Edgar Filing: PEARSON PLC - Form 6-K

Presentation at CSFB media conference

Steve Dowling, President of Pearson's School business, is today presenting at CSFB's Global Media Week conference in New York. The presentation begins at 0940 EST (1440 GMT) and a link to the webcast will be available at www.pearson.com.

Steve Dowling will update investors on the education funding and policy environment, and will outline several new growth opportunities Pearson is targeting in the US School market. There will be no update on current trading or on the outlook for 2006, but Dowling will say:

"For some time now, we've been saying that 2005 would be the first of several very strong years for the School industry. With our sales up 17% after nine months, we're confident that 2005 will be a record year for our School business, and that we will achieve further growth in 2006 and beyond."
