our directors are elected by a plurality of the votes cast by holders of our Common Stock, which means the individuals who receive the largest number of votes cast by holders of the Common Stock entitled to vote in the election of directors are elected as directors up to the maximum number of directors (two in the case of the Annual Meeting) to be chosen at the Annual Meeting.

Directors’ Qualifications

Below is information as of the date of this proxy statement about each nominee for election to our Board of Directors at the Annual Meeting and each other director whose term continues after the Annual Meeting. The information presented includes information each nominee or continuing director has given Citizens about his or her age, his or her principal occupation and business experience for the past five years, and the names of other publicly-held companies of which he or she currently serves as a director or has served as a director during the past five years. The information presented also includes a description for each director of the specific experience, qualifications, attributes and skills that led to the conclusion that he or she should serve as a director. Our Governance and Nominating Committee regularly evaluates the mix of experience, qualifications, attributes and skills of the Corporation’s directors using a

matrix of areas that the Committee considers important for Citizens' business. In addition to the information presented below regarding the nominee's specific experience, qualifications, attributes and skills that led the Governance and Nominating Committee to the conclusion that the nominee should serve or continue to serve as a director, the Governance and Nominating Committee also considered the qualifications and criteria described below under "Corporate Governance Matters – Director Nominations" with the objective of creating a complementary mix of directors.

DIRECTOR COMPENSATION

General Information

Each of our non-employee directors, except our Chairman and Vice-Chairman, receives an annual retainer of \$12,000. Our Chairman receives an annual retainer of \$18,000 and our Vice-Chairman receives an annual retainer of \$14,000. Additionally, each director receives \$1,000 for each Board meeting attended. In addition to the foregoing amounts, the members of our Compensation Committee, Audit Committee, Credit Committee, Governance and Nominating Committee and Merger and Acquisition Committee, as well as our Asset Liability Committee Board Member Representative, each receive an additional annual retainer of \$3,000. Moreover, in fiscal 2015, the chairman of each of these Committees, each received an additional \$500 per meeting for attendance at each Committee meeting. Effective October 1, 2015, the chairman of each of

these Committees, each receives an additional \$1,000 per meeting and each member other than the chairman receives \$500 for attendance at each Committee meeting.

We maintain a Director Retirement Plan, which is an unfunded, non-contributory defined benefit plan, providing for supplemental pension benefits for our directors following their termination of services as a director of Citizens. Benefits are based on a formula that includes each participant's past and future earnings and years of service with Citizens. This retirement plan is administered by our Compensation Committee, which selects participants in the plan. Director McHugh is credited with one month of service under the plan for each month served since August 1, 2002. The remaining directors are credited with one month of service under the plan for every two months of service since August 1, 2002. The benefits under the plan are monthly payments for the lesser of 120 months or actual months of service under the plan, rounded up to the next full quarter end. Non-employee directors McHugh, Westrate and Schilling are participants in the plan. Mr. Nettesheim, Mr. Swenson, and Mr. Lang are not participants in the plan. As of December 31, 2015, Mr. McHugh has quarterly benefits of \$4,500 per quarter, and each of Mr. Westrate and Mr. Schilling have quarterly benefits of \$2,000 per quarter. Unless a vesting schedule is included in a participant's plan agreement, each participating director is fully vested in the benefits under the plan upon executing the plan agreement. The benefits under the plan are unfunded and unsecured and are merely promised by Citizens. We are under no obligation to fund the plan in advance; however, if we chose to do so, such funded amounts would be automatically expensed at the time of funding. We accrue for the new liability under this plan based on a present value calculation. Benefits are expensed on a straight line basis over the remaining months until eligible retirement. Effective as of September 30, 2009, no director elected or selected (that was not an existing director as of such date) to become a director of Citizens after that date is eligible to participate in the Director Retirement Plan. All benefits owing our eligible directors under this plan are vested. As of September 30, 2015, the accumulated present value of the benefit accrued under this plan for each of Mr. McHugh, Mr. Westrate and Mr. Schilling was \$192,969, \$62,878 and \$56,080 respectively. The increase in the actuarial present value calculation of each named director's accumulated benefit under our Director Retirement Plan, used the same assumptions and measurement dates used for financial reporting purposes with respect to our audited financial statements for the applicable fiscal year. See the caption "Note 11 – Retirement Plans" in the Notes to our Consolidated Financial Statements in the fiscal year 2015 Annual Report on Form 10-K, which was filed with the Securities and Exchange Commission (the "Commission") on December 7, 2015, and such information is incorporated herein by reference.

