To the Stockholders of Calix, Inc.:

The Annual Meeting of Stockholders (“Annual Meeting”) of Calix, Inc. (“Calix”), will be held virtually, via live webcast at <http://www.virtualshareholdermeeting.com/CALX16>, on May 18, 2016, at 9:00 a.m. Pacific Daylight Time. The meeting will be online only, and will be held for the following purposes:

1. To elect two directors to the Calix Board of Directors (“Board”);
2. To approve, on a non-binding, advisory basis, the compensation of our named executive officers (“NEOs”);
3. To ratify the selection of KPMG LLP as Calix’s independent registered public accounting firm for the fiscal year ending December 31, 2016; and
4. To transact such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof.

The above items of business are more fully described in the Proxy Statement. Only stockholders who owned Calix common stock at the close of business on March 22, 2016 can vote at this meeting or any adjournments that take place.

We have elected to use the Internet as our primary means of providing our proxy materials to stockholders.

Consequently, stockholders will not receive paper copies of our proxy materials, unless they specifically request them.

We will send a Notice of Internet Availability of Proxy Materials (“Notice”) on or about April 5, 2016 to our stockholders of record as of the close of business on March 22, 2016. We are also providing access to our proxy materials over the Internet beginning on or about April 5, 2016. Electronic delivery of our proxy materials will significantly reduce our printing and mailing costs, and will reduce the environmental impact of the proxy materials.

The Notice contains instructions for accessing the proxy materials, including the Proxy Statement and our annual report, and provides information on how stockholders may obtain paper copies free of charge. The Notice also provides: the date and time of the virtual Annual Meeting; the matters to be acted upon at the meeting and the Board’s recommendation with regard to each matter; and information on how to attend the virtual meeting and vote online.

You are cordially invited to attend the virtual Annual Meeting online, but whether or not you expect to attend, to ensure that your vote is recorded, you should vote and submit your proxy over the Internet following the voting procedures described in the Notice. In addition, you can vote and submit your proxy online, or (if you have requested and received paper copies of proxy materials) over the phone or by signing, dating and returning by mail the proxy card sent to you.

PROXY STATEMENT

FOR THE 2016 ANNUAL MEETING OF STOCKHOLDERS

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE STOCKHOLDER MEETING TO BE HELD ON MAY 18, 2016

The Board of Directors of Calix, Inc. is soliciting your proxy to vote at the virtual Annual Meeting of Stockholders to be held on May 18, 2016, at 9:00 a.m. Pacific Daylight Time, and any adjournment or postponement of that meeting (“Annual Meeting”). The Annual Meeting will be held via live webcast only at www.virtualshareholdermeeting.com/CALX16.

We have elected to provide access to our proxy materials on the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (“Notice”) to our stockholders of record as of March 22, 2016 (“Record Date”), while brokers and other nominees who hold shares on behalf of beneficial owners will be sending their own similar notice. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice, or to request a printed set of the proxy materials. Instructions on how to request a printed copy by mail or email may be found in the Notice and on the website referred to in the Notice, including an option to request paper copies on an ongoing basis. On or about April 5, 2016, we are making this Proxy Statement available on the Internet and are mailing the Notice to all stockholders entitled to vote at the Annual Meeting. We intend to mail or email this Proxy Statement, together with a proxy card, to those stockholders entitled to vote at the Annual Meeting who have properly requested paper copies of such materials, within three business days of request.

The only voting securities of Calix, Inc. are shares of common stock, \$0.025 par value per share (“common stock”), of which there were 47,780,776 shares outstanding as of the Record Date (excluding any treasury shares). We need the holders of a majority in voting power of the shares of common stock issued and outstanding and entitled to vote, present online or represented by proxy, to hold the Annual Meeting.

In this Proxy Statement, we refer to Calix, Inc. as the “Company,” “Calix,” “we” or “us” and the Board of Directors as the “Board”. When we refer to Calix’s fiscal year, we mean the twelve-month period ending December 31 of the stated year. Our Annual Report to Stockholders, which contains consolidated financial statements for fiscal year 2015, accompanies this Proxy Statement if you have requested and received a copy of the proxy materials in the mail. Stockholders that received the Notice can access this Proxy Statement and the Annual Report to Stockholders at the website referred to in the Notice. You also may obtain a copy of our Annual Report on Form 10-K for fiscal year 2015, which was filed with the Securities and Exchange Commission (“SEC”), without charge, by writing to our Investor Relations department at the above address. Our Annual Report on Form 10-K and Proxy Statement are also available in the “SEC Filings” section of our website at <http://investor-relations.calix.com/> and at the SEC’s web site at www.sec.gov.

