PROXY STATEMENT FOR THE 2018 ANNUAL MEETING OF STOCKHOLDERS

April 27, 2018

GENERAL PROXY INFORMATION

Information About Solicitation and Voting

The accompanying proxy is solicited on behalf of the Board of Directors of Castlight Health, Inc. (“we”, “us” or “Castlight”) for use at our 2018 Annual Meeting of Stockholders (the “meeting”) to be held at Castlight’s offices at 150 Spear Street, San Francisco, California 94105, on Wednesday, June 20, 2018, at 9:00 a.m. (Pacific Time), and any adjournment or postponement thereof. If you held shares of our common stock on April 23, 2018, (the “record date”), you are invited to attend the meeting and vote on the proposal described in this proxy statement.

Internet Availability of Proxy Materials

Under rules adopted by the U.S. Securities and Exchange Commission (the “SEC”), we are furnishing proxy materials to our stockholders via the Internet, instead of mailing printed copies of those materials to each stockholder. On or about April 27, 2018, we expect to send to our stockholders a Notice of Internet Availability of Proxy Materials (“Notice of Internet Availability”) containing instructions on how to access our proxy materials, including our proxy statement and our annual report. The Notice of Internet Availability also provides instructions on how to vote by telephone or through the Internet and includes instructions on how to receive a paper copy of the proxy materials by mail. This process is designed to reduce our environmental impact and lowers the costs of printing and distributing our proxy materials without impacting our stockholders’ timely access to this important information. However, if you would prefer to receive printed proxy materials, please follow the instructions included in the Notice of Internet Availability.

General Information About the Meeting

Purpose of the Meeting

At the meeting, stockholders will act upon the proposals described in this proxy statement. In addition, following the meeting, management will respond to questions from stockholders.

Record Date; Quorum

Only holders of record of common stock at the close of business on April 23, 2018, the record date, will be entitled to vote at the meeting. At the close of business on April 23, 2018, we had 135,729,963 shares of common stock outstanding and entitled to vote. The holders of a majority of the voting power of the shares of stock entitled to vote at the meeting as of the record date must be present

at the meeting in order to hold the meeting and conduct business. This presence is called a quorum. Your shares are counted as present at the meeting if you are present and vote in person at the meeting or if you have properly submitted a proxy.

Voting Rights; Required Vote

With respect to all matters that will come before the meeting, each holder of shares of common stock is entitled to one vote for each share of common stock held as of the close of business on April 23, 2018, the record date. Holders of our Class A common stock and of our Class B common stock will vote together as a single class. You may vote all shares owned by you as of April 23, 2018, including (1) shares held directly in your name as the stockholder of record and (2) shares held for you as the beneficial owner in street name through a broker, bank, trustee, or other nominee.

Stockholder of Record: Shares Registered in Your Name. If on April 23, 2018 your shares were registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, then you are considered the stockholder of record with respect to those shares. As a stockholder of record, you may vote at the meeting or vote by telephone, through the Internet, or if you request or receive paper proxy materials by mail, by filling out and returning the proxy card.

Beneficial Owner: Shares Registered in the Name of a Broker or Nominee. If on April 23, 2018 your shares were held in an account with a brokerage firm, bank or other nominee, then you are the beneficial owner of the shares held in street name. As a beneficial owner, you have the right to direct your nominee on how to vote the shares held in your account. However, the organization that holds your shares is considered the stockholder of record for purposes of voting at the meeting. Because you are not the stockholder of record, you may not vote your shares at the meeting unless you request and obtain a valid proxy from the organization that holds your shares giving you the right to vote the shares at the meeting.

Each director will be elected by a plurality of the votes cast, which means that the three individuals nominated for election to our Board of Directors at the meeting receiving the highest number of "FOR" votes will be elected. You may either vote "FOR" all of the nominees or "WITHHOLD" your vote with respect to any of the nominees. Approval of Proposal 2 will be obtained if the number of votes cast "FOR" such proposal at the meeting exceeds the number of votes "AGAINST" such proposal. Abstentions (shares present at the meeting and voted "abstain") are counted for purposes of determining whether a quorum is present, and have no effect on the outcome of the matters voted upon. Broker non-votes occur when shares held by a broker for a beneficial owner are not voted either because (i) the broker did not receive voting instructions from the beneficial owner, or (ii) the broker lacked discretionary authority to vote the shares. Broker non-votes are counted for purposes of determining whether a quorum is present, but have no effect on the outcome of the matters voted upon. Note that if you are a beneficial holder and do not provide specific voting instructions to your broker, the broker that holds your shares will not be authorized to vote on the election of directors. Accordingly, we encourage you to provide voting instructions to your broker, whether or not you plan to attend the meeting.