Effective November 19, 2015, our Board of Directors terminated the Director Retirement Plan. The accumulated benefit owing each eligible director as of such termination date will be paid to the participating directors in two installments in December 2016 and January 2017.

Our Board of Directors held 12 meetings in fiscal 2015, and during fiscal 2015 all of our nominee and incumbent directors attended at least 75% of the meetings of our Board of Directors and the committees thereof on which they served.

Executive sessions or meetings of outside (non-management) directors without management present are included on the agenda for each regularly scheduled Board of Directors meeting for a general discussion of relevant subjects. In fiscal 2015, the outside directors met in executive session at least two times in accordance with the requirements of the NASDAQ Stock Market. The committees of our Board of Directors consist of the Audit Committee, the Compensation Committee, the Governance and Nominating Committee, the Credit Committee and the Merger and Acquisition Committee. The chart below identifies the members of each of these committees as of the date of this Proxy Statement, along with the number of meetings held by each committee during fiscal 2015:

Richard McHugh	X		X		X
Brian R. Schilling	X	X			
Michael L. Swenson		X	X*		
James R. Lang			X	X*	X
Timothy A. Nettesheim				X	X*

X = committee member; * = committee chairman

Audit Committee

The Audit Committee is responsible for assisting our Board of Directors with oversight of: (1) the integrity of our financial statements; (2) our compliance with legal and regulatory requirements; (3) our independent auditor's qualifications and independence; (4) the performance of our internal accounting function and independent auditors; and (5) preparing the Audit Committee Report required to be included in this proxy statement. Our Audit Committee has the direct authority and responsibility to appoint, compensate, oversee and where appropriate, replace or retain the independent auditors, and is an "audit committee" for purposes of Section 3(a)(58)(A) of the Securities Exchange Act of 1934. The Audit Committee's report required by the rules of the Securities and Exchange Commission (the "Commission") appears on page 9.

Compensation Committee

The Compensation Committee, in addition to such other duties as may be specified by our Board of Directors, (1) determines the compensation levels of our Chief Executive Officer and other executive officers, including salary rates, participation in incentive compensation and benefit plans, fringe benefits, non-cash perquisites and other forms of compensation; (2) reviews and makes recommendations to our Board of Directors with respect to bank wide incentive compensation plans and equity-based plans; and (3) reviews and makes recommendations to our Board of Directors with respect to the compensation of our outside directors. The Compensation Committee also administers our restricted stock, stock option and other stock incentive plans.

Many key compensation decisions are made during the first quarter of the fiscal year as the Compensation Committee meets to: (1) review performance for the prior year under our Cash Bonus Plan for Executive Officers and Senior Managers, (2) determine awards under our 2008 Equity Incentive Plan and (3) set compensation targets and objectives for the coming year. However, our Compensation Committee also views compensation as an ongoing process and may convene special meetings in addition to its regularly scheduled meetings throughout the year for purposes of evaluation, planning and appropriate action.

Governance and Nominating Committee

The Governance and Nominating Committee is responsible for assisting our Board of Directors by: (1) identifying individuals qualified to become members of our Board of Directors and its committees; (2) recommending to our Board of Directors nominees for election to the Board at the annual meeting of shareholders; (3) developing and recommending to our

Board of Directors a set of corporate governance principles applicable to Citizens and generally taking a leadership role in shaping the corporate governance of Citizens; and (4) assisting our Board of Directors in assessing director performance and the effectiveness of the Board of Directors as a whole.

Credit Committee

The Credit Committee is appointed by the Board of Directors and reviews certain loan transactions of Citizens Community Federal N.A. The Committee's purpose is to act on behalf of the Board in fulfilling the following responsibilities: (1) oversight of the credit and lending strategies and objectives of the Bank; (2) oversight of the credit risk management of the Bank, including reviewing internal credit policies and establishing portfolio limits; and (3) reviewing the quality and performance of the Bank's credit portfolio.

Merger and Acquisition Committee

The Merger and Acquisition Committee is appointed by the Board of Directors to assist the Board in reviewing and assessing potential acquisitions, de novo branching and other branch restructuring actions.

