PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS

General Information

We have made this proxy statement available to you on or about April 16, 2014 as a holder of common stock of Altisource Residential Corporation (“Residential” or the “Company”) because our Board of Directors is soliciting your proxy to be used at our Annual Meeting of Stockholders and at any adjournment of this meeting. The Annual Meeting of Stockholders will be held at our offices located at c/o Altisource Asset Management Corporation, 402 Strand Street, Frederiksted, United States Virgin Islands 00840-3531 on Wednesday, May 28, 2014, at 9:00 a.m., Atlantic Standard Time for the purposes listed in the Notice of Annual Meeting of Stockholders.

Notice and Access to Proxy Materials

We expect our proxy materials, including this proxy statement and our 2013 annual report, to be made available to stockholders on or about April 16, 2014 through the Shareholders link on our website at www.altisourceresi.com or through www.proxyvote.com. In accordance with the rules of the SEC, most stockholders will not receive printed copies of these proxy materials unless they request them. Instead, most stockholders will receive by mail a “Notice of Internet Availability of Proxy Materials” that contains instructions as to how they can view our materials online, request copies be sent to them by mail or electronically by email and as to how they can vote online.

Voting Procedures

You can vote your shares by proxy without attending the meeting. You may vote your shares by proxy over the Internet by following the instructions provided in the “Notice of Internet Availability of Proxy Materials,” or if you receive printed proxy materials, you can also vote by mail or telephone pursuant to instructions provided on the proxy card. If you are voting over the Internet or by telephone, you will need to provide the control number that is printed on the Notice or proxy card that you receive.

How a Proxy Works

All valid proxies received prior to the meeting will be voted in accordance with your instructions. If no contrary instructions are given, other than as discussed below with respect to broker “non-votes,” each proxy received will be voted “FOR” each of the nominees for Director and “FOR” approval of the appointment of Deloitte & Touche LLP to be our independent registered public accounting firm for 2014 and with regard to any other business that properly comes before the meeting in accordance with the best judgment of the persons appointed as proxies.

How to Revoke a Proxy

Your proxy may be used only at the Annual Meeting of Stockholders and any adjournment of this meeting and will not be used for any other meeting. You have the power to revoke your proxy at any time before it is exercised by:

filing written notice with our Corporate Secretary at the following address:

Stephen H. Gray, Corporate Secretary
Altisource Residential Corporation
c/o Altisource Asset Management Corporation

402 Strand Street
Frederiksted, United States Virgin Islands 00840-3531

submitting a properly executed proxy bearing a later date; or

1

appearing at the Annual Meeting of Stockholders and giving the Corporate Secretary notice of your intention to vote in person.

Who May Vote

You are entitled to vote at the Annual Meeting of Stockholders or any adjournment of the Annual Meeting of Stockholders if you are a holder of record of our common stock at the close of business on April 7, 2014. At the close of business on April 7, 2014, there were 57,114,763 shares of common stock issued, outstanding and able to be voted and no other class of equity securities outstanding. Each share of our common stock is entitled to one (1) vote at the Annual Meeting of Stockholders on all matters properly presented. Abstentions and broker “non-votes” will be treated as present for purposes of a quorum.

Quorum and Voting Information

The presence at the Annual Meeting of Stockholders of a majority of the votes of our common stock entitled to be cast, represented in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting of Stockholders.

Assuming a quorum, the five (5) nominees for Director will be elected as Directors of Residential by a plurality of the votes cast in person or by proxy at the meeting. You may vote in favor of, against or withhold authority to vote for one (1) or more nominees for Director. Votes that are withheld will be excluded entirely from the vote and will have no effect on the outcome of the vote. “Plurality” means that the five (5) individuals who receive the greatest number of votes cast “For” are elected as directors.

The proposal to ratify the appointment of Deloitte & Touche LLP to be our independent registered public accounting firm requires the affirmative vote of a majority of the shares entitled to vote that are represented at the meeting. Any other matter properly submitted for your consideration at the Annual Meeting of Stockholders (other than the election of Directors) requires the affirmative vote of a majority of the shares entitled to vote that are represented at the meeting.

Abstentions will not be counted in determining the votes cast in connection with the foregoing matters.

If any broker “non-votes” occur at the meeting with respect to your shares, the broker “non-votes” will count for purposes of determining whether a quorum is present but will not have an effect on any proposals presented for your vote. A broker “non-vote” occurs when a broker or nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker or nominee does not have discretionary voting power on that item and has not received instructions from the owner. Other than with respect to the ratification of our independent registered public accounting firm, in the event of a broker non-vote, brokers may not vote on behalf of their clients on the above proposals.