Recommendations of our Board of Directors on Each of the Proposals Scheduled to be Voted on at the Meeting

The Board of Directors recommends that you vote FOR all of the Class I directors named in this proxy statement (Proposal 1), and FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018 (Proposal 2).

Voting Instructions; Voting of Proxies

If you are a stockholder of record, you may:

- vote in person - we will provide a ballot to stockholders who attend the meeting and wish to vote in person;
- vote via telephone or via the Internet - in order to do so, please follow the instructions shown on your Notice of Internet Availability or proxy card; or
- vote by mail - if you request or receive a paper proxy card and voting instructions by mail, simply complete, sign and date the enclosed proxy card and return it before the meeting in the envelope provided.

Votes submitted by telephone or through the Internet must be received by 11:59 p.m., Pacific Time, on Tuesday, June 19, 2018. Submitting your proxy (whether by telephone, through the Internet or by mail if you request or received a paper proxy card) will not affect your right to vote in person should you decide to attend the meeting. If you are not the stockholder of record, please refer to the voting instructions provided by your nominee to direct it how to vote your shares. For Proposal 1, you may either vote "FOR" all of the nominees to our Board of Directors, or you may withhold your vote from any nominee you specify. For Proposal 2, you may vote "FOR" or "AGAINST" or "ABSTAIN" from voting. Your vote is important. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure that your vote is counted.

All proxies will be voted in accordance with the instructions specified on the proxy card. If you sign a physical proxy card and return it without instructions as to how your shares should be voted on a particular proposal at the meeting, your shares will be voted in accordance with the recommendations of our Board of Directors stated above.

If you received a Notice of Internet Availability, please follow the instructions included on the notice on how to access your proxy card and vote by telephone or through the Internet. If you do not vote and you hold your shares in street name, and your broker does not have discretionary power to vote your shares, your shares may constitute "broker non-votes" (as described above) and will not be counted in determining the number of shares necessary for approval of the proposals. However, shares that constitute broker non-votes will be counted for the purpose of establishing a quorum for the meeting.

If you receive more than one proxy card or Notice of Internet Availability, your shares are registered in more than one name or are registered in different accounts. To make certain all of your shares are voted, please follow the instructions included on the Notice of Internet Availability on how to access each proxy card and vote each proxy card by telephone or through the Internet. If you requested or received paper proxy materials by mail, please complete, sign and return each proxy card to ensure that all of your shares are voted.

Expenses of Soliciting Proxies

The expenses of soliciting proxies will be paid by us. Following the original mailing of the soliciting materials, we and our agents may solicit proxies by mail, electronic mail, telephone, facsimile, by other similar means, or in person. Our directors, officers, and other employees, without additional compensation, may solicit proxies personally or in writing, by telephone, e-mail, or otherwise. Following the original mailing of the soliciting materials, we will request brokers, custodians, nominees and other record holders to forward copies of the soliciting materials to persons for whom they hold shares and to request authority for the exercise of proxies. In such cases, Castlight, upon the request of the record holders, will reimburse such holders for their reasonable expenses. If you choose to access the proxy materials or vote through the Internet, you are responsible for any Internet access charges you may incur.

Revocability of Proxies

A stockholder of record who has given a proxy may revoke it at any time before it is exercised at the meeting by:

- delivering to our Corporate Secretary (by any means) a written notice stating that the proxy is revoked;
 - signing and delivering a proxy bearing a later date; or
 - attending and voting at the meeting (although attendance at the meeting will not, by itself, revoke a proxy).
- Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to revoke a proxy, you must contact that firm to revoke any prior voting instructions.

Electronic Access to the Proxy Materials

The Notice of Internet Availability will provide you with instructions regarding how to:

- view our proxy materials for the meeting through the Internet; and

instruct us to send our future proxy materials to you electronically by email.

Choosing to receive your future proxy materials by email will reduce the impact of our annual meetings of stockholders on the environment and lower the costs of printing and distributing our proxy materials. If you choose to receive future proxy materials by email, you will receive an email next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it.

Voting Results

Voting results will be tabulated and certified by the inspector of elections appointed for the meeting. The final results will be tallied by the inspector of elections and filed with the SEC in a Current Report on Form 8-K within four business days of the meeting.

