PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

WEDNESDAY, MAY 22, 2019

INFORMATION CONCERNING SOLICITATION AND VOTING

The Board of Directors of Nephros, Inc. (the “Company,” “we,” “us” or “our”) is soliciting your proxy to vote at the Annual Meeting of Stockholders (the “Annual Meeting”) to be held at our offices, located at 380 Lackawanna Place, South Orange, New Jersey 07079, on Wednesday, May 23, 2018 at 10:00 a.m., Eastern Time, including at any adjournments or postponements of the Annual Meeting. You are invited to attend the Annual Meeting to vote on the proposals described in this proxy statement. You do not need to attend the Annual Meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card or voting instruction form, if you received paper copies of the proxy materials, or follow the instructions below to submit your proxy over the telephone or the Internet.

In accordance with rules and regulations adopted by the U.S. Securities and Exchange Commission (the “SEC”), we have elected to provide our beneficial owners and stockholders of record access to our proxy materials over the Internet. Beneficial owners are stockholders whose shares are held in the name of a broker, bank or other agent (i.e., in “street name”). Accordingly, a Notice of Internet Availability of Proxy Materials (the “Notice”) will be mailed on or about April 10, 2019 to our beneficial owners and stockholders of record who owned our common stock at the close of business on March 26, 2019. Beneficial owners and stockholders of record will have the ability to access the proxy materials on a website referred to in the Notice or request a printed set of the proxy materials be sent to them by following the instructions in the Notice. Beneficial owners and stockholders of record who have previously requested to receive paper copies of our proxy materials will receive paper copies of the proxy materials instead of a Notice.

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Why did I receive a Notice of Internet Availability of Proxy Materials instead of a full set of proxy materials?

We are pleased to take advantage of the SEC rule that allows companies to furnish their proxy materials over the Internet. Accordingly, we have sent to our beneficial owners and stockholders of record a Notice of Internet Availability of Proxy Materials. Instructions on how to access the proxy materials over the Internet or to request a paper copy may be found in the Notice. Our stockholders may request to receive proxy materials in paper copy by mail or electronically over the Internet on an ongoing basis. A stockholder's election to receive proxy materials in paper copy by mail or electronically over the Internet will remain in effect until such stockholder terminates its election.

Why did I receive a full set of proxy materials instead of a Notice of Internet Availability of Proxy Materials?

We are providing paper copies of the proxy materials instead of a Notice to beneficial owners or stockholders of record who have previously requested to receive paper copies of our proxy materials. If you are a beneficial owner or stockholder of record who received a paper copy of the proxy materials, and you would like to reduce the environmental impact and the costs incurred by us in mailing proxy materials, you may elect to receive all future proxy materials electronically over the Internet.

You can choose to receive our future proxy materials electronically by visiting <http://www.proxyvote.com>. Your choice to receive proxy materials electronically will remain in effect until you instruct us otherwise by following the instructions contained in your Notice and visiting <http://www.proxyvote.com>, sending an electronic mail message to sendmaterial@proxyvote.com, or calling 1-800-579-1639.

The SEC has enacted rules that permit us to make available to stockholders electronic versions of the proxy materials even if the stockholder has not previously elected to receive the materials in this manner. We have chosen this option in connection with the Annual Meeting with respect to both our beneficial owners and stockholders of record.

Who can vote at the Annual Meeting?

Only the holders of record of our common stock at the close of business on the record date, March 26, 2019, are entitled to notice of and to vote at the Annual Meeting. On the record date, 64,611,300 shares of our common stock were outstanding. Stockholders are entitled to one vote for each share of common stock held on the record date.

Stockholder of Record: Shares Registered in Your Name

If, on March 26, 2019, your shares were registered directly in your name with our transfer agent, V Stock Transfer LLC, then you are a stockholder of record. As a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to vote your shares by proxy by completing, signing, dating and mailing your proxy card in the envelope provided, if you received paper copies of the proxy materials, or vote your shares by proxy over the telephone or the Internet as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Other Agent

If, on March 26, 2019, your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker, bank or other agent regarding how to vote the shares in your account. You are also invited to attend the Annual Meeting; however, since you are not the stockholder of record, you may not vote your shares at the Annual Meeting unless you request and obtain a valid proxy from your broker, bank or other agent.

What am I voting on?

There are two matters scheduled for a vote:

- (1) Election of Paul Mieyal and Malcolm Persen to each serve a three-year term expiring in 2022; and
- (2) Ratification of the appointment of Moody, Famiglietti & Andronico, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019.

