PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS

To Be Held On February 25, 2015

We are sending you our proxy materials in connection with the solicitation of the enclosed proxy by the Board of Directors of Sirona Dental Systems, Inc. (the “Company”) for use at the 2014 Annual Meeting of Stockholders, and at any adjournments thereof.

Attending the Annual Meeting

The Annual Meeting will be held on February 25, 2015, at 11:00 a.m., at the offices of Latham & Watkins LLP, 330 North Wabash Avenue, Chicago, Illinois 60611 to consider the matters set forth in the Notice of Annual Meeting of Stockholders. This Proxy Statement and the form of proxy enclosed are being mailed to stockholders with the Company’s Annual Report to Stockholders commencing on or about January 29, 2015.

Stockholders Entitled to Vote

Only stockholders of record of the Common Stock, par value \$0.01 per share, of the Company (the “Common Stock”) at the close of business on January 23, 2015 will be entitled to vote at the Annual Meeting. As of that date, a total of 55,569,599 shares of Common Stock were outstanding, each such share being entitled to one vote. Shares of Common Stock owned by the Company are not entitled to vote at the Annual Meeting. There is no cumulative voting.

Quorum

The presence, at the commencement of the Annual Meeting, in person or by proxy of the holders of a majority of the issued and outstanding shares of Common Stock of the Company will constitute a quorum for the transaction of business at the Annual Meeting. If, however, a quorum is not present or represented at the Annual Meeting, the stockholders entitled to vote thereat, present in person or by proxy, may adjourn the Annual Meeting, without notice other than announcement at the Annual Meeting, until a quorum shall be present or represented.

Shares owned by the Company do not count for quorum purposes and are not entitled to vote at the Annual Meeting. In order to assure the presence of a quorum at the Annual Meeting, please submit a proxy to vote your shares in accordance with the instructions described above, even if you plan to attend the Annual Meeting. Abstentions and broker non-votes are counted as present for purposes of establishing a quorum. A “broker non-vote” occurs when a broker or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker or nominee does not have discretionary voting power and has not received instructions from the beneficial owner.

Street Name Holders and Record Holders

If you own shares through a broker, the registered holder of those shares is the broker or its nominee. Such shares are often referred to as held in “street name,” and you, as the beneficial owner of those shares, do not appear in our stock register. For street name shares, there is a two-step process for distributing our

TABLE OF CONTENTS

proxy materials and tabulating votes. Brokers inform us how many of their clients own Common Stock in street name, and the broker forwards our proxy materials to those beneficial owners. If you receive our proxy materials, including a voting instruction card, from your broker, you should vote your shares by following the procedures specified on the voting instruction card. Shortly before the Annual Meeting, your broker will tabulate the votes it has received and submit a proxy card to us reflecting the aggregate votes of the street name holders. If you plan to attend the Annual Meeting and vote your street name shares in person, you should contact your broker to obtain a broker's proxy card and bring it to the Annual Meeting.

If you are the registered holder of shares, you are the record holder of those shares, and you should vote your shares as described below under "How Record Holders Vote."

How Record Holders Vote

If you are the registered holder of your shares, you can vote your shares in person at the Annual Meeting or you may submit a proxy to vote your shares. We recommend that you submit a proxy to vote your shares even if you plan to attend the Annual Meeting. You can always attend the Annual Meeting and revoke your proxy by voting in person. Attendance at the meeting, of itself, will not revoke a previously granted proxy.

There are three ways to vote by proxy:

- By telephone — You can submit a proxy to vote your shares by touch tone telephone by calling toll-free 1-877-456-7915 and following the instructions on our proxy card;

- By Internet — You can submit a proxy to vote your shares by Internet by going to the website <http://proxy.georgeson.com> and following the instructions on our proxy card; or

- By mail — You can submit a proxy to vote by mail by completing, signing, dating and mailing our enclosed proxy card.

By giving us your proxy, you are authorizing the individual named on our proxy card, the proxy, to vote your shares in the manner you indicate. You may submit a proxy to (i) vote for the election of all of our director nominees, (ii) withhold authority to vote for all of our director nominees, or (iii) vote for the election of one or more of our director nominees and withhold authority to vote for the other nominee(s), by so indicating on your proxy. You may submit a proxy to vote "FOR" or "AGAINST" or "ABSTAIN" from voting on the ratification of the appointment of KPMG as the Company's independent auditor for fiscal year ending September 30, 2015, the approval of the compensation of the Company's named executive officers as described in this Proxy Statement under "Other Information for the Annual Meeting of Sirona Dental Systems, Inc.'s Stockholders — Compensation of Executive Officers" and the adoption of the Long-Term Incentive Plan.

If you submit a proxy without indicating your instructions, your shares will be voted as follows:

FOR:

- The election of our two (2) director nominees;

- The ratification of the appointment of KPMG as the Company's independent auditor;

- The approval of the compensation of the Company's named executive officers as described in this Proxy Statement under "Other Information for the Annual Meeting of Sirona Dental Systems, Inc.'s Stockholders — Compensation of Executive Officers"; and

- The adoption of the Long-Term Incentive Plan.

Revocation of Proxies

A stockholder may revoke a proxy at any time prior to its exercise (i) by giving to the Company's Corporate Secretary a written notice of revocation of the proxy's authority, (ii) by submitting a duly elected proxy bearing a later date or (iii) by attending the Annual Meeting and voting in person.

2

TABLE OF CONTENTS

The Vote Necessary for Action to be Taken

The nominees for director for one-year terms will be elected, provided that they receive the affirmative vote of a plurality of the shares of Common Stock present at the Annual Meeting, whether in person or by proxy. This means that, if a quorum is present, the two nominees receiving the greatest number of votes will be elected to serve as directors. As a result, withholding authority to vote for a nominee, or abstentions, and broker non-votes with respect to the election of directors will not affect the outcome of the election of directors.

The affirmative vote of holders of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote on the proposal is required to approve (i) the ratification of the selection of our independent auditors, (ii) the advisory proposal on the compensation of the Company's named executive officers and (iii) the Long-Term Incentive Plan. An abstention with respect to any of these proposals will be treated as being present and entitled to vote on that proposal and, therefore, will have the effect of votes against the proposal. Brokers do not have discretionary authority to vote uninstructed shares on the advisory proposal on the compensation of the Company's named executive officers. Because that proposal must be approved by a majority of the shares of Common Stock present in person or by proxy at the Annual Meeting and entitled to vote on the matter, broker non-votes as to that proposal will have no effect on whether the proposal is approved.

Other Matters

As of the date of this Proxy Statement, the Board of Directors of the Company does not know of any business that will be presented for consideration at the Annual Meeting other than the matters described in this Proxy Statement. If any other matters are properly brought before the Annual Meeting, the person named in the enclosed form of proxy will vote the proxies in accordance with such person's best judgment.

Beginning with this election, the members of each class will be elected to serve one-year terms. Prior to this election, the directors each were elected to serve three-year terms. Mr. David K. Beecken and Mr. Arthur D. Kowaloff are the directors in the class whose term expires at the Annual Meeting. The Board of Directors has approved the nomination of Mr. David K. The members of the two other classes of directors will continue in office for their existing terms. Following the Annual Meeting, the Board will be composed of seven members divided into the three classes. A plurality of the shares of Common Stock present and voting at the Annual Meeting is necessary to elect the nominees for director. With regards to uncontested elections, our Board has adopted a policy that in the event a nominee receives a greater number of “WITHHELD” votes than votes “FOR” his or her election, such nominee shall tender his or her written resignation to the Board of Directors, and the Nominating and Corporate Governance Committee shall then make a recommendation to the Board of Directors as to whether to accept or reject the resignation. The Board of Directors will act on the Nominating and Corporate Governance Committee’s recommendation and publicly disclose its decision and the reasons for it within 90 days from the date that the election results are certified.

The person named as proxy in the enclosed form of proxy will vote the proxies received by them for the election of Mr. David K. Beecken and Mr. Arthur D. Kowaloff unless otherwise directed. In the event that any of the nominees become unavailable for election at the Annual Meeting, the person named as proxy in the enclosed form of proxy may vote for a substitute nominee in their discretion as recommended by the Board.

Board Committees and Meetings

During fiscal 2014, the Board held eight meetings. At all Board meetings our independent directors meet separately without management present. All of the then current members of our Board attended the 2013 annual meeting of stockholders. The Company has no policy regarding director attendance at its Annual Meeting. A majority of the Board, consisting of Messrs. Beecken, Hood, Jetter, Kowaloff, Kraemer and Sullivan are “independent directors”, as such term is defined in Rule 5605(a)(2) of the NASDAQ Listing Rules. The following table provides membership information as of September 30, 2014 for the Audit, Compensation and Nominating and Corporate Governance committees of our Board:

Committee Chairperson

Below is a description of the Audit, Compensation, Nominating and Corporate Governance and Finance committees of our Board and information regarding committee meetings held in fiscal 2014.

Audit Committee. Our Audit Committee is currently composed of three directors, Messrs. Beecken (who serves as Chairman), Hood and Kowaloff, all of whom are independent directors as such term is defined in Rule 5605(a)(2) of the NASDAQ Listing Rules, and as required by the Audit Committee Charter. In addition, our Board has determined that each of Messrs. Hood and Kowaloff is an “audit committee financial expert,” as defined by the U.S. Securities and Exchange Commission (the “SEC”).

The primary function of the Audit Committee is to serve as an independent and objective party to oversee our accounting and financial reporting processes and internal control system; to pre-approve all auditing and non-auditing services to be provided by our independent auditor; to review and oversee the audit efforts of our independent auditor; and to provide an open avenue of communication among the independent auditor, financial and senior management and our Board. The Audit Committee has responsibility and authority, among other matters, to review with our management any financial information filed with the SEC or disseminated to the public; to establish and maintain procedures for receiving and treating complaints regarding accounting, internal accounting controls and auditing matters, and for the confidential anonymous submission by employees of concerns regarding these matters; to appoint, determine funding for and oversee our independent auditor; to review, in consultation with the independent auditor and our accounting personnel, the integrity of our financial reporting processes; and to review in advance any proposed transaction between us and any related party. A copy of our Audit Committee Charter can be found on our corporate website at www.sirona.com. The Audit Committee met eight times during the fiscal year ended September 30, 2014.

Compensation Committee. Our Compensation Committee is currently composed of four directors, Messrs. Sullivan (who serves as Chairman), Hood, Kowaloff and Kraemer, all of whom are independent directors as such term is defined in Rule 5605(a)(2) of the NASDAQ Listing Rules, and as required by the Compensation Committee Charter. The Compensation Committee is comprised solely of independent directors. The Compensation Committee has oversight responsibility relating to the compensation of our executive officers and directors and the administration of awards under our 2006 Equity Incentive Plan. In August 2011, our Board expanded the number of members of the

Compensation Committee from three to four directors. On July 1, 2013, the Board amended and restated our Compensation Committee Charter to expand the responsibilities, duties and authority of the Compensation Committee in compliance with the

9

new NASDAQ Listing Rules related to compensation committees. In particular, under the amended and restated Compensation Committee Charter, the Compensation Committee (i) has the authority, in its sole discretion, to retain or obtain the advice of a compensation consultant, legal counsel or other adviser, (ii) is directly responsible for the appointment, compensation and oversight of the work of any compensation consultant, legal counsel and other adviser, (iii) will receive appropriate funding, as determined by the Compensation Committee, for payment of reasonable compensation to a compensation consultant, legal counsel or any other adviser; and (iv) will select, or receive advice from, a compensation consultant, legal counsel or other adviser, other than in-house legal counsel, only after taking into consideration factors related to the independence of such compensation consultant, legal counsel or other adviser, as required by the NASDAQ Listing Rules. A copy of our amended and restated Compensation Committee Charter can be found on our corporate website at www.sirona.com. The Compensation Committee met seven times during the fiscal year ended September 30, 2014.

Compensation Committee Interlocks and Insider Participation. No member of the Compensation Committee is an officer or employee, or former officer or employee, of our Company or any of our subsidiaries. No interlocking relationship existed during the fiscal year ended September 30, 2014 between the members of our Board or Compensation Committee and the board of directors or compensation committee of any other company, nor have any other “compensation committee interlocks” existed in the past.

Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee is currently composed of four directors, Messrs. Kraemer (who serves as Chairman), Jetter, Kowaloff and Sullivan, all of whom are independent directors as such term is defined in Rule 5605(a)(2) of the NASDAQ Listing Rules, and as required by the Nominating and Corporate Governance Charter. The Nominating and Corporate Governance Committee is comprised solely of independent directors. The former Nominating Committee was established by resolution of our Board on August 3, 2004. On July 30, 2010, our Board replaced the Nominating Committee with the Nominating and Corporate Governance Committee and reduced the number of members of the Nominating and Corporate Governance Committee to four directors. The functions of the Nominating and Corporate Governance Committee are to (i) establish criteria for selecting candidates for nomination to our Board and actively seek candidates who meet those criteria, (ii) recommend nominees to our Board and (iii) advise the Board on corporate governance matters and Board performance matters. The Nominating and Corporate Governance Committee will consider director candidates who have relevant business experience, are accomplished in their respective fields and who possess the skills and expertise to make a significant contribution to our Board, us and our stockholders. Director nominees should have relevant business or other experience, knowledge about issues affecting us and the ability and willingness to apply sound and independent business judgment. The Company’s Corporate Governance Guidelines provide that directors should be selected so that the Board is a diverse body, with diversity reflecting gender, ethnic background, country of citizenship and professional experience. The Nominating and Corporate Governance Committee does not discriminate on the basis of race, gender or ethnicity. The Nominating and Corporate Governance Committee will establish procedures by which it will exercise oversight of the evaluation of the Board and management. The Nominating and Corporate Governance Committee will also establish procedures for the Board, on at least an annual basis, to evaluate the Board’s performance and to make any recommendations to the Board that the Committee deems appropriate regarding improvements of the Board’s operations. The Nominating and Corporate Governance Committee will consider nominees for election or appointment to our Board that are recommended by stockholders, provided that a complete description of the nominees’ qualifications, experience and background, together with a statement signed by each nominee in which he or she consents to act as such, accompanies the recommendations. Such recommendations should be submitted in writing to the attention of the Nominating and Corporate Governance Committee, c/o Corporate Secretary, Sirona Dental Systems, Inc., 30-30 47th Avenue, Suite 500 Long Island City, NY 11101 and should not include self-nominations. A copy of our Nominating and Corporate Governance Committee Charter can be found on our corporate website at www.sirona.com. The Nominating and Corporate Governance Committee met four times in the fiscal year ended September 30, 2014.

Attendance at Board and Committee Meetings. Each of our directors attended all meetings of the Board during the fiscal year ended September 30, 2014. In addition, each of our directors attended all meetings held by all committees of the Board on which such director served during the fiscal year ended September 30, 2014.