If the shares you own are held in “street name” by a bank or brokerage firm, your bank or brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. To vote your shares, you will need to follow the directions your bank or brokerage firm provides you. You will receive a Notice of Internet Availability of Proxy Materials that will tell you how to access our proxy materials and vote your shares via the Internet. It will also tell you how to request a paper or e-mail copy of our proxy material. Please contact your bank or brokerage firm for further information.

ELECTION OF DIRECTORS
(Proposal One)

Our Bylaws provide that that the number of our directors will be fixed by a majority of our entire Board of Directors but may not be fewer than the minimum required under the Maryland General Corporation Law, which is one (1), or more than fifteen (15). Currently, we have five (5) members of our Board of Directors.

We are proposing the five (5) nominees listed below for election as Directors at the Annual Meeting of Stockholders for a one (1) year term or until their successors are elected and qualified. Assuming a quorum, the five (5) nominees for Director will be elected as Directors by a plurality of the votes cast in person or by proxy at the meeting. All nominees currently serve as our Directors. There are no arrangements or understandings between any nominee and any other person for selection as a nominee.

If any nominee is unable or unwilling to stand for election at the time of the Annual Meeting of Stockholders, the person or persons appointed as proxies will nominate and vote for a replacement nominee or nominees recommended by our Board of Directors. At this time, our Board of Directors knows of no reason why any of the nominees would not be able or willing to serve as Director if elected.

The following table sets forth certain information concerning our nominees for Director:

**OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
THAT YOU VOTE "FOR" EACH OF THE NOMINEES FOR DIRECTOR**

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Meetings of the Board of Directors

The Board of Directors plays an active role in overseeing management and representing the interests of the stockholders. Directors are expected to attend all meetings of the Board of Directors and the meetings of committees on which they serve. Directors are also consulted for advice and counsel between formal meetings.

Our current Board of Directors held eight (8) meetings in 2013. Each incumbent Director attended 100% of these meetings as well as the meetings held by all committees of our Board of Directors on which they served during the year. The Board of Directors also regularly held executive sessions of the independent directors. We do not have a formal policy regarding Director attendance at the Annual Meeting of Stockholders. All of the incumbent members of our Board of Directors attended our 2013 Annual Meeting of Stockholders.

Independence of Directors

Our Corporate Governance Guidelines provide that our Board of Directors must be comprised of a majority of Directors who qualify as independent Directors under the standards of the New York Stock Exchange, or the “NYSE.”

Our Board of Directors annually reviews the direct and indirect relationships that we have with each Director. The purpose of this review is to determine whether any such transactions or relationships are inconsistent with a determination that the Director is independent. Only those Directors who are determined by our Board of Directors to have no material relationship with Residential are considered independent. This determination is based in part on the analysis of questionnaire responses that follow the independence standards and qualifications established by NYSE rules and law. Our current Board of Directors has determined that Messrs. Erbey, Eruzione, Fitzpatrick, Mullen and Reiner are independent Directors.

Board Leadership Structure

Our Board of Directors has no fixed policy with respect to the separation of the offices of Chairman of the Board of Directors and Chief Executive Officer. Our Board of Directors retains the discretion to make this determination on a case-by-case basis from time to time as it deems to be in the best interests of the Company and its stockholders at any given time. The Board of Directors currently believes that separating the positions of Chief Executive Officer and Chairman is the best structure to fit our needs. Through his position as the Chief Executive Officer of our asset manager, AAMC, Mr. Pandey is also our Chief Executive Officer and is responsible for our day-to-day operations and for formulating and executing our long-term strategies in collaboration with the Board of Directors. As Chairman of the Board of Directors, Mr. Erbey leads the Board and oversees meetings of the Board of Directors and the delivery of information necessary for the Board’s informed decision-making.

Committees of the Board of Directors

Our Board of Directors has established an Audit Committee, a Compensation Committee and a Nomination/Governance Committee. A brief description of these committees is provided below.

Audit Committee. The Audit Committee of our Board of Directors oversees the relationship with our independent registered public accounting firm, reviews and advises our Board of Directors with respect to reports by our independent registered public accounting firm and monitors our compliance with laws and regulations applicable to our operations, including the evaluation of significant matters relating to the financial reporting process and our system of accounting, internal controls, auditing and federal securities law matters and the review of the scope and results of the annual audit conducted by the independent registered public accounting firm.