CORPORATE GOVERNANCE STANDARDS AND DIRECTOR INDEPENDENCE

We are strongly committed to good corporate governance practices. These practices provide an important framework within which our Board of Directors and management can pursue our strategic objectives for the benefit of our stockholders.

Corporate Governance Guidelines

Our Board of Directors has adopted Corporate Governance Guidelines that set forth expectations for directors, director independence standards, board committee structure and functions, and other policies for the governance of Castlight. Our Corporate Governance Guidelines are available on the Investor Relations section of our website, which is located at <http://ir.castlighthealth.com/investor-relations/corporate-governance/governance-documents/>, by clicking on “Corporate Governance Guidelines,” under “Governance Documents.” The Corporate Governance Guidelines are reviewed at least annually by our Nominating and Corporate Governance Committee, and changes are recommended to our Board of Directors as warranted.

Board of Directors Leadership Structure

Our Corporate Governance Guidelines provide that our Board of Directors believes that it is in the best interests of Castlight for the roles of Chairperson and Chief Executive Officer to be separated. Maintaining separate roles of Chairperson and Chief Executive Officer provides us with optimally effective leadership. Our Chairperson’s duties include, among other things, the nonexclusive authority to preside over meetings of the stockholders and the Board of Directors (including non-executive directors of our Board of Directors) and to hold such other powers and carry out such other duties as are also granted to the Chairperson of our Board of Directors. Our Corporate Governance Guidelines also provide that the independent directors may, if deemed advisable, select a “Lead Independent Director.” The Nominating and Corporate Governance Committee periodically considers the leadership structure of our Board of Directors and makes such recommendations related thereto to our Board of Directors with respect thereto as the Nominating and Corporate Governance Committee deems appropriate. Consistent with this process, our Board of Directors made several determinations concerning the role of the Chairperson, taking into account our best interests and the best interests of our stockholders. Bryan Roberts was the Chairperson from 2010 until April 2017, when our then-CEO, Giovanni Colella, stepped down from the CEO role and assumed the role of Executive Chairperson. At that time, Dr. Roberts became the Board’s Lead Independent Director. In October 2017, Dr. Colella departed from the Board of Directors, at which time Dr. Roberts resumed the Chairperson role. Our Board of Directors believes that Dr. Robert’s strategic vision for our business growth, historical perspective of our business and experience with facilitating the growth of health care, health care IT and biotechnology companies, make him well qualified to serve as Chairperson.

Role of the Board of Directors in Risk Oversight

One of the key functions of our Board of Directors is informed oversight of our risk management process. Our Board of Directors does not have a standing risk management committee, but rather administers this oversight function directly as a whole, as well as through various standing committees of our Board of Directors that address risks inherent in their respective areas of oversight. In particular, our Board of Directors is responsible for monitoring and assessing strategic risk exposure and our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management are undertaken. The Audit Committee also monitors security management, including with respect to cybersecurity, and compliance with legal and regulatory requirements. Our Compensation and Talent Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking and reviews the steps management has taken to monitor or mitigate compensation-related risk exposures.

Independence of Directors

Our Board of Directors determines the independence of our directors by applying the independence principles and standards established by the New York Stock Exchange, or NYSE. These provide that a director is independent only if our Board of Directors affirmatively determines that the director has no direct or indirect material relationship with our company. They also specify various relationships that preclude a determination of director independence. Material relationships may include commercial, industrial, consulting, legal, accounting, charitable, family and other business, professional and personal relationships.

Applying these standards, our Board of Directors annually reviews the independence of Castlight's directors, taking into account all relevant facts and circumstances. In its most recent review, our Board of Directors considered, among other things, the relationships that each non-employee director has with our company and all other facts and circumstances our Board of Directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director.

Based upon this review, our Board of Directors has determined that the following director nominees and members of our Board of Directors are currently independent as determined under the rules of the NYSE:

Michael Eberhard Bryan Roberts
David Ebersman David B. Singer
Ed Park Kenny Van Zant

Committees of Our Board of Directors

Our Board of Directors has established an Audit Committee, a Compensation and Talent Committee, and a Nominating and Corporate Governance Committee. The composition and responsibilities of each committee are described below. Also, from time to time the Board may identify special committee to manage certain discreet subject areas as needed. Copies of the charters for each standing committee are available, without charge, upon request in writing to Castlight Health, Inc., 150 Spear Street, Suite 400, San Francisco, California 94105, Attn: General Counsel or by clicking on "Corporate Governance" in the investor relations section of our website, <http://ir.castlighthealth.com/investor-relations/investors-overview/>. Members serve on these committees until their resignations or until otherwise determined by our Board of Directors.