Corporate Governance Guidelines

The Board of Directors adopted Corporate Governance Guidelines, a copy of which is available on our Internet website at www.sirona.com. Our Corporate Governance Guidelines address topics such as (i) the role and responsibilities of the Board of Directors, (ii) the definition of independence, (iii) the selection of Board of Director nominees, (iv) Board membership criteria, (v) Board leadership, (vi) Board meetings, (vii) committees, (viii) director compensation, (ix) orientation and continuing education of directors, (x) management development and succession planning, (xi) attendance of directors at the Annual Meeting of Stockholders, (xii) directors' access to management and independent advisors, (xiii) evaluation of the Board of Directors and committees and (xiv) submission of director resignations. The Corporate Governance Guidelines were revised in fiscal 2013 with the following changes: we included a director resignation policy which states that any nominee for director in an uncontested election who receives a greater number of votes "withheld" from his or her election than votes "for" such election is required to tender his or her resignation to the Board of Directors, and we added the position of senior independent director, who will be appointed annually by the independent directors, and who is responsible for presiding at all meetings of the Board at which the Chairman is not present, including executive sessions of the independent directors.

The Board of Directors also adopted Stock Ownership Guidelines to ensure that the interests of the executive officers and directors are aligned with those of stockholders. The individual stock ownership guideline level for each executive officer is equal to the number of shares equivalent to: (i) six (6) times the annual base salary for the Chief Executive Officer; or (ii) one (1) times the annual base salary of any executive officer other than the Chief Executive Officer. The individual stock ownership guideline level for each director is equal to the number of shares equivalent to five (5) times the annual cash retainer payable to such director. In addition to the ownership guidelines, each executive officer and director is required to retain an amount equal to 50% of the net shares received as a result of the exercise, vesting or payment of any Company granted equity until such time as the ownership guideline is met. A copy of the Stock Ownership Guidelines is available on our Internet website at www.sirona.com.

Code of Ethics

On June 2, 2004, by resolution of our Board, we adopted a code of ethics governing the conduct of our personnel, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. A copy of the current code of ethics is available on our website at www.sirona.com. In addition, a free copy of the code may be obtained by stockholders upon request by contacting Jonathan Friedman, General Counsel of the Company, at (718) 482-2011.

In the event that any amendment is made to the code of ethics, and such amendment is applicable to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions, we shall disclose the nature of any such amendment on our website within four business days following the date of the amendment. In the event that we grant a waiver, including an implicit waiver, from a provision of the code of ethics, to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions, we shall disclose the nature of any such waiver, including the name of the person to whom the waiver is granted and the date of such waiver, on our website within four business days following the date of the waiver. Our website address is www.sirona.com.

Stockholder Communications with the Board of Directors

Historically, we have not adopted a formal process for stockholder communications with our Board. Nevertheless, every effort has been made to ensure that the views of stockholders are heard by our Board or individual directors, as applicable, and that appropriate responses are provided to stockholders in a timely

TABLE OF CONTENTS

manner. We believe our responsiveness to stockholder communications to our Board has been excellent, and to date, we have not considered it necessary to adopt a formal process. Nevertheless, during the upcoming year the Board will continue to monitor whether it would be appropriate to adopt a formal process for stockholder communications with the Board.

Report of the Audit Committee of the Board of Directors

In executing its responsibilities, the Audit Committee has reviewed and discussed our audited financial statements with our management. The Audit Committee has also discussed with the Company's independent auditor the overall scope and plans for their audits of the Company. Furthermore, the Audit Committee has discussed with our independent auditor the matters required to be discussed by SAS 61, as amended. In addition, the Audit Committee has received written disclosures and a letter from our independent auditor delineating all relationships between them and us, consistent with the applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor's communications with the Audit Committee concerning independence, and has discussed with them matters pertaining to their independence. The Audit Committee also considered whether the additional services unrelated to audit services performed by KPMG during the fiscal year ended September 30, 2014 were compatible with maintaining their independence in performing their audit services. In addition, the Audit Committee met with the independent auditor, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. Based upon the reviews and discussions referred to above, the Audit Committee recommended to our Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended September 30, 2014 for filing with the SEC. The Audit Committee and Board of Directors have also recommended the selection of KPMG as our independent auditor for the fiscal year ending September 30, 2015. Leadership Structure

Our Board is committed to adopting governance policies and practices that promote the most effective and ethical management of the Company. In addition, the Board believes that it is important to retain flexibility to determine the Company's optimal leadership structure and to choose the best qualified person(s) to serve in the roles of Chief Executive Officer and Chairman of the Board. Consequently, after our former Chairman and Chief Executive Officer, Mr. Fischer, retired in February 2013, the Board determined that the designation of an independent, Non-Executive Chairman represented the optimal leadership structure for the Company. The directors believe that this role provides the Board with independent leadership and allows Mr. Slovin, the Company's Chief Executive Officer, to concentrate on the Company's business operations. Therefore, Mr. Jetter, who served as a director since April 2010, was appointed to the role of Non-Executive Chairman of the Board following our Annual Meeting on February 20, 2013.

We recognize that different board leadership structures may be appropriate for companies in different situations and believe that no one structure is suitable for all companies. Because the leadership structure that is appropriate for a company can also change over time, we intend to review our leadership structure annually to determine if it is the most appropriate one for the Company.

Risk Oversight

Our Board is responsible for overseeing the Company's risk management process. The Board focuses on the Company's general risk management strategy, the most significant risks facing the Company, and ensures that appropriate risk mitigation strategies are implemented by management. The Board is also apprised of particular risk management matters in connection with its general oversight and approval of corporate matters.

TABLE OF CONTENTS

The Board has delegated to the Audit Committee oversight of the Company's risk management process. Among its duties, the Audit Committee (a) reviews with management Company policies with respect to risk assessment and management of risks that may be material to the Company, including the risk of fraud, (b) reviews the integrity of the Company's financial reporting processes, both internal and external, including reviewing management's report on its assessment of the effectiveness of internal control over financial reporting as of the end of each fiscal year, (c) reviews the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures and (d) the Company's compliance with legal and regulatory requirements. The Audit Committee is also responsible for reviewing major legislative and regulatory developments that could materially impact the Company's contingent liabilities and risks. Our other Board committees also consider and address risk as they perform their respective committee responsibilities. All committees report to the full Board as appropriate, including when a matter rises to the level of a material or enterprise level risk.

The Company's management is responsible for day-to-day risk management. Our Internal Audit area serves as the primary monitoring and testing function for company-wide policies and procedures, and manages the day-to-day oversight of the risk management strategy for the ongoing business of the Company. This oversight includes identifying, evaluating, and addressing potential risks that may exist at the enterprise, strategic, financial, operational, and compliance and reporting levels.

We believe the division of risk management responsibilities described above is an effective approach for addressing the risks facing the Company and that our Board leadership structure supports this approach.

TABLE OF CONTENTS**PROPOSAL 2 — RATIFICATION OF THE SELECTION OF INDEPENDENT AUDITOR**

The Audit Committee of our Board has selected KPMG as independent auditor for the fiscal year ending September 30, 2015 and has further directed that management submit the selection of independent auditor for ratification by the stockholders at the Annual Meeting. A proposal to ratify the appointment of KPMG will be presented at the Annual Meeting. Representatives of KPMG are expected to be present at the Annual Meeting, and will have an opportunity to make a statement if they desire to do so and will be available to answer questions from stockholders. KPMG was the Company's independent auditor during the fiscal year ended September 30, 2014. Neither our By-laws nor other governing documents or law require stockholder ratification of the selection of KPMG as our independent auditor. However, the Board of Directors is submitting the selection of KPMG to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent auditor at any time during the year if it determines that such a change would be in the best interests of us and our stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the selection of KPMG.

Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy and procedures for the pre-approval of audit and non-audit services rendered by our independent auditor KPMG. The policy generally pre-approves specified services in the defined categories of audit services, audit-related services and tax services up to specified amounts. Pre-approval may also be given as part of our Audit Committee's approval of the scope of the engagement of the independent auditor or on an individual explicit case-by-case basis before the independent auditor is engaged to provide each service. The pre-approval of services may be delegated to one or more of our Audit Committee members, but the decision must be reported to the full Audit Committee at its next scheduled meeting. All audit-related services for fiscal 2014 and 2013 were pre-approved by the Audit Committee.

The Audit Committee has determined that the rendering of the services, other than the audit services, by KPMG, is compatible with maintaining the principal accountant's independence.

PROPOSAL 3 — ADVISORY VOTE ON APPROVAL OF THE COMPENSATION OF THE COMPANY’S NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT UNDER “OTHER INFORMATION FOR THE ANNUAL MEETING OF SIRONA DENTAL SYSTEMS, INC.’S STOCKHOLDERS — COMPENSATION OF EXECUTIVE OFFICERS”

The Board of Directors believes that the Company’s compensation policies and procedures are centered on a pay-for-performance culture and are strongly aligned with the long-term interests of stockholders. You are urged to read the Compensation Discussion and Analysis section of this Proxy Statement for additional details on the Company’s executive compensation, including the Company’s philosophy and objectives and the 2014 compensation of the named executive officers.

Congress enacted legislation requiring a non-binding advisory “say-on-pay” vote on executive compensation beginning in 2011. In light of the results of the stockholder’s non-binding advisory vote at the Annual Meeting of the Stockholders for the fiscal year ended in 2010 (the “2010 Annual Meeting”) with respect to the frequency with which stockholders will vote for the approval of the compensation of the Company’s named executive officers, the Company currently intends to hold an annual non-binding advisory vote on such named executive officer compensation. This proposal gives you as a stockholder the opportunity to endorse or not endorse our executive pay program through the following resolution:

“Resolved, that the stockholders approve, on an advisory basis, the compensation of the Company’s named executive officers as disclosed in this Proxy Statement.”

As an advisory vote, this proposal is non-binding. However, the Board of Directors and the Compensation Committee value the opinions of stockholders and will consider the outcome of the vote when making future compensation decisions for the named executive officers.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE COMPENSATION OF THE COMPANY’S NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT UNDER “OTHER INFORMATION FOR THE ANNUAL MEETING OF SIRONA DENTAL SYSTEMS, INC.’S STOCKHOLDERS — COMPENSATION OF EXECUTIVE OFFICERS”.

PROPOSAL 4 — TO APPROVE THE 2015 LONG-TERM INCENTIVE PLAN

The stockholders are being asked to approve the 2015 Long-Term Incentive Plan (the “2015 Plan”). The 2015 Plan was adopted by the Board on January 19, 2015, subject to approval by our stockholders at the Annual Meeting. The 2015 Plan is intended to replace our 2006 Plan, which will otherwise expire next year. If the 2015 Plan is approved, no further awards will be made under the 2006 Plan, and the 2015 Plan will be the only plan that would allow us to issue stock-based incentive awards. If the 2015 Plan is not approved, we will still be able to issue awards under our 2006 Plan until it expires in 2016; however, the number of shares still available for awards under the 2006 Plan is not even sufficient to meet our needs for 2015. Approval of the 2015 Plan is also necessary in order to enable us to grant future equity incentive awards that qualify for the performance-based compensation exemption from the deduction limitations of Section 162(m) of the Code.

The Board believes that long-term equity incentive compensation is a necessary and key component of our overall compensation philosophy. The 2015 Plan (which, if approved, would be our only equity incentive plan going forward) would allow us to issue various forms of equity-based incentive compensation to our employees and other eligible personnel, including performance-based equity awards. Our ability to grant equity-based incentive compensation under the 2015 Plan will enable us to meet several objectives that are important to the success and growth of our business, including, for example, fostering an ownership mentality that aligns the interests of our management and other personnel with those of our stockholders, and enabling us to attract, motivate, reward and retain talented individuals whose skills, experience and efforts are essential to the continuing success and development of our business and the enhancement of stockholder value. The Board also believes that, if the 2015 Plan is not approved, we will lose an indispensable part of our compensation program and will face serious challenges to our ability to attract and retain management and other key personnel which, if not otherwise addressed, would adversely affect our business. In short, the Board believes strongly that approval of the 2015 Plan is in the best interests of the Company and our stockholders and that, if the 2015 Plan is not approved, our business and the interests of our stockholders will be harmed.

A general description of the principal terms of the 2015 Plan adopted by the Board is set below. This description is qualified in its entirety by the terms of the 2015 Plan set forth in Appendix A.

Eligibility for Participation. The 2015 Plan permits the grant of incentive stock options, within the meaning of Section 422 of the U.S. Internal Revenue Code of 1986, as amended (the “Code”), to our and any of our subsidiaries’ employees, and the grant of non-qualified stock options, stock appreciation rights, restricted stock, restricted stock units, other forms of equity-based awards and performance-based cash incentive awards to our and any of our subsidiaries’ employees, directors, consultants and advisers.

Authorized Shares; Award Limitations. The Company may issue up to 6,825,000 shares of our common stock pursuant to awards made under the 2015 Plan. For this purpose, each share issued pursuant to a restricted stock, restricted stock unit or other full-value award will be counted as 2.30 shares, and the total number of shares covered by an award of stock appreciation rights (and not just the number of shares issued in settlement of such award) will be deemed to have been issued under the 2015 Plan. No more than 1,000,000 shares may be issued pursuant to awards granted to any individual (other than a non-employee director) in any calendar year; and no more than 250,000 shares may be issued pursuant to awards granted to any non-employee director in any calendar year. The maximum cash incentive award that may be made to any individual under the 2015 Plan for any calendar year is \$10,000,000. The above share limitations will be subject to adjustment in the event of certain capital changes, such as a stock split or a stock dividend. The following unissued shares covered by awards granted under the 2015 Plan will remain available for issuance under new awards: (a) shares covered by an option or stock appreciation right that is forfeited or otherwise terminated or canceled for any reason other than exercise; (b) shares covered by restricted stock, restricted stock unit or other awards that are forfeited; and (c) shares covered by an award that is settled in cash or that otherwise terminates without shares being issued.

Administration. In general, the Compensation Committee of the Board will be responsible for administering the 2015 Plan. Subject to the terms of the 2015 Plan, the Compensation Committee (or its designee) may select the persons who will receive awards, the types of awards to be granted, the purchase price (if any) to be paid for shares covered by the awards, and the vesting, forfeiture and other terms and conditions of the awards, and will have the authority to make all other determinations necessary or advisable for the administration of the 2015 Plan.

TABLE OF CONTENTS

Stock Options. The Compensation Committee may grant stock options under the 2015 Plan pursuant to which a participant may purchase shares of our common stock subject to such vesting and other terms and conditions as the Compensation Committee may prescribe. Stock options granted under the Plan may be classified as “incentive stock options” (within the meaning of Section 422 of the Code) or as non-qualified options (i.e., options which do not qualify as “incentive stock options”). The exercise price of any stock option granted under the 2015 Plan must be at least equal to the fair market value of our common stock on the date the option is granted (110% of fair market value in the case of “incentive stock options” granted to ten percent stockholders). The maximum term of an option granted under the 2015 Plan is ten years (five years in the case of “incentive stock options” granted to ten percent stockholders).