The members of the Audit Committee in 2013 were Mr. Fitzpatrick, Dr. Mullen and Mr. Reiner, and Mr. Fitzpatrick was the Chair of the Audit Committee. Each member of our Audit Committee is independent as defined in regulations adopted by the SEC and NYSE listing standards. Our Board of Directors has determined that all

6

members of our Audit Committee are financially literate and possess accounting or related financial management expertise. Our Board of Directors has also determined that each of Mr. Fitzpatrick and Mr. Reiner qualify as “audit committee financial experts” as that term is defined in SEC rules. The Audit Committee met ten (10) times in 2013 and held four (4) executive sessions outside the presence of our management.

Our Audit Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisourceresi.com and is available in print to any stockholder who requests it. On an annual basis, the Audit Committee will review and approve its charter. The Committee will also evaluate its performance under its charter annually and deliver a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter and any recommendations for amendments. The charter was last reviewed by the Audit Committee in March 2014.

Compensation Committee. The Compensation Committee of our Board of Directors oversees the compensation of our directors. We have no employees. Our executive officers are employed by our asset manager, AAMC, and we reimburse AAMC for the cash compensation of its executive officers and employees based on the services they render on behalf of us in the conduct of our business. However, because none of our executive officers receive compensation from us, the Compensation Committee does not determine or approve the compensation of our executive officers.

The Compensation Committee has the authority to retain independent counsel or other advisers at our expense as the Compensation Committee deems necessary in connection with its responsibilities. The Compensation Committee may request that any of our Directors, officers or other persons attend its meetings to provide advice, counsel or pertinent information as the Committee requests.

The members of the Compensation Committee in 2013 were Mr. Reiner, Mr. Fitzpatrick and Dr. Mullen, and Mr. Reiner was the Chair of the Compensation Committee. Each member of the Compensation Committee is independent as defined by NYSE listing standards. While we have no specific qualification requirements for members of the Compensation Committee, our members have knowledge and experience regarding compensation matters as developed through their respective business experience in both management and advisory roles, including general business management, executive compensation and employee benefits experience.

Our Compensation Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisourceresi.com and is available in print to any stockholder who requests it. On an annual basis, the Compensation Committee will review and approve its charter. The Committee will also evaluate its performance under its charter annually and deliver a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter and any recommendations for amendments. The charter was last reviewed by the Compensation Committee in March 2014. The Compensation Committee met two (2) times in 2013.

Nomination/Governance Committee. The Nomination/Governance Committee of our Board of Directors makes recommendations to our Board of Directors of individuals qualified to serve as Directors and committee members for our Board of Directors; advises our Board of Directors with respect to Board of Directors composition, procedures and committees; develops and recommends to the Board of Directors a set of corporate governance principles and oversees the evaluation of our Board of Directors and our management.

The members of the Nomination/Governance Committee in 2013 were Mr. Erbey, Mr. Eruzione, Dr. Mullen and Mr. Reiner, and Mr. Erbey was the Chair of the Nomination/Governance Committee. Each member of our Nomination/Governance Committee is independent as defined in NYSE listing standards. The Nomination/Governance Committee met three (3) times in 2013.

Our Nomination/Governance Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisourceresi.com and is available in print to any stockholder who requests it. On an annual basis, the Nomination/Governance Committee will review and approve its charter. The Committee will also evaluate its performance under its charter annually and deliver a report to the Board setting

7

forth the results of its evaluation, including an assessment of the adequacy of its charter and any recommendations for amendments. The charter was last reviewed by the Nomination/Governance Committee in March 2014.

It is the policy of our Nomination/Governance Committee to consider candidates for Director recommended by you, our stockholders. In evaluating all nominees for Director, our Nomination/Governance Committee will take into account the applicable requirements for Directors under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and NYSE listing standards. In addition, our Nomination/Governance Committee will take into account Residential's best interests as well as such factors as knowledge, experience, skills, expertise, diversity and the interplay of the candidate's experience with the background of other members of our Board of Directors.

The Nomination/Governance Committee will consider diversity when it recommends Director nominees to the Board of Directors, viewing diversity in an expansive way to include differences in prior work experience, viewpoint, education and skill set. In particular, the Nomination/Governance Committee will consider diversity in professional experience, skills, expertise, training, broad-based business knowledge and understanding of the Company's business environment when recommending Director nominees to the Board of Directors, with the objective of achieving a Board with diverse business and educational backgrounds. Board members should have individual backgrounds that, when combined, provide a portfolio of experience and knowledge that will serve the Company's governance and strategic needs. The Nomination/Governance Committee will periodically review the skills and attributes of Board members within the context of the current make-up of the full Board of Directors as the Nomination/Governance Committee deems appropriate. The Nomination/Governance Committee does not discriminate against candidates for the Board of Directors based on race, color, religion, sex, sexual orientation or national origin.