Audit Committee

Our Audit Committee is comprised of Mr. Eberhard, Mr. Park and Mr. Singer. Mr. Park is the chairman of the Audit Committee. The composition of our Audit Committee meets the requirements for independence under the current NYSE and SEC rules and regulations. Each member of our Audit Committee is financially literate. In addition, our Board of Directors has determined that Mr. Singer is an "audit committee financial expert" as defined in Item 407(d)(5)(ii) of Regulation S-K promulgated under the Securities Act. This designation does not impose on him any duties, obligations or liabilities that are greater than are generally imposed on members of our Audit Committee and our Board of Directors. Our Audit Committee is directly responsible for, among other things:

- selecting a firm to serve as the independent registered public accounting firm to audit our financial statements;
- ensuring the independence of the independent registered public accounting firm;
- discussing the scope and results of the audit with the independent registered public accounting firm, and reviewing, with management and that firm, our interim and year-end operating results;
- establishing procedures for employees to submit, anonymously, concerns about questionable accounting or audit matters;
- considering the adequacy of our internal controls and internal audit function;
- reviewing material related party transactions or those that require disclosure;
- approving or, as permitted, pre-approving all audit and non-audit services to be performed by the independent registered public accounting firm; and
- monitoring security management and compliance with other legal and regulatory requirements.

Compensation and Talent Committee

Our Compensation and Talent Committee is comprised of Mr. Ebersman, Dr. Roberts, and Mr. Van Zant.

Mr. Ebersman is the chairman of our Compensation and Talent Committee. The composition of our Compensation and Talent Committee meets the requirements of independence under the NYSE rules and regulations. Each member of this committee is a non-employee director, as defined pursuant to Rule 16b-3 promulgated under the Exchange Act, and an outside director, as defined pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended.

Our Compensation and Talent Committee is responsible for, among other things:

- reviewing and approving, or recommending that our Board of Directors approve, the compensation of our executive officers;
- reviewing and approving, or recommending that our Board of Directors approve, the compensation of our directors;
- administering our stock and equity incentive plans;
- reviewing and approving, or making recommendations to our Board of Directors with respect to, incentive compensation and equity plans; and
- reviewing our overall compensation philosophy.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee is comprised of Dr. Roberts, Mr. Singer, and Mr. Eberhard. Dr. Roberts is the chairman of our Nominating and Corporate Governance Committee. The composition of the Nominating and Corporate Governance Committee meets the requirements of independence under the NYSE rules and regulations. The committee is responsible for, among other things:

- identifying and recommending candidates for membership on our Board of Directors;
- reviewing and recommending our corporate governance guidelines and policies;
- reviewing proposed waivers of the code of conduct for directors and executive officers;
- overseeing the process of evaluating the performance of our Board of Directors; and
- assisting our Board of Directors on corporate governance matters.

The charters of our Audit, Compensation and Talent, and Nominating and Corporate Governance Committees are posted on our website at <http://ir.castlighthealth.com/investor-relations/corporate-governance/governance-documents/>.

Compensation and Talent Committee Interlocks and Insider Participation

The members of our Compensation and Talent Committee during 2017 were Mr. Ebersman, Mr. Van Zant, and Dr. Roberts. None of the members of our Compensation and Talent Committee in 2017 was at any time during 2017 or at any other time an officer or employee of Castlight or any of our subsidiaries, and except as disclosed below, none had or have any relationships with Castlight that are required to be disclosed under Item 404 of Regulation S-K.

Dr. Roberts is a Partner at Venrock, which held a greater than 10% position in Jiff, Inc. and as such, our acquisition of Jiff, Inc. may be considered a related party transaction for Dr. Roberts.

In 2015, we made a preferred stock investment of \$4.1 million and entered into a strategic alliance with Lyra Health, Inc. ("Lyra"), a related party at the time of the investment. In the fourth quarter of 2017, we sold our investment in Lyra to a group of buyers that included related parties.

Lyra was considered a related party to us because two of our directors, Dr. Roberts and Mr. Ebersman, served on the Lyra board of directors and Mr. Ebersman serves as the Lyra chief executive officer.

Because Lyra was a related party and potential buyers were also related parties, the Company formed an independent committee of our Board of Directors (the "Independent Committee"), comprised solely of disinterested directors, to approve the sale of the shares. We also engaged an independent third-party valuation expert to assist in determining the fair value of the Company's investment in Lyra. Based in part on the valuation performed, we negotiated a selling price of \$5.5 million, which the Independent Committee approved after concluding that the transaction terms were fair to us.