Stock Appreciation Rights. The Compensation Committee may grant stock appreciation rights under the 2015 Plan, subject to such vesting and other terms and conditions as the Compensation Committee may prescribe. A stock appreciation right allows the participant to receive payment, in cash and/or shares of our common stock, equal to the appreciation in the fair market value of our common stock between the date the stock appreciation right is granted and the date it is exercised. The maximum term of a stock appreciation right granted under the 2015 Plan is ten years.

Restricted Stock. The Compensation Committee may grant restricted stock awards under the 2015 Plan, pursuant to which shares of our common stock are issued to the participant subject to specified vesting and other conditions. Unless the Compensation Committee determines otherwise, a participant may vote shares of restricted stock and, subject to such vesting and other conditions as the Compensation Committee may impose, the participant may be entitled to dividends with respect to unvested restricted stock. In general, if the recipient of a restricted stock award terminates employment or service, any unvested shares will be forfeited.

Restricted Stock Units. The Compensation Committee may grant restricted stock units under the 2015 Plan. Restricted stock units represent the right to receive shares of our common stock in the future, subject to vesting and other terms and conditions prescribed by the committee. Vested restricted stock units may be settled in cash and/or shares of our common stock. The holder of restricted stock units may not vote the underlying shares before the units become vested and the shares are issued. The Compensation Committee may provide for the crediting of dividend equivalents with respect to restricted stock units (based upon dividends paid to our stockholders), subject to applicable vesting and payment conditions. In general, if the recipient of restricted stock units terminates employment or service, any unvested restricted stock units (and related dividend equivalents) will be forfeited.

Other Forms of Stock Award; Performance-Based Cash Incentive Awards. The Compensation Committee may grant other forms of awards under the 2015 Plan that are denominated or payable in, valued in whole or in part by reference to, or otherwise based upon or related to, shares of our common stock, including, for example, performance share awards, performance unit awards, stock bonus awards and dividend equivalent awards. Any such other awards will be settled in the form of cash and/or shares of our common stock and will be subject to the provisions of the 2015 Plan and any vesting and other terms and conditions prescribed by the Compensation Committee. In addition, the 2015 Plan authorizes the Compensation Committee to make annual and/or long-term cash incentive awards that are contingent on the achievement of pre-established performance goals and such other terms and conditions as the Compensation Committee may prescribe.

Performance Awards and Goals. The Compensation Committee may grant restricted stock, restricted stock unit, cash and other awards under the 2015 Plan that are intended to qualify as “performance-based compensation” that is exempt from the executive compensation deduction limitations of Section 162(m) of the Code. In general, a performance-based award made under the 2015 Plan may qualify for the performance-based compensation exemption if, among other things, the award is conditioned upon the attainment of objective performance goals that are pre-established by the Compensation Committee and that are based upon any one or more of the following performance factors: (a) net earnings or net income (before or after taxes); (b) basic or diluted earnings per share (before or after taxes); (c) pre- or after-tax income (before or after allocation of corporate overhead and bonus); (d) operating income (before or after taxes); (e) revenue, net revenue, net revenue growth or product revenue growth; (f) gross profit or gross profit growth; (g) net operating profit (before or after taxes); (h) earnings, including earnings before or after

taxes, interest, depreciation and/or amortization; (i) return measures (including, but not limited to, return on assets, net assets, capital, total capital, tangible capital, invested capital, equity, sales, or total stockholder return); (j) cash flow (including, but not limited to, operating cash flow, free cash flow, cash flow return on capital, cash flow return on investment, and cash flow per share (before or after dividends)); (k) margins, gross or operating margins, or cash margins; (l) share price (including, but not limited to, growth measures, market capitalization and/or total stockholder return); (m) expense or cost targets; (n) objective measures of customer satisfaction; (o) working capital targets; (p) measures of economic value added, or economic value-added models or equivalent metrics; (q) inventory control; (r) net sales; (s) debt targets; (t) stockholder equity; or (u) implementation, completion or attainment of measurable objectives with respect to new store openings, acquisitions and divestitures, and recruiting and maintaining personnel. In establishing performance goals with respect to an award intended to qualify for the performance-based compensation exemption under Section 162(m) of the Code, performance factors listed above may be expressed solely by reference to our performance and/or the performance of any one or more subsidiaries and/or the performance of any of our or any subsidiary's divisions, business segments or business units, and may be based upon comparisons of any of the indicators of performance relative to other companies (or subsidiaries, divisions, business segments or business units of other companies). Subject to compliance with the Treasury regulations under Section 162(m) of the Code, the Compensation Committee may adjust performance goals as necessary or appropriate in order to account for changes in law or accounting or to reflect the impact of extraordinary or unusual items, events or circumstances which, if not taken into account, would result in windfalls or hardships that are not consistent with the intent and purposes of an award, including without limitation (a) restructurings, discontinued operations, extraordinary items, and other unusual or non-recurring charges, (b) an event either not directly related to the operations of the Company or not within the reasonable control of the Company's management, (c) acquisitions and divestitures, or (d) changes in generally accepted accounting principles.

Transferability of Awards. In general, awards made under the 2015 Plan may not be transferred or assigned, except as may be permitted by the Compensation Committee.

Recoupment of Awards. The 2015 Plan provides that shares and/or cash distributed pursuant to awards made under the 2015 Plan are subject to any Dodd-Frank recoupment (clawback) requirements and recoupment (clawback) policies we may have in place.

No Repricing of Awards. Options and stock appreciation rights granted under the 2015 Plan may not be re-priced and may not be purchased or exchanged for cash, shares or other property or awards without the approval of our stockholders.

Payment of Exercise Price and Tax Withholding. In general, the exercise price under a stock option and tax withholding obligation resulting from the exercise or settlement of an award may be satisfied in cash and/or in such other ways as the Compensation Committee may permit, including, for example, by the participant's delivery to of previously-owned shares, broker-assisted cashless exercise or by our issuing net shares pursuant to which we hold back shares that would otherwise be issued in connection with such exercise or settlement.

Change in Control. If a "change in control" (as defined in the 2015 Plan) occurs, the parties to the change in control transaction can agree that outstanding 2015 Plan awards will be converted into economically equivalent awards for securities of the acquiring or successor company and continued on substantially the same vesting and other terms and conditions as the original 2015 Plan award. The 2015 Plan also contains a "double trigger" vesting provision pursuant to which vesting of a converted award will accelerate if the holder's employment with the acquiring or successor company is involuntarily terminated (as described in the 2015 Plan) within two years after the date of the change in control. If an outstanding 2015 Plan award is not assumed or substituted by the acquiring or successor company, however, the award will become fully vested and canceled immediately before the change in control transaction based upon the transaction value of the shares covered by the award.

Amendment and Termination. The Board may amend or terminate the 2015 Plan, provided such action does not have a material adverse effect on any then outstanding awards. Amendments to the 2015 Plan will be subject to stockholder approval if such approval is necessary in order to satisfy applicable legal or stock exchange listing requirements.

TABLE OF CONTENTS

Term of the 2015 Plan. The Board adopted the 2015 Plan on January 19, 2015, subject to approval by our stockholders at the 2014 Annual Meeting. The 2015 Plan (if it is approved by our stockholders) will terminate on the tenth anniversary of the date of its adoption by our Board. If the 2015 Plan is approved by our stockholders, no further awards will be made under our 2006 Plan. If the 2015 Plan is not approved by our stockholders, then our 2006 Plan will continue in effect until it expires, and awards may be granted thereunder in accordance with its terms.

Certain U.S. Income Tax Consequences. Set forth below is a summary of material U.S. income tax consequences applicable to awards made under our 2015 Plan. This discussion is intended for general informational purposes and not as tax guidance to any participant who may receive an award under the 2015 Plan.

Non-qualified Stock Options

A non-qualified stock option is an option that does not qualify as an “incentive stock option” under Section 422 of the Code. The grant of a nonqualified stock option is not a taxable event. In general, a participant who exercises a nonqualified stock option will realize ordinary income on the date the option is exercised equal to the excess of the value of the shares acquired on that date and the option exercise price paid for the shares, and we will be entitled to a corresponding deduction. The participant’s tax basis for the shares will be equal to the value of the shares on the date the option is exercised, and the participant’s holding period for the shares will begin on that date. Gain or loss on a subsequent sale of the shares will be long- or short-term capital gain or loss, depending on whether the sale occurs more than one year after the participant’s holding period begins.

Incentive Stock Options

In general, no taxable event will occur upon either the grant or exercise of an option that qualifies as an “incentive stock option” under Section 422 of the Code (although the exercise may have alternative minimum tax consequences to the participant). A participant will realize taxable income (or loss) when shares acquired upon the exercise of an “incentive stock option” are subsequently sold. If the participant sells the shares more than two years after the date the option is granted and more than one year after the date the option is exercised, any gain or loss realized on the sale will be long-term capital gain or loss, and we will not be entitled to a deduction. If the participant sells the shares before the end of either of those two holding periods, any gain realized on the sale will be taxable as ordinary income to the extent that the value of the shares on the date the option is exercised exceeds the option exercise price paid for the shares, and any remaining gain will be capital gain. In general, we will be entitled to a deduction equal to any ordinary income realized by the participant upon the sale of the shares.

Stock Appreciation Rights

The grant of a stock appreciation right is not a taxable event. In general, a participant will realize ordinary income when a stock appreciation right is exercised, equal to the value of the shares of our common stock and/or the amount of cash received by the participant in connection with such exercise, and we will be entitled to a corresponding deduction.

Restricted Stock

In general, a participant who receives shares of restricted stock will not realize taxable income unless and until the shares become vested, at which time the participant will realize ordinary income equal to the then fair market value of the vested shares and we will be entitled to a corresponding deduction. The participant’s tax basis for the shares will be equal to their fair market value on the vesting date and, upon a subsequent sale of the vested shares, the participant will realize long- or short-term capital gain, depending on whether the sale occurs more than one year after the vesting date (when ordinary income was realized). A participant may make an early income election with 30 days after he or she receives shares of restricted stock, in which case the participant will realize ordinary income on the date the shares are received equal to the fair market value of the shares on that date, and we would be entitled to a corresponding deduction. If an early income election is made, no income would be realized if and when the shares become vested. Upon a subsequent sale of the shares, any gain or loss from the sale — equal to the difference between the selling

TABLE OF CONTENTS

price and the fair market value of the shares on the date they were granted — will be treated as long- or short-term capital gain or loss, depending on whether the sale occurs more than one year after the date the shares were issued to the participant (in the form of restricted shares).

Restricted Stock Units and Other Awards

In general, a participant who receives shares of our common stock and/or cash in settlement of a restricted stock unit award will realize ordinary income equal to the then value of the shares and/or cash he or she received, and we will have a corresponding deduction. Similarly, if a participant receives cash and/or shares pursuant to a performance unit, performance share or other form of award under Plan, he or she will realize ordinary income upon such receipt equal to the then fair market value of the shares and/or the amount of cash received, and we will be entitled to a corresponding deduction. The participant's tax basis in any such shares will generally be equal to the value of the shares on the date that ordinary income is realized, and the participant's tax holding period for the shares will generally begin on that date. Gain or loss on a subsequent sale of the shares will be long- or short-term capital gain or loss, depending on whether the sale occurs more than one year after the participant's holding period begins.

Section 162(m) of the Code

In general, Section 162(m) of the Code imposes a \$1 million deduction limit on compensation paid by a publicly held company to its chief executive officer and each of the company's three other most highly compensated named executive officers (other than the chief financial officer), unless certain performance-based requirements are met. It is anticipated that stock options and stock appreciation rights granted under the 2015 Plan will meet the performance-based requirements. In addition, the 2015 Plan contains provisions intended to allow the Compensation Committee to grant other forms of stock and cash awards that are intended to meet those performance-based requirements.

Vote Required and Board Recommendation

The affirmative vote of the holders of a majority of the shares of the Company's Common Stock, present or represented by proxy at the Annual Meeting and entitled to vote on the proposal, is required to approve the 2015 Plan. **THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE PROPOSAL TO ADOPT THE 2015 PLAN.**

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act, requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of our Common Stock and other of our equity securities. Specific due dates for these reports have been established, and we are required to disclose any failure to file by these dates during fiscal 2014. Our officers, directors and greater than 10% stockholders are required by the SEC regulations to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of such reports furnished to us and representations that no other reports were required, during the fiscal year ended September 30, 2014, all Section 16(a) filing requirements applicable to our officers, directors and greater than 10% beneficial owners were complied with.

Non-Executive Director Board Cash Retainer

- \$50,000 Annual Cash Retainer
- \$60,000: Additional Annual Cash Retainer for the Non-Executive Chairman (Total cash retainer = \$110,000)

- \$10,000: Corporate Governance and Nominating Committee Chairman
- \$7,500: Audit Committee Members

Say-on-Frequency and Say-on-Pay

Consistent with the desire of the stockholders (per the Say-on-Frequency vote in early 2011), we have adopted the practice of conducting an annual non-binding advisory vote on NEO compensation. The Compensation Committee has and will continue to monitor the results of the annual advisory Say-on-Pay proposal and incorporate such results as one of many factors considered in connection with the discharge of its responsibilities, although no such factor is assigned a quantitative weighting. Despite receiving near universal support for the our fiscal 2013 compensation program, we, in keeping with evolving corporate governance best practices, implemented certain changes to our compensation program (see Fiscal 2014 Executive Compensation and Governance Highlights).

Independent Compensation Consultant

Since October 2007, the Compensation Committee has retained PM&P to provide advice and recommendations with respect to the competitiveness of our executive and director compensation programs. The Compensation Committee directly engaged PM&P to conduct competitive market assessments for our NEO group in fiscal 2008, 2011, 2012, 2013 and 2014. Additionally, PM&P was also engaged to provide competitive market assessments of our Non-Employee Director Compensation program in fiscal 2008, 2011 and 2013. PM&P has never performed any services other than executive and director compensation consulting for us, and performed its services only on behalf of and at the direction of the Compensation Committee.

The Compensation Committee believes that there was no conflict of interest between the compensation consultant and the Compensation Committee during the year ended September 30, 2014. In reaching this conclusion, the Compensation Committee has analyzed whether the work of PM&P as a compensation consultant has raised any conflict of interest, taking into consideration the following factors: (i) the provision of other services to us by PM&P; (ii) the amount of fees from us paid to PM&P as a percentage of PM&P's total revenue; (iii) the policies and procedures of PM&P that are designed to prevent conflicts of interest; (iv) any business or personal relationship of PM&P or the individual compensation advisors employed by PM&P with any of our executive officers; (v) any business or personal relationship of the individual compensation advisors with any member of the Compensation Committee; and (vi) any of our stock owned by PM&P or the individual compensation advisors employed by PM&P. Our Named Executive Officers for Fiscal 2014:

Executive	Title	Comments
Slovin, J.	President & CEO	
Michel, U.	EVP, CFO	Mr. Michel was appointed CFO & EVP on October 14, 2013.
Friedman, J.	General Counsel & Secretary	
Petersohn, W.	EVP, Sales	
Berthan, R.	EVP, Operations	
Blank, S.	Former EVP, CFO	Ms. Blank's resignation as CFO & EVP was effective as of October 14, 2013.

