**INTRODUCTION**

This Information Statement is being mailed to stockholders of record as of September 20, 2016 of the shares of common stock, no par value per share (the “*Company Common Stock*”), of Digital Power Corporation, a California corporation (the “*Company*”), in accordance with the requirements of Section 14(f) of the Securities Exchange Act of 1934, as amended, and Rule 14f-1 promulgated thereunder. Section 14(f) of the Exchange Act and Rule 14f-1 require the mailing to our stockholders of record of the information set forth in this Information Statement at least 10 days prior to the date a change in a majority of our directors occurs (otherwise than at a meeting of our stockholders). Accordingly, the change in a majority of our directors pursuant to the Securities Purchase Agreement described herein will not occur until at least 10 days following the mailing of this Information Statement.

As used in this Information Statement, unless the context otherwise requires or where otherwise indicated, “we”, “our”, “us”, the “Company” and similar expressions refer to Digital Power Corporation and its consolidated subsidiaries, collectively.

**THIS INFORMATION STATEMENT IS BEING PROVIDED SOLELY FOR INFORMATIONAL PURPOSES AND NOT IN CONNECTION WITH ANY VOTE OF THE STOCKHOLDERS OF DIGITAL POWER CORPORATION.**

**NO PROXIES ARE BEING SOLICITED AND YOU ARE NOT REQUESTED TO SEND A PROXY OR TAKE ANY OTHER ACTION.**

On September 5, 2016, the Company entered into a Securities Purchase Agreement (the “*Agreement*”) with Philou Ventures, LLC, a Wyoming limited liability company (the “*Purchaser*”), and Telkooor Telecom Ltd., an Israeli company (the “*Seller*”) pursuant to which the Purchaser purchased from Seller on September 22, 2016 all 2,714,610 shares of Company Common Stock owned by Seller, constituting approximately 40.06% of the outstanding Company Common Stock. In consideration for such shares, the Purchaser paid to Seller \$1.5 million (the “*Transaction*”).

Pursuant to the Agreement, the Company entered into a Rescission Agreement with the Seller in order to resolve all financial issues between the parties, including the repurchase by Seller of 1,136,666 shares of common stock in the Seller beneficially owned by the Company for their book value in the Company's financial statements as of June 30, 2016 (the “*Rescission Agreement*”). The Seller agreed for a period of five years not to compete with the Company anywhere in the U.S. or Europe and not to solicit employees of the Company, subject to the terms of the Agreement. The Agreement also provides that the consulting services currently provided by Mr. Ben-Zion Diamant to the Company will continue for a period of 18 months from the date of the Agreement for a monthly consideration of \$7,500.

This Information Statement relates to an anticipated change in the composition of our Board of Directors (the “**Board**”) that is expected to occur following the closing of the Transaction.

Pursuant to the terms of the Agreement, as amended, on the closing of the Transaction, Ben-Zion Diamant, Israel Levi, and Haim Yatim resigned as members of the Board. Mr. Amos Kohn, the Company's President and Chief Executive Officer, and Mr. Moti Rosenberg remained as directors of the Company. On the closing of the Transaction, the two remaining members of the Board appointed Mr. Robert Smith to fill one of the vacancies caused by the resignation of the three directors. Mr. Smith previously served as a member of our Board from November 2010 until May 2015.

In addition, pursuant to the Agreement, the Purchaser designated Will Horne and Kristine Ault to fill the other two vacancies on the Board. The existing members of the Board have approved their appointment to the Board, and their appointment to the Board will be effective 10 days after mailing of this Information Statement to our stockholders of record (such tenth day, the “**Board Reconstitution Date**”).

Accordingly, as of September 29, 2016, the date of this Information Statement, Amos Kohn, Moti Rosenberg and Robert Smith are the only members of the Board of Directors. Assuming the mailing of this Information Statement on September 30, 2016 to our stockholders of record as of the record date, the Board Reconstitution Date will be October 10, 2016.