None of our executive officers has served as a member of the board of directors, or as a member of the compensation or similar committee, of any entity that has one or more executive officers who served on our Board of Directors or Compensation and Talent Committee during 2017.

Board and Committee Meetings and Attendance

During 2017, (1) our Board of Directors held six meetings and acted by unanimous written consent five times, (2) the Audit Committee held six meetings and acted by unanimous written consent one time, (3) the Compensation and Talent Committee held eight meetings and acted by unanimous written consent six times, (4) the Nominating and Corporate Governance Committee held two meetings and acted by unanimous written consent two times, (5) a special committee of the Board convened for the purpose of evaluating, assessing, and approving the acquisition of Jiff, Inc. held two meetings and (6) the Investment Review Committee convened for the purpose of evaluating, assessing and approving the sale of our shares in Lyra held two meetings. During 2017, each member of our Board of Directors participated in at least 75% of the aggregate of all meetings of our Board of Directors and the aggregate of all meetings of committees on which such member served, that were held during the period in which such director served during 2017.

Director Attendance at Annual Stockholders' Meeting

It is our policy that directors are invited and encouraged to attend the annual meeting of stockholders in person. Eight of our ten directors at the time attended our 2017 Annual Meeting of Stockholders.

Presiding Director of Non-Employee Director Meetings

The non-employee directors meet in regularly scheduled executive sessions without management to promote open and honest discussion. Our former Lead Independent Director and current Chairperson, Dr. Roberts, is the presiding director at these meetings.

Code of Business Conduct

We have adopted codes of business conduct that applies to all of our directors, officers and employees. Our Code of Business Conduct is posted on the investor relations section of our website located at <http://ir.castlighthealth.com/investor-relations/investors-overview/>, by clicking on "Corporate Governance." Any amendments or waivers of our Code of Business Conduct pertaining to a member of our Board of Directors or one of our executive officers will be disclosed on our website at the above-referenced address.

NOMINATIONS PROCESS AND DIRECTOR QUALIFICATIONS

Nomination to our Board of Directors

Candidates for nomination to our Board of Directors are selected by our Board of Directors based on the recommendation of the Nominating and Corporate Governance Committee in accordance with the committee's charter, our certificate of incorporation and bylaws, our Corporate Governance Guidelines, and the criteria adopted by our Board of Directors regarding director candidate qualifications. In recommending candidates for nomination, the Nominating and Corporate Governance Committee considers candidates recommended by directors, officers, employees, stockholders and others, using the same criteria to evaluate all candidates. Evaluations of candidates generally involve a review of background materials, internal discussions and interviews with selected candidates as appropriate and, in addition, the Nominating and Corporate Governance Committee may engage consultants or third-party search firms to assist in identifying and evaluating potential nominees.

The Nominating and Corporate Governance Committee considers stockholder recommendations for director candidates. The Nominating and Corporate Governance Committee has established the following procedure for stockholders to submit director nominee recommendations:

Our bylaws establish procedures pursuant to which a stockholder may nominate a person for election to our Board of Directors;

If a stockholder would like to recommend a director candidate for the next annual meeting, he or she must submit the recommendations by mail to our Corporate Secretary at our principal executive offices, not less than 75 or more than 105 days prior to the first anniversary of the previous year's annual meeting;

Recommendations for a director candidate must be accompanied by all information relating to such person as would be required to be disclosed in solicitations of proxies for election of such nominee as a director pursuant to Regulation 14A under the Securities Exchange Act of 1934, including such person's written consent to being named in the proxy statement as a nominee and to serve as a director if elected;

Director Qualifications

The goal of the Nominating and Corporate Governance Committee is to ensure that our Board of Directors possesses a variety of perspectives and skills derived from high-quality business and professional experience. In addition, while the Nominating and Corporate Governance Committee does not have a formal policy with respect to diversity, the Nominating and Corporate Governance Committee values members who represent diverse viewpoints. The Nominating and Corporate Governance Committee does not use different standards to evaluate nominees depending on whether they are proposed by our directors and management or by our stockholders. When appropriate, the Nominating and Corporate Governance Committee may retain executive recruitment firms to assist it in identifying suitable candidates. After its

evaluation of potential nominees, the Nominating and Corporate Governance Committee submits its chosen nominees to our Board of Directors for approval. The brief

(2) "Audit related fees" include fees for professional services rendered that are reasonably related to the performance of the audit or review of our consolidated financial statements including subscription for the online library of accounting research literature.