Compensation Philosophy: We do business in a competitive and dynamic industry. Our continued success in such an environment depends, in large part, on our ability to attract and retain talented senior executives. In order to align the compensation delivered to these executives with stockholder interests, a significant portion (approximately 73% of total target compensation) is variable (short- and long-term incentives) and based on corporate performance. As a result, the Compensation Committee's compensation policies are designed to:

- (i) Provide a competitive level of compensation to attract and retain talented management;
- (ii) Reward senior executives for corporate performance;
- (iii) Align the interests of senior executives with our stockholders in order to maximize stockholder value;
- (iv) Motivate executive officers to achieve our business objectives; and
- (v) Reward individual performance.

To achieve these compensation objectives, the Compensation Committee has developed a compensation program for the NEOs generally consisting of base salary, annual cash bonus and long-term incentive compensation in the form of stock options, restricted shares/units and/or performance-contingent shares.

Target compensation levels for the NEOs approximate the market as follows:

- Base Salary: 55th percentile of Market
- Annual Cash Bonus: 65th percentile of Market
- Long-term Incentive: 65th percentile of Market

Base salary levels are positioned just above market median to account for our greater product complexity and broader geographic reach. However, as mentioned above, compensation is primarily driven by incentive awards tied to our performance. As in past years, the Compensation Committee continues to believe that the our growth targets justify positioning target incentive compensation (short- and long-term) at above-median levels.

The resulting target total compensation pay mix for the President and CEO, Jeffrey T. Slovin, is:

- Base Salary: 17%
- Annual Cash Bonus: 17%
- Long-term Incentive: 65%

The average total compensation pay mix for the other NEOs is structured to be:

- Base Salary: 28%
- Annual Cash Bonus: 19%
- Long-term Incentive: 54%

The Compensation Committee believes that placing heavier weight on long-term incentives helps ensure strong alignment with creating long-term value for stockholders.

Review of Market Data for Peer Companies

Compensation levels for our named executive officers are determined based on a number of factors, including a review of the compensation levels in the marketplace for similar positions. The Peer Group was generally consistent with the Peer Group established in 2007, but updated to take into account changes within the industries and our business. The current peer group (“Peer Group”) consists of the following companies:

Align Technology Inc.	Henry Schein Inc.	Nobel Biocare Holding AG†
CONMED Corporation	Hill-Rom Holdings, Inc.	Patterson Companies Inc.
The Cooper Companies Inc.	Hologic, Inc.	Resmed Inc.
DENTSPLY International Inc.	IDEXX Laboratories Inc.	Steris Corporation
Edward Lifesciences Corp.	Integra LifeSciences Holdings	Straumann Holding AG

*

NuVasive Inc., Orthofix International N.V. and Thoratec Corporation were removed from the peer group and Align

Technology, Edward Lifesciences, Hill-Rom Holdings and Hologic were added to better reflect our size and performance.

†

Acquired by Danaher Corporation on December 11, 2014.

Base Salaries (Short-term Fixed Pay)

The Compensation Committee generally reviews base salary levels on an annual basis and determines if increases are warranted to align with prevailing market levels. For fiscal 2014, increases for Mr. Petersohn and Mr. Friedman were made to better align with the market 55th percentile. Mr. Michel was hired as Executive Vice President and Chief Financial Officer of the Company in October 2013.

Non-Equity Performance Compensation (Short-Term Variable Pay)

The Compensation Committee believes that annual bonuses can serve an important function by adding a fiscal performance-based incentive to an executive's compensation package. To that end, we maintain a bonus program for the NEOs: the Executive Bonus Plan ("Executive Plan"). As discussed in more detail below, the Fiscal 2014 bonus program is based on the following metrics: Sales Growth (25%), Operating Income Margin (25%), Diluted EPS (25%) and Free Cash Flow (25%).

Executive Bonus Plan

The purpose of the Executive Plan is to provide to senior executive officers selected by the Compensation Committee cash bonus compensation that is (1) performance based and (2) competitive at target performance with the cash bonuses paid to similarly situated senior executives. The Compensation Committee annually determines target performance metrics based upon budgetary estimates of financial performance approved by the Board of Directors in the first quarter of each fiscal year. The target bonus amount of each participant is a percentage of such participant's annual base salary.

The Compensation Committee determined for fiscal 2014 that the target bonus amounts were:

-
- Mr. Slovin: 100% of base salary
-
- Mr. Michel: 70% of base salary
-
- Mr. Friedman: 60% of base salary
-
- Mr. Petersohn: 70% of base salary
-
- Mr. Berthan: 70% of base salary

Consistent with our compensation philosophy, target bonus amounts are within +/-15% of the market 65th percentile. The financial performance metrics used to measure and reward performance under the Executive Plan has four major components: a Sales Growth Metric, an Operating Income Margin Metric, a Diluted Earnings Per Share Metric and a Free Cash Flow Metric.

(a) Sales Growth Metric: Each participant would earn 25% of his or her target bonus if actual fiscal year 2014 Sales Growth achieved target of 6.5%. Sales Growth attainment at or below 3.0% would yield zero payout (Threshold) and

Sales Growth at or above 9.0% would result in a capped payout of 2x target (Maximum); with payout levels interpolated on a straight-line basis based on performance attainment between threshold-target and target-maximum.

3.0%	0%
6.5%	25%
9.0%	50%
Greater than 9.0%	50%

(b) Operating Income Margin Metric: Each participant would earn 25% of his or her target bonus if actual fiscal year 2014 Operating Income Margin achieved target of 24.1%. Operating Income Margin at or below 23.0% would yield zero payout (Threshold) and Operating Income Margin at or above 25.0% would result in a capped payout of 2x target (Maximum); with payout levels interpolated on a straight-line basis based on performance attainment between threshold-target and target-maximum.

(c) Diluted Earnings Per Share (adjusted) Metric: Each participant would earn 25% of his or her target bonus if actual fiscal year 2014 Adjusted Diluted EPS, as defined under the Executive Plan, achieved target of \$3.75. Diluted Earnings Per Share below \$3.60 would yield zero payout (Threshold) and Diluted Earnings Per Share above \$3.82 would result in a capped payout of 2x target (Maximum); with payout levels interpolated on a straight-line basis based on performance attainment between threshold-target and target-maximum.

Below \$3.60	0%
\$3.60	0%
\$3.75	25%
\$3.82	50%
Greater than \$3.82	50%

(d) Free Cash Flow Metric: Each participant would earn 25% of his or her target bonus if actual fiscal year 2014 Free Cash Flow achieved target of \$150 million. Free Cash Flow below \$130 million would yield zero payout (Threshold) and Free Cash Flow above \$170 million would result in a capped payout of 2x target (Maximum); with payout levels interpolated on a straight-line basis based on performance attainment between threshold-target and target-maximum.

Below \$130 million	0%
\$130 million	0%
\$150 million	25%
\$170 million	50%
Greater than \$170 million	50%

Final bonus payout is 100% formula-based (i.e., the sum of the payout levels attained on each of the performance metrics) with no element of individual performance considered in the award determination.

2014 Fiscal Year Performance and Bonus Results under Executive Plan. The fiscal 2014 results for the Sales Growth Metric, the Operating Income Margin Metric, the Diluted Earnings Per Share Metric and the Free Cash Flow Metric, as derived from our audited fiscal 2014 financial statements in accordance with the definitions approved by the Compensation Committee, were 6.4%, 24.4%, \$3.85 and \$167 million, respectively. After applying the calculations set forth in the charts above for performance below, at or above target, the Compensation Committee determined that the bonus payable to each of the participating named executive officers for each of the Sales Growth Metric, the

Operating Income Margin Metric, the Diluted Earnings Per Share Metric and the Free Cash Flow Metric, as a percentage of target bonus, was approximately 91.7%, 135.6%, 200% and approximately 185% respectively. The Compensation Committee evaluated these metrics after applying appropriate foreign currency adjustments. During the course of making recommendations for the executive team, the Chief Executive Officer suggested to the

30

TABLE OF CONTENTS

Compensation Committee that it consider awarding the bonus attributable to the Diluted Earnings Per Share Metric at the lower 100% level instead of the 200% level, putting that portion of the bonus in line with the bonus payable to non-executive management members. The Compensation Committee then exercised its discretion to decrease the bonus payable attributed to the Diluted Earnings Per Share Metric from 200% to 100%, totaling an aggregate cash bonus for each participating named executive officer of 128.1% of his target bonus.

Pursuant to the foregoing, each of the covered executives earned the following:

Executive	Target Bonus	Actual Bonus Earned	Actual as % of Target
Slovin, J.	\$ 850,000	\$ 1,088,850	128.1%
Michel, U.	€ 294,000	€ 376,614	128.1%
Friedman, J.	\$ 204,000	\$ 261,324	128.1%
Petersohn, W.	€ 175,000	€ 224,175	128.1%
Berthan, R.	€ 175,000	€ 224,175	128.1%

*

Note: bonus amounts for Mr. Michel, Mr. Berthan and Mr. Petersohn were paid in Euros. The rest were paid in U.S. dollars.

There are no payments under the Executive Plan to any person upon termination of employment (for any reason) or upon a change in control of the Company, however, participants may be eligible for such payments under their employment or other agreements with the Company. Please see “Employment Agreements” below.

Equity Awards (Long-term Variable Pay)

As discussed above, the Compensation Committee targets long-term incentive compensation at the 65th percentile of the Peer Group. Additionally, the Compensation Committee has determined that granting long-term incentives on an annual basis, rather than on a periodic basis, is more aligned with market practice and is in the best interest of stockholders.

In furtherance of our desire to award the appropriate mix of stock options, time-vested restricted stock/units and performance-based shares to its NEOs, in fiscal 2014 the Compensation Committee decided to grant an equity mix of stock options, time-vested restricted stock units and 3 year performance units (FY 2014 to FY 2016) to each of the named executive officers in order to provide an appropriate balance between performance, desire for stockholder alignment and retention.

Our use of multiple equity vehicles aligns with our desire to align the long-term interests of our stockholders with our interests and those of our senior executives. Stock options are inherently performance-oriented and aligned with stockholder interest because stock price appreciation above the exercise price is required before an executive realizes any value. Unlike stock options, a restricted stock unit award has some value regardless of stock price volatility thereby enhancing retention during times of stock price volatility. This retention feature is further enhanced by requiring the first tranche (1/3rd) of restricted stock units to vest two years following the grant date and annually thereafter (as opposed to stock options which vest 25% one year following the grant date and 25% each year thereafter). Lastly performance units tied to absolute 3 year sales growth (25%), absolute 3 year EPS growth (25%), both adjusted for foreign currency, and relative 3 year total stockholder return performance (50%) versus the SPDR S&P Healthcare Equipment Index provide a direct alignment with business fundamentals and relative total stockholder return. Given their direct linkage to our financial and total stockholder return performance, these units have a payout potential ranging from 0 – 200% of the targeted number of granted units (see Grants of Plan-Based Awards table for actual grant amounts at target).

Revealing specific objectives prospectively would provide competitors and other third parties with insights into our confidential planning process and strategies, thereby causing competitive harm.

Compensation Recoupment Policy

In the event of a material restatement of our financial results, the Board will consider whether any executive officer received compensation based on the original financial statements because it appeared he or she achieved financial performance targets which in fact were not achieved based on the restatement. The Board will also consider the accountability of any executive officer whose acts or omissions were responsible in whole or in part for the events that led to the restatement and whether such acts or omissions constituted misconduct.

Possible actions of the Board may include the following: (i) the recoupment of all or part of any bonus or other compensation paid to the executive officer that was based upon the achievement of financial results that were subsequently restated, (ii) disciplinary actions, up to and including termination, and/or (iii) the pursuit of other available remedies.

Severance Payments and Change in Control

In March 2008, the Compensation Committee, after review of the competitive market assessment conducted by PM&P, determined that Mr. Slovin should receive payments of up to 24 months annual base salary and two times target bonus in the year of termination in the event that he was terminated without cause or if he terminated his employment for good reason. The Compensation Committee also decided that equity awards held in the Company by Mr. Slovin would be accelerated in the event of a change in control. Mr. Slovin's employment agreement already provided for such acceleration of equity awards held by him.

On December 2, 2008, the Compensation Committee approved amendments to employment agreement of Mr. Slovin for the purposes of providing the revised severance and change in control benefits described in the paragraph above. Additionally, Mr. Slovin's employment agreement was further amended to reflect his promotion to Chief Executive Officer. For further detail see terms set forth under the section "Employment Agreements" below.

In connection with Ms. Blank's resignation on October 14, 2013, Ms. Blank and the Company entered into a Separation Agreement in August 2013. The details of the Separation Agreement are set forth under the section "Employment Agreements" below.

Other Compensation

Executive pension plans are common in European companies but are declining in the United States. In March 2008, the Compensation Committee, after review of the competitive market assessment conducted by PM&P, decided that Ms. Blank should be enrolled in a defined contribution retirement savings plan because she is not eligible to participate in the Company's 401(k) plan. The Compensation Committee believes that such a retirement savings plan provides a competitive benefit to our Europe-based named executive officers. While such benefit was authorized by the Compensation Committee in fiscal 2008, the retirement saving plan became available to our Europe-based named executive officers during fiscal 2009. For a description of this plan, see "Nonqualified Defined Contribution and other Nonqualified Deferred Compensation." The Compensation Committee also determined that the Company should provide payments on behalf of some named executive officers for private health care insurance coverage. In fiscal 2014, payments of €1,000 (\$1,357 at an average exchange rate of 1.35730 for fiscal 2014), €11,572 (\$15,707 at an

average exchange rate of 1.35730 for fiscal 2014) and \$37,417 were made on behalf of Ms. Blank, Mr. Michel and Mr. Slovin, respectively. The Compensation Committee also decided in March 2008, after

TABLE OF CONTENTS

review of the competitive market assessment conducted by PM&P, to continue the Company's current practice of providing limited auto, housing, tuition fees and tax advisory services to its named executive officers. These perquisites facilitate the performance of our named executive officers' managerial duties and provide for competitive total compensation when compared to the total compensation of the Peer Group.