THE PROXY PROCESS AND STOCKHOLDER VOTING
QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on March 22, 2016 will be entitled to vote online at the Annual Meeting. At the close of business on the Record Date, there were 47,780,776 shares of common stock issued and outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If, on March 22, 2016, your shares were registered directly in your name with Calix's transfer agent, Computershare, Inc., then you are a stockholder of record. As a stockholder of record, you may vote online at the Annual Meeting or vote by proxy. Whether or not you plan to attend the virtual Annual Meeting, to ensure your vote is counted we urge you to vote by proxy on the Internet as instructed below, or (if you request and receive a proxy card by mail or email) over the phone or by signing, dating and returning by mail the proxy card sent to you.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Other Agent

If, on March 22, 2016, your shares were held in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in a "street name" and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also welcome to attend the virtual Annual Meeting and to vote online.

What do I need in order to be able to attend the Annual Meeting online?

Calix will be hosting the Annual Meeting via live webcast only. Any stockholder can attend the Annual Meeting live online at www.virtualshareholdermeeting.com/CALX16. The webcast will start at 9:00 a.m. Pacific Daylight Time. Stockholders may vote and submit questions while attending the Annual Meeting online. In order to be able to participate in the online Annual Meeting, you will need the control number included on your Notice or your proxy card (if you received a printed copy of the proxy materials) if you are a stockholder of record, or included with your voting instruction card and voting instructions you received from your broker, bank or other agent if you hold your shares in a "street name." Instructions on how to participate online are also posted online at www.virtualshareholdermeeting.com/CALX16.

What am I being asked to vote on?

You are being asked to vote on:

• election of two Class III directors to hold office until our 2019 Annual Meeting of Stockholders (Proposal No. 1);
• approval on a non-binding, advisory basis of the compensation of our named executive officers, or NEOs, as disclosed in this Proxy Statement under the compensation disclosure rules of the SEC (Proposal No. 2); and
• ratification of the selection, by the audit committee of the Board, of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016 (Proposal No. 3).

In addition, you are entitled to vote on any other matters that are properly brought before the Annual Meeting.

How does the Board recommend I vote on the Proposals?

The Board recommends that you vote:

• FOR each of the Class III director nominees;
• FOR approval, on a non-binding, advisory basis of the compensation of our NEOs; and
• FOR ratification of KPMG LLP as our independent registered public accounting firm.

How do I vote?

For election of directors, you may either vote "For" the two nominees or you may "Withhold" your vote for all or for any nominee you specify. For any other matter to be voted on, you may vote "For" or "Against" or abstain from voting. The procedures for voting are as follows:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in any of the following manners:

• To vote during the virtual Annual Meeting, follow the online instructions provided on the Notice of Internet Availability of Proxy Materials to login to www.virtualshareholdermeeting.com/CALX16 to cast your votes.

To vote over the Internet prior to the Annual Meeting, follow the instructions provided on the Notice of Internet Availability of Proxy Materials.

To vote by phone, call the toll free number found on the proxy card you request and receive by mail or email, which you can request by following the instructions provided on the Notice of Internet Availability of Proxy Materials. To vote by mail, complete, sign and date the proxy card you request and receive by mail or email, and return it promptly by mail. As long as we receive your signed proxy card, or your vote by Internet or phone, by 11:59 p.m. Eastern Daylight Time on May 17, 2016, we will vote your shares as you direct.

Whether or not you plan to attend the virtual Annual Meeting, we urge you to vote by proxy, phone or the Internet to ensure that your vote is counted. Even if you have submitted a proxy or voted by phone or the Internet before the Annual Meeting, you may still attend the virtual Annual Meeting and vote online. In such case, your previously submitted proxy or vote will be disregarded.

Beneficial Owner: Shares Registered in the Name of Broker, Bank or Other Agent

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a voting instruction card and voting instructions with these proxy materials from that organization rather than from us. Complete and mail the voting instruction card to ensure that your vote is counted. Follow the instructions from your broker, bank or other agent included with these proxy materials, or contact your broker, bank or other agent to request a proxy form. You may also vote online at the virtual Annual Meeting.

Who counts the votes?

Broadridge Financial Solutions, Inc., or Broadridge, has been engaged as our independent agent to tabulate stockholder votes. If you are a stockholder of record, and you choose to vote over the Internet (either prior to or during the Annual Meeting) or by phone, Broadridge will access and tabulate your vote electronically, and if you have requested and received proxy materials via mail or email and choose to sign and mail your proxy card, your executed proxy card is returned directly to Broadridge for tabulation. As noted above, if you hold your shares through a broker, your broker (or its agent for tabulating votes of shares held in a "street name") returns one proxy card to Broadridge on behalf of all its clients.

What is the required vote and how are votes counted?

A majority of the outstanding shares of common stock must be present or represented by proxy at the Annual Meeting in order to have a quorum. Abstentions and broker non-votes will be treated as shares present for the purpose of determining the presence of a quorum.

With respect to Proposal No. 1, the election of directors, directors will be elected by a plurality of the votes cast, which means that the two nominees receiving the highest number of "For" votes will be elected. Abstentions and broker non-votes will have no effect with regard to this proposal, because approval of a percentage of shares present or outstanding is not required for this proposal.