How do I vote?

(1) For the election of each nominee to the Board of Directors, you may vote “For” or “Withhold” your vote.

For the ratification of the appointment of Moody, Famiglietti & Andronico, LLP as our independent registered
(2) public accounting firm for the fiscal year ending December 31, 2019, you may vote “For” or “Against” or abstain from voting.

The procedures for voting are as follows:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote at the Annual Meeting, vote by proxy using the enclosed proxy card (if you received paper copies of the proxy materials), vote by proxy over the telephone, or vote by proxy over the Internet.

Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the Annual Meeting and vote at that time even if you have already voted by proxy.

To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive. If you would like directions to our offices, please call 201-343-5202.

If you received paper copies of the proxy materials, to vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

To vote over the telephone, dial toll-free 1-800-690-6903 using a touch-tone phone and follow the recorded instructions. Please have available the 16-digit control number from the proxy card, if you received one, or from your Notice. Your vote must be received by 11:59 p.m., Eastern Time, on May 21, 2019, to be counted.

To vote over the Internet, go to <http://www.proxyvote.com>. Please have available the 16-digit control number from the proxy card, if you received one, or from your Notice. Your vote must be received by 11:59 p.m., Eastern Time, on May 21, 2019, to be counted.

We are providing Internet proxy voting to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your Internet access, such as usage charges from Internet access providers and telephone companies.

Beneficial Owner: Shares Registered in the Name of Broker, Bank or Other Agent

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you may have received a proxy card and voting instructions with these proxy materials from that organization rather than from us. Simply complete and mail the proxy card to ensure that your vote is submitted to your broker, bank or other agent. Alternatively, you may vote by telephone or over the Internet as instructed by your broker, bank or other agent. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker, bank or other agent included with these proxy materials, or contact your broker, bank or other agent to request a proxy form.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of March 26, 2019. There is no cumulative voting for election of directors.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted as follows:

(1) “For” the election of each nominee to the Board of Directors; and

(2) “For” the ratification of the appointment of Moody, Famiglietti & Andronico, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019.

If any other matter is properly presented at the Annual Meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

We will bear the cost of soliciting proxies. In addition to solicitation of proxies by mail, our employees, without extra remuneration, may solicit proxies personally or by telephone. We will reimburse brokerage firms and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy materials to beneficial owners and seeking instruction with respect thereto.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return **each** proxy card to ensure that all of your shares are voted.

Are proxy materials available on the Internet?

This proxy statement and our Annual Report on Form 10-K for the year ended December 31, 2018 are available at: <http://materials.proxyvote.com/640671>.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy in any one of four ways:

- (1) You may submit another properly completed proxy card with a later date.
- (2) You may submit a new proxy by telephone or Internet.
- (3) You may send a timely written notice that you are revoking your proxy to our Chief Financial Officer, Andrew Astor, at our principal executive offices, located at 380 Lackawanna Place, South Orange, New Jersey 07079.
- (4)

You may attend the Annual Meeting and vote in person. Simply attending the Annual Meeting will not, by itself, revoke your proxy.

If your shares are held by your broker, bank or other agent, you should follow the instructions provided by your broker, bank or other agent.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count “For” and “Withhold” votes and broker non-votes for the election of the director nominees; and “For” and “Against” votes and abstentions for the auditor ratification.

Abstentions will be counted towards the vote total for auditor ratification, and will have the same effect as “Against” votes for this proposal. Broker non-votes have no effect and will not be counted towards the vote total for any proposal.

What are “broker non-votes”?

Broker non-votes occur when a beneficial owner of shares held in “street name” does not give instructions to the broker, bank or other agent holding the shares as to how to vote on matters deemed “non-routine.” Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker, bank or other agent holding the shares. If the beneficial owner does not provide voting instructions, the broker, bank or other agent can still vote the shares with respect to matters that are considered to be “routine,” but not with respect to “non-routine” matters. The ratification of the appointment of Moody, Famiglietti & Andronico, LLP as our independent registered public accounting firm is currently considered a routine matter, but the election of directors is currently considered a non-routine matter.

How many votes are needed to approve each proposal?

To elect Paul Mieyal and Malcolm Persen to each serve a three-year term expiring in 2022, the two nominees (1) receiving the most “For” votes (from the holders of shares present in person or represented by proxy and entitled to vote on the election of directors) will be elected. Only votes “For” or “Withhold” will affect the outcome.