Modification of Compensation Policies

The Omnibus Budget Reconciliation Act of 1993 includes potential limitations on tax deductions for compensation in excess of \$1,000,000 paid to our executive officers. The Compensation Committee has analyzed the impact of this provision of the tax law on our compensation policies, has determined that historically the effect of this provision on the taxes paid by us has not and would not have been significant and has decided for the present not to modify our compensation policies based on such provision. In the event that a material amount of compensation might potentially not be deductible, it will consider what actions, if any, should be taken to seek to make such compensation deductible without compromising its ability to motivate and reward excellent performance.

Tax Equalization Agreements

In fiscal 2010, the Company entered into agreements with Mr. Slovin and Ms. Blank providing for tax equalization. These payments were in recognition of the fact that these executives are required to spend an increased percentage of their time outside their respective home countries and were designed to make the executives whole on an after-tax basis.

In connection with his September 2010 appointment to President of the Company, Mr. Slovin agreed to be relocated to Bensheim, Germany for two years. During the period of relocation, we agreed to make Mr. Slovin whole on an after-tax basis for German employment income and other applicable taxes on his remuneration in excess of the tax that he would owe if his income was subject only to federal, state and local taxation applicable to Mr. Slovin prior to his relocation. This tax equalization payment is calculated by the Company's outside accounting firm and paid with the monthly payroll. On October 1, 2012, we entered into a Letter Amendment to Mr. Slovin's existing Amended and Restated Employment Agreement, providing that Mr. Slovin's relocation to Bensheim, Germany will be extended until March 31, 2013. On May 7, 2013, we entered into an amendment to Mr. Slovin's existing Amended and Restated Employment Agreement, providing that Mr. Slovin's relocation to Germany is to be extended for a period to be determined within the sole discretion of Mr. Slovin. Furthermore, in the event that our housing, car lease, insurance, maintenance or tuition payments are deemed to be income to Mr. Slovin, Mr. Slovin will receive additional payments to make him whole on an after-tax basis.

In connection with his employment, the Company also agreed to make Mr. Michel whole on an after-tax basis for his savings plan contribution allowance, housing/education allowance and healthcare allowance.

On November 15, 2010, the Compensation Committee approved supplement agreements to the service agreement Ms. Blank for the purposes of providing that Ms. Blank's yearly salary and bonus under the service agreement will be paid by us pro rata to the days she worked for us compared to total days to be worked under the service agreement, with the remaining portion of the yearly salary and bonus to be paid by Sirona Dental GmbH.

In order to facilitate the payment mechanism, the Company paid Ms. Blank a fixed amount on a monthly basis in the amount of 20% of the total salary, with the remaining 80% paid by Sirona Dental GmbH. Within 30 days following the end of the calendar year, we and Sirona Dental GmbH will each compensate the other for the difference between the portion of salary actually paid and the pro rata portion to be paid for such calendar year.

The supplement agreements further provide that Ms. Blank will be subject to tax equalization, by which she will remain neutral, subject to certain conditions and limitation, from a tax perspective with respect to (i) compensation received from the Company and/or Sirona Dental GmbH, including any U.S. tax on salary, bonuses, share based compensation (including effects in case of exercises) and (ii) the indirect investment of Ms. Blank in the Company, subject to certain limits. Ms. Blank will pay the same amount of

TABLE OF CONTENTS

income taxes as she would have paid had she performed all of her duties in Austria and did not perform the duties in the U.S. and been subject to a salary split mentioned above. These supplemental agreements were effective for fiscal 2014 for Ms. Blank until her resignation.

Report of the Compensation Committee of the Board of Directors

The Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis provided above. Based on its review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement and the Company's Annual Report on Form 10-K for its 2014 fiscal year.

Stockholder Approval of Executive Compensation

Pursuant to section 14A of the Securities Exchange Act, the Company is providing stockholders with the opportunity to cast an advisory (non-binding) vote to approve the compensation of the Company's named executive officers. As an advisory vote, this proposal is non-binding. However, the Board of Directors and the Compensation Committee value the opinions of stockholders and will consider the outcome of the vote when making future compensation decisions for the named executive officers. In light of the results of the stockholder's non-binding advisory vote at the 2010 Annual Meeting with respect to the frequency with which stockholders will vote for the approval of the compensation of the Company's named executive officers, the Company currently intends to hold an annual non-binding advisory vote on such named executive officer compensation.

Employment Agreements

Mr. Slovin (President and Chief Executive Officer):

In June 2006, the Company entered into an employment agreement with Mr. Slovin that superseded his prior employment and other compensatory arrangements. The employment agreement was subsequently amended on December 2, 2008, September 20, 2010, October 1, 2012 and May 7, 2013 (collectively, the "Employment Agreement"). Pursuant to the Employment Agreement, Mr. Slovin currently serves as President and Chief Executive Officer. Throughout his employment, he will serve as a Director of the Company, subject to election by the stockholders. Mr. Slovin's annual base salary for fiscal 2012 and 2013 was \$475,000 and \$850,000, respectively. Mr. Slovin's annual base salary for fiscal 2014 remained unchanged from the prior year. Mr. Slovin is also eligible to receive a bonus under the Company's 2014 Executive Bonus Plan, pursuant to which his bonus target shall be 100% of his then-current salary but can be as high as 200% of his annual base salary.

Pursuant to the Employment Agreement, in the event that the Company terminates Mr. Slovin's employment agreement without cause (as defined in the Employment Agreement), or Mr. Slovin terminates his employment with good reason (as defined in the Employment Agreement), in each case, Mr. Slovin will be entitled to receive severance payments, consisting of his base salary in effect at the time of termination, paid for a period of 24 months, a payment of two times the target bonus he would otherwise have received during the year in which termination occurs, and health and welfare benefits for a maximum of 24 months following termination. In addition, Mr. Slovin agreed not to compete with the Company or solicit or hire any of its current employees or former employees who left employment

within the previous six months, during his employment and for a period of twelve months thereafter. Moreover, according to the Employment Agreement, “cause” is defined as any of the following events: (i) a majority, plus at least one, of the members of the Company’s Board of Directors, excluding employee, determines that (a) the employee has committed an act of fraud against the Company, or (b) the employee has committed an act of malfeasance, recklessness or gross negligence against the Company that is materially injurious to the Company or its customers; or (ii) the employee has materially breached the terms of his employment agreement; or (iii) the employee is indicted for, or convicted of, or pleads no contest to, a felony or a crime involving the employee’s moral turpitude. In addition, “good reason” is defined as any of

the following events: (i) the Company reduces the amount of the employee's base salary or bonus opportunity; (ii) the Company changes the employee's titles or reduces his responsibilities in a manner that is materially inconsistent with the office he holds; (iii) the failure of employee to be a member of either the Company's Board of Directors or the Company's Executive Committee, if any or (iv) the Company's election to provide notice to employee of its intention not to renew the initial term or any successive renewal term of the Employment Agreement. If Mr. Slovin desires to resign for Good Reason, he has agreed to provide the Company 30 to 90 working days notice prior to such resignation, and the Company shall have the opportunity to cure such conduct.

Mr. Michel (Executive Vice President and Chief Financial Officer):

In July 2013, the Company entered into an employment agreement with Mr. Michel, pursuant to which Mr. Michel was hired as the Chief Financial Officer of the Company. Mr. Michel's annual base salary is denominated in Euros. Mr. Michel's annual base salary for fiscal 2014 was €420,000 (\$570,066 at an average exchange rate of 1.35730 for fiscal 2014).

In addition to his base salary, Mr. Michel is eligible to receive an annual cash bonus under the Company's Executive Bonus Plan, pursuant to which his bonus target shall be 70% of his then-current salary but can be as high as 140% of his annual base salary.

In the event the Company terminates Mr. Michel's employment agreement for cause, Mr. Michel will have no right to any further compensation other than accrued amounts. "Cause" is defined as (i) conviction in a final judgment by a court of competent jurisdiction of a felony which involves dishonesty or moral turpitude; (ii) any willful act or omission that constitutes a material breach of the employment agreement or (iii) repeatedly engaging in any conduct in willful violation of any applicable written policy of the Company, which conduct, in the reasonable judgment of the Company, is materially detrimental to the business operations or reputation of the Company. The Company may also terminate Mr. Michel's employment agreement without cause with 90 days' written notice, in which case Mr. Michel will be entitled to receive severance payments, consisting of his base salary in effect at the time of termination, paid for a period of 24 months and the bonus at target he would have been eligible for during the period of 24 months. Pursuant to the employment agreement, Mr. Michel agreed not to compete with the Company or solicit or hire any of its employees who was an employee while Mr. Michel was employed with the Company, during his employment and for a period of twelve months thereafter.

Mr. Berthan (Executive Vice President of Operations):

In February 2012, the Company entered into an employment contract with Mr. Berthan, pursuant to which Mr. Berthan was hired as a Vice President of the Company. Mr. Berthan's annual base salary for fiscal 2014 was €250,000 (\$339,325 at an average exchange rate of 1.35730 for fiscal 2014).

In addition to his base salary, Mr. Berthan is eligible to receive an annual cash bonus under the Company's Executive Bonus Plan, pursuant to which his bonus target shall be 70% of his then-current salary but can be as high as 140% of his annual base salary. The employment agreement may be terminated by either party upon fifteen months' prior notice, with such termination going into effect as of the end of the calendar quarter. The Company may terminate Mr. Berthan's employment at any time but will still be obligated to pay his compensation in accordance with the employment contract.

Mr. Friedman (General Counsel and Corporate Secretary):

In August 2007, the Company entered into an offer of employment letter agreement with Mr. Friedman. Under the terms of this agreement, Mr. Friedman is employed as the Company's General Counsel. He is also our Corporate Secretary. Mr. Friedman's annual base salary for fiscal 2012 and 2013 was \$310,000 and \$324,000, respectively. Mr. Friedman's annual base salary for fiscal 2014 was \$340,000. In addition to his base salary, Mr. Friedman is eligible to receive an annual cash bonus under the Executive Bonus Plan, pursuant to which his bonus target shall be 60% of his then-current salary but can be as high as 120% of his annual base salary. If Mr. Friedman's employment with the Company is terminated other than

for cause, Mr. Friedman is eligible to receive one year of base salary severance provided that he make himself available to work as a full-time consultant to the Company for the first three months following termination of employment. Mr. Friedman also receives a monthly car allowance.

Mr. Petersohn (Executive Vice President of Sales):

In October 2007, the Company entered into an employment agreement with Mr. Petersohn. Mr. Petersohn was promoted to Executive Vice President of Sales on September 20, 2010. Mr. Petersohn's annual base salary is denominated in Euros. Mr. Petersohn's annual base salary for fiscal 2012 and 2013 was €200,000 (\$259,844 at an average exchange rate of 1.2992 for fiscal 2012) and €225,000 (\$295,223 at an average exchange rate of 1.31210 for fiscal 2013), respectively. Mr. Petersohn's annual base salary for fiscal 2014 was €250,000 (\$339,325 at an average exchange rate of 1.35730 for fiscal 2014).

In addition to his base salary, Mr. Petersohn is eligible to receive an annual cash bonus under the Executive Bonus Plan, pursuant to which his bonus target shall be 70% of his then-current salary but can be as high as 140% of his annual base salary. The employment agreement may be terminated by Mr. Petersohn with a six-month notice period and a 12 month non-compete and by the Company with an 18-month notice period. In addition, either party may terminate the employment agreement for cause.

Ms. Blank (Former Executive Vice President and Chief Financial Officer):

In August 2013, the Company entered into a separation agreement (the "Separation Agreement") with Ms. Blank, providing for her resignation from her positions as Executive Vice President and Chief Financial Officer of the Company as of October 14, 2013 (the "Resignation Date") and the termination of her employment as of January 31, 2014 (the "Separation Date"). As provided in the Separation Agreement, Ms. Blank received a severance payment in an amount equal to €991,350 (\$1,300,750 at an average exchange rate of 1.31210 for fiscal 2013), which represents 1.5 times the sum of (i) Ms. Blank's most recent annual base salary, (ii) 100% of Ms. Blank's target bonus for fiscal 2013 and (iii) the monetary value of Ms. Blank's most recent annual health and welfare benefits (collectively, the "Severance Payment"). Ms. Blank received an amount equal to 1/3 of the Severance Payment within 10 days of the Separation Date, and is receiving an amount equal to 2/3 of the Severance Payment in 12 equal installments during the 12 months following the Separation Date (until end of September, eight installments were paid out. The remaining three installments will be paid out until end of January 2015). In addition, as defined in the Separation Agreement, in February 2014, the Company paid out an additional special departure bonus to Ms. Blank in the amount of €350,000 (\$475,055, at an average exchange rate of 1.35730 for fiscal 2014) determined by the Company's Board of Directors in its sole discretion, after consultation with the Company's Chief Executive Officer.

Ms. Blank received her unpaid salary and accrued vacation through the Separation Date within 10 days of the Separation Date.

Ms. Blank agreed not to compete with the Company for a period of 18 months after the Separation Date (the "Noncompete Period"). For each month of the Noncompete Period, Ms. Blank will receive a compensation payment in an amount equal to 1/18th of €991,350. If and to the extent the Severance Payment is paid, this amount is already included in, and therefore satisfied by payment of, the respective amount of the Severance Payment.

Schick Technologies, Inc. 1996 Plan

General. The 1996 Plan provides for the grant to officers, directors and employees of the Company and consultants, advisors and independent contractors of Schick of both "incentive stock options" within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended, and stock options that are non-qualified for federal income tax purposes, sometimes referred to as non-statutory options.

Administration and Eligibility. The 1996 Plan is administered by the Board of Directors and/or by a duly appointed committee of the Board of Directors. The 1996 Plan is currently administered by the Compensation Committee. The Compensation Committee determines, among other things, which officers, employees, directors, consultants, advisors and contractors will receive options under the 1996 Plan, the

TABLE OF CONTENTS

type of option (incentive stock options or non-qualified stock options, or both) to be granted, vesting, the number of shares subject to each option, and, subject to certain conditions discussed below, the exercise price of the option and duration of the options. Members of the Compensation Committee are not eligible to receive options under the 1996 Plan.

Terms and Conditions of Option. The exercise price of incentive stock options is determined by the Compensation Committee, but may not be less than the fair market value of our Common Stock on the date of grant and the term of any such option may not exceed ten years from the date of grant. With respect to any participant in the 1996 Plan who owns stock representing more than 10% of the voting power of our outstanding capital stock, the exercise price of any incentive stock option may not be less than 110% of the fair market value of our Common Stock on the date of grant and the term of such option may not exceed five years from the date of grant.

The exercise price of non-qualified stock options is determined by the Compensation Committee on the date of grant, but may not be less than 85% of the fair market value of our Common Stock on the date of grant, and the term of any such option may not exceed ten years from the date of grant.

The Compensation Committee may establish the time or times when an option becomes exercisable subject to limits on such option's term.

