Item 4.01 Change in Registrant's Certifying Accountant

(a) *Dismissal of Previous Independent Registered Public Accounting Firm*

In March 2018, Marin Software Incorporated (the “*Company*”) commenced a process to review audit fees, auditor service levels, and evaluate the benefits and risks of changing independent registered public accounting firms. The Company’s management identified several independent registered public accounting firms and commenced a request for proposal for audit services for the Company’s 2018 fiscal year and beyond (the “*RFP*”). The Company’s management met with several independent registered public accounting firms to discuss the RFP, and received responses to the RFP between late March 2018 and mid-April 2018. Following receipt of the proposals, the Company’s management evaluated the proposals, met with all of the RFP participants to discuss the proposals and conducted reference checks. In May 2018, the Company also requested and received a proposal from the Company’s current independent registered public accounting firm, PricewaterhouseCoopers LLP (“*PwC*”), and met with PwC to discuss its proposal. Following such meetings, the Company’s management further evaluated the proposals and presented its findings and recommendation to the Audit Committee (the “*Audit Committee*”) of the Board of Directors (the “*Board*”). On July 5, 2018, the Company, at the direction of the Board, notified PwC that it was terminating PwC’s engagement as the Company’s independent registered public accounting firm, effective immediately.

PwC’s reports on the Company’s financial statements for the two years ended December 31, 2017 and 2016, respectively, did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

During the Company’s two most recent fiscal years ended December 31, 2017 and 2016, respectively, and the subsequent interim period through July 5, 2018, there were no disagreements, within the meaning of Item 304(a)(1)(iv) of Regulation S-K and the related instructions thereto, with PwC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of PwC, would have caused it to make reference to the subject matter of the disagreements in connection with its reports. Also during this same period, there were no reportable events within the meaning of Item 304(a)(1)(v) of Regulation S-K and the related instructions thereto.

The Company has provided PwC with the above disclosures, and has requested PwC to furnish the Company with a letter addressed to the Securities and Exchange Commission stating whether it agrees with the above statements made by the Company and, if not, stating the respects in which it does not agree. PwC’s letter is being filed as Exhibit 16.01 to this Current Report on Form 8-K.

(b) *Appointment of New Independent Registered Public Accounting Firm*

On June 18, 2018, the Audit Committee recommended, and, on July 5, 2018, the Board approved, the appointment of Grant Thornton LLP (“*Grant Thornton*”) as the Company’s independent registered public accounting firm, effective as of July 5, 2018. During the Company’s two most recent fiscal years ended December 31, 2017 and 2016, and the subsequent interim period through July 5, 2018, neither the Company nor anyone acting on its behalf consulted with Grant Thornton regarding any of the matters described in Items 304(a)(2)(i) and (ii) of Regulation S-K.