To ratify the appointment of Moody, Famiglietti & Andronico, LLP as our independent registered public (2) accounting firm for the fiscal year ending December 31, 2019, this proposal must receive a “For” vote from the majority of shares present in person or represented by proxy and entitled to vote. If you “Abstain” from voting, it will have the same effect as an “Against” vote.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the outstanding shares are present in person or represented by proxy at the Annual Meeting. On the record date, there were 64,611,300 shares outstanding and entitled to vote. Thus, the holders of 32,305,651 shares must be present in person or represented by proxy at the meeting to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other agent) or if you vote in person at the Annual Meeting. Votes withheld from any director nominee, abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of shares present in person or represented by proxy at the Annual Meeting, or the chairman of the Annual Meeting, may adjourn the Annual Meeting to another date.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published on a Current Report on Form 8-K, which we will file with the SEC within four business days of the Annual Meeting.

What are “householding” rules and how do they affect me?

The SEC has adopted rules that permit companies and brokers, banks or other agents to satisfy the delivery requirements for proxy statements and annual reports, with respect to two or more stockholders sharing the same

address and who do not participate in electronic delivery of proxy materials, by delivering a single copy of such documents addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

Brokers, bank and other agents may be “householding” our proxy materials. This means that only one copy of proxy materials may have been sent to multiple stockholders in a household. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report from the other stockholder(s) sharing your address, please: (i) notify your broker, bank or other agent, (ii) direct your written request to Chief Financial Officer, 380 Lackawanna Place, South Orange, New Jersey 07079, or (iii) contact our Chief Financial Officer at 201-343-5202. We will undertake to deliver promptly, upon any such oral or written request, a separate copy of the proxy materials to a stockholder at a shared address to which a single copy of these documents was delivered. Stockholders who currently receive multiple copies of proxy materials at their address and would like to request householding of their communications should notify their broker, bank or other agent, or contact our Chief Financial Officer at the above address or phone number.

PROPOSAL NO. 1 — ELECTION OF DIRECTORS

At the Annual Meeting, the two director nominees named below will stand for election to serve until our annual meeting in 2022. If a director nominee cannot or will not serve as a director (which events are not anticipated), then your proxyholder (one of the individuals named on your proxy card) may vote your shares for a substitute nominee named by the Board of Directors in the discretion of the proxyholder.

Director Classes

Our Board of Directors (the “Board”) is currently composed of six directors and is divided into three classes. One class is elected each year to serve for a term of three years. If the appointment of MFA is not ratified by the stockholders, the Audit Committee will reconsider, but might not change, its decision to appoint MFA.

MFA has audited our financial statements since 2015, and has advised us that it does not have, and has not had, any direct or indirect financial interest in our company in any capacity other than that of serving as independent registered public accounting firm. Representatives of MFA are expected to attend the Annual Meeting. CORPORATE GOVERNANCE

Board of Director Meetings

Our business is under the general oversight of the Board as provided by the Delaware General Corporation Law and our bylaws. During the year ended December 31, 2018, the Board held six meetings and took action by unanimous written consent in lieu of a meeting seven times. Each person who was a director during 2018 attended at least 75% of the Board meetings and the meetings of the committees on which such director served.

Each of our directors is encouraged to be present at the annual meeting of our stockholders absent exigent circumstances that prevents such director's attendance. Where a director is unable to attend the annual meeting in person but is able to do so by electronic conferencing, we will arrange for the director's participation by means where the director can hear, and be heard by, those present at the meeting. One of our directors attended our annual meeting held in 2018.

Selection of Nominees for the Board of Directors

The Nominating and Corporate Governance Committee (the "Governance Committee") is responsible for nominating individuals for election to the Board and for filling vacancies on the Board that might occur between annual meetings of the stockholders. The Governance Committee is also responsible for identifying, screening, and recommending candidates for prospective Board membership. When formulating its membership recommendations, the Governance Committee also considers any qualified candidate for an open Board position timely submitted by our stockholders in accordance with our established procedures.

The Governance Committee will evaluate and recommend candidates for membership on the Board consistent with certain criteria, including, but not limited to, personal qualities and characteristics, accomplishments, and reputation in the business community; financial, regulatory, and business experience; current knowledge and contacts in the industry in which we do business; ability and willingness to commit adequate time to Board and committee matters; fit of the individual's skills with those of other directors and potential directors in building a Board that is effective and responsive to our needs; independence; and any other factors the Board deems relevant, including diversity of viewpoints, background, experience, and other demographics. In addition, prior to nominating a current director for re-election, the Board will consider and review such director's Board and committee attendance and performance; length of Board service; experience, skills, and contributions that the current director brings to the Board; and independence.