Payment of Exercise Price. Payment of the exercise price may be made by cash, check or cash equivalent, by tender of shares of our Common Stock then owned by the optionee, by the assignment of the proceeds of the sale of some or all of the shares of our Common Stock being acquired upon the exercise of an option or by any combination of the foregoing. Options may be granted which do not permit all of the foregoing forms of payment.

Restrictions on Transfer. Options granted pursuant to the 1996 Plan are not transferable, except by will or the laws of descent and distribution in the event of death. During an optionee's lifetime, the option is exercisable only by the optionee.

Change in Control. In the event of a proposed dissolution, liquidation or sale of the Company, the options terminate immediately prior to the consummation of such proposed event, unless otherwise provided for by the Compensation Committee. The Compensation Committee may, in its sole discretion, give each optionee the right to exercise his or her options, even if such would not otherwise be exercisable.

Pursuant to an amendment of the 1996 Plan, in addition to our employees, employees of, or consultants to, any company that the Company has agreed to acquire, will be eligible to receive non-statutory stock options under the 1996 Plan. After the amendment of the 1996 Plan in 2004, approximately 183 persons were eligible to receive options under the 1996 Plan; provided, however, that after April 22, 2006 no options may be granted under the 1996 Plan. As of September 30, 2011, 134,835 options were outstanding under the 1996 Plan. At the Company's 2008 annual meeting of stockholders, the Company's stockholders approved an amendment of our 1996 Plan to permit an option exchange offer program pursuant to which outstanding underwater options granted under our 1996 Plan were cancelled in a value-for-value exchange for new options for a lesser number of shares granted under our 2006 Plan. This resulted in a reduction of 1,619,750 shares outstanding under the 1996 Plan.

The 2006 Plan

General. The 2006 Plan provides for the grant to officers, directors (including non-employee directors) and employees of the Company and service providers to the Company of both "incentive stock options" within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended, and stock options that are non-qualified for federal income tax purposes, sometimes referred to as non-statutory options, as well as stock appreciation rights, restricted stock, deferred stock, dividend equivalents, other stock-based awards and performance awards. If the 2015 Plan is approved by the stockholders, no further awards will be made under the 2006 Plan, and the 2015 Plan will be the only plan that would allow us to issue stock-based incentive awards. If the 2015 Plan is not approved, we will still be able to issue awards under our 2006 Plan until it expires in 2016.

Administration, Eligibility, and Terms and Conditions of Options. The 2006 Plan is administered by the Compensation Committee or the Board of Directors. The 2006 Plan is currently administered by the

TABLE OF CONTENTS

Compensation Committee. The Compensation Committee determines, among other things, which officers, employees, directors and service providers will receive awards under the 2006 Plan, the form and substance of grants made under the 2006 Plan and the conditions and restrictions applicable to such grants. The Compensation Committee certifies whether conditions and restrictions applicable to the grant have been met, and may modify the terms of grants made under the 2006 Plan.

The exercise price of stock options is determined by the Compensation Committee, but may not be less than the fair market value of our Common Stock on the date of grant and the term of any such option may not exceed ten years from the date of grant. In the case of an incentive stock option granted to an employee who owns stock representing more than 10% of the voting power of our outstanding capital stock on the date the grant, the exercise price of any incentive stock option may not be less than 110% of the fair market value of our Common Stock on the date of grant and the term of such option may not exceed five years from the date of grant.

Options may be exercised upon payment of the exercise price may be made by cash, by delivery of shares of our Common Stock then owned by the optionee, by simultaneous sale through a broker of shares acquired upon exercise, as permitted by Regulation T of the Federal Reserve Board, by authorizing the Company to withhold shares issuable upon exercise in the number necessary such that the fair market value of such withheld shares equals the aggregate exercise price or by any combination of the foregoing.

Stock Appreciation Rights. SARs entitle a participant to receive the amount by which the fair market value of a share of our Common Stock on the date of exercise exceeds the grant price of the SAR. The grant price and the term of an SAR will be determined by the Compensation Committee, however the grant price shall not be less than 100% of the fair market value of a share of Common Stock as of the date of grant. Furthermore, no SAR may have a term exceeding ten years.

Termination of Options and SARs. Unless otherwise determined by the Compensation Committee, and subject to certain exemptions and conditions, if a participant ceases to be a director, officer or employee of, or to otherwise perform services for us for any reason other than death, disability, retirement or termination for cause, all of the participant's options and SARs that were exercisable on the date of such cessation will remain exercisable for, and will otherwise terminate at the end of, a period of 90 days after the date of such cessation. In the case of death or disability, all of the participant's options and SARs that were exercisable on the date of such death or disability will remain so for a period of 180 days from the date of such death or disability. In the case of retirement, all of the participant's options and SARs that were exercisable on the date of retirement will remain exercisable for, and shall otherwise terminate at the end of, a period of 90 days after the date of retirement. In the case of a termination for cause, or if a participant does not become a director, officer or employee of, or does not begin performing other services for us for any reason, all of the participant's options and SARs will expire and be forfeited immediately upon such cessation or non-commencement, whether or not then exercisable.

Restricted Stock and Deferred Shares. Restricted stock is a grant of shares of our Common Stock that may not be sold or disposed of, and that may be forfeited in the event that a participant ceases to be a director, officer, employee or otherwise perform services for us for reasons other than death, disability or retirement prior to the end of a restricted period set by the Compensation Committee. A participant granted restricted stock generally has all of the rights of a stockholder, unless the Compensation Committee determines otherwise. An award of deferred shares confers upon a participant the right to receive shares of our Common Stock at the end of a deferral period set by the Compensation Committee, subject to possible forfeiture of the award in the event of certain terminations of employment prior to the end of the deferral period. Prior to settlement, an award of deferred shares carries no voting or dividend rights or other rights associated with share ownership.

Dividend Equivalents. Dividend equivalents confer the right to receive, currently or on a deferred basis, cash, shares of our Common Stock, other awards or other property equal in value to dividends paid on a specific number of shares of our Common Stock. Dividend equivalents may be granted alone or in connection with another award, and may be paid currently or on a deferred basis. If deferred, dividend equivalents may be deemed to have been reinvested in additional shares of our Common Stock, awards or other investment vehicles and subject to restrictions and risk of forfeiture as determined by the Compensation Committee.

TABLE OF CONTENTS

Other Stock-Based Awards. The Compensation Committee is authorized to grant other awards that are denominated or payable in, valued by reference to, or otherwise based on or related to shares of our Common Stock, under the 2006 Plan. These awards may include convertible or exchangeable debt securities, other rights convertible or exchangeable into shares of Common Stock, purchase rights for shares of Common Stock, awards with value and payment contingent upon our performance as a company or any other factors designated by the Compensation Committee. The Compensation Committee will determine the terms and conditions of these awards.

Performance Awards. The Compensation Committee may make performance awards payable in cash, shares of our Common Stock or other awards, subject to the achievement of certain performance goals. The performance goals shall consist of one or more business criteria and a targeted level or levels of performance against such criteria, or other personal or business goals or objectives as the Compensation Committee shall determine. Achievement of the performance goals is measured by the Compensation Committee which may alter or adjust performance goals at its discretion. The Compensation Committee will determine the circumstances under which performance awards shall be paid or forfeited during the performance period or prior to settlement of a performance award.

With respect to performance awards that are intended to be treated as “performance-based compensation” under Section 162(m) of the Internal Revenue Code, the Compensation Committee shall, no later than ninety (90) days following the commencement of any fiscal year in question or any other designated fiscal period or period of service, in writing, (i) designate one or more participants, (ii) select the performance criteria applicable to the performance period, (iii) establish the performance goals, and amounts of such awards, as applicable, which may be earned for such performance period, and (iv) specify the relationship between the performance criteria and the performance goals and the amounts of such awards, as applicable, to be earned by each participant for such performance period. The Compensation Committee may determine performance goals in respect of the performance of the Company, any of its subsidiaries or affiliates or any combination thereof on either a consolidated, business unit or divisional level.

Performance goals may be absolute or relative and may be expressed in terms of a progression within a specified range.

Change in Control. In general, if a change in control (as defined in the 2006 Plan) occurs and if a 2006 Plan participant’s employment or other service is terminated within twelve months after the change in control (other than a termination by us for “cause,” or by the participant without “good reason”) the participant’s outstanding awards will become fully vested and will remain exercisable for up to 180 days after the date of termination. If, as part of the change in control, we are acquired by another company, outstanding awards may be cashed out and/or canceled.

As of September 30, 2014, the combined total of the number of shares of restricted stock issued under the 2006 Plan, the number of shares covered by restricted stock units and the number of shares covered by options outstanding under the 2006 Plan was 481,502.

Pension Benefits

None of the named executive officers participate in a defined benefit pension plan.

Nonqualified Defined Contribution and other Nonqualified Deferred Compensation

Ms. Blank participated in a defined contribution retirement savings plan (the "Defined Contribution Plan"). While such benefit was authorized by the Compensation Committee in fiscal 2008, no contributions were made on behalf of Ms. Blank until January 2009. The Company's contribution for fiscal 2010 was \$25,788 for Ms. Blank. The Company's contribution for fiscal 2011 was \$26,518 for Ms. Blank. The Company's contribution for fiscal 2012 was \$24,685 for Ms. Blank. The Company's contribution for fiscal 2013 was \$24,930 for Ms. Blank. The Company's contribution for fiscal 2014 was \$8,704 for Ms. Blank. These contribution amounts were denominated in Euro and then converted into U.S. dollars at the average exchange rates of 1.35730 for fiscal 2010, 1.39570 for fiscal 2011, 1.29922 for fiscal 2012, 1.31210 for fiscal 2013 and 1.35730 for fiscal 2014.

Employer contributions are used to make payments on an insurance policy. Pursuant to the terms of the policy, the accumulated benefit bears interest as determined pursuant to the insurance policy. This policy has been pledged to the beneficiaries. The only payments to which the beneficiaries are entitled are the proceeds of the insurance policy and the employer has no further obligation. Beginning on the first month following the 65th birthday of such executive, the benefits under the Defined Contribution Plan become automatically due and payable. The executive may also elect to have such benefits begin at any time after his or her 60th birthday. If the executive elects to receive benefits early, the accumulated funds are converted into a retirement pension using actuarial methods at that time. In the case of inability to work, the surrender value of the insurance becomes due and payable. If the executive dies prior to retirement a fully insured death lump sum is converted into an annuity for the executive's spouse. If the executive dies following retirement, 60% of the accumulated benefit is converted into an annuity for the executive's spouse. If the beneficiary leaves the Company prior to reaching retirement age, the accumulated benefit is paid to the executive when the executive reaches the normal retirement age. Alternatively, a private continuation of the contract can be agreed.

Ms. Blank resigned from her positions as Executive Vice President, Chief Financial Officer and director as of October 14, 2013 (the “Resignation Date”), and the termination of her employment was effective on January 31, 2014 (the “Separation Date”). As provided in her Separation Agreement, Ms. Blank received a severance payment in an amount equal to €991,350 (\$1,300,750 at an average exchange rate of 1.31210 for fiscal 2013), which represents 1.5 times the sum of (i) Ms. Blank’s most recent annual base salary, (ii) 100% of Ms. Blank’s target bonus for fiscal 2013 and (iii) the monetary value of Ms. Blank’s most recent annual health and welfare benefits (collectively, the “Severance Payment”). Ms. Blank received an amount equal to 1/3 of the Severance Payment within 10 days of the Separation Date, and is receiving an amount equal to 2/3 of the Severance Payment in 12 equal installments during the 12 months following the Separation Date (until end of September, eight installments were paid out. The remaining three installments will be paid out until end of January 2015). In addition, pursuant to the Separation Agreement, in February 2014, the Company paid to Ms. Blank €350,000 (\$475,055, at an average exchange rate of 1.35730 for fiscal 2014) determined by the Company’s Board of Directors in its sole discretion, after consultation with the Company’s Chief Executive Officer.

Ms. Blank received her unpaid salary and accrued vacation through the Separation Date within 10 days of the Separation Date.

Ms. Blank agreed not to compete with the Company for a period of 18 months after the Separation Date (the “Noncompete Period”). For each month of the Noncompete Period, Ms. Blank will receive a compensation payment in an amount equal to 1/18th of €991,350. If and to the extent the Severance Payment is paid, this amount is already included in, and therefore satisfied by payment of, the respective amount of the Severance Payment.

Review, Approval or Ratification of Transactions with Related Persons

Pursuant to the charter of our Audit Committee, the Audit Committee must review, in advance, any proposed transaction between the Company and any related party. No such related-party transaction may be consummated by the Company without the approval of the Audit Committee. All related party transactions reported since the beginning of the 2014 fiscal year were approved in accordance with such policies and procedures.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies. This year, a number of brokers with account holders who are Sirona Dental Systems, Inc.’s stockholders will be “householding” our proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that it will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate proxy statement and annual report, please call or write your broker or direct your written request to Legal Department, Sirona Dental Systems, Inc., 30-30 47th Avenue, Suite 500, Long Island City, New York, New York 11101 or contact Jonathan Friedman, Esq. at (718) 482-2163. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request “householding” of their communications should contact their broker.

SOLICITATION OF PROXIES

The Company is paying the costs for the solicitation of proxies, including the cost of preparing and mailing this Proxy Statement. In addition to this solicitation by mail, regular employees of the Company may solicit proxies in person or by telephone. We have also retained Georgeson Inc., New York, NY to assist in the solicitation of brokers, banks, institutional and other stockholders for a fee of approximately \$9,000. The Company will reimburse brokers, banks and other custodians and nominees for their reasonable out-of-pocket expenses incurred in sending proxy materials to the Company’s stockholders.

PROPOSALS FOR THE 2015 ANNUAL MEETING

Pursuant to federal securities laws, any proposal by a stockholder to be presented at the 2015 Annual Meeting of Stockholders and to be included in the Company’s proxy statement must be received at the Company’s executive office at 30-30, Suite 500, 47th Avenue, Long Island City, New York 11101, no later than the close of business on September 29, 2015 and must otherwise comply with the SEC’s rules, to be considered for inclusion in our proxy materials relating to our 2015 Annual Meeting of Stockholders. Proposals should be sent to the attention of the Secretary. If you intend to present any such proposal at next year’s annual meeting, you must give timely notice thereof in writing to the Secretary at the address above.

Additionally, pursuant to the Company’s By-laws, in order for business to be properly brought before an annual meeting of stockholders by a stockholder, the stockholder must give written notice of such stockholder’s intent to bring a matter before the annual meeting not less than ninety days prior to the date of such meeting; provided, however, that if less than ninety days’ notice or prior public disclosure of the date of such meeting is given to stockholders or made, the stockholder must give such written notice no

In order for a stockholder to nominate a candidate for director, under our By-laws, timely notice of the nomination must be received by us in advance of the meeting. To be timely, as stockholder's notice must be received at the Company's executive office on or before November 27, 2015. Notice of a nomination must include:

Such notice must be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a director if elected.