EXECUTIVE COMPENSATION DISCUSSION AND ANALYSIS

The following tables and accompanying narrative provide information about the compensation provided to the following individual who were executive officers as of December 31, 2017, or, in the case of Dr. Colella, served as our principal executive officer for part of the year, and to whom we refer collectively in this proxy as the “named executive officers”:

• Giovanni M. Colella, who was our Chief Executive Officer until April 2017 and served as our Executive Chairman until October 2017;

• John C. Doyle, who was our President and Chief Operating Officer until April 2017, and is now our Chief Executive Officer;

• Derek Newell, our President and Director; and

• Siobhan Nolan Mangini, our Chief Financial Officer.

We operate in a highly competitive business environment, which is characterized by frequent technological advances, rapidly changing market requirements, and the emergence of new market entrants. To succeed in this environment, we must continually develop and refine new and existing products and services, devise new business models, and demonstrate an ability to quickly identify and capitalize on new business opportunities. To achieve these objectives, we need a highly talented and seasoned team of technical, sales, marketing, operations, and other business professionals.

We compete with many other companies in seeking to attract and retain a skilled management team. To meet this challenge, we have embraced a compensation philosophy of offering our executive officers competitive compensation and benefits packages that are focused on long-term value creation and rewarding them for achieving our financial and strategic objectives. This focus on long-term value creation results in our program having a heavy weighting toward equity compensation. In 2017, we provided a significant portion of our executives’ target compensation in the form of time-vesting restricted stock unit awards and performance-based restricted stock unit awards. We rely more heavily on equity compensation to ensure that a significant portion of a named executive officer’s realizable compensation opportunity is related to factors that directly and indirectly influence stockholder value. Equity participation establishes a sense of ownership and aligns executives’ interests with those of other stockholders.

Moreover, certain of our named executive officers received substantial proportion of their equity-based compensation in the form of performance-based restricted stock unit awards. An executive receiving a performance-based restricted stock unit award may realize varying degrees of compensation from a performance-based award if certain company performance objectives are met or exceeded, and lower or no realization at all if company performance falls below certain pre-determined thresholds. The performance-based restricted stock unit awards were granted with a target number of shares reflected in the Summary Compensation Table footnotes, and actual realization on the awards, if any, could range from 50% of target up to 150% of target depending on performance achievement including satisfaction of certain minimum performance thresholds to be achieved during calendar year 2017. In addition, the number of shares subject to these awards to be earned based on performance achievement were subject to further time-based vesting of approximately two years after the earned number of shares was determined. We continued our emphasis on performance-based equity awards for 2017 and granted certain of our executive officers a greater proportion of their equity in the form of performance-based restricted stock unit awards.

We observe the following core principles in formulating our compensation policies and making compensation decisions:

- creating a direct and meaningful link between company business results, individual performance, and rewards;
- providing for significant differentiation in compensation opportunities for performance that is below, at, and above target levels;
- providing equity awards that establish a clear alignment between the interests of our executive officers and our stockholders;
- ensuring that compensation plans and arrangements are simple to communicate and understand; and
- offering total compensation that is competitive and fair.

27

(2) This stock option vests with respect to 2.0833% of the underlying shares of Class B common stock in forty-eight substantially equal installments upon the completion of each consecutive month of service following the vesting commencement date.

(3) These restricted stock units vest (a) with respect to 25% of the underlying shares of Class B common stock on the one-year anniversary of the holder’s vesting commencement date, (b) with respect to the remaining underlying shares, in 12 substantially equal installments upon the completion of each additional quarter year of service thereafter.

(4) These performance stock units could have vested between 100% and 150% of the stated threshold amount based on the achievement of certain performance factors as certified by the Compensation and Talent Committee (such number of shares, if any, referred to as the “Certified RSU Shares”). Once achievement of these performance factors was evaluated and the number of Certified RSU Shares, if any, was determined, the Certified RSU Shares underlying the award would then vest in eight substantially equal installments, beginning on February 16, 2018 and upon the completion of each additional quarter year of service thereafter. On January 12, 2018, the Compensation and Talent Committee determined that the performance threshold was not met, no Certified RSU Shares were earned and the awards were canceled. The named executive officers realized no value on these awards.

(5) This stock option vests (a) with respect to 20% of the underlying shares of Class A common stock on the one-year anniversary of the holder’s vesting commencement date and (b) with respect to the remaining underlying shares, in 36 substantially equal installments each consisting of 2.2222% of the underlying shares of Class A common stock upon the holder’s completion of each additional consecutive month of service thereafter.