To identify nominees, the Governance Committee will rely on personal contacts as well as its knowledge of persons in our industry. We have not previously used an independent search firm to identify nominees.

The Board will consider stockholder recommendations of candidates when the recommendations are properly submitted. Stockholder recommendations should be submitted to us pursuant to the procedures discussed in “Procedures For Security Holder Submission of Nominating Recommendations” which is available on our website at <https://www.nephros.com/corporate-governance/> by clicking on the link titled “Procedures for Security Holder Submission of Nominating Recommendations.” Written notice of any nomination must be timely delivered to Nephros, Inc., 380 Lackawanna Place, South Orange, New Jersey 07079, Attention: Board of Directors, c/o President and Chief Executive Officer.

The Governance Committee uses a variety of methods for identifying and evaluating non-incumbent candidates for director. The Governance Committee regularly assesses the appropriate size and composition of the Board, the needs of the Board and the respective committees of the Board as well as the qualifications of candidates in light of these needs. The Governance Committee will solicit recommendations for nominees from persons that the Board believes are likely to be familiar with qualified candidates, including members of the Board, our management or a professional search firm. The evaluation of these candidates may be based solely upon information provided to the Governance Committee or may also include discussions with persons familiar with the candidate, an interview of the candidate or other actions the Governance Committee deems appropriate, including the use of third parties to review candidates.

Director Independence

Presently, we are not required to comply with the director independence requirements of any securities exchange. Our Board has determined that all of the current directors are “independent” within the meaning of both the Nasdaq and NYSE American listing standards, other than Mr. Evans, who currently serves as our President and Chief Executive Officer, and Dr. Mieyal and Mr. Amron, who are, respectively, an employee and a Partner of Wexford Capital LP, the managing member of Lambda Investors LLC, which owns beneficially approximately 48% of our common stock as of March 26, 2019.

Committees

Our Board of Directors has established an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. These committees are each governed by a specific charter, each of which is available on our website at www.nephros.com/corporate-governance/.

Audit Committee

The Audit Committee is composed of Malcolm Persen (Chairman) and Oliver Spandow, neither of whom is our employee. Each of Mr. Persen and Mr. Spandow has been determined by the Board to be independent under the Nasdaq and NYSE American listing standards. The purpose of the Audit Committee is to (i) oversee accounting, auditing, and financial reporting processes; (ii) ensure that our internal controls and procedures are designed to promote compliance with accounting standards and applicable laws and regulations; and (iii) appoint and evaluate the qualifications and independence of our independent registered public accounting firm. The Audit Committee held four meetings in 2018 and took action by unanimous written consent in lieu of a meeting once.

The Board has determined that all Audit Committee members are financially literate under the Nasdaq and NYSE American listing standards. The Board also determined that Mr. Persen qualifies as an “audit committee financial expert” as defined in the applicable SEC rules, based on his extensive experience previously outlined.

Compensation Committee

The Compensation Committee is composed of Malcolm Persen and Oliver Spandow, each of whom has been determined by the Board to be independent under the Nasdaq and NYSE American listing standards. The purpose of the Compensation Committee is to (i) assist the Board in discharging its responsibilities with respect to the determination and review of our compensation plans, policies, and programs, including compensation of our directors and executive officers; (ii) evaluate the performance of our executive officers; (iii) assist the Board in developing succession plans for executive officers; and (iv) administer our stock and incentive compensation plans and recommend changes in such plans to the Board as needed. The Compensation Committee establishes the compensation of our executive officers on an annual basis. The Compensation Committee did not meet in 2018, but took action by unanimous written consent in lieu of a meeting once.

The Compensation Committee reviews and approves, on an annual basis, the corporate goals and objectives with respect to the compensation of our executive officers. The Compensation Committee evaluates, at least once a year, our executive officers' performance in light of these established goals and objectives, and, based upon these evaluations, recommends to the full Board the annual compensation of such executive officers, including salary, bonus, incentive, and equity compensation. In reviewing and recommending the compensation of the executive officers, the Compensation Committee may consider the compensation awarded to officers of similarly situated companies, our performance, the individuals' performance, compensation given to our executive officers in past years or any other fact that the Compensation Committee deems appropriate. The Chief Executive Officer does not participate in the discussions and processes concerning his own compensation and is not present during any discussions regarding his own compensation. The Compensation Committee also reviews and recommends to the full Board appropriate director compensation programs for service as directors and committee members. The Compensation Committee has the authority to delegate any of its responsibilities to subcommittees as the Committee may deem appropriate.