No action is required by our stockholders in connection with this Information Statement. However, Section 14(f) of the Exchange Act and Rule 14f-1 promulgated thereunder require the mailing to our stockholders of record of the information set forth in this Information Statement at least ten (10) days prior to the date a change in a majority of our directors occurs (otherwise than at a meeting of our stockholders).

The foregoing description of the Transaction does not purport to be complete and is qualified in its entirety by the terms of the Agreement and the Rescission Agreement, which have been filed with the Securities and Exchange Commission (the “**SEC**”) as exhibits to a Current Report on Form 8-K filed by the Company on September 5, 2016.

Please read this Information Statement carefully. It contains certain biographical and other information concerning our executive officers and directors after completion of the Transaction. All Company filings and exhibits thereto may be inspected without charge at the public reference section of the SEC at 100 F Street, N.E., Washington, DC 20549 or obtained on the SEC's website at [www.sec.gov](http://www.sec.gov).

### **TRANSACTIONS WITH RELATED PERSONS**

Other than the Transaction as set forth in the Agreement and the Rescission Agreement, below are the transactions since the beginning of our last fiscal year that would require disclosure pursuant to Item 404(a) of Regulation S-K.

#### **Relationship with Telkoo Power Supplies Ltd.**

In the years ended December 31, 2015 and 2014, we purchased approximately \$594,000 and \$868,000, respectively, of products from Telkoo Power Supplies, Ltd., a wholly-owned subsidiary of the Seller ("*TPS*"), of which Ben-Zion Diamant is the Chief Executive Officer and its controlling shareholder. We had no written agreement for the purchase of these products, other than purchase orders that are placed in the ordinary course of business when the products are needed. In January 2016, the Seller sold its commercial intellectual property to Advice Electronics Ltd. As a result, of

that date no further orders have been placed with the Seller.

**Purchase of IP by Digital Power Limited (“DPL”) from Telkoor Power Supplies (“TPS”)**

On August 25, 2010, we and our wholly-owned subsidiary, DPL, entered into an agreement with TPS. Pursuant to such agreement, (1) TPS sold, assigned and conveyed to DPL all of its rights, title and interest in and to the intellectual property associated with the Compact Peripheral Component Interface 600 W AC/DC power supply series (the “*Assets*”) and (2) DPL granted to TPS an irrevocable license to sell the Assets in Israel on an exclusive basis. In consideration for the purchase of the Assets, DPL has paid TPS \$480,000. The consideration for the license provided to TPS to sell the Assets in Israel is a royalty fee of 15% of TPS's direct production costs of sales, due on a quarterly basis. In accordance with the agreement, the consideration for the IP may be reduced over a four-year period in the event annual sales for each year between 2011 and 2014 are less than a fixed threshold of units on an annual basis based upon an offset value per unit as described in the agreement. If there is a shortfall in sale of units in one annual period and in the subsequent period we sell more than the fixed unit threshold, this difference will be offset from any reduced consideration in any annual periods between 2011 and 2014. As a result of lower than anticipated sales by our DPL subsidiary of the Compact Peripheral Component Interface 600W AC/DC power supply series (CPCI 600W) through 2013, we amended our agreement with the Seller (effective January 1, 2014 for the duration of the original agreement or until the shortfall of CPCI 600W product sales will be offset) to include additional products in addition to the original CPCI 600W product. As of December 31, 2015, the shortfall of sales of CPCI 600W products is greater than the outstanding royalties due. In January 2016, the Seller sold its assets, including TPS, to Advice Electronics Ltd. Following this asset sale, the IP agreement between the Company and the Seller was terminated.