Charters of Committees

The Board of Directors has adopted, and may amend from time to time, a written charter for each of the Audit Committee, Compensation Committee, Credit Committee, and Governance and Nominating Committee. Citizens maintains a website at www.ccf.us. Citizens makes available on its website, free of charge, copies of each of these charters. Citizens is not including the information contained on or available through its website as a part of, or incorporating such information by reference into, this Proxy Statement.

CORPORATE GOVERNANCE MATTERS

Director Independence

Our Board of Directors has reviewed the independence of our continuing directors and the nominees for election to the Board at the Annual Meeting under the applicable standards of the NASDAQ Stock Market. Based on this review, our Board of Directors determined that each of the following directors is independent under those standards:

- | | |
|-----------------------|------------------------|
| (1) Richard McHugh | (3) Brian R. Schilling |
| (2) David B. Westrate | (4) Michael L. Swenson |
| (5) James R. Lang | |

Mr. Nettesheim is not independent because Mr. Nettesheim was a shareholder at Reinhart until December 2014 and has been a shareholder of Whyte Hirschboeck during fiscal 2015. Both Reinhart and Whyte Hirschboeck are law firms retained by Citizens and its wholly owned subsidiary, Citizens Community Federal N.A., which collectively paid Reinhart approximately \$34,000 and Whyte Hirschboeck approximately \$100,000 in fees for legal services provided during the fiscal year ended September 30, 2015.

Board Leadership Structure

Citizens currently has separate persons serving as the Chief Executive Officer and as Chairman of the Board of Directors. Edward H. Schaefer has served as the Chief Executive Officer of Citizens since January 2010 and Richard McHugh has served as the Chairman of the Board since 1988. Mr. McHugh serves as our lead outside or independent director and is an independent director under the applicable standards of the NASDAQ Stock Market. Although the Board of Directors does not have a formal policy with respect to its leadership structure, we believe that currently separating the positions of Chief Executive Officer and Chairman serves as an effective link between management's role of identifying, assessing and managing risks and the Board of Directors' role of risk oversight. Although Citizens believes that the separation of the Chairman and Chief Executive Officer roles is appropriate under current circumstances, it will continue to review this issue periodically to determine whether, based on the relevant facts and circumstances, combining these offices would serve our best interests and the best interests of our shareholders.

The Board's Role in Risk Oversight

The role of our Board of Directors in Citizens' risk oversight process includes receiving reports and presentations from members of our senior management on areas of material risk to Citizens, including operational, financial, legal and regulatory, strategic and reputational risks, and any measures taken or recommended by our management to mitigate risk. The Board has authorized the Audit Committee to oversee and periodically review Citizens' enterprise risk assessment and enterprise risk management policies to engage our management directly in carrying out this risk oversight function.

As noted above, our Audit Committee is primarily responsible for our enterprise risk assessment and enterprise risk management policies. Notwithstanding such delegation of responsibility by our Board of Directors, the Board has reserved to our Compensation Committee primary oversight responsibility to ensure that compensation programs and practices of Citizens do not encourage unreasonable or excessive risk-taking and that any risks are subject to appropriate controls. As part of this process, Citizens (with the oversight of the Compensation Committee) designs its overall compensation programs and practices, including incentive compensation for both executives and non-executive employees, in a manner intended to support its strategic priorities and initiatives to enhance long-term sustainable value without encouraging unnecessary or unreasonable risk-taking. At the same time, we recognize that our goals cannot be fully achieved while avoiding all risk. The Compensation Committee (along with assistance from management) periodically reviews Citizen's compensation programs and practices in the context of its risk profile, together with its other risk mitigation and risk management programs, to ensure that these programs and practices work together for the long-term benefit of Citizens and its shareholders. Based on its recently completed review of our compensation programs, the Compensation Committee concluded that Citizen's incentive compensation policies for both executive and non-executive employees have not materially and adversely affected Citizens by encouraging unreasonable or excessive risk-taking in the recent past, are not likely to have a material adverse effect in the future and provide for multiple and reasonably effective safeguards to protect against unnecessary or unreasonable risk-taking.

Director Nominations

We have a standing Governance and Nominating Committee. Based on the review described above under "Corporate Governance Matters – Director Independence," our Board of Directors has determined that each member of the Governance and Nominating Committee is independent under the applicable standards of the NASDAQ Stock Market.