ADMINISTRATION

3.1 General. Except as otherwise determined by the Board in its discretion, the Plan shall be administered by the Committee. The Committee shall be composed of at least two persons who are “outside directors” (within the meaning of Section 162(m) of the Code) with respect to Awards intended to qualify for the Performance-Based Exemption and at least two or more “non-employee directors” (as defined in the regulations promulgated under Section 16 of the Exchange Act) with respect to Awards made to a Participant who is subject to Section 16 of the Exchange Act.

3.2 Authority of the Committee. Subject to the provisions of the Plan, the Committee, acting in its discretion, may select the persons to whom Awards will be made, prescribe the terms and conditions of each Award and make amendments thereto, construe, interpret and apply the provisions of the Plan and of any Award Agreement, and make any and all determinations and take any and all other actions as it deems necessary or desirable in order to carry out the terms of the Plan or of any Award. The Committee shall have full power and authority to carry out its responsibilities and functions under the Plan. The Committee may obtain at the Company’s expense such advice, guidance and other assistance from outside compensation consultants and other professional advisers as it deems appropriate.

3.3 Delegation of Authority. Subject to the requirements of applicable law, the Committee may delegate to any person or subcommittee (who may, but need not be members of the Committee) such Plan-related administrative authority and responsibilities as it deems appropriate. Without limiting the foregoing, the Committee may delegate any of its responsibilities and authority hereunder to a subcommittee composed of one or more executive officers of the Company, and may delegate administrative duties to such other person or persons (who may but need not be officers of the Company) as the Committee deems appropriate. The Committee may not delegate its authority with respect to non-ministerial actions relating to (a) individuals who are subject to the reporting requirements of Section 16(a) of the Exchange Act or (b) Awards that are intended to qualify for the Performance-Based Exemption.

3.4 Decisions Binding. Any determination made by the Committee in the exercise of its authority with respect to the Plan or any Award shall be made in the Committee’s sole discretion, and all such determinations shall be final, conclusive and binding on all persons.

3.5 Indemnification. The Company shall indemnify and hold harmless each member of the Committee and the Board and any employee or director of the Company or any Subsidiary to whom any duty or power relating to the administration of the Plan or any Award is delegated from and against any loss, cost, liability (including any sum paid in settlement of a claim with the approval of the Board), damage and expense (including reasonable legal and other expenses incident thereto) arising out of or incurred in connection with the Plan, unless and except to the extent attributable to such person’s fraud or willful misconduct.

ARTICLE 4

SHARES SUBJECT TO THE PLAN; Individual aWARD limitS

4.1 Shares Issuable under the Plan. Subject to Section 4.3, up to 6,825,000 Shares shall be available for grant and issuance pursuant to Awards made under the Plan. The maximum number of Shares that may

TABLE OF CONTENTS

be issued pursuant to ISOs shall be 6,825,000. For purposes of these limitations, (a) each Share covered by and issued pursuant to a Restricted Stock, Restricted Stock Unit or other full-value Share Award shall be counted as 2.30 Shares, (b) the total number of Shares covered by a grant of SARs (and not just the number of Shares issued in settlement of such SARs) shall be deemed to have been issued under the Plan, and (c) Shares covered and/or issued pursuant to an Award will again be available for grant and issuance pursuant to subsequent Awards to the extent such Shares are (1) covered by the unexercised portion of an Option or SAR that is forfeited or otherwise terminated or canceled for any reason other than exercise, (2) covered by Restricted Stock Awards, RSU Awards or any other forms of Award that are either forfeited or repurchased by the Company at the original purchase price, or (3) subject to an Award that is settled in cash or that otherwise terminates without such Shares being issued. Shares that are used or withheld to pay the exercise price of an Award or to satisfy the tax withholding obligations associated with the vesting or settlement of an Award will not be available for future grant and issuance under the Plan. Shares issued under the Plan may be either authorized and unissued Shares, or authorized and issued Shares held in the Company's treasury, or any combination of the foregoing.

4.2 Individual Award Limitations. No more than 1,000,000 Shares may be issued pursuant to Awards granted in a single calendar year to any individual Participant other than a non-employee director, and no more than 250,000 Shares may be issued pursuant to Awards granted to any non-employee director in a single calendar year. No Participant may earn a Cash Incentive Award under Section 7.2 for any calendar year in excess of \$10,000,000. For this purpose, a Cash Incentive Award is earned (if at all) for the calendar year with or within which ends the applicable performance period, even if the amount so earned is not determined or payable until after end of that performance period.

4.3 Adjustments for Capital Changes. In the event of a split-up, spin-off, stock dividend, recapitalization, consolidation of shares or similar capital change, the Board or the Committee shall make such adjustments to the number and class of shares that may be issued under the Plan pursuant to Section 4.1, the number and class of Shares that may be issued pursuant to annual Awards granted to any Participant pursuant to Section 4.2, and the number, class and/or Exercise Price of Shares subject to outstanding Awards, as the Committee, in its discretion, deems appropriate in order to prevent undue dilution or enlargement of the benefits available under the Plan or an outstanding Award, as the case may be, provided that the number of Shares subject to any Award shall always be a whole number. Any determination or adjustment made by the Board or the Committee under this Section shall be binding and conclusive on all persons.

ARTICLE 5**STOCK OPTIONS; Stock Appreciation Rights**

5.1 Grant of Company Stock Options. The Committee may grant Options to Participants upon such vesting and other terms and conditions as the Committee, acting in its discretion in accordance with the Plan, may determine, either at the time an Option is granted or, if the holder's rights are not adversely affected, at any subsequent time, provided that Options shall have a minimum vesting period of one year from the date of grant. Each Option will be deemed NOT to be an Incentive Stock Option unless and except to the extent that, at the time the Option is granted, the Committee specifically designates such Option as an Incentive Stock Option. To the extent that the aggregate Fair Market Value (determined at the time of grant) of Shares with respect to which Incentive Stock Options are exercisable for the first time by any Participant during any calendar year (under all plans of the Company and its affiliates) exceeds \$100,000, the Options or portions thereof which exceed such limit (according to the order in which they were granted) shall not be treated as ISOs. If an Option is designated as an ISO and if part or all of the Option does not qualify as an ISO, then the Option or the portion of the Option that does not so qualify will nevertheless remain outstanding and will be characterized as a non-ISO.

5.2 Grant of Stock Appreciation Rights. The Committee may grant stock appreciation rights ("SARs") to Participants, either alone or in connection with the grant of an Option, upon such vesting and other terms and conditions as the Committee, acting in its discretion in accordance with the Plan, may determine, either at the time the SARs are granted or, if the holder's rights are not adversely affected, at any

TABLE OF CONTENTS

subsequent time, provided that SARs shall have a minimum vesting period of one year from the date of grant. Upon exercise, the holder of an SAR shall be entitled to receive cash and/or a number of whole Shares (as determined by the Committee) having a value equal to the product of X and Y, where —

X = the number of whole Shares as to which the SAR is being exercised, and

Y = the excess of (i) the Fair Market Value per Share on the date of exercise over (ii) the Exercise Price per Share covered by the SAR.

5.3 Exercise Price. The Committee shall determine the Exercise Price per Share under each Option and each SAR, provided that (a) the Exercise Price per Share shall be at least equal to the Fair Market Value per Share on the date the Option or SAR is granted; and (b) in the case of an ISO granted to a Ten Percent (10%) Stockholder, the Exercise Price per Share shall be at least equal to 110% of the Fair Market Value per Share on the date the ISO is granted.

5.4 Re-Pricing Prohibited. Options and SARs granted under the Plan may not be re-priced and may not be purchased or exchanged for cash, Shares or other property or Awards without the approval of the Company's stockholders. In no event may an Option or SAR be re-priced if such re-pricing would cause the Option or SAR to be covered by Section 409A of the Code. In addition, Options and SARs shall not be repurchased or exchanged for other Awards or cash.

5.5 Exercise Period of Options and SARs. The Committee may establish such vesting, forfeiture, expiration and other conditions as it deems appropriate (on a grant-by-grant basis) with respect to the exercisability of an Option or SAR; provided, however, that, unless sooner terminated in accordance with its terms, each Option and each SAR shall automatically expire on the tenth anniversary of the date the Option or SAR is granted (or, in the case of an ISO granted to a Ten Percent (10%) Stockholder, on the fifth anniversary of the date the ISO is granted).

5.6 Exercise of Options. A Participant may exercise an outstanding Option that is vested and exercisable by transmitting to the Secretary of the Company (or another person designated by the Company for this purpose) a written notice identifying the Option that is being exercised and specifying the number of whole Shares to be purchased pursuant to such exercise, together with payment in full of the aggregate Exercise Price payable for such Shares and any applicable withholding taxes. The Exercise Price shall be payable in cash or by check or by any other means that the Committee may expressly permit, including, without limitation, (a) by the Participant's surrender of previously-owned Shares, or by the Company's withholding Shares that otherwise would be issued if the Exercise Price had been paid in cash, in each case having a Fair Market Value on the date the Option is exercised equal to the Exercise Price, (b) by payment to the Company pursuant to a broker-assisted cashless exercise program established and made available by the Company in connection with the Plan, (c) by any other method of payment that is permitted by applicable law, or (d) by any combination of the foregoing. Applicable withholding taxes shall be payable in cash or by any other method that may be permitted by the Committee in accordance with Section 11.2.

5.7 Exercise of SARs. A Participant may exercise an outstanding SAR that is vested and exercisable by transmitting to the Secretary of the Company (or another person designated by the Company for this purpose) a written notice identifying the SAR that is being exercised and specifying the number of whole Shares for which the SAR is being exercised, together with payment in full of the withholding taxes due in connection with the exercise. The withholding tax amount shall be payable in cash or by any other method that may be permitted by the Committee in accordance with Section 11.2.

5.8 Termination of Employment or Service. Unless otherwise determined by the Committee at grant, or thereafter if no rights of the Participant are thereby reduced, the following rules apply with regard to outstanding Options and SARs held by a Participant at the time of his or her termination of employment or other service with the Company and its Subsidiaries:

(a) If the Participant's employment or service is terminated for any reason other than for Cause or the Participant's death, Disability or Retirement, then (1) any unvested Options and SARs outstanding at the time of the Participant's termination of employment or other service will thereupon be canceled and of no further force or effect, and (2) any vested Options and SARs outstanding at such time will

TABLE OF CONTENTS

expire and be of no further force or effect if and to the extent they are not exercised within ninety (90) days after the date of such termination of employment or other service, provided that in no event may any such vested Options and SARs be exercised after the tenth anniversary of the date they were granted.

(b) If the Participant's employment or other service is terminated on account of the Participant's death, Disability or Retirement, then (1) any unvested Options and SARs outstanding at the time of the Participant's termination of employment or other service will thereupon be canceled and of no further force or effect, and (2) any vested Options and SARs outstanding at such time will expire and be of no further force or effect if and to the extent they are not exercised within one hundred eighty (180) days after the date of such termination of employment or other service, provided that, in no event may such vested Options and SARs be exercised after the tenth anniversary of the date they were granted.

(c) If the Participant's employment or other service is terminated by the Company or a Subsidiary for Cause (or at a time when grounds for a termination for Cause exist), then, notwithstanding anything to the contrary contained herein, such outstanding Options and/or SARs (whether or not otherwise vested) shall immediately terminate and shall have no further force or effect.

5.9 Rights as a Stockholder. A Participant shall have no rights to vote or receive dividends or any other rights of a stockholder with respect to any Shares covered by an Option or SAR unless and until such Option or SAR is validly exercised and such Shares are issued to the Participant. The Company will issue such Shares promptly after the exercise of such Option or SAR (to the extent the SAR is settled in Shares) is completed.

ARTICLE 6

RESTRICTED stock and restricted stock unit awards

6.1 Grant of Restricted Stock and RSU Awards. The Committee may grant Restricted Stock Awards and/or Restricted Stock Unit Awards (RSUs) to any Participant. Under a Restricted Stock Award, the Company issues Shares to the Participant when the Award is made and the Shares are subject to such vesting and other terms and conditions as the Committee may prescribe. Under a Restricted Stock Unit Award, the Participant receives the right to receive Shares in the future if the vesting and other terms and conditions imposed by the Committee are satisfied. The vesting and other terms and conditions applicable to the Shares covered by a Restricted Stock Award or the RSUs covered by a Restricted Stock Unit Award (including, but not limited to, conditions and restrictions tied to the achievement of specified performance objectives and/or the completion of one or more specified periods of future service) will be determined by the Committee when the Award is granted and will be set forth in the applicable Award Agreement, provided that each such Award will have a vesting period of at least one year from date of grant. Except as otherwise determined, (a) Restricted Stock and RSUs that are subject to time-based vesting only must vest (if at all) over a period of at least three years from the date of grant; and (b) Restricted Stock and RSUs that are subject to performance-based vesting or earn-out conditions will not become vested (if at all) unless the Participant is in the continuous employ or service of the Company or a Subsidiary for at least one year from the date of grant.

6.2 Minimum Purchase Price for Shares. Unless the Committee, acting in accordance with applicable law, determines otherwise, the purchase price payable for Shares issued pursuant to a Restricted Stock Award or a Restricted Stock Unit Award must be at least equal to the par value of the Shares.

6.3 Restricted Shares. Shares issued pursuant to a Restricted Stock Award may be evidenced by book entries on the Company's stock transfer records pending satisfaction of the applicable vesting conditions. If a stock certificate for restricted Shares is issued, the certificate will bear an appropriate legend to reflect the nature of the conditions and restrictions applicable to the Shares. The Company may retain physical possession of any such stock certificate and may require a Participant to deliver a stock power to the Company, endorsed in blank, in order to facilitate the transfer back to the Company of restricted Shares that are forfeited. Notwithstanding the foregoing, if a Participant forfeits Shares covered by a Restricted Stock Award, the Shares that are forfeited shall automatically be cancelled on the books and records of the Company whether or not the Participant returns a certificate for such Shares or otherwise

fails or refuses to execute documents or take other action requested by the Company in connection with the cancellation of the forfeited Shares. Except to the extent otherwise provided under the Plan or the Award Agreement, a Participant who holds unvested Shares pursuant to a Restricted Stock Award shall have all of the rights of a stockholder with respect to said Shares, including the right to vote the Shares and the right to receive dividends thereon, provided that, unless the Committee determines otherwise, the payment of any such dividends shall be subject to the same vesting and forfeiture conditions as the restricted Shares with respect to which such dividends were earned.

6.4 Shares Covered by RSU Awards. No Shares will be issued pursuant to an RSU Award unless and until the applicable vesting and other conditions have been satisfied. The holder of an RSU Award shall have no rights as a stockholder with respect to Shares covered by the RSUs unless and until the RSUs becomes vested and the Shares covered by the vested RSUs are issued to the Participant. The Committee may provide that a Participant who holds RSUs will be entitled to receive dividend equivalents (in the form of cash or Shares) equal to the dividends that would have been payable with respect to the Shares covered by the RSUs if such Shares were outstanding, upon such terms and subject to such vesting and other conditions as the Committee may prescribe, including, without limitation, conditions that may be required in order to avoid the imposition of taxes and interest under Section 409A of the Code with respect to the settlement of such dividend equivalents.