The Nomination/Governance Committee will regularly assess the appropriate size of the Board of Directors and whether any vacancies on the Board of Directors are anticipated. Various potential candidates for Director will then be identified. Candidates may come to the attention of the Nomination/Governance Committee through current members of the Board of Directors, professional search firms, stockholders or industry sources.

In connection with this evaluation, one or more members of the Nomination/Governance Committee, and others as appropriate, will interview prospective nominees. After completing this interview and evaluation, the Nomination/Governance Committee will make a recommendation to the full Board of Directors as to the persons, if any, who should be nominated by the Board of Directors. The Board of Directors will determine the nominees after considering the recommendation of the Nomination/Governance Committee. Should a stockholder recommend a candidate for Director, our Nomination/Governance Committee would evaluate such candidate in the same manner that it evaluates any other nominee. To date, no stockholder or group of stockholders owning more than 5% of our common stock has put forth any Director nominees.

If you want to recommend persons for consideration by our Nomination/Governance Committee as nominees for election to our Board of Directors, you can do so by writing to our Corporate Secretary at c/o Altisource Asset Management Corporation, 402 Strand Street, Frederiksted, United States Virgin Islands 00840-3531. You should provide each proposed nominee's name, biographical data and qualifications. Your recommendation should also include a written statement from the proposed nominee consenting to be named as a nominee and, if nominated and elected, to serve as a Director.

Corporate Governance Guidelines

The Corporate Governance Guidelines adopted by our Board of Directors provide guidelines for us and our Board of Directors to ensure effective corporate governance. The Corporate Governance Guidelines cover topics such as Director qualification standards, Board of Directors and committee composition, Director responsibilities, Director

access to management and independent advisors, Director compensation, Director orientation and continuing education, management succession and annual performance appraisal of the Board of Directors.

Our Nomination/Governance Committee reviews our Corporate Governance Guidelines at least once a year and, if necessary, recommends changes to our Board of Directors. Our Corporate Governance Guidelines are available on

8

our website at www.altisourceresi.com and are available to any stockholder who requests them by writing to our Corporate Secretary at c/o Altisource Asset Management Corporation, 402 Strand Street, Frederiksted, United States Virgin Islands 00840-3531.

Executive Sessions of Non-Management Directors

Non-management Directors expect to meet in executive session without management representatives periodically. Non-management Directors met in executive session without management eight (8) times in 2013.

Communications with Directors

If you desire to contact our Board of Directors or any individual Director regarding Residential, you may do so by mail addressed to our Corporate Secretary at c/o Altisource Asset Management Corporation, 402 Strand Street, Frederiksted, United States Virgin Islands 00840-3531. All communications received in writing are distributed to our Board of Directors if addressed to the full Board or to individual Directors if addressed to them individually.

Code of Ethics

We adopted a Code of Business Conduct and Ethics that applies to our Directors, officers and employees. We also adopted a Code of Ethics for Senior Financial Officers. Any waivers from the Code of Business Conduct and Ethics for Directors or named executive officers or the Code of Ethics for Senior Financial Officers must be approved by our Board of Directors or the Audit Committee and will be subsequently disclosed when required by SEC or applicable exchange rules. The Code of Business Conduct and Ethics and the Code of Ethics for Senior Financial Officers are available on our website at www.altisourceresi.com and is available to any stockholder who requests a copy by writing to our Corporate Secretary at c/o Altisource Asset Management Corporation, 402 Strand Street, Frederiksted, United States Virgin Islands 00840-3531. Any amendments to the Code of Business Conduct and Ethics or the Code of Ethics for Senior Financial Officers, as well as any waivers that are required to be disclosed under SEC or exchange rules, will either be posted on our website or otherwise disclosed in accordance with such rules.

Risk Management and Oversight Process

Our Board of Directors and each of its committees are involved with the oversight of the Company's risk management.

The Board of Directors and the Audit Committee monitor Residential's credit risk, liquidity risk, regulatory risk, operational risk and enterprise risk by regular reviews with management and internal and external auditors. In its periodic meetings with internal and external auditors, the Audit Committee discusses the scope and plan for the internal audit and includes management in its review of accounting and financial controls, assessment of business risks and legal and ethical compliance programs.

In its periodic meetings with the external auditors, the Audit Committee discusses the external audit scope, the external auditors' responsibility under the Standards of the Public Company Accounting Oversight Board ("PCAOB"), accounting policies and practices and other required communications. In addition, through regular reviews with management and, at times, certain employees of AAMC, the Nomination/Governance Committee assists the Board of Directors in monitoring the Company's governance and succession risks, and the Compensation Committee assists the Board of Directors in monitoring our compensation policies and related risks.

