**Item 4.02(a) Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Report**

On April 17, 2017, the Board of Directors of Bergio, Inc. (the "Company"), functioning as the Company's Audit Committee, and the Company's independent registered public accounting firm determined that the Company's unaudited financial statements for the quarters ended June 30, 2016 and September 30, 2016 filed on quarterly reports on Form 10-Q with the U.S. Securities and Exchange Commission (the "SEC") on August 15, 2016 and November 14, 2016, respectively, contained material misstatements pertaining to a certain revenue transaction that the Company determined needed to be reversed. In connection with its review of the consolidated financial statements for the fiscal year ended December 31, 2016, management of the Company determined that the previously issued financial statements contained in the Company's Quarterly Reports on Form 10-Q for the quarters ended June 30, 2016 and September 30, 2016 should be amended to correct errors in those financial statements.

(1)

The unaudited financial statements of the Company for the quarter ended June 30, 2016, filed in a quarterly report on Form 10-Q with the U.S. Securities and Exchange Commission (the SEC) on August 15, 2016, contained material misstatements.

The Company has reviewed its accounting policies and procedures on April 17, 2016, and determined that the quarter ended June 30, 2016, will need to be restated for the categories described above and therefore should not be relied upon.

The decision to restate the financial statements for the quarters ended June 30, 2016 and September 30, 2016 was made after management's discovery and analysis of one transaction that should have been reflected in such quarters' financial statements.

We intend to file with the SEC as soon as practicable an amendment to our Quarterly Reports on Form 10-Q for the quarters ended June 30, 2016 and September 30, 2016.