### **Acquisition of Shares of Telkooor**

On June 16, 2011 we acquired 1,136,666 shares of the Seller which was listed on the Tel Aviv Stock Exchange, for \$0.88 (NIS 3) per share, which represented 8.8% of the outstanding shares of Telkooor. As a result of this transaction, an existing manufacturing agreement between us and the Seller was updated and extended. Until September 30, 2012 the investment was accounted for as an available-for-sale investment and then reclassified the accounting of the investment at cost less accumulated impairments derived from independent appraisals or available market valuations. As of December 31, 2015 the shares represented 8.4% of the outstanding shares of the Seller which have since de-listed from the Tel Aviv Stock Exchange. Pursuant to the Rescission Agreement, the Seller will repurchase 1,136,666 shares of Company Common Stock in Seller beneficially owned by the Company at their book value in Digital Power Corporation's financial statements as of June 30, 2016.

### **Manufacturing Agreements with Telkooor and Advice Electronics Ltd.**

On December 31, 2012, we entered into a Manufacturing Rights Agreement (the "*Manufacturing Agreement*") with the Seller, pursuant to which among other things, the Seller granted us the non-exclusive right to directly place purchase orders for certain products from third party manufacturers for the purpose of marketing, selling and distributing the products for telecom, industrial, medical and military market segments in North and South America in consideration for the payment of royalty fees by us to the Seller. The royalty fees paid by us to the Seller under the Manufacturing Agreement are between 5% and 25%, depending on the product. We incurred \$44,000 in Seller royalty expense in 2013. The Manufacturing Agreement has a term of five years from the date of signature. During the agreement, the Seller agreed not to directly or indirectly participate or engage, or assist any other party in engaging or preparing to engage, our customers in North and South America in connection with the sale or distribution of any of the products under the Manufacturing Agreement.

In January 2016, the Seller sold all its commercial IP to Advice Electronics Ltd. ("*Advice*"), an Israeli company. As part of the agreement with Advice, we entered into a new agreement with Advice, according to which our manufacturing rights for certain Seller products will be granted to us through August 2017 against royalty payments to Advice, after which we will be entitled to distribute the products under DPC branding until December 2020.

### **SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Exchange Act requires our executive officers and directors and persons who own more than ten percent of a registered class of our equity securities to file an initial report of ownership on Form 3 and changes in

ownership on Form 4 or Form 5 with the SEC. Executive officers, directors and 10% shareholders are also required by SEC rules to furnish us with copies of all Section 16(a) forms they file. Based solely upon our review of Forms 3, 4 and 5 received by us, or written representations from certain reporting persons, we believe that during the year ended December 31, 2015, all such filing requirements applicable to our officers, directors and ten percent shareholders were fulfilled apart from Mr. Uri Friedlander who was late in filing his Form 3 in October 2015 reporting his appointment as an Officer in the Company and his Form 4 in October 2015 reporting a grant of 20,000 stock options in the Company.

## **CORPORATE GOVERNANCE**

### **Director Independence**

Our Board has undertaken a review of the independence of each current director and has determined that Mr. Kohn does not meet the independence standards, as such term is defined by standards of the SEC and the NYSE MKT. Both Mr. Moti Rosenberg and Mr. Robert Smith were deemed to meet such independence standards. Following the closing of the Transaction, the Board affirmatively determined the independence of one of the Purchaser's director designees, Mr. William Horne.

### **Board of Directors' Meetings**

During the year ended December 31, 2015, our Board held six meetings, the Audit Committee held four meetings, the Compensation Committee held four meetings, and the Nomination and Governance Committee held one meeting (not including actions taken by unanimous written consent). During the year ended December 31, 2015, all of the directors attended at least 75% of the meetings of the Board held during their tenure and 75% of the meetings, if any, of the Board committees upon which they served and held during their tenure. We encourage, but do not require, our Board members to attend the annual meeting of shareholders. Three of our directors attended our 2014 Annual Meeting of Shareholders.

