PART III — NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR or the transition report or portion thereof, could not be filed within the prescribed time period.

Centric Brands Inc. (the "Company") is unable to file, without unreasonable effort and expense, its Annual Report on Form 10-K for the fiscal year ended December 31, 2018 (the "2018 Form 10-K") because the Company was unable to complete the preparation of its consolidated year-end financial statements within the prescribed time period as a result of delays in consolidating into the Company's financial statements the results of operations of the previously announced acquisition of a significant portion of Global Brands Group Holding Limited's North American licensing business which occurred on October 29, 2018 (the "Business"). As a result, the Company has also experienced delays in its completion of the audit of its financial statements for the year ended December 31, 2018 due to the complexity and significant scope of work required to account for the Business as well as efforts related to preparing the Item 9.01 financial statements required to be filed on the Form 8-K/A noted below reflecting the acquisition of the Business. In accordance with Rule 12b-25 of the Securities Exchange Act of 1934, the Registrant will file its Form 10-K no later than the fifteenth calendar day following the prescribed due date.

preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If the answer is no, identify report(s). Yes No

The Company did not timely file its Amended Current Report on Form 8-K/A to include Item 9.01 financial statements with respect to the acquisition of the Business. The Company expects to file its Amended Current Report on Form 8-K/A as soon as practicable and immediately prior to the filing of the 2018 Form 10-K.

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes No

If so: attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

As a result of the acquisition of the Business on October 29, 2018 described in Part III of this form above, the Registrant's results of operations for the fourth quarter and full year-ended December 31, 2018 will be significantly different than its results of operations from the corresponding period in the prior fiscal year. The Company's results of operations for the quarter and year ended December 31, 2018 will include the results of the Business from October 29, 2018 through December 31, 2018. Because of the reasons described in Part III above, the Company is unable to provide a reasonable quantitative estimate of the changes in the results of operations, or the significance thereof, from the corresponding period for the last fiscal year.