With respect to all other Proposals, the affirmative vote of the holders of a majority in voting power of the shares of common stock present or by proxy and entitled to vote on the proposal is required for approval. Abstentions have the same effect as a vote against these proposals. Broker non-votes will have no effect on the outcome of these proposals. Because your vote on Proposal No. 2 is advisory, it will not be binding on the Board, the compensation committee of the Board, or Calix. However, the Board will review the voting results and take them into consideration when making future decisions about executive compensation.

Brokers who hold shares for the accounts of their clients may vote such shares either as directed by their clients or in the absence of such direction, in their own discretion if permitted by the stock exchange or other organization of which they are members. Members of the New York Stock Exchange ("NYSE") are permitted to vote their clients' proxies in their own discretion as to certain "routine" proposals, such as the ratification of the appointment of KPMG LLP. However, where a proposal is not routine, a broker who has received no instructions from its client generally does not have discretion to vote its clients' uninstructed shares on that proposal. When a broker indicates on a proxy that it does not have discretionary authority to vote certain shares on a particular proposal, the missing votes are referred to as "broker non-votes." Those shares would be considered present for purpose of determining whether or not a quorum is present, but would not be considered entitled to vote on the proposal. Those shares would not be taken into account in determining the outcome of the non-routine proposal.

Under NYSE rules, Proposals No. 1 and No. 2 are non-routine matters. Because brokers cannot vote uninstructed shares on behalf of their customers for non-routine matters, it is important that stockholders vote their shares.

Broadridge will separately count “For” and “Withhold” votes with respect to Proposal No. 1, “For” and “Against” votes and abstentions, with respect to Proposal No. 2, and “For” and “Against” votes, abstentions and broker non-votes with respect to Proposal No. 3.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of March 22, 2016.

What if I return a proxy card but do not make specific choices?

If you have properly requested and received a proxy card by mail or email, and we receive a signed and dated proxy card that does not specify how your shares are to be voted, your shares will be voted “For” the election of each of the two nominees for director, and “For”

Table of Contents

Proposal No. 2 and No. 3. If any other matter is properly presented at the Annual Meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his best judgment.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these mailed proxy materials, our directors, officers and employees may also solicit proxies in person, by phone or by other means of communication. Directors, officers and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one Notice of Internet Availability of Materials or set of materials?

If you receive more than one Notice of Internet Availability of Materials or more than one set of materials, your shares are registered in more than one name or are registered in different accounts. In order to vote all the shares you own, you must follow the instructions for voting on the Internet on all of the Notices of Internet Availability of Proxy Materials or proxy cards you receive via mail or email upon your request, which includes voting over the Internet, phone or by signing and returning all of the proxy cards you request and receive.

Can I change my vote after submitting my proxy or voting on the Internet or by phone?

Yes. You can revoke your proxy or prior vote at any time before the final vote at the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy or prior vote in any one of three ways:

• You may submit another properly completed proxy with a later date or submit a new vote on the Internet or by phone using the same instructions followed when you submitted your prior vote.

• You may send a written notice that you are revoking your proxy to Calix's Corporate Secretary at 1035 N. McDowell Boulevard, Petaluma, California 94954.

• You may attend the virtual Annual Meeting and vote online. Simply logging into the Annual Meeting will not, by itself, revoke your proxy or prior vote.

If your shares are held by your broker, bank or other agent, you should follow the instructions provided by them.

How will voting on any business not described in this Proxy Statement be conducted?

We are not aware of any business to be considered at the Annual Meeting other than the items described in this Proxy Statement. If any other matter is properly presented at the virtual Annual Meeting and you are not attending the online meeting in person but have voted by proxy, your proxy (one of the individuals named on your proxy card) will vote your shares using his best judgment.

When are stockholder proposals due for next year's Annual Meeting?

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by December 6, 2016, to Calix's Corporate Secretary at 1035 N. McDowell Boulevard, Petaluma, California 94954. If you wish to submit a proposal that is not to be included in next year's proxy materials under the SEC's shareholder proposal procedures or nominate a director, you must do so between January 18, 2017 and February 17, 2017; provided that if the date of the annual meeting is earlier than April 18, 2017 or later than July 17, 2017, you must give notice not later than the 90th day prior to the annual meeting date or, if later, the 10th day following the day on which public disclosure of the annual meeting date is first made. You are also advised to review our Bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if the holders of a majority in voting power of the shares of common stock issued and outstanding and entitled to vote are present online or represented by proxy at the Annual Meeting. On the Record Date, there were 47,780,776 shares outstanding and entitled to vote. Accordingly, 23,890,388 shares must be represented by stockholders present at the Annual Meeting or by proxy to have a quorum.

Your shares will be counted towards the quorum if you submit a valid proxy vote or vote online at the Annual Meeting. Abstentions and broker non-votes also will be counted towards the quorum requirement. If there is no quorum, either the chairperson of the Annual Meeting or a majority in voting power of the stockholders entitled to vote at the Annual Meeting, present online or represented by proxy, may adjourn the Annual Meeting to another time or place.