### **Committees of the Board of Directors**

Our Board is currently composed of three members and maintained the following three standing committees: (1) the Audit Committee; (2) the Compensation Committee; and (3) the Nomination and Governance Committee. The membership and the function of each of the committees are described below. Our Board may from time to time establish a new committee or dissolve an existing committee depending on the circumstances. Current copies of the charters for the Audit Committee, Compensation Committee, and Nomination and Governance Committee can be found on our website at [www.digipwr.com](http://www.digipwr.com).

#### Audit Committee

Following Closing and until the Board Reconstitution Date, our Audit Committee is comprised of two members, Mr. Moti Rosenberg and Mr. Robert Smith. Following the Board Reconstitution Date, it is our intention that William Horne will be added as a member of the Audit Committee. Our Board determined that each of the current members of the Audit Committee meets the requirements for independence and financial literacy under the standards of the SEC and the NYSE MKT. Our Board has determined that one of the directors qualified as an “audit committee financial expert” as defined in SEC regulations and satisfies the financial sophistication requirements set forth in the NYSE MKT Rules.

The Audit Committee is responsible for, among other things, selecting and hiring our independent auditors, approving the audit and pre-approving any non-audit services to be performed by our independent auditors; reviewing the scope of the annual audit undertaken by our independent auditors and the progress and results of their work; reviewing our financial statements, internal accounting and auditing procedures, and corporate programs to ensure compliance with applicable laws; and reviewing the services performed by our independent auditors to determine if the services rendered are compatible with maintaining the independent auditors’ impartial opinion.

### Compensation Committee

From Closing and until the Board Reconstitution Date, our Compensation Committee is comprised of two members, Mr. Moti Rosenberg and Mr. Robert Smith. Following the Board Reconstitution Date, it is our intention that William Horne will be added as a member of the Compensation Committee. Our Board determined that each of the current members of the Compensation Committee meets the requirements for independence under the standards of the SEC and the NYSE MKT.

The Compensation Committee is responsible for, among other things, reviewing and approving executive compensation policies and practices; reviewing and approving salaries, bonuses and other benefits paid to our officers, including our Chief Executive Officer and Chief Financial Officer; and administering our stock option plans and other benefit plans.

### Nominating and Governance Committee

Following Closing and until the Board Reconstitution Date, our Nominating and Governance Committee is comprised of two members, Mr. Moti Rosenberg and Mr. Robert Smith. Following the Board Reconstitution Date, it is our intention that William Horne will be added as a member of the Nominating and Governance Committee. Our Board determined that each of our current members of the Nominating and Governance Committee meets the requirements for independence under the standards of the SEC and the NYSE MKT.

The Nominating and Governance Committee is responsible for, among other things, assisting our Board in identifying prospective director nominees and recommending nominees for each annual meeting of shareholders to the Board; developing and recommending governance principles applicable to our Board; overseeing the evaluation of our Board and management; and recommending potential members for each Board committee to our Board.

The Nominating and Governance Committee considers diversity when identifying Board candidates. In particular, it considers such criteria as a candidate's broad-based business and professional skills, experiences and global business and social perspective.

In addition, the Committee seeks directors who exhibit personal integrity and a concern for the long-term interests of shareholders, as well as those who have time available to devote to Board activities and to enhancing their knowledge of the power-supply industry. Accordingly, we seek to attract and retain highly qualified directors who have sufficient time to attend to their substantial duties and responsibilities

### **Board Leadership Structure and Role on Risk Oversight**

Our Board as a whole is responsible for our risk oversight. Our executive officers address and discuss with our Board our risks and the manner in which we manage or mitigate such risks. While our Board has the ultimate responsibility for our risk oversight, our Board works in conjunction with its committees on certain aspects of its risk oversight responsibilities. In particular, our Audit Committee focuses on financial reporting risks and related controls and procedures; our Compensation Committee evaluates the risks associated with our compensation programs and strives to create compensation practices that do not encourage excessive levels of risk taking that would be inconsistent with our strategies and objectives; and our Nomination and Governance Committee oversees risks associated with our Code of Ethical Conduct.