The Governance and Nominating Committee will consider director nominees recommended by shareholders. A shareholder who wishes to recommend a person or persons for consideration as a nominee for election to the Board of Directors must send a written notice by mail, c/o Secretary, Citizens Community Bancorp, Inc., 2174 EastRidge Center, Eau Claire, Wisconsin 54701, that sets forth: (1) the name, address (business and residence), date of birth and principal occupation or employment (present and for the past five years) of each person whom the shareholder proposes to be considered as a nominee; (2) the number of shares of our Common Stock beneficially owned (as defined by section 13(d) of the Securities Exchange Act of 1934) by each such proposed nominee; (3) any other information regarding such proposed nominee that would be required to be disclosed in a definitive proxy statement to shareholders prepared in connection with an election of directors pursuant to section 14(a) of the Securities Exchange Act of 1934 or as is required by the Corporation's Bylaws; and (4) the name and address (business and residential) of the shareholder making the recommendation and the number of shares of our Common Stock beneficially owned (as defined by section 13(d) of the Securities Exchange Act of 1934) by the shareholder making the recommendation. We may require any proposed nominee to furnish additional information as may be reasonably required to determine the qualifications of such proposed nominee to serve as a director. Shareholder recommendations will be considered only if received in accordance with the advance notice provisions contained in our Bylaws.

The Governance and Nominating Committee will consider any nominee recommended by a shareholder in accordance with the preceding paragraph under the same criteria as any other potential nominee. The Governance and Nominating Committee believes that a nominee recommended for a position on our Board of Directors must have an appropriate mix of director characteristics, experience, diverse perspectives and skills. Qualifications of a prospective nominee that may be considered by the Governance and Nominating Committee include:

- personal integrity and high ethical character;
- professional excellence;
- accountability and responsiveness;
- absence of conflicts of interest;
- fresh intellectual perspectives and ideas; and
-

relevant expertise and experience and the ability to offer advice and guidance to management based on that expertise and experience.

Citizens does not have a formal policy for the consideration of diversity by the Governance and Nominating Committee in identifying nominees for director. Diversity is one of the factors the Governance and Nominating Committee may consider and in this respect diversity may include race, gender, national origin or other characteristics.

Communications between Shareholders and the Board of Directors

Our shareholders may communicate with the Board or any individual director by directing such communication to our Corporate Secretary at the address of our corporate headquarters, 2174 EastRidge Center, Eau Claire, Wisconsin 54701. Each such communication should indicate that the sender is a shareholder of the Corporation and that the sender is directing the communication to one or more individual directors or to the Board as a whole.

All communications will be compiled by our Corporate Secretary and submitted to the Board of Directors or the individual directors on a monthly basis unless such communications are considered, in the reasonable judgment of our Corporate Secretary, to be improper for submission to the intended recipient(s). Examples of shareholder communications that would be considered improper for submission include, without limitation, customer complaints, solicitations, communications that do not relate directly or indirectly to Citizens or our business or communications that relate to improper or irrelevant topics. Our Corporate Secretary may also attempt to handle a communication directly where appropriate, such as where the communication is a request for information about Citizens or where it is a stock-related matter.

Attendance of Directors at Annual Meetings of Shareholders

We do not have a formal policy regarding the attendance of our directors and nominees for election as directors at our annual meeting of shareholders. However, we expect that all of our continuing directors and nominees for election as directors at our annual meeting of shareholders will attend the annual meeting, absent a valid reason, such as a schedule conflict. All of our nominee and incumbent directors, who were directors at such time, attended the annual meeting of shareholders held on March 26, 2015.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics that applies to all of our employees, including our Chief Executive Officer, Principal Financial Officer and Principal Accounting Officer. A copy of the Code of Business Conduct and Ethics is available free of charge by contacting Edward H. Schaefer, our President and Chief Executive Officer, at (715) 836-9994 and has been filed with the Commission as Exhibit 14 to our Annual Report on Form 10-K for the fiscal year ended September 30, 2010, which was filed with the Commission on December 23, 2010.

AUDIT COMMITTEE MATTERS

Report of the Audit Committee

The Audit Committee is currently comprised of three members of our Board of Directors. Based upon the review described above under “Corporate Governance Matters – Director Independence,” our Board of Directors has determined that each member of the Audit Committee is independent as defined in the applicable standards and rules of the NASDAQ Stock Market and the rules of the Commission. The duties and responsibilities of our Audit Committee are set forth in the Audit Committee Charter.

