ITEM 4.01. Changes in Registrant's Certifying Accountant

On December 3, 2012, the Company filed a Form 8-K reporting the following:

- (1) On August 6, 2012, Rosenberg Rich Baker Berman & Company ("RRBB") notified the Company that RRBB resigned as our independent registered public accounting firm.

RRBB's reports on the financial statements for the fiscal years ended December 31, 2010 and 2009, respectively, did not contain an adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or auditing principles, except the reports included an explanatory paragraph related to the Company's ability to continue as a going concern.

During the two fiscal years ended mentioned above and through the interim periods that the firm reviewed in 2011, there were no disagreements with the former accounting firm on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of the former accountant, would have caused it to make a reference to the subject matter of the disagreements in connection with its report.

(2) New Independent Accountants:

- a. On April 3, 2013, the Company resolved a financial issue with RRBB pertaining to their fees and re-hired RRBB to continue to serve as the Company's independent registered accounting firm for the years ended December 31, 2011 and December 31, 2012. During the years ended December 31, 2011 and 2012 and during the period January 1, 2013 to date, we did not consult with RRBB regarding (i) the application of accounting principles to a specified transaction, (ii) the type of audit opinion that might be rendered on the Company's financial statements by RRBB, in either case where written or oral advice provided by RRBB would be an important factor considered by us in reaching a decision as to any accounting, auditing or financial reporting issues or (iii) any other reportable event (as described in Items 304(a)(1)(iv) or Item 304(a)(1)(v) of Regulation S-K, respectively).

Item 8.01 Other Events

The Company is working expeditiously with RRBB and its recently hired securities counsel, Morse & Morse, PLLC, 1400 Old Country Road, Suite 302, Westbury, NY 11590, to make all required reports current under the Exchange Act of 1934, as amended. The Company expects the public to see these reports filed shortly.

The Company has engaged two distributors to market and sell its hemostatic gauze products and the Company has received initial product orders.