Following the resignation of Ben-Zion Diamant as a director, we currently do not have a Chairman of the Board. Upon the filling of the remaining two vacancies on the Board, the Board will appoint a Chairman of the Board.

## Code of Ethics

As of the present date, the Company has adopted a Code of Ethical Conduct that applies to our directors and employees, including our principal executive officer, principal financial officer, principal accounting officer, controller or persons performing similar functions. The Code of Ethical Conduct is designed to deter wrongdoing and to promote honest and ethical conduct and compliance with applicable laws and regulations. The full text of our Code of Ethical Conduct is published on our website at [www.digipwr.com](http://www.digipwr.com). We will disclose any substantive amendments to the Code of Ethical Conduct or any waivers, explicit or implicit, from a provision of the Code on our website or in a Current Report on Form 8-K.

## **Stock Option Plans**

Our stock option plans currently consist of the Digital Power 2012 (as amended), 2002, 1998, and 1996 incentive share option plans (the “Incentive Share Option Plans”). All of the Incentive Share Option Plans have expired, except for the 2012 Stock Option Plan (as amended) which was approved by shareholders at the annual general meeting held on August 12, 2013. At such annual general meeting, shareholders approved the 2012 Stock Option Plan (as amended) which increased the number of shares authorized for issuance to 1,372,630 shares from the 410,145 shares originally authorized in December, 2012 under the preceding 2012 Stock Option Plan. Currently authorized for issuance under our Incentive Stock Option Plans are 761,130 shares of our common stock.

The purpose of the 2012 Stock Option Plan (as amended) is to encourage stock ownership by employees, officers, and directors by giving them a greater personal interest in the success of the business and by providing them an added incentive to advance in their employment or service to Digital Power. The 2012 Stock Option Plan (as amended) provides for the grant of either incentive or non-statutory stock options. The exercise price of any stock option granted under the 2012 Plan (as amended) may not be less than 100% of the fair market value of our common stock on the date of grant.

To the extent that an incentive stock option may be exercised in any given year for more than \$100,000, the option will be deemed to be a non-statutory stock option. Generally, our stock option agreements permit cashless exercises where options are exercised and the underlying common stock is sold on the same day. Unless otherwise provided by the Board, an option granted under the 2012 Stock Option Plan (as amended) is exercisable for 10 years. The 2012 Stock Option Plan (as amended) is administered by the Compensation Committee, which has discretion to determine optionees, the number of shares to be covered by each option, the exercise schedule and other terms of the options. The 2012 Stock Option Plan (as amended) may be amended, suspended, or terminated by the Board, but no such action may impair rights under a previously granted option. Each incentive stock option is exercisable, during the lifetime of the optionee, only so long as the optionee remains employed with us. In general, no option is transferable by the optionee other than by will or by the laws of descent and distribution.

As of December 31, 2015, options to purchase 1,146,000 shares of common stock were issued and outstanding under the Incentive Share Option Plans.

## **401(k) Plan**

We have adopted a tax-qualified employee savings and retirement plan, or 401(k) plan, which generally covers all of our full-time employees. Pursuant to the 401(k) plan, eligible employees may make voluntary contributions to the plan up to a maximum of 5% of eligible compensation. The 401(k) plan permits, but does not require, matching

contributions by Digital Power on behalf of plan participants. We match contributions at the rate of (1) \$1.00 for each \$1.00 contributed, up to 3% of the base salary and (2) \$0.50 for each \$1.00 contributed thereafter, up to 5% of the base salary. We are also permitted under the plan to make discretionary contributions. The 401(k) plan is intended to qualify under Sections 401(k) and 401(a) of the Internal Revenue Code of 1986, as amended. Contributions to such a qualified plan are deductible by Digital Power when made, and neither the contributions nor the income earned on those contributions is taxable to plan participants until withdrawn. All 401(k) plan contributions are credited to separate accounts maintained in trust.