How can I find out the results of the voting at the Annual Meeting?

Voting results will be announced by the filing of a Current Report on Form 8-K within four business days after the Annual Meeting. If final voting results are unavailable at that time, we will file an amended Current Report on Form 8-K within four business days of the day the final results are available.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Our Amended and Restated Certificate of Incorporation provides that the Board shall be divided into three classes, with the directors in each class having a three-year term. Unless the Board determines that vacancies (including vacancies created by increases in the number of directors) shall be filled by the stockholders, and except as otherwise provided by law, vacancies on the Board may be filled only by the affirmative vote of a majority of the remaining directors. A director elected by the Board to fill a vacancy (including a vacancy created by an increase in the number of directors) shall serve for the remainder of the full term of the class of directors in which the vacancy occurred and until such director's successor is elected and qualified.

As of April 5, 2016, the date this proxy statement is made available, the Board consists of ten directors, divided into the three following classes:

Class I directors: Michael Matthews, Thomas Pardun and Kevin DeNuccio; whose current terms will expire at the annual meeting of stockholders to be held in 2017;

Class II directors: Christopher Bowick, Michael Flynn, Kevin Peters and Carl Russo; whose current terms will expire at the annual meeting of stockholders to be held in 2018; and

Class III directors: Michael Everett, Adam Grosser and Don Listwin; whose current terms will expire at the annual meeting of stockholders to be held in 2016.

At each annual meeting of stockholders, the successors to directors whose terms will then expire will be elected to serve from the time of election and qualification until the third subsequent annual meeting of stockholders.

The nominating and corporate governance committee of the Board recommended, and the Board approved, Michael Everett and Don Listwin, as nominees for election to the Board at the 2016 Annual Meeting. Each of Messrs. Everett and Listwin has been nominated to serve as a Class III director, and has elected to stand for reelection. Mr. Grosser, one of our Class III directors, is not standing as a nominee for election to the Board at this Annual Meeting. Each director to be elected will hold office from the date of their election by the stockholders until the third subsequent annual meeting of stockholders or until his successor is elected and has been qualified, or until such director's earlier death, resignation or removal. In addition, the nominating and corporate governance committee has recommended, and our Board has approved, that the number of directors of our Board will automatically be reduced to nine immediately following our 2016 Annual Meeting.

Shares of common stock represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the two nominees named below. The Board expects all nominees named below to be available for election. In the event that any nominee should be unable to serve or for good cause will not serve, such shares will be voted for the election of such substitute nominee as the Board may propose. Each person nominated for election has agreed to serve if elected, and management has no reason to believe that any nominee will be unable to serve. Directors are elected by a plurality of the votes cast at the meeting.

The following table sets forth, for the Class III nominees and our other current directors who will continue in office after the Annual Meeting, information with respect to their ages and position/office held with Calix as of April 5, 2016:

Independence of the Board

The NYSE prescribes independence standards for listed companies. These standards require a majority of the Board to be independent. They also require every member of the audit committee, compensation committee and nominating and corporate governance committee of the Board to be independent. No director qualifies as independent unless the Board determines that the director has no direct or indirect material relationship with us. On an annual basis, each director and executive officer is obligated to complete a director and officer questionnaire which requires disclosure of any transactions with us in which the director or executive officer, or any member of his or her immediate family, have a direct or indirect material interest. We also review our relationship with any entity employing a director or on which the director currently serves as a member of the board.

After review of all relevant transactions or relationships between each director, or any of his immediate family members, and Calix, its senior management and its independent registered public accounting firm, the Board has affirmatively determined that all of Calix's current directors are independent directors within the meaning of the applicable NYSE standards, except for Mr. Russo, Calix's current president and chief executive officer. All of the committees of our Board are comprised entirely of directors determined by the Board to be independent within the meaning of the NYSE standards.

PROPOSAL NO. 2

APPROVAL ON A NON-BINDING, ADVISORY BASIS OF THE
COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS (“SAY-ON-PAY”)

We are seeking an advisory vote from our stockholders to approve the compensation paid to our NEOs, as disclosed in this Proxy Statement under the compensation disclosure rules of the SEC.

The compensation committee of the Board, with assistance from external compensation consultants, has structured our executive compensation program to stress a pay-for-performance philosophy. The compensation opportunities provided to our NEOs are significantly dependent on Calix’s financial performance, the performance of Calix’s stock and the NEO’s individual performance, which are intended to drive creation of sustainable stockholder value. The compensation committee of the Board will continue to emphasize what it believes to be responsible compensation arrangements that attract, retain, and motivate high-caliber executive officers and motivate those officers to achieve Calix’s short- and long-term business strategies and objectives.