In accordance with its written charter adopted by the Board of Directors, the Audit Committee has oversight responsibility for the quality and integrity of the financial reporting practices of Citizens. While the Audit Committee has oversight responsibility, the primary responsibility for our financial reporting, disclosure controls and procedures and internal control over financial reporting and related internal controls and procedures rests with management, and Citizen’s independent registered public accounting firm is responsible for auditing our financial statements. In discharging its oversight responsibility as to the audit process, the Audit Committee has:

- reviewed and discussed our audited financial statements for the fiscal year ended September 30, 2015 with our management and with our independent auditors;
- discussed with our independent auditors the matters required to be discussed by the Statement on Auditing Standards No. 61, “Communications with Audit Committees,” as amended (AICPA, Professional Standards, Vol. 1. AU Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T;
- received and discussed with our independent auditors the written disclosures and the letter from our independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor’s communications with the audit committee concerning independence; and
- discussed with our independent auditors without management present the auditor's independence.

Based on such review and discussions with management and with the independent auditors, the Audit Committee recommended to our Board of Directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K, for the fiscal year ended September 30, 2015, for filing with the Commission.

AUDIT COMMITTEE:

David B. Westrate – Chairman

Richard McHugh

Brian R. Schilling

Tax Fees (2)	2,850	1,185
Total Fees Billed	\$ 124,980	\$ 97,015

(1) Includes fees for professional services rendered in connection with the audit of our financial statements for the fiscal years ended September 30, 2015 and September 30, 2014; the reviews of the financial statements included in each of our quarterly reports on Form 10-Q during those fiscal years; and consents and assistance with documents filed by Citizens with the Commission.

(2) Consists of fees for services rendered related to tax compliance, tax advice and tax consultations as well as due diligence services.

The Audit Committee of our Board of Directors considered that the provision of the services and the payment of the fees described above are compatible with maintaining the independence of Baker Tilly Virchow Krause, LLP.

The Audit Committee is responsible for reviewing and pre-approving any non-audit services to be performed by our independent auditors. The Audit Committee has adopted an Audit and Non-Audit Services Pre-Approval Policy. The Audit Committee reviews and, if appropriate, approves non-audit service engagements in accordance with the terms of such policy, taking into account the proposed scope of the non-audit services, the proposed fees for the non-audit services, whether the non-audit services are permissible under applicable law or regulation and the likely impact of the non-audit services on the independence of the independent auditors.

Each new engagement of our independent auditors to perform non-audit services set forth in the table above has been approved in advance by the Audit Committee pursuant to the foregoing procedures.

Audit Committee Financial Expert

Our Board of Directors has determined that at least one of the members of our Audit Committee qualifies as an “audit committee financial expert” as defined by the rules of the Commission. Brian R. Schilling qualifies as an “audit committee financial expert” based on his work experience and duties as a Principal of Bauman Associates, Ltd., a certified public accounting firm.

TRANSACTIONS WITH RELATED PERSONS

The Bank has a written policy of granting loans to officers and directors. Loans to directors and executive officers are made in the ordinary course of business and on substantially the same terms and conditions, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to Citizens, in accordance with the Bank’s underwriting guidelines, and do not involve more than the normal risk of collectability or present other unfavorable features.

Timothy A. Nettesheim is a former shareholder of Reinhart. During fiscal 2015, Reinhart served as our outside legal counsel. During fiscal 2015, Citizens and its wholly owned subsidiary collectively paid Reinhart approximately \$34,000 for legal services. We believe that the amounts paid to Reinhart are no greater than the fair market value of the services received.

Timothy A. Nettesheim is a shareholder of Whyte Hirschboeck. During fiscal 2015, Whyte Hirschboeck served as our outside legal counsel. During fiscal 2015, Citizens and its wholly owned subsidiary collectively paid Whyte Hirschboeck

approximately \$100,000 for legal services. We believe that the amounts paid to Whyte Hirschboeck are no greater than the fair market value of the services received.