The Board of Directors' role in risk oversight is consistent with the Company's leadership structure, with the Chief Executive Officer and other members of senior management having responsibility for assessing and managing the

Company's risk exposure, and our Chairman, the Board of Directors and its committees providing oversight in connection with these efforts. Our Investment Committee, which is comprised of our Chairman and our Chief Executive Officer, has responsibility for assessing and managing the Company's risk exposure with respect to transactional and counterparty risk.

BOARD OF DIRECTORS COMPENSATION

The following table discloses compensation received by each non-management member of our Board of Directors who served as a Director during fiscal year 2013. We have no management Directors on our Board of Directors.

| Name | Fees Earned Or Paid in Cash | Stock Awards ⁽¹⁾ | Option Awards | All Other Compensation | Total |
|-----------------------|--------------------------------|-----------------------------|---------------|---------------------------|-------------|
| William C. Erbey | \$78,750.00 | \$14,023.32 | \$— | \$— | \$92,773.32 |
| Michael A. Eruzione | \$37,500.00 | \$14,023.32 | \$— | \$— | \$51,273.32 |
| Robert J. Fitzpatrick | \$46,875.00 | \$14,023.32 | \$— | \$— | \$60,898.32 |
| James H. Mullen, Jr. | \$41,250.00 | \$14,023.32 | \$— | \$— | \$55,273.32 |
| David B. Reiner | \$45,000.00 | \$14,023.32 | \$— | \$— | \$59,023.32 |

(1) Each director received 853 shares of the common stock of Residential on June 26, 2013 for their service on the Board from January 24, 2013, the date of the first organizational meeting, to May 29, 2013, the date of the 2013 Annual Meeting of Stockholders. The number of shares granted was based on a share price of \$18.06, which is the average of the high and low sales prices of our common stock on January 24, 2013, the first day of their service in 2013. The value of the shares set forth in the table above is based on the average of the high and low sale prices of our common stock on the date of issuance.

Cash Compensation

We provide the following cash compensation to our non-management Directors in quarterly installments, paid in arrears for their services for the prior quarter:

- an annual retainer of \$50,000;
- an additional \$50,000 to the Chairman of the Board of Directors;
- an additional \$12,500 to the Audit Committee chairperson;
- an additional \$5,000 to all committee chairpersons (other than the Audit Committee chairperson); and
- an additional \$5,000 to all Audit Committee members.

Because we pay our Directors' cash compensation in arrears and the Directors' service year in 2013 commenced on January 24, 2013, the cash compensation paid to our directors in 2013 represents less than a full year of compensation.

Equity Compensation

As part of Director compensation, our non-management Directors also receive annually shares of common stock of Residential with a fair market value of \$45,000 pursuant to the 2013 Director Equity Plan. "Fair Market Value" is defined as the average of the high and low prices of the common stock as reported on the applicable securities exchange on which Residential is listed or quoted on the first day of the service year. Equity compensation is paid for the prior year of service after the annual organizational meeting of the Board of Directors, which immediately follows the Annual Meeting of Stockholders. Shares will be awarded if the Director attends an aggregate of at least 75% of all meetings of the Board of Directors and committees thereof of which the Director is a member during the service year.

For Directors serving less than a full year, such Directors receive a pro rata portion of \$45,000 of our common stock based on the high and low sales prices on the first day of his or her service year, multiplied by a fraction, the numerator of which is the number of days served and the denominator of which is 365 days. For example, our current Directors received a number of shares of our common stock on June 26, 2013 with a purported value of \$15,411 per Director, which was determined by multiplying \$45,000 by the quotient obtained by dividing 125 days

(the number of days from January 24, 2013 to May 29, 2013) by 365 days, using the \$18.06 per share average price on January 24, 2013, the first day of the service period in 2013.

Other Compensation

Directors are reimbursed for reasonable travel and other expenses incurred in connection with attending meetings of the Board of Directors and its committees.

Any Director compensation may be prorated for a Director serving less than a full one (1) year term as in the case of a Director joining the Board of Directors after an Annual Meeting of Stockholders but during the service year.

Residential did not file any quarterly reports on Form 10-Q during the year ended December 31, 2012, as it was not a public reporting company until December 2012.

Audit-Related Fees. This category includes the aggregate fees billed for audit-related services by the independent registered public accounting firm that are reasonably related to the performance of the audits or reviews of the financial statements and are not reported above under "Audit Fees." The Audit-Related Fees consist of fees for review of, and issuance of consents related to, the Company's Form S-8 and Form S-11 registration statements and related services to provide due diligence and financial statement review in connection with the Company's public offerings of its common stock during 2013. The Audit Committee considered the fees paid to Deloitte & Touche LLP for the fiscal year ended December 31, 2013 and determined that the services and fees are compatible with the independence of Deloitte & Touche LLP.