(7) This stock option vests in 60 substantially equal installments each consisting of 1.6667% of the underlying shares of Class A common stock upon the holder’s completion of each additional consecutive month of service thereafter.

(8) This restricted stock unit vests (a) with respect to 25% of the underlying shares of Class B common stock nine months from the holder’s vesting commencement date, (b) with respect to the remaining underlying shares, in 12 substantially equal installments upon the completion of each additional quarter year of service thereafter.

Employment Arrangements

We entered into employment offer letters with Mr. Doyle and Mr. Newell in connection with their respective commencement dates of employment. Each of these offer letters was negotiated on our behalf by our CEO, with the oversight and approval of our Board of Directors and our Compensation and Talent Committee.

Typically, these arrangements provided for at-will employment and included the named executive officer's initial base salary, a discretionary annual incentive bonus opportunity, and standard employee benefit plan participation. These arrangements also provided for a recommended stock option grant to be submitted to our Compensation and Talent Committee, for approval, with an exercise price, in the case of stock options, equal to the fair market value of our common stock on the date of grant and subject to our specified vesting requirements. These offers of employment were each subject to execution of our standard confidential information and invention assignment agreement.

Potential Payments upon Termination or Change in Control

Under the terms of our 2008 Stock Incentive Plan and our 2014 Equity Incentive Plan, and the Jiff, Inc. 2010 Stock Plan each named executive officer who is terminated other than for cause may exercise any previously-vested stock options that he or she held at the time of termination for a period of three months following the termination date. If a named executive officer is terminated for cause, all stock options held by such officer terminate as of the date of termination. For more information about the named executive officers' outstanding equity awards as of December 31, 2017, see "2017 Outstanding Equity Awards at Fiscal Year-End Table" above.

We entered into retention agreements with each of our executive officers, including our named executive officers, which provide for the following benefits upon a qualifying termination, which means a termination by us without cause or a termination by the executive for good reason (as such terms are defined in the retention agreement), outside of a change in control (as such term is defined in the retention agreement) in exchange for a customary release of claims: (i) a lump sum severance payment of 12 months of base salary to our Chief Executive Officer and our President and nine months to our other executive officers, including our other named executive officers, and (ii) payment of premiums for continued medical benefits (or equivalent cash payment if applicable law so requires) for up to 12 months to our Chief Executive Officer and our President and up to nine months to our other executive officers, including our other named executive officers. If the executive officer is subject to a qualifying termination within the three months preceding a change in control (but after a legally binding and definitive agreement for a potential change of control has been executed) or within the 12 months following a change in control, the retention agreements provide the following benefits in exchange for a customary release of claims: (i) a lump sum severance payment of 24 months of base salary to our Chief Executive Officer and our President and 18 months to our other executive officers, including our other named executive officers, (ii) 100% acceleration of any then-unvested equity awards for our executive officers, including our named executive officers, and (iv) payment of premiums for continued medical benefits (or equivalent cash payment if applicable law so requires) for up to 24 months to our Chief Executive Officer and our President and up to 18 months to our other executive officers, including our other named executive officers. Each retention agreement is in effect for three years, with automatic three-year renewals unless we give notice to the executive officer three months prior to expiration.

The benefits under the retention agreements supersede all other cash severance and vesting acceleration arrangements.

TRANSACTIONS WITH RELATED PARTIES, FOUNDERS AND CONTROL PERSONS

In addition to the executive officer and director compensation arrangements discussed above under “Executive Compensation,” the following is a description of transactions since January 1, 2017 to which we have been a participant, in which the amount involved in the transaction exceeds or will exceed \$120,000 and in which any of our directors, executive officers or holders of more than 5% of our capital stock, or any immediate family member of, or person sharing the household with, any of these individuals, had or will have a direct or indirect material interest or such other persons as may be required to be disclosed pursuant to Item 404 of Regulation S-K, which we collectively refer to as related parties.

On April 3, 2017, we completed our acquisition of Jiff, Inc. Venrock, a holder of more than 5% of our capital stock was also a stockholder of Jiff, Inc. At the closing of the acquisition, Venrock acquired a total of 3,965,979 shares of our Class B common stock in exchange for its shares of Jiff, Inc. capital stock. Bryan Roberts, our former Lead Independent Director and current Chairman of our Board of Directors is a Partner at Venrock.