OUR COMPENSATION PROCESS

The following section describes Citizen's fiscal 2015 executive compensation program. This analysis provides detailed compensation information for each of our named executive officers, or NEOs. For fiscal 2015, our NEOs are:

Name	Title

Key Executive Compensation Actions. The compensation Committee took the following key actions in fiscal 2015:

Salaries: Base salaries for Mr. Schaefer and Mr. Oldenberg increased 0% and 8.8%, respectively, over fiscal 2014 levels. Mr. Oldenberg's base salary increased with the intention of bringing Mr. Oldenberg's salary to what our Compensation Committee believed to be the competitive range of salaries paid to Executive Vice Presidents/Chief Financial Officers within Citizens' peer group which generally consisted of regional community banks in the upper midwestern part of the United States.

Incentive Compensation: Citizens granted stock options and restricted stock units to each of its named executive officers in fiscal 2015. Citizens also granted stock options to each of its senior management team in fiscal 2015.

Equity was awarded in recognition of Citizens performance, as well as the need to retain its executives and senior management and align their interests with the interest of our shareholders. Additionally, a cash bonus was paid to all employees in fiscal 2015 in recognition of Citizens performance.

Amendment to NEO Employment Agreements:

As described below, we implemented amendments to the employment agreements we have previously entered into with each of Mr. Schaefer and Mr. Oldenberg.

Our Compensation Process

Citizens recognizes the importance of its employees in fulfilling its role as a successful business enterprise and a responsible corporate citizen. Our compensation philosophy is to compensate all employees (including our named executive officers) at a level sufficient to attract, motivate, and retain the talent we need to achieve or surpass the short-term and long-term goals set forth in our business plan, without promoting irresponsible behavior. Guided by this philosophy, the pay and benefits practices of Citizens reflect our vision and values, and the economic condition of the banking industry, and are built on a framework of pay-for-performance, comprehensive position evaluations, and market-competitiveness. Executive management, with approval of our Board of Directors, fulfills our responsibility to promote the best interests of Citizens through the execution of sensible compensation principles and practices.

Additionally, as described above under the Section “Corporate Governance Matters - The Board’s Role in Risk Oversight,” our Compensation Committee has primary oversight responsibility to ensure that our compensation programs and practices do not encourage unreasonable or excessive risk-taking and that any risks are subject to reasonably appropriate controls.

Citizens’ compensation philosophy is created and sustained on core compensation principles. In determining compensation levels, we consider the key factors to be:

We will not create incentives that foster inappropriate risk nor pay excessive compensation. No Citizens compensation plan, program, or practice will promote excessive risk taking or encourage behavior inconsistent with

1. Citizens’ vision, mission, or strategy. We believe all of our compensation elements comply with appropriate banking regulations and sound compensation practices, which we believe neither pays excessive compensation nor encourages inappropriate risk taking.

2. Citizens does not discriminate on the basis of race, gender, religion, national origin, veteran status, handicap, or sexual orientation in determining pay levels. Demonstrated performance, skills, commitment and results determine pay.

3. Each pay grade and pay range will have a minimum, a maximum, and a mid-point. The mid-point is the rate we generally will pay a new hire who meets the required standards of education, skills, and experience. The maximum is the highest rate we will pay a fully qualified performing employee in that job. Salary above mid-point will be based upon exemplary performance.

4. Compensation levels are driven by an employee’s level of impact on our organization. Not all positions are created equal. Various positions require different levels of skills, knowledge, and personal attributes that drive different rates of pay and/or variable compensation opportunity. We have established a job structure and job evaluation process that provides a formal hierarchy of grades and salary ranges.

All employees should be paid a wage in line with their position within an assigned range for that position. Salary range minimums are a guideline to pay for an entry point position for that wage range. Any incumbent with the requisite skills to perform the job at minimally acceptable standards should be paid at least this rate. The salary range midpoint is developed to represent the wage paid to an employee performing the expectations of their position. Pay levels for positions are reviewed periodically.

5. Our ability to pay drives our compensation program. Profitability is a key driver in determining compensation opportunity. The annual salary is the single largest investment Citizens makes each year. It is incumbent on our compensation professionals and senior management to ensure that our plans provide an appropriate return to Citizens and its shareholders, in addition to appropriately compensating successful performance.