Governance Committee

The Governance Committee is composed of Malcolm Persen and Oliver Spandow, each of whom has been determined by the Board to be independent under the Nasdaq and NYSE American listing standards. The purpose of the Governance Committee is to assist the Board in (i) identifying qualified individuals to become Board members; (ii) determining the composition of the Board and its committees; (iii) monitoring a process to assess Board effectiveness and in developing; and (iv) implementing our corporate procedures and policies. Further discussion of the Governance Committee's role is above under "Selection of Nominees for the Board of Directors." The Governance Committee did not meet in 2018 but took action by unanimous written consent in lieu of a meeting once.

Board Leadership Structure and Oversight of Risk

The Board is responsible for providing oversight of our affairs. The Chairman of the Board, among other responsibilities, works with the Chief Executive Officer and the Board to prepare Board meeting agendas and schedules, acts as liaison to other members of the Board, and, in conjunction with our Chief Executive Officer, presides at Board meetings. There was no named Chairman of the Board during 2018.

As explained above, our Board of Directors has three committees—the Audit Committee, the Compensation Committee and the Governance Committee. Our Audit Committee is responsible for overseeing certain accounting-related aspects of our risk management processes while our full Board focuses on overall risk management. The Audit Committee and the full Board focus on what they believe to be the most significant risks facing us and our general risk management strategy, and also attempt to ensure, together with the Chief Executive Officer, that risks undertaken by us are consistent with the Board's appetite for risk. While the Board oversees our risk management, our management is responsible for day-to-day risk management processes. We believe this division of responsibilities at the present time is an appropriate approach for addressing the risks facing our company and that our Board leadership structure supports this approach. We can offer no assurance that this structure, or any other structure, will be effective in all circumstances.

Stockholder Communication with the Board

Stockholders may communicate with the Board, members of particular committees or individual directors, by sending a letter to such persons in care of our Chief Executive Officer at our principal executive offices. The Chief Executive Officer has the authority to disregard any inappropriate communications or to take other appropriate actions with respect to any inappropriate communications. If deemed an appropriate communication, the Chief Executive Officer will submit the correspondence to the Board or to any committee or specific director to whom the correspondence is directed. Procedures for sending communications to the Board of Directors can be found on our website at

<https://www.nephros.com/corporate-governance/> by clicking on the link titled “Whistleblower Policy.” Please note that all such communications must be accompanied by a statement of the type and amount of our securities that the person holds; any special interest, meaning an interest that is not derived from the proponent’s capacity as a stockholder, of the person in the subject matter of the communication; and the address, telephone number and e-mail address, if any, of the person submitting the communication.

Code of Business Conduct and Code of Ethics

We have adopted a Code of Ethics and Business Conduct (the “Code of Ethics”) for our employees, officers and directors. The Code of Ethics is available free of charge on our website at *www.nephros.com/corporate-governance/*. We intend to timely disclose any amendments to, or waivers from, our Code of Ethics that are required to be publicly disclosed pursuant to rules of the SEC by filing such amendment or waiver with the SEC or posting such amendment or waiver on our website.

Our current executive officers are Daron Evans, who serves as our President and Chief Executive Officer, and Andrew Astor, who serves as our Chief Financial Officer and Chief Operating Officer. Mr. Evans’ biography may be found above in the section titled “PROPOSAL NO. 1 — ELECTION OF DIRECTORS.”

Mr. Astor received his Bachelor of Arts in Mathematics from Clark University, and his M.B.A. from The Wharton School at the University of Pennsylvania.

AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed our consolidated audited financial statements for fiscal year 2018 with management. The Audit Committee has discussed with Moody, Famiglietti & Andronico, LLP, our independent registered public accounting firm, the matters required to be discussed by Auditing Standard 1301 *Communications with Audit Committee*, as amended. The Audit Committee has received the written disclosures and the letter from Moody, Famiglietti & Andronico, LLP required by the Public Company Accounting Oversight Board regarding communications with the Audit Committee regarding independence, and has discussed with Moody, Famiglietti & Andronico, LLP its independence. Based on the review and discussions described above, among other things, the Audit Committee recommended to the Board of Directors that the consolidated audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2018.