The Board has determined to hold an advisory “say on pay” vote every year. In accordance with this determination and Section 14A of the Exchange Act, you have the opportunity to vote “For” or “Against” or to “Abstain” from voting on the following non-binding resolution relating to executive compensation:

“RESOLVED, that the stockholders approve, on an advisory basis, the compensation paid to Calix’s NEOs as disclosed in Calix’s proxy statement for the 2016 Annual Meeting of Stockholders under the compensation disclosure rules of the SEC, including the compensation discussion and analysis, compensation tables and narrative discussion of the proxy statement.”

In deciding how to vote on this proposal, we encourage you to consider Calix's executive compensation philosophy and objectives, the design principles and the elements of Calix's executive compensation program described in the compensation discussion and analysis, or CD&A, section below. As described in the CD&A, a guiding principle of our compensation philosophy is that pay should be linked to performance and that the interests of our executives and stockholders should be aligned. Our compensation program is a mix of short- and long-term components, cash and equity elements and fixed and contingent payments in proportions we believe will provide the proper incentives, reward our NEOs, help us achieve our goals and increase stockholder value. For example:

Chief Executive Officer Compensation Aligned with Stockholder Interests. A significant portion of our CEO's compensation is performance-based and reflects a market-based compensation package. As a significant stockholder, his personal wealth has consistently been, and continued to be in 2015, tied directly to sustained stock price appreciation and performance, which provides direct alignment with stockholder interests.

Other NEOs Compensation Substantially Tied to Performance. Our other NEOs earn a significant portion of their total compensation based upon increases in Calix's stock price and a significant portion of their cash compensation is based upon Calix's financial performance along with our compensation committee's assessment of individual performance.

Change in Control and Severance Benefits Not Grossed Up. Calix provides limited change in control and severance benefits to provide NEOs security and remain competitive, and does not gross up any NEO taxes in connection with such change in control, severance or other compensation and benefits.

To be approved, on a non-binding and advisory basis, the compensation paid to our NEOs, as disclosed in this Proxy Statement under the compensation disclosure rules of the SEC, must receive a “For” vote from the holders of a majority in voting power of the shares of common stock which are present online or by proxy and entitled to vote on the proposal. Abstentions will have the same effect as “Against” votes for purposes of determining whether this matter has been approved. Broker non-votes will not be counted for any purpose in determining whether this matter has been approved.

While your vote on this proposal is advisory and will not be binding, we value the opinions of Calix's stockholders on executive compensation matters and will take the results of this advisory vote into consideration when making future decisions regarding Calix's executive compensation program. Unless the Board modifies its determination of the frequency of future “say on pay” advisory votes, the next “say on pay” advisory vote will be held at our 2017 annual meeting of shareholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE COMPENSATION PAID TO THE NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT UNDER THE COMPENSATION DISCLOSURE RULES OF THE SEC.

PROPOSAL NO. 3

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

On February 29, 2016, the audit committee of our Board completed a competitive process to review the appointment of our independent registered public accounting firm and determined not to re-engage Ernst & Young LLP (“Ernst & Young”) in that role. The audit committee has selected KPMG LLP (“KPMG”) as our independent registered public accounting firm for the audit of our consolidated financial statements for the fiscal year ending December 31, 2016, and is seeking ratification of such selection by our stockholders at the Annual Meeting. Representatives of KPMG are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

The audit committee’s decision was made in the course of its annual review and selection of our independent registered public accounting firm, including a formal launch of a competitive bid process by the committee, pursuant to which the committee rigorously evaluated several global accounting firms. In making this decision, the audit committee carefully assessed the qualifications and relevant experience of each firm and each proposed engagement team in light of our size, complexity and business operations, as well as the strength and resources of the firm, including its national office and compliance functions.

The reports of Ernst & Young on our consolidated financial statements as of and for the fiscal years ended December 31, 2015 and 2014 did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principle.

In connection with the audits of our financial statements for each of the two fiscal years ended December 31, 2015 and 2014, and in the subsequent interim period through February 29, 2016, there were no disagreements with Ernst & Young on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures which, if not resolved to the satisfaction of Ernst & Young would have caused Ernst & Young to make reference to the subject matter of the disagreements in their report.

During the fiscal years ended December 31, 2015 and 2014, and in the subsequent interim period through February 29, 2016, there were no “reportable events” as described in Item 304(a)(1)(v) of Regulation S-K.

During our two most recent fiscal years ended December 31, 2015 and 2014, and the subsequent interim period through February 29, 2016, neither we nor anyone on our behalf consulted KPMG regarding either: (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements, in connection with which either a written report or oral advice was provided to us that KPMG concluded was an important factor considered by us in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was the subject of a disagreement or reportable event as defined in Regulation S-K, Item 304(a)(1)(iv) and Item 304(a)(1)(v), respectively.

We provided each of Ernst & Young and KPMG with a copy of our disclosures required by Item 304(a) of Regulation S-K prior to the time this proxy statement was filed.

Neither our bylaws nor other governing documents or law require stockholder ratification of our selection of KPMG as our independent registered public accounting firm. However, the audit committee of the Board is submitting the selection of KPMG to our stockholders for ratification as a matter of good corporate practice. If our stockholders fail to ratify the selection, the audit committee will reconsider whether or not to retain KPMG. Even if the selection is ratified, the audit committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of Calix and its stockholders.