Citizens utilizes three general forms of compensation: Base salary, short-term incentive compensation, and long-term incentive compensation. We deliver compensation at various levels of the organization in different ways. In our most senior positions (including for each of our named executive officers), we have a combination of base salary and short-term and long-term incentives to help us attract and retain talented leaders to ensure continued growth and continuity. In positions where there is a clear ability to impact performance by providing short-term incentives linked to specific goals, we have created incentive plans that we believe are market competitive and in line with our ability to pay. Short-and long-term incentives are tied directly to individual performance and/or business results. Awards are paid only when business performance is strong. At the lowest levels of the organization we rely on base salary and short-term incentives. This array of compensation plans permits greater control over managing our fixed costs, while providing competitive and meaningful rewards. Base salaries are fixed, primarily, based on what we believe are market rates. Based primarily on performance against stated goals, short-and long-term incentive pay gives us the opportunity to reward for performance in a specific year, or over a period of years, without the recurring (and compounding) expense of a base salary adjustment. Each of our compensation components is described in greater detail below.

Summary

Our compensation philosophy guides our pay and benefits practices at Citizens and is adjusted based on the business environment. Our programs are based on Citizens’ ability to pay. Citizens’ goals are to invest sufficient compensation to attract, retain, and motivate our workforce to achieve our short- and long-term business goals.

Base salary

We pay base salaries to attract and retain talented employees. Base salary increases are driven primarily by demonstrated value to our organization and are reviewed annually and adjusted from time to time, based on a review of market data and an assessment of company, business unit and individual performance and experience. Merit increases are awarded based on the performance of the employee.

12

Short-term incentive (STI) plan

We have two main styles of short-term incentive compensation: sales performance compensation and annual incentive compensation which is related to Bank performance. Citizens attempts to balance the security provided by base salary with the “at-risk” feature of sales performance compensation and annual incentive compensation in its efforts to attract and retain top quality employees and provide proper incentive to enhance the value of Citizen’s common stock for its shareholders. Sales performance compensation generally include a formula based on profits or revenues within a given line of business for new business achieved and any earned short-term incentive compensation is generally paid in the form of a cash bonus. Annual incentive compensation generally consists of annual cash bonuses tied to achievement of Citizens and/or individual performance goals.

Long-term incentive (LTI) plans

Citizens’ long-term incentive plans reward key contributors who have demonstrated long-term positive impact to our success. These plans are designed to provide the opportunity for significant wealth accumulation for key contributors at the board and senior management level based on the performance of Citizens, and to enhance retention of these key executives. We have three forms of long-term incentives: stock option, deferred compensation, and restricted stock programs. All are designed to reward key significant contributors.

Not all positions are eligible for participation in our long-term incentive plans. Senior officers become eligible at the discretion of the Compensation Committee of our Board of Directors based on demonstrated long-term value to Citizens. Each of our named executive officers is eligible to participate in all three components of our long-term incentive plans.

Our Compensation Committee is independent and involved.

The Committee is comprised of fully independent Directors of the Corporation (based upon the standards and rules of the Nasdaq Stock Market).

The Committee decides all compensation matters for our named executive officers.

In addition, our Chief Executive Officer works with our Compensation Committee in making recommendations regarding our overall compensation policies and plans as well as specific compensation levels for our other officers and key employees, other than the Chief Executive Officer. Members of management who were present during Compensation Committee meetings in fiscal 2015 and the first part of fiscal 2016 included our Chief Executive Officer and Chief Financial Officer. The Compensation Committee makes all decisions regarding the compensation of our Chief Executive Officer without our Chief Executive Officer or any other member of our management present.

“At Risk” Compensation is Maintained within Appropriate Levels.

Although profitability is a key driver for compensation opportunities, we do not reward, and in fact discourage, the taking of excessive or inordinate risk. Our Compensation Philosophy is “risk-reflective,” meaning we create our pay structure and programs to appropriately reward the returns from acceptable risk-taking through optimal pay mix, performance metrics, calibration and timing.

Employees eligible for incentives or sales performance pay for new business are not permitted to make credit, investment, or consumer pricing decisions independently.

We have no “highly-leveraged” or entirely uncapped incentive plans. Where there are elements of an incentive plan that are uncapped, the performance drivers of these elements are not risk based.

Incentive compensation plans for certain positions which contain significant risk to Citizens (e.g., our CEO and CFO positions) include corporate, division and individual components, and awards are determined or reviewed by the Compensation Committee prior to any payment.

Plan sponsors, those executives in charge of business lines in which incentive plans exist, are not eligible for awards under the plans they sponsor.