Audit Committee Pre-Approval Policy

The Audit Committee is required to pre-approve the audit and non-audit services performed by the independent registered public accounting firm in order to assure that the provision of such services does not impair the independent registered public accounting firm's independence. Unless a type of service to be provided by the independent registered public accounting firm has received general pre-approval, it will require specific pre-approval by the Audit Committee. For the fiscal year ended December 31, 2013, all fees associated with the independent registered public accounting firm's services were pre-approved by the Audit Committee.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

BUSINESS RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Related Party Transaction Policy

The Board of Directors has adopted a policy and procedure for the review, approval and monitoring of transactions involving Residential and related persons (Directors and named executive officers or their immediate family members or stockholders owning 5% or greater of the Company's outstanding stock) within our written Code of Business Conduct and Ethics, which is available at www.altisourceresi.com. The policy and procedures are not limited to related person transactions that meet the threshold for disclosure under the relevant SEC rules as the policies and procedures broadly cover any situation in which a conflict of interest may arise.

Any situation that potentially involves a conflict of interest is to be immediately disclosed to the Company's General Counsel who must assess the nature and extent of any concern and then recommend any follow up action, as needed. The General Counsel will notify the Chairman of the Board if any such situation requires notice to or approval of the Audit Committee of the Board of Directors.

Related persons are required to obtain the approval of the Audit Committee of the Board of Directors for any transaction or situation that may pose a conflict of interest. In considering a transaction, the Audit Committee will consider all relevant factors including (i) whether the transaction is in the best interests of Residential; (ii) alternatives to the related person transaction; (iii) whether the transaction is on terms comparable to those available to third parties; (iv) the potential for the transaction to lead to an actual or apparent conflict of interest and any safeguards imposed to prevent such actual or apparent conflicts; and (v) the overall fairness of the transaction to Residential.

Relationship with Chairman of the Board of Directors

Mr. Erbey currently serves as the non-executive Chairman of Residential, as Executive Chairman of Ocwen Financial Corporation ("Ocwen") and as non-executive Chairman of AAMC and Altisource Portfolio Solutions S.A. ("Altisource"). As a result, he has obligations to the Company as well as to Ocwen, AAMC and Altisource. As of December 31, 2013, Mr. Erbey owned or controlled approximately 13% of Ocwen's common stock, 26% of Altisource's common stock and 27% of AAMC's common stock. As of December 31, 2013, Mr. Erbey also held 4,620,498 options to purchase Ocwen common stock, of which 2,845,498 were exercisable, and he held 873,501 options to purchase Altisource common stock and 87,350 options to purchase AAMC common stock, all of which were exercisable. Mr. Erbey is also the non-executive Chairman of Home Loan Servicing Solutions, Ltd. ("HLSS") and owned approximately 1% of HLSS' ordinary shares as of December 31, 2013. Due to the nature of Mr. Erbey's obligations to each of the companies, he recuses himself from decisions pertaining to any transactions between them.

Relationship with Altisource

Since Residential completed its spin-off from Altisource into a separate publicly traded company in December 2012, its relationship with Altisource has been governed by a number of agreements.

Master Services Agreement

On December 21, 2012, Residential entered into a master services agreement with Altisource. Under the master services agreement, Altisource is Residential's exclusive provider of property management, leasing and renovation management services associated with the single-family rental properties we acquire upon conversion of residential mortgage loans that continue to be sub-performing or non-performing. The agreement provides for an initial term of

15 years, which term will automatically renew for successive two-year terms unless either party sends a notice of non-renewal to the other party at least nine months before the completion of the initial or renewal term, as applicable. In the event Residential terminates the master services agreement prior to the end of the initial term or any renewal term, other than for cause, Residential would be required to reimburse Altisource for its costs and

19

expenses related to the termination, including Altisource's personnel and other services dedicated to Residential under the agreement.

In the event our asset management agreement with AAMC is terminated without cause by us, the master services agreement with Altisource may be terminated in Altisource's sole discretion.

Support Services Agreement

Under the support services agreement, Altisource may provide services to us in such areas as human resources, vendor management operations, corporate services, consumer psychology, legal, tax, compliance and other support services where we may need assistance and support. The support services agreement provides generally that Altisource will undertake to provide the support services in a manner generally consistent with the manner and level of care with which such service, if any, was performed or provided prior to our separation from Altisource. The support services agreement will extend for two years after the separation but may be terminated earlier under certain circumstances including a default. The fees for all support services provided pursuant to the support services agreement will be based on the fully-allocated cost of providing the service or, with respect to statements of work entered into under the support services agreement, the amount set forth therein. "Fully-allocated cost" means, with respect to the provision of a "service," the all-in cost of providing such service, including direct charges and allocable amounts reflecting compensation and benefits, technology expenses, occupancy and equipment expense and third-party payments (but not taxes incurred in connection therewith). Altisource will be required to submit statements of account on a monthly basis with respect to all amounts payable by us, setting out the support services provided and the amount billed as a result of providing such support services.