To be approved, the ratification of the selection of KPMG as our independent registered public accounting firm must receive a “For” vote from the holders of a majority in voting power of the shares of common stock which are present online or represented by proxy and entitled to vote on the proposal. Abstentions will have the same effect as an “Against” vote for purposes of determining whether this matter has been approved. Broker non-votes will not be counted for any purpose in determining whether this matter has been approved.

Pre-Approval Policies and Procedures

The audit committee of the Board pre-approves all audit and non-audit services provided by its independent registered public accounting firm. Our audit committee may delegate authority to one or more members of the audit committee to provide such pre-approvals, provided that such approvals are presented to the audit committee at a subsequent meeting. This policy is set forth in the charter of the audit committee and available in the “Corporate Governance” section of our website at <http://investor-relations.calix.com/>.

The audit committee of the Board considered whether the non-audit services rendered by Ernst & Young LLP were compatible with maintaining Ernst & Young LLP’s independence as the independent registered public accounting firm of Calix’s consolidated financial statements and concluded that they were. All of the services described above for 2015 with respect to tax fees and all other fees were pre-approved by our Audit Committee under its pre-approval policy. In 2015 and 2014, KPMG provided certain tax consulting services to our China subsidiary. The Audit Committee has concluded that these non-audit services provided by KPMG were compatible with maintaining the independence of KPMG.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE RATIFICATION OF THE SELECTION OF KPMG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2016.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and other equity securities. Officers, directors and greater than 10% stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. We believe that during the fiscal year 2015, our directors and Section 16 officers complied with all Section 16(a) filing requirements, except as to one late Form 4 for each of our directors to report the annual equity grant for such directors following our 2015 annual meeting of stockholders. In making the above statements, we have relied upon the written representations of our directors and Section 16 officers.

CORPORATE GOVERNANCE

Corporate Governance Guidelines

The Board has adopted Corporate Governance Guidelines for Calix ("Guidelines"). A copy of the Guidelines is available in the "Corporate Governance" section of our website at <http://investor-relations.calix.com/>. Calix intends to disclose any future amendments to the Guidelines on this section of its website.

Code of Business Conduct and Ethics

Calix has adopted a Code of Business Conduct and Ethics, which is applicable to our directors and employees, including our principal executive officer, principal financial officer, and persons performing similar functions. A copy of the Code of Business Conduct and Ethics is available in the "Corporate Governance" section of our website at <http://investor-relations.calix.com/>. Calix will also post on this section of its website any amendment to the Code of Business Conduct and Ethics, as well as any waivers of the Code of Business Conduct and Ethics, which are required to be disclosed by the rules of the Securities and Exchange Commission ("SEC") or The New York Stock Exchange ("NYSE").

Leadership Structure of the Board

Under Calix's bylaws, the Board appoints Calix's officers, including the chief executive officer. The Board does not have a policy on whether the role of the chairman and chief executive officer should be separate and, if it is to be separate, whether the chairman should be selected from the non-employee directors or be an employee and if it is to be combined, whether a lead independent director should be selected. However, the Board is committed to good corporate governance practices and values independent board oversight as an essential component of strong corporate performance. For example, nine of Calix's ten directors during 2015 qualified as independent according to the rules and regulations of the NYSE. On at least an annual basis, the Board undertakes a review of the independence of each director and considers whether any director has a material relationship with Calix that could compromise his ability to exercise independent judgment in carrying out his responsibilities. As a result of this review, the Board determined on February 2, 2016 that each of Messrs. Bowick, DeNuccio, Everett, Flynn, Grosser, Listwin, Matthews, Pardun, and Peters, representing nine of Calix's ten current directors, are independent directors as defined under the listing requirements of the NYSE, constituting at least a majority of independent directors of the Board as required by the NYSE rules. In addition, Calix's corporate governance guidelines require that the directors meet in executive session without

Table of Contents

management directors or management present on a regularly scheduled basis, but not less than two times a year. Calix's nominating and corporate governance committee periodically reviews and recommends to the Board the leadership structure of the Board. Currently, Calix separates the roles of chief executive officer and chairman in recognition of the differences between the two roles. The chief executive officer is responsible for setting the strategic direction for, and the day-to-day leadership and performance of, Calix, while the chairman provides guidance to the chief executive officer and management, sets the agenda for Board meetings and presides over meetings of the full Board. Mr. Russo, Calix's chief executive officer and a director, is an employee of Calix and is therefore not "independent" under the rules of the NYSE. Mr. Listwin, Calix's chairman, is an independent director, as defined under the rules of the NYSE. The Board believes that the current board leadership structure is best for Calix and its stockholders at this time.