In 2015, we made a preferred stock investment of \$4.1 million and entered into a strategic alliance with Lyra Health, Inc. ("Lyra"), a related party at the time of the investment. In the fourth quarter of 2017, we sold our investment in Lyra to a group of buyers that included related parties for \$5.5 million.

Lyra was considered a related party to us because two of our directors, Dr. Roberts and Mr. Ebersman, served on the Lyra board of directors and Mr. Ebersman serves as the Lyra chief executive officer.

Because Lyra was a related party and potential buyers were also related parties, the Company formed an independent committee of our Board of Directors (the "Independent Committee"), comprised solely of disinterested directors, to approve the sale of the shares. We also engaged an independent third- party valuation expert to assist in determining the fair value of the Company's investment in Lyra. Based in part on the valuation performed, we negotiated a selling price of \$5.5 million, which the Independent Committee approved after concluding that the transaction terms were fair to us.

Review, Approval or Ratification of Transactions with Related Parties

The charter of our Audit Committee requires that any transaction with a related party that must be reported under applicable rules of the SEC, other than compensation related matters, must be reviewed and approved or ratified by our Audit Committee. The Audit Committee has adopted a related party transactions policy to set forth the procedures for the identification, review, consideration and approval or ratification of these transactions, and a copy of such policy is posted on our website.

REPORT OF THE AUDIT COMMITTEE

The information contained in the following report of our Audit Committee is not considered to be “soliciting material,” “filed” or incorporated by reference in any past or future filing by Castlight under the Securities Exchange Act of 1934 or the Securities Act of 1933 unless and only to the extent that Castlight specifically incorporates it by reference.

The Audit Committee has reviewed and discussed with our management and Ernst & Young LLP our audited consolidated financial statements for the year ended December 31, 2017. The Audit Committee has also discussed with Ernst & Young LLP the matters required to be discussed pursuant to AS No. 1301 “Communications with Audit Committees,” as adopted by the Public Company Accounting Oversight Board.

The Audit Committee has received and reviewed the written disclosures and the letter from Ernst & Young LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant’s communications with the Audit Committee concerning independence, and has discussed with Ernst & Young LLP its independence from Castlight.

Based on the review and discussions referred to above, the Audit Committee recommended to our Board of Directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2017 for filing with the Securities and Exchange Commission.

"Householding" - Stockholders Sharing the Same Last Name and Address

The SEC has adopted rules that permit companies and intermediaries (such as brokers) to implement a delivery procedure called "householding." Under this procedure, multiple stockholders who reside at the same address may receive a single copy of our annual report and proxy materials, including the Notice of Internet Availability, unless the affected stockholder has provided contrary instructions. This procedure reduces printing costs and postage fees, and helps protect the environment.

This year, a number of brokers with account holders who are our stockholders will be “householding” our annual report and proxy materials, including the Notice of Internet Availability. A single Notice of Internet Availability and, if applicable, a single set of annual report and other proxy materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received by the brokers from the affected stockholders. Once you have received notice from your broker that it will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. Stockholders may revoke their consent at any time by contacting their brokers.

Upon written or oral request, we will promptly deliver a separate copy of the Notice of Internet Availability and, if applicable, annual report and other proxy materials to any stockholder at a shared address to which a single copy of any of those documents was delivered. To receive a separate copy of the Notice of Internet Availability and, if applicable, annual report and other proxy materials, you may write or call our Investor Relations department at 150 Spear Street, Suite 400, San Francisco, California 94105, Attn: Investor Relations, telephone number (415) 829-1680. Any stockholders who share the same address and currently receive multiple copies of our Notice of Internet Availability or annual report and other proxy materials who wish to receive only one copy in the future can contact their bank, broker or other holder of record to request information about householding or our Investor Relations department at the address or telephone number listed above.

STOCKHOLDER COMMUNICATIONS

Any interested party wishing to communicate with our Board of Directors may write to our Board of Directors at Castlight Health, Inc., 150 Spear Street, Suite 400, San Francisco, California 94105. Our Corporate Secretary will forward these letters and emails directly to our Board of Directors. Interested parties may indicate in their letters and email messages if their communication is intended to be provided to certain director(s) only. We reserve the right not to forward to our Board of Directors any abusive, threatening or otherwise inappropriate materials.

OTHER MATTERS

Our Board of Directors does not presently intend to bring any other business before the meeting and, so far as is known to our Board of Directors, no matters are to be brought before the meeting except as specified in the notice of the meeting. As to any business that may arise and properly come before the meeting, however, it is intended that proxies, in the form enclosed, will be voted in respect thereof in accordance with the judgment of the persons voting such proxies.
