Forward-Looking Statement Disclaimer

The Company includes in this Current Report "forward-looking statements" within the meaning of the federal securities laws. A reader can identify forward-looking statements because they are not limited to historical fact. Forward-looking statements are subject to risks, uncertainties and other factors that may change at any time and may cause actual results to differ materially from those that the Company expected. Many of these statements are derived from the Company's operating budgets and forecasts, which are based on many detailed assumptions that the Company believes are reasonable, or are based on various assumptions about certain plans, activities or events which the Company expects will or may occur in the future. However, it is very difficult to predict the effect of known factors, and the Company cannot anticipate all factors that could affect actual results that may be important to an investor. All forward-looking information should be evaluated in the context of these risks, uncertainties and other factors, including those factors disclosed in this Current Report and those factors disclosed under "Risk Factors" in the Company's Annual Report on Form 10-K filed with the Securities and Exchange Commission (the "SEC") on February 17, 2017 and in the Company's Quarterly Report on Form 10-Q filed with the SEC on April 25, 2017.