The total fees incurred by us under this agreement will be dependent upon our business activity and the level of services required in connection therewith. In the event our asset management agreement with AAMC expires or is terminated, the support services agreement will terminate within 30 days.

Trademark License Agreement

Under the trademark license agreement, Altisource granted us a non-exclusive, non-transferable, non-sublicensable, royalty free license to use the name "Altisource." The agreement has no specified term and may be terminated by either party upon 30 days written notice, with or without cause. In the event that this agreement is terminated, all rights and licenses granted thereunder, including, but not limited to, the right to use "Altisource" in our name will terminate.

In the event our asset management agreement with AAMC expires or is terminated, the trademark license agreement will terminate within 30 days.

Relationship with Ocwen

Servicing Agreement with Ocwen

On December 21, 2012, Residential entered into a servicing agreement with Ocwen. Under the servicing agreement, Ocwen will service our acquired residential mortgage loans. The total fees incurred by us under this agreement will be dependent upon the number and type of acquired residential mortgage loans that Ocwen services pursuant to the terms of the agreement. The agreement provides for an initial term of 15 years. In the event our asset management agreement with AAMC expires or is terminated, the servicing agreement will terminate within 30 days. Either Residential or Ocwen may terminate the servicing agreement without cause upon 60 days prior written notice, in which event Residential would be required to pay all servicing transfer costs and repay any unreimbursed servicing

advances to Ocwen.

20

Aircraft Time Sharing Agreement with Ocwen

On October 8, 2013, we entered into an Aircraft Time Sharing Agreement, or the “Timeshare Agreement,” with Ocwen pursuant to which Ocwen will make its corporate plane available to us for business-related travel from time to time. Under the Time Sharing Agreement, Ocwen agreed to provide us, on a time sharing basis, access to its plane in consideration of our reimbursement to Ocwen of the sum of its direct expenses of operating the plane plus an additional charge equal to 100% of such expenses. The amounts actually charged to us in any period will directly correlate to our use of the aircraft in each period, which will vary depending on our business needs.

Purchase of Non-Performing Mortgage Portfolio from Ocwen

On February 14, 2013, our operating partnership completed the acquisition of a portfolio of non-performing residential mortgage loans. The portfolio was purchased from Ocwen pursuant to a Master Mortgage Loan Sale Agreement and the mortgage loans were originated by CitiMortgage, Inc. The portfolio consisted of first lien residential mortgage loans, substantially all of which were non-performing, having an unpaid principal balance of approximately \$121.2 million as of February 1, 2013. The aggregate purchase price for the portfolio was approximately \$64.4 million, which was determined by multiplying (i) the aggregate unpaid principal balance of the loans as of the February 1, 2013 cut-off date by (ii) the purchase price percentage of 53.16%. In determining the purchase price percentage, we performed a discounted cash flow analysis for the loans using our underwriting process. The acquisition of the portfolio was funded with available cash contributed to us on December 21, 2012 by Altisource in connection with the Company’s separation from Altisource. The portfolio is being serviced by Ocwen under the terms of the servicing agreement between us and Ocwen.

Relationship with AAMC

Asset Management Agreement with AAMC

On December 21, 2012, we entered into a 15-year asset management agreement with AAMC. Pursuant to the asset management agreement, AAMC designs and implements our business strategy, administers our business activities and day-to-day operations and provides corporate governance services, subject to oversight by our Board of Directors. AAMC is responsible for, among other duties: (i) performing and administering all our day-to-day operations, (ii) determining investment criteria through our Investment Policy in cooperation with our Board of Directors, (iii) sourcing, analyzing and executing asset acquisitions, including our acquisition of sub-performing and non-performing residential mortgage loan portfolios and related financing activities, (iv) analyzing and performing sales of properties, (v) overseeing Altisource’s renovation, leasing and property management of our single-family rentals, (vi) overseeing Ocwen’s servicing of our residential mortgage loan portfolios, (vii) performing asset management duties and (viii) performing corporate governance and other management functions, including financial, accounting and tax management services.