The Compensation Committee’s charter requires that Citizens provide the Committee with adequate funding to engage any compensation consultants or other advisers the Committee deems it appropriate to engage. During fiscal 2015, the Compensation Committee engaged Wipfli, LLP to assist with reviewing our compensation practices and levels relating to Director, Executive Officer and Senior Management compensation. The project deliverables also included enhanced CEO and CFO job descriptions, a performance review process and a 360 feedback process and tools to provide the CEO, CFO and the Board with input on CEO and CFO behaviors and opportunities for development. As

part of this engagement, Wipfli, LLP prepared a comparative compensation report of a group of organizations or peer group companies within the banking industry. Their report and analysis was based upon other published industry compensation surveys and an analysis of public filings by a peer group of companies. The Compensation Committee and Board considered the recommendations from the outside consultant when reviewing and determining base salaries, cash and equity incentive plans of our executive officers.

The Compensation Committee also engaged Wipfli, LLP to compile a survey of board of director compensation data from a peer group of companies. Wipfli, LLP compiled board of director pay practice data from the same industry peer companies as were included in the report prepared in 2015 on executive officer compensation which was described above. The data compiled by the survey included an analysis of retainer fees for board and committee service, meeting fees, chairperson fees and incentive compensation. Based upon the survey results, the overall compensation level of our directors was at or near the median compensation of the directors of the companies included in the survey. Our Board of Directors and our Compensation Committee discussed the results of this survey at meetings held in fiscal 2015 and subsequently formally approved changes relating to the compensation of our directors that apply during fiscal year 2016. Those changes consisted of increasing the Committee Chairman fee to \$1,000 per meeting and adding a member attendance fee of \$500 per meeting.

The following table summarizes the fees we were billed for Compensation and Non-Compensation related services rendered by Wipfli, LLP, during fiscal year 2015. The decision to engage Wipfli as our compensation consultant for fiscal 2015 was made and recommended by the Compensation Committee.

Service Type	Fiscal Year ended September 30, 2015
Compensation related fees	\$18,685
Non-compensation related fees (1)	134,056
Total fees billed	\$152,741

(1) Includes administration fees related to our 401(k) plan and fees related to compliance consulting and internal audit. Notwithstanding the payment of the fees noted above, our Board evaluated this potential conflict of interest and determined to engage Wipfli because of its expertise and familiarity with the regional banking industry.

At the Corporation's 2014 Annual Meeting of Shareholders, pursuant to a non-binding, advisory vote, shareholders approved the compensation of the Company's named executive officers as disclosed in the proxy statement for the meeting by a vote of 1,545,705 shares in favor to 423,897 against. The Compensation Committee has considered the results of this advisory shareholder vote and believes that it shows support by the Corporation's shareholders for the Corporation's compensation philosophy and the executive compensation programs that implement the Corporation's compensation philosophy. The Corporation has not significantly changed its executive compensation program following the shareholder advisory vote. Our Board has determined that shareholder advisory (non-binding) votes on executive compensation shall occur every three years. Accordingly, the next shareholder advisory (non-binding) vote on executive compensation will be held in connection with the Corporation's 2017 Annual Meeting of Shareholders.

PROPOSAL 2:

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Our Audit Committee has appointed Baker Tilly Virchow Krause, LLP as the independent registered public accounting firm to audit the Corporation's consolidated financial statements for the fiscal year ending September 30, 2016. Unless otherwise directed, proxies will be voted FOR the ratification of such appointment.

Although this appointment is not required to be submitted to a vote of our shareholders, our Board of Directors believes it appropriate as a matter of policy to request that our shareholders ratify the appointment. If shareholder ratification is not received, the Board of Directors will reconsider the appointment, and may retain that firm or another firm without resubmitting the matter to the Corporation's shareholders. Even if the appointment is ratified, the Audit Committee may, in its discretion, direct the appointment of a different firm at any time during the fiscal year if it determines that such a change would be in the Corporation's best interests.

It is not expected that a representative of Baker Tilly Virchow Krause, LLP will be present at the Annual Meeting. Citizens Management will be available to respond to relevant questions regarding the appointment of our auditor.

If a quorum exists, the approval of the ratification of Baker Tilly Virchow Krause, LLP requires the affirmative vote of a majority of the shares of Common Stock represented at the Annual Meeting, in person or by proxy, and entitled to vote thereon. Abstentions and broker non-votes will not count toward the determination of whether this proposal is approved.
