Item 8.01 Other Events.

On July 13, 2011, Gyrodyne Company of America, Inc. (the "Company") issued a press release announcing the filing of a registration statement on Form S-3 with the Securities and Exchange Commission (the "SEC") for a rights offering to its existing shareholders. The rights will be issued to all shareholders as of a record date, which will be determined promptly following the registration statement being declared effective by the SEC. The subscription price has also yet to be determined. The Company will provide notice of the record date and subscription price in the future at such time as they are determined. Assuming the rights offering is fully subscribed, the Company currently expects the net proceeds to be approximately \$9 million.

The proposed offering will also include an over-subscription privilege, which will entitle a shareholder who exercises all of its basic subscription privilege in full the right to purchase additional shares of common stock that remain unsubscribed at the expiration of the rights offering, subject to the availability and pro rata allocation of shares among persons exercising this over-subscription right. If the rights offering is over-subscribed, the Company may elect to offer a number of additional shares to fulfill over-subscription requests such that the maximum net proceeds in the offering would be approximately \$10 million.

The net proceeds of the offering will be used to pursue the Company's rights in its condemnation litigation, to fund the cost of pursuing development rights for its Flowerfield property, to make necessary capital improvements in its real estate portfolio and for general working capital.

A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