AAMC provides us with a management team and appropriate support personnel who have substantial sub-performing and non-performing loan portfolio experience. AAMC’s management also has significant corporate governance experience that enables us to efficiently manage our business and organizational structure. AAMC has agreed not to provide the same or substantially similar services to any other party so long as the Company and the operating partnership have on hand an average of \$50,000,000 in capital available for investment over the previous two fiscal quarters. Notwithstanding the foregoing, AAMC may engage in any other business or render similar or different services to other entities not competing with Residential, including, without limitation, providing direct or indirect sponsorship or management of other investment based accounts or commingled pools of capital, so long as its services to Residential and the operating partnership are not impaired thereby.

Incentive Management Fees

Under the asset management agreement, we pay AAMC a quarterly incentive management fee as follows:

(i) 2% of all cash available for distribution by us to our stockholders and to AAMC as an incentive management fee, which we refer to as “available cash,” until the aggregate amount per share of available cash for the quarter (based on the average number of shares of our common stock outstanding during the quarter), which we refer to as the “quarterly per share distribution amount,” exceeds \$0.161, then

(ii) 15% of all additional available cash for the quarter until the quarterly per share distribution amount exceeds \$0.193, then

(iii) 25% of all additional available cash for the quarter until the quarterly per share distribution amount exceeds \$0.257, and thereafter

(iv) 50% of all additional available cash for the quarter.

We distribute any quarterly distribution to our stockholders after the application of the incentive management fee payable to AAMC. We paid \$4.9 million in incentive management fees to AAMC for the year ended December 31, 2013.

Expense reimbursement

We are required to reimburse AAMC on a monthly basis for the (i) direct and indirect expenses AAMC incurs or payments it makes on our behalf, including, but not limited to, the allocable compensation and routine overhead expenses of employees and staff of AAMC and (ii) all other reasonable operating and overhead expenses AAMC incurs related to the asset management services it provides to us.

For the year ended December 2013, we reimbursed AAMC \$5.4 million for expenses under the asset management agreement.

Termination

We may not terminate the asset management agreement without cause during the first 24 months of its term. Following such 24-month period, we may terminate the asset management agreement without cause upon the determination of at least two-thirds of our independent directors that (i) there has been unsatisfactory performance by AAMC that is materially detrimental to us, or (ii) the compensation payable to AAMC under the asset management agreement is unreasonable, unless AAMC agrees to compensation that at least two-thirds of our independent directors determine is reasonable.

AAMC may terminate the asset management agreement without cause by providing written notice to us no later than 180 days prior to December 21 of any year during the initial term or a renewal term, and the asset management agreement will terminate effective on the December 21 next following the delivery of such notice.

We will be required to pay AAMC a termination fee in the event that the asset management agreement is terminated as a result of (i) a termination by us without cause, (ii) a termination by AAMC as a result of our becoming regulated as an “investment company” under the Investment Company Act, or (iii) a termination by AAMC if we default in the performance of any material term of the asset management agreement (subject to a notice and cure period).

The termination fee will be equal to three (3) times the average annual incentive management fee earned by AAMC during the prior 24-month period immediately preceding the date of termination, calculated as of the end of the most recently completed fiscal quarter prior to the date of termination.

Stock Option Plans

Separation Plans

In connection with our separation from Altisource, we adopted the 2012 Conversion Option Plan and the 2012 Special Option Plan. In order to effect the exchange ratio in connection with the separation, we issued options to purchase 809,240 shares of our common stock with a weighted average exercise price of \$2.33 per share at December 31, 2012 under the Conversion Option Plan to Altisource employees holding Altisource stock options immediately prior to the separation, including options to purchase 10,011 shares to Mr. Pandey and options to purchase 298,242 shares to Mr. Erbey. We also issued options to purchase 210,184 shares of our common stock with a weighted average exercise price of \$1.15 per share at December 31, 2012 under the Special Option Plan to non-employee holders of Altisource stock options receiving shares in the separation. Because the options were granted as part of the separation to holders of Altisource stock options, no share-based compensation related to these options is included in our consolidated financial statements. No additional shares of common stock are issuable under either the 2012 Conversion Option Plan or the 2012 Special Conversion Option Plan.

Director Equity Plan

We adopted the 2013 Director Equity Plan to promote our interests by attracting and retaining qualified and experienced individuals for service as non-employee directors. The 2013 Director Equity Plan is administered by our Board of Directors. The total number of shares of common stock available for issuance under the 2013 Director Equity Plan was set at 100,000. In June 2013, we issued an aggregate of 4,265 shares of Residential's common stock to our directors for their service on the Board of Directors from January 24, 2013 until our annual meeting of stockholders on May 29, 2013. We have 95,725 shares remaining available for issuance under the 2013 Director Equity Plan.