Oversight of Risk Management

The Board has an active role, as a whole and also at the committee level, in overseeing management of Calix's risks. The Board is responsible for general oversight of risks and regularly reviews information regarding Calix's risks, including credit risks, liquidity risks and operational risks. The compensation committee of the Board is responsible for overseeing the management of risks relating to Calix's executive compensation plans and arrangements. The audit committee of the Board is responsible for overseeing management of Calix's risks relating to accounting matters, financial reporting and legal and regulatory compliance. The nominating and corporate governance committee of the Board is responsible for overseeing management of Calix's risks associated with the independence of the Board and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board is regularly informed through committee reports about such risks.

Board Committees

Calix's board of directors has established an audit committee, a compensation committee and a nominating and corporate governance committee, each of which have the composition and responsibilities described below.

Audit Committee

Currently, Calix's audit committee comprises Messrs. Everett, Matthews and Pardun, each of whom is a non-employee member of the Board. Mr. Everett is the audit committee chairman and is the audit committee financial expert, as currently defined under the SEC rules. The Board has determined that each director serving on the audit committee is independent within the meaning of the NYSE listing standards.

Calix's audit committee has been established in accordance with Section 3(a)(58)(A) of the Exchange Act. Calix's audit committee oversees its corporate accounting and financial reporting process. Among other matters, the audit committee: evaluates the independent registered public accounting firm's qualifications, independence and performance; determines the engagement of the independent registered public accounting firm; reviews and approves the scope of the annual audit and the audit fee; discusses with management and the independent registered public accounting firm the results of the annual audit and the review of Calix's quarterly consolidated financial statements; approves the retention of the independent registered public accounting firm to perform any proposed permissible non-audit services; monitors the rotation of partners of the independent registered public accounting firm on Calix's engagement team as required by law; reviews Calix's critical accounting policies and estimates; oversees the internal audit function and annually reviews the audit committee charter and the committee's performance. The audit committee operates under a written charter that satisfies the applicable standards of the SEC and the NYSE. A copy of the audit committee charter is available in the "Corporate Governance" section of our website at <http://investor-relations.calix.com>.

Compensation Committee

Currently the members of Calix's compensation committee are Messrs. Flynn, Bowick and Listwin, each of whom is a non-employee member of the Board. Mr. Flynn is the compensation committee chairman. The Board has determined that each director serving on the compensation committee is independent within the meaning of the NYSE listing standards.

Calix's compensation committee reviews and recommends policies relating to compensation and benefits of Calix executive officers and employees. The compensation committee reviews and approves corporate goals and objectives relevant to compensation of the chief executive officer and other executive officers, evaluates the performance of

these officers in light of those goals and objectives, and sets the compensation of these officers based on such evaluations. The compensation committee also administers the issuance of stock options and other awards under Calix stock plans. The compensation committee reviews and evaluates, at least annually, the performance of the compensation committee and its members, including compliance of the compensation committee with its charter. In fulfilling its responsibilities, the compensation committee may delegate any or all of its responsibilities to a subcommittee of the compensation committee, but only to the extent consistent with Calix's certificate of incorporation and bylaws, Section 162(m) of the Internal Revenue Code of 1986 (to the extent applicable), NYSE rules and other applicable law. The compensation committee operates under a written charter that satisfies the applicable standards of the SEC and the NYSE. A copy of the compensation committee charter is available in the "Corporate Governance" section of our website at <http://investor-relations.calix.com>.

Nominating and Corporate Governance Committee

Calix's nominating and corporate governance committee currently consists of Messrs. Listwin, Peters and Flynn, each of whom is a non-employee member of the Board. Mr. Listwin is the chairman of the nominating and corporate governance committee. The Board has

Table of Contents

determined that each of the directors serving on the nominating and corporate governance committee is independent within the meaning of the NYSE listing standards.

The nominating and corporate governance committee is responsible for making recommendations regarding candidates for directorships and the size and composition of the Board. In addition, the nominating and corporate governance committee is responsible for overseeing Calix's corporate governance guidelines and reporting and making recommendations concerning governance matters. The nominating and corporate governance committee operates under a written charter that satisfies the applicable standards of the SEC and the NYSE. A copy of the nominating and corporate governance committee charter is available in the "Corporate Governance" section of our website at <http://investor-relations.calix.com>.

Calix's nominating and corporate governance committee is responsible for reviewing with the Board, on an annual basis, the appropriate characteristics, skills and experience required for the Board as a whole and its individual members. Calix does not have a formal diversity policy, but does consider diversity to be a relevant consideration in the process of evaluating and identifying director candidates. To that end, in evaluating the suitability of individual candidates (both new candidates and current board members), the nominating and corporate governance committee, in recommending candidates for election, and the Board, in approving (and, in the case of vacancies, appointing) such candidates, takes into account many factors, including: diversity of personal background, perspective and experience; personal and professional integrity, ethics and values; experience in corporate management, operations or finance, such as serving as an officer or former officer of a publicly-held company; experience in Calix's industry and with relevant social policy concerns; experience as a board member of another publicly-held company; academic expertise in an area of Calix's operations; diversity of business or career experience relevant to the success of Calix; and practical and mature business judgment. The Board evaluates each individual in the context of the Board as a whole, with the objective of assembling a group that can best perpetuate the success of the business and represent stockholder interests through the exercise of sound judgment using its diversity of experience in these various areas. Calix has from time to time engaged a third party executive search agency to identify, evaluate and assist in identifying potential nominees, and may engage such agencies in the future.