Employment and Change in Control Agreements

We have used employment agreements as a means to attract and retain executive officers. We believe that these agreements provide our executive officers with the assurance that their employment is a long-term arrangement and provide us with the assurance that the officers' services will be available to us for the foreseeable future.

Agreement with Mr. Daron Evans

The terms of Mr. Evans's employment with us are set forth in an Employment Agreement dated as of April 15, 2015 (the "Evans Employment Agreement"). The Evans Employment Agreement provides for a four-year term expiring on April 14, 2019, unless sooner terminated by either party. Pursuant to the Evans Employment Agreement, Mr. Evans receives an initial annualized base salary of \$240,000 and is eligible to receive an annual performance bonus of up to 30% of his annualized base salary. As of January 1, 2018, Mr. Evans receives an annualized base salary of \$350,000. At such time that our common stock is approved for listing on the Nasdaq Stock Market, New York Stock Exchange or such other national securities exchange approved by the Board and begins trading on such exchange, the Board may review and adjust Mr. Evans's base salary to a market competitive level. In addition, Mr. Evans was granted a 10-year stock option to purchase an aggregate of 2,184,193 shares of our common stock pursuant to our 2015 Equity Incentive Plan. The option is exercisable at a price of \$0.60 per share and vests, subject to Mr. Evans's continued employment, as set forth above in Note 2 to the "Outstanding Equity Awards at Fiscal Year-End 2018" table.

The Evans Employment Agreement provides that if we terminate Mr. Evans without "cause," or if he resigns for "good reason" (each as defined in the Evans Employment Agreement), then he shall be entitled to: (i) continuation of his base salary for a period of three months if such termination occurs prior to April 15, 2016, or if such termination occurs following April 15, 2016, continuation of his base salary for a period of six months (or the expiration of the term of the Evans Employment Agreement, if sooner).

Agreement with Mr. Andrew Astor

The terms of Mr. Astor's employment with us are set forth in a Letter Agreement dated as of February 10, 2017 (the "Astor Employment Agreement"). Mr. Astor's initial employment was part-time, but was increased to full time as of April 27, 2017.

Pursuant to the Astor Employment Agreement, Mr. Astor received an initial base salary of \$10,000 per month, which was increased to base annual compensation to \$250,000 on April 27, 2017. Mr. Astor is eligible for an annual

performance bonus of up to 25% of his annualized base salary, based primarily on our performance. Change in Control Agreements

Although we do not currently have change in control agreements in place with any employees, our 2015 Equity Incentive Plan (the “2015 Plan”) provides that upon a change of control, as such term is defined in the 2015 Plan, unless the agreement granting an award provides otherwise, the administrator of the 2015 Plan may provide for one or more of the following: (i) the acceleration of the exercisability, vesting, or lapse of the risks of forfeiture of any or all awards (or portions thereof); (ii) the complete termination of the 2015 Plan and the cancellation of any or all awards (or portions thereof) that have not been exercised, have not vested, or remain subject to risks of forfeiture, as applicable in each case as of the effective date of the change of control; (iii) that the entity succeeding us by reason of such change of control, or the parent of such entity, must assume or continue any or all awards (or portions thereof) outstanding immediately prior to the change of control or substitute for any or all such awards (or portions thereof) a substantially equivalent award with respect to the securities of such successor entity, as determined in accordance with applicable laws and regulations; or (iv) that participants holding outstanding awards will become entitled to receive, with respect to each share of common stock subject to such award (whether vested or unvested, as determined by the administrator pursuant to the 2015 Plan) as of the effective date of any such change of control, cash in an amount equal to (1) for participants holding options or stock appreciation rights, the excess of the fair market value of such common stock on the date immediately preceding the effective date of such change of control over the exercise price per share of options or stock appreciation rights, or (2) for participants holding awards other than options or stock appreciation rights, the fair market value of such common stock on the date immediately preceding the effective date of such change of control. The administrator need not take the same action with respect to all awards (or portions thereof) or with respect to all participants.

Our Board recognizes the fundamental interest our stockholders have in the compensation of our executive officers. Based on the results of such advisory vote and our review of our compensation policies and decisions, we believe that our existing compensation policies and decisions are consistent with our compensation philosophy and objectives disclosed in the compensation tables and related narrative disclosure and adequately align the interests of our named executive officers with our long term goals. In addition, based on a separate advisory vote of our stockholders at our 2014 Annual Meeting relating to the frequency of the advisory vote on the compensation of our named executive officers, our stockholders indicated their approval of the Board's recommendation to hold a non-binding advisory vote on our executive compensation once every two years.
