IMPORTANT DISCLOSURES

This material must be preceded or accompanied by a prospectus. Before investing, you should

carefully consider the Trust's investment objectives, risks, charges and expenses. This and

other information is in the prospectus, a copy of which may be obtained by visiting

www.vaneck.com/ounz or calling 800-826-2333. Please read the prospectus carefully before you

invest.

Investing involves risk, including possible loss of principal. The Trust is not an investment company

registered under the Investment Company Act of 1940 or a commodity pool for the purposes of the

Commodity Exchange Act. Shares of the Trust are not subject to the same regulatory requirements as

mutual funds. Because shares of the Trust are intended to reflect the price of the gold held in the Trust,

the market price of the shares is subject to fluctuations similar to those affecting gold prices.

Additionally, shares of the Trust are bought and sold at market price, not at net asset value (NAV).

Brokerage commissions will reduce returns.

The request for redemption of shares for gold is subject to a number of risks including but not limited to

the potential for the price of gold to decline during the time between the submission of the request and

delivery. Delivery may take a considerable amount of time depending on your location. Commodities

and commodity-index linked securities may be affected by changes in overall market movements and

other factors such as weather, disease, embargoes, or political and regulatory developments, as well as

trading activity of speculators and arbitrageurs in the underlying commodities.

The sponsor of the Trust is Merk Investments LLC (the Sponsor). Van Eck Securities Corporation and

Foreside Fund Services, LLC, provide marketing services to the Trust.