The policy of the nominating and corporate governance committee is to consider properly submitted director candidates recommended by stockholders. For a stockholder to make any nomination for election to the Board at an annual meeting, the stockholder must provide notice to Calix, which must be received at Calix's principal executive offices not less than 90 days and not more than 120 days prior to the one-year anniversary of the preceding year's annual meeting; provided, that if the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, the stockholder's notice must be delivered not later than 90 days prior to the date of the annual meeting or, if later, the 10th day following the date on which public disclosure of the date of such annual meeting is made. Further updates and supplements to such notice may be required at the times and in the forms required under our bylaws. As set forth in our bylaws, submissions must include the name and address of the proposed nominee, information regarding the proposed nominee that is required to be disclosed in a proxy statement or other filings in a contested election under Section 14(a) of the Exchange Act, information regarding the proposed nominee's indirect and direct interests in shares of Calix's common stock, and a completed and signed questionnaire, representation and agreement of the proposed nominee. Our bylaws also specify further requirements as to the form and content of a stockholder's notice. We recommend that any stockholder wishing to make a nomination for director review a copy of our bylaws, as amended and restated to date, which is available, without charge, from our Corporate Secretary, at 1035 N. McDowell Boulevard, Petaluma California 94954. The presiding officer at the applicable annual meeting may, if the facts warrant, determine that a nomination was not properly made in accordance with the foregoing, in which case the defective nomination may be disregarded.

Each of our nominees for director was elected to the Board at our 2013 Annual Meeting of Stockholders and was recommended to the Board by the nominating and corporate governance committee based on the committee's evaluation as set forth above.

Meetings of the Board, Board and Committee Member Attendance and Annual Meeting Attendance

Our Board met seven times during fiscal year 2015. The audit committee of the Board met eight times, the compensation committee of the Board met six times and the nominating and corporate governance committee of the

Board met four times during fiscal year 2015. During 2015, each continuing Board member and nominee attended 75% or more of the aggregate of the meetings of the Board and of the committees on which he served.

We encourage our directors to attend our annual meetings of stockholders. All of our directors attended our 2015 annual meeting of stockholders on May 20, 2015.

Compensation Committee Interlocks and Insider Participation

Each of Messrs. Flynn and Listwin served on Calix's compensation committee for the entirety of 2015. Mr. Bowick replaced Mr. DeNuccio as a member of the compensation committee on January 27, 2015. None of the members of Calix's compensation committee is or was at any time during 2015 an officer or employee of Calix, was formerly an officer of Calix, or has engaged in certain related transactions with Calix, as required to be disclosed by SEC regulations. None of Calix's executive officers currently serves or in the past year has served as a member of the board of directors or compensation committee of any other entity that has one or more executive officers serving on Calix's Board or compensation committee.

Table of Contents**Risk Assessment and Compensation Practices**

Calix's management assessed, with input from outside consultants, and discussed with the compensation committee Calix's compensation policies and practices for its employees as they relate to risk management. Based upon this assessment, Calix believes that any risks arising from such policies and practices are not reasonably likely to have a material adverse effect on Calix in the future.

Calix's employees' base salaries are fixed in amount and thus Calix does not believe that they encourage excessive risk-taking. While performance-based cash bonuses and sales commissions focus on achievement of short-term or annual goals, which may encourage the taking of short-term risks at the expense of long-term results, Calix believes that its internal controls help mitigate this risk and Calix's performance-based cash bonuses and sales commissions are limited, representing a small portion of the total compensation opportunities available to most employees. Calix also believes that its performance-based cash bonuses and sales commissions appropriately balance risk and the desire to focus employees on specific short-term goals important to our success, and do not encourage unnecessary or excessive risk taking.

A significant proportion of the compensation provided to Calix employees, is in the form of long-term equity-based incentives that are important to help further align Calix's employees' interests with those of its stockholders. Calix does not believe that these equity-based incentives encourage unnecessary or excessive risk taking because their ultimate value is tied to Calix's stock price.

The statements regarding the risks arising from Calix's compensation policies and practices contain forward-looking statements that involve substantial risks and uncertainties. Calix has based these forward-looking statements largely on its current expectations and projections about future events and financial trends that Calix believes may affect its financial condition, results of operations, business strategy and financial needs.

Communications with the Board

All interested parties may communicate with the Board or any specified individual directors. Such correspondence should be sent to the attention of Calix's Corporate Secretary, at 1035 N. McDowell Boulevard, Petaluma, California 94954. Calix's Corporate Secretary will forward the communication to the Board members.
