**Item 8.01 Other Events.**

On October 16, 2017, Giga-tronics Incorporated (the “Company”) reached a settlement agreement with Spanawave and Liberty Test Inc. whereby all parties exchanged mutual releases and agreed that the Asset Purchase Agreement was concluded and the remaining Phase (Phase 6) which was in dispute is abandoned. The abandoned Phase remains with the Company.

The Company was party to an Asset Purchase Agreement dated November 25, 2015 with Spanawave Corporation under which Spanawave agreed to purchase certain product lines and associated business and assets from the Company. As previously announced, the Company and Spanawave have been engaged in a dispute over their respective rights and obligations under the agreement and have negotiated in an effort to resolve the dispute. On August 19, 2016, Spanawave filed an action against the Company in Contra Costa Superior Court for alleged breach of contract and alleged breach of the implied covenant of good faith and fair dealing. The Company filed a cross-complaint alleging breach of the agreement by Spanawave and seeking damages for the alleged breach. The settlement agreement calls for dismissal of the complaint and cross-complaint.

The Company was also a party to successive Distributorship Agreements dated June 29, 2013, and January 4, 2014, as amended, with Spanawave’s partner company Liberty Test Equipment, Inc.. The Distributorship Agreement appointed Liberty Test as exclusive distributor within a defined territory for certain Company products. On August 25, 2016, Liberty Test filed an arbitration claim under the Distributorship Agreement asserting that on unspecified dates in 2013 and 2014, the Company engaged in direct sales of certain unidentified products to unidentified purchasers, for which Liberty was entitled to at least \$440,000 in damages. The Company filed a cross-claim alleging that Liberty breached its obligations under this agreement. The Company, Spanawave and Liberty Test Inc. also dismissed all arbitration claims as part of the settlement.