6.5 Non-Transferability. No Restricted Stock Award or RSU Award, and no Shares covered by a Restricted Stock Award or RSU Award may be sold, assigned, transferred, disposed of, pledged or otherwise hypothecated other than to the Company or its designee in accordance with the terms of the Award or the Plan, and any attempt to do so shall be null and void.

6.6 Termination of Service Before Vesting; Forfeiture. Unless otherwise specified in the Award Agreement or otherwise subsequently determined by the Committee, unvested Shares held pursuant to a Restricted Stock Award and unvested RSUs held under an RSU Award shall be forfeited and canceled upon the termination of a Participant's employment or other service with the Company and its Subsidiaries. Notwithstanding the foregoing, if a Participant's employment or service terminates by reason of the Participant's death, Disability or Retirement, then, unless otherwise specified in the Award Agreement, unvested Shares held by the Participant pursuant to a Restricted Stock Award shall become fully vested at the time of such termination of employment or service. If unvested Shares issued pursuant to a Restricted Stock Award are forfeited, any certificate representing such Shares or book entry for such Shares will be canceled on the books and records of the Company. Such cancellation shall not affect any right a Participant may have pursuant to the terms of the forfeited Award to receive all or a portion of the purchase price (if any) paid by the Participant in connection with the issuance of the unvested Shares.

6.7 Timing Requirements for Settlement of RSUs. Unless otherwise specified in the applicable Award Agreement, RSUs shall be settled in the form of Shares or cash (as determined by the Committee) as soon as practicable after the RSUs become vested but in no event later than the 15th day of the third month following the calendar year in which the vesting of such RSUs occurs. Notwithstanding the foregoing, the original terms of an RSU Award may expressly provide that settlement of vested RSUs covered by the Award will be deferred until a later date or the occurrence of a subsequent event, provided that any such deferral provision complies with the election, distribution timing and other requirements of Section 409A of the Code.

6.8 Unrestricted Shares. A Participant who holds Shares that become vested under a Restricted Stock Award or who holds RSUs that become vested (to the extent the vested RSUs are settled in Shares) will be entitled to receive Shares (in certificated or book entry form) free and clear of the conditions and restrictions imposed by the Award Agreement and the Plan, subject, however, to the payment or satisfaction of applicable withholding taxes.

ARTICLE 7

OTHER FORMS OF AWARD

7.1 Other Share-Based Awards. Subject to applicable law, the Committee, acting in its discretion, may grant such other forms of Award denominated or payable in, valued in whole or in part by reference to, or otherwise based upon or related to, Company Shares, including, without limitation, performance share

awards, performance unit awards, stock bonus Awards, dividend equivalent Awards (either alone or in conjunction with other Awards), purchase rights for Shares, and Share-based Awards designed to comply with or take advantage of applicable laws outside of the United States. Each such Share-based Award will be made upon such vesting, performance and other terms and conditions as the Committee, acting in its discretion, may determine. If and when a Share-based Award granted under this Section becomes payable, payment may be made in the form of cash, whole Shares or a combination of cash and whole Shares (as determined by the Committee), with a payment in Shares being based upon their Fair Market Value on the applicable vesting or payment date(s).

7.2 Cash Incentive Awards. The Committee may make annual and/or long-term Cash Incentive Awards pursuant to which a Participant may earn the right to receive a cash payment that is conditioned upon the achievement of specified performance goals established by the Committee and communicated to the Participant within 90 days after the beginning of the applicable performance period or before 25% of the applicable performance period has elapsed, and may contain such other terms and conditions as the Committee deems appropriate. A Cash Incentive Award earned by a Participant under the Plan will be payable in the form of a single sum cash payment at or as soon as practicable after the expiration of the applicable performance period or the satisfaction of the applicable performance vesting conditions, but in no event later than the 15th day of the third month of the year following the calendar year in which such performance period ends or such performance vesting conditions are satisfied. Notwithstanding the foregoing, the Committee may require or permit the deferred payment and/or installment payout of all or part of any such Cash Incentive Award if (and only if) the Award is exempt from Section 409A of the Code or, if not so exempt, complies with the applicable terms and conditions of Section 409A of the Code.

7.3 Termination of Service Before Vesting; Forfeiture. Unless otherwise specified in the Award Agreement or otherwise subsequently determined by the Committee, unearned and/or unvested Share-based Awards and Cash Incentive Awards granted under this Article shall be forfeited and canceled upon the termination of a Participant's employment or other service with the Company and its Subsidiaries.

ARTICLE 8**PERFORMANCE-based compensation EXEMPTION awards**

8.1 Performance-Based Exemption — General. If the Committee intends that an Award should qualify for the Performance-Based Exemption (other than Options and SARs which otherwise qualify as "performance-based compensation" for purposes of Section 162(m) of the Code), the grant, exercise, vesting, amount and/or settlement of such Award shall be contingent upon achievement of one or more pre-established, objective performance goals, which shall be prescribed in writing by the Committee not later than 90 days after the commencement of the applicable performance period and in any event before completion of 25% of such performance period in accordance with the requirements of Section 162(m). Such performance goals may be based on any one or more of the Performance Factors listed in Section 8.3 and may be expressed in absolute terms, relative to performance in prior periods and/or relative to performance of other companies or an index of other companies or on such other basis as the Committee, acting in a manner consistent with Section 162(m) of the Code, may determine. All determinations as to the establishment of performance goals, the amount and/or the number of Shares that may be earned, the target level (and, if applicable, minimum and maximum levels) of actual achievement required as a condition of earning the Award, and the earned value of any Performance Award shall be made by the Committee and shall be recorded in writing.

8.2 Performance Factors. Any one or more of the following Performance Factors may be used by the Committee in establishing performance goals for Awards intended to qualify for the Performance-Based Exemption: (a) net earnings or net income (before or after taxes); (b) basic or diluted earnings per share (before or after taxes); (c) pre- or after-tax income (before or after allocation of corporate overhead and bonus); (d) operating income (before or after taxes); (e) revenue, net revenue, net revenue growth or product revenue growth; (f) gross profit or gross profit growth; (g) net operating profit (before or after taxes); (h) earnings, including earnings before or after taxes, interest, depreciation and/or amortization; (i) return measures (including, but not limited to, return on assets, net assets, capital, total capital, tangible capital, invested capital, equity, sales, or total stockholder return); (j) cash flow (including, but not limited to,

operating cash flow, free cash flow, cash flow return on capital, cash flow return on investment, and cash flow per share (before or after dividends); (k) margins, gross or operating margins, or cash margins; (l) share price (including, but not limited to, growth measures, market capitalization and/or total stockholder return); (m) expense or cost targets; (n) objective measures of customer satisfaction; (o) working capital targets; (p) measures of economic value added, or economic value-added models or equivalent metrics; (q) inventory control; (r) net sales; (s) debt targets; (t) stockholder equity; or (u) implementation, completion or attainment of measurable objectives with respect to new store openings, acquisitions and divestitures, and recruiting and maintaining personnel.

8.3 Performance Goals. In establishing performance goals with respect to an Award intended to qualify for the Performance Exemption, the applicable Performance Factors may be determined solely by reference to the Company's performance and/or the performance of any one or more Subsidiaries, divisions, business segments or business units of the Company and its Subsidiaries, and may be based upon comparisons of any of the indicators of performance relative to other companies (or subsidiaries, divisions, business segments or business units of other companies).

Subject to compliance with the Treasury regulations under Section 162(m) of the Code, the Committee may adjust performance goals as necessary or appropriate in order to account for changes in law or accounting or to reflect the impact of extraordinary or unusual items, events or circumstances which, if not taken into account, would result in windfalls or hardships that are not consistent with the intent and purposes of an Award, including without limitation (a) restructurings, discontinued operations, extraordinary items, and other unusual or non-recurring charges, (b) an event either not directly related to the operations of the Company or not within the reasonable control of the Company's management, (c) acquisitions and divestitures, or (d) changes in generally accepted accounting principles.

8.4 Discretion. The Committee shall have the authority, in its discretion, to reduce the formula amount otherwise payable pursuant to an Award that is intended to qualify for the Performance-Based Exemption, but may not increase the amount that would otherwise be payable under any such Award.

8.5 Certification. No amount shall be paid and no Shares shall be distributed or released pursuant to an Award intended to qualify for the Performance-Based Exemption unless and until the Committee certifies in writing the extent of achievement of the applicable performance goal(s) and the corresponding amount that is earned by the Participant under such Award. For this purpose, a written certification may be in the form of approved minutes of the Committee meeting at which the certification is made or a unanimous Written Consent.

ARTICLE 9

CHANGE IN CONTROL

9.1 Assumption or Substitution of Outstanding Awards. If a Change in Control occurs, the parties may agree that outstanding Awards shall be assumed by, or converted into a substitute award for or with respect to shares of common stock of, the successor or acquiring company (or a parent company thereof) on an economically equivalent basis. The vesting and other terms of any such assumed or substitute award shall be substantially the same as the vesting and other terms and conditions of the original Award, provided that (a) if the assumed or substituted Award is an Option or SAR, the number of shares and Exercise Price shall be adjusted in accordance with the principles set forth in Sections 1.424-1(a)(5) and 1.409A-1(b)(5)(v)(D) of the Treasury regulations, and (b) if the assumed or substituted Award is not an Option or SAR, the number of shares covered by the assumed or substitute Award will be based upon the Change in Control transaction value of the Company's outstanding Shares. If the original Award is subject to the satisfaction of any performance conditions, then, unless the Committee determines otherwise, such performance conditions shall be deemed to have been satisfied at the target performance level for purposes of determining the extent to which the Award is earned. If, within two years following a Change in Control, a Participant's employment or other service terminates due to the Participant's death or Disability or is terminated by the Company or a successor or acquiring company (or any of its or their affiliates) without Cause or by the Participant for Good Reason, then any outstanding assumed or substitute Awards held by such terminated Participant shall immediately be fully vested, and any outstanding assumed or substitute Options and SARs will remain outstanding for 180 days after such termination of employment (or, if earlier, until the expiration of their original stated terms).

9.2 Awards Not Assumed or Substituted. If a Change in Control occurs and if the parties do not agree that an outstanding Award shall be assumed or substituted by the successor or acquiring company (or a parent company thereof) pursuant to Section 9.1, then such Award will be deemed fully vested and any performance conditions applicable to such Award will be deemed satisfied at the target performance level for purposes of determining the extent to which the Award is earned. Each such Award shall be cancelled immediately prior to the effective time of the Change in Control in exchange for an amount equal to the per Share consideration received by the holders of outstanding Shares in the Change in Control transaction, reduced in the case of an Option or SAR by the Exercise Price for such Shares. No consideration will be payable in respect of the cancellation of an Option or SAR with an Exercise Price per Share that is equal to or greater than the value of the Change in Control transaction consideration per Share. The amount payable with respect to the cancellation of an outstanding Award pursuant to this section will be paid in cash, unless the parties to the Change in Control agree that some or all of such amount will be payable in the form of freely tradable shares of common stock of the successor or acquiring company (or a parent company thereof). Subject to Section 9.4, the payments contemplated by this Section 9.2 shall be made upon at or as soon as practicable following the effective time of the Change in Control.

9.3 No Fractional Shares. In the event of an adjustment in the number of shares covered by any Award pursuant to the provisions hereof, any fractional shares resulting from such adjustment shall be disregarded, and each converted Award shall cover only the number of full shares resulting from the adjustment.

9.4 Section 409A. Notwithstanding anything to the contrary contained herein or in an Award Agreement, if a provision of the Plan or an Award Agreement would cause an acceleration of the vesting or payment of deferred compensation that is subject to Section 409A of the Code on account of the occurrence of a Change in Control, then such payment shall not be made unless such Change in Control constitutes a “change in ownership,” “change in effective control” or “change in ownership of a substantial portion of the Company’s assets” within the meaning of Section 409A of the Code or such accelerated vesting and/or payment may otherwise be made without violating Section 409A. Any payment that would have been made except for the application of the preceding sentence shall be made in accordance with the payment or settlement schedule that would have applied under the Award in the absence of a Change in Control.

ARTICLE 10

AMENDMENT AND TERMINATION

10.1 Amendment and Termination of the Plan. The Board, acting in its sole discretion, may amend the Plan at any time and from time to time and may terminate the Plan at any time. Plan amendments will be subject to approval by the Company’s stockholders if and to the extent such approval is required in order to satisfy applicable law and/or stock exchange listing rules. If not sooner terminated, the Plan will terminate on the tenth anniversary of the date it is adopted by the Board.

10.2 Outstanding Awards. Except as specifically required or permitted by Article 9, no amendment of an Award Agreement, and no termination, amendment or modification of the Plan shall cause any then outstanding Award to be forfeited or altered in a material way that adversely affects a Participant’s rights, unless the Participant consents thereto.

ARTICLE 11

tax withholding; Section 409a

11.1 Tax Withholding. As a condition of the exercise of any Award, the payment of cash or delivery of Shares pursuant to any Award, the lapse of restrictions or forfeiture conditions applicable to any Award or the settlement of any Award, or in connection with any other event that gives rise to a tax withholding obligation under applicable law on the part of the Company or an affiliate relating to an Award, the Committee shall require the Participant to remit to the Company or a Subsidiary an amount sufficient to satisfy such obligation. Whenever a cash payment is made pursuant to a Participant pursuant to an Award, the amount of such payment will be net of the amount of any corresponding tax withholding obligation.

A-11

TABLE OF CONTENTS

11.2 Share Withholding. The Committee, in its sole discretion and pursuant to applicable law and such procedures as it may specify from time to time, may require or permit a Participant to satisfy a tax withholding obligation relating to an Award (in whole or in part) by (a) paying cash, (b) having the Company withhold cash or Shares that would otherwise be paid, issued or released pursuant to the Award, (c) delivering to the Company other Shares owned by the Participant, (d) by such other means as the Committee may determine, or (e) by any combination of the above. The amount of a Participant's withholding tax obligation that is satisfied in Shares (whether previously-owned or withheld from the Shares that would otherwise be issued or released) shall be based upon the Fair Market Value of the Shares on the date such Shares are delivered or withheld. In no event may Shares be used to satisfy more than the minimum amount of a Participant's tax withholding obligation.

11.3 Section 409A Compliance. It is intended that Awards made under the Plan, including any deferred payment or settlement terms and conditions shall be structured, applied and interpreted in a manner that is exempt from or in compliance with Section 409A of the Code. Without limiting the generality of the preceding sentence, if a Participant becomes entitled to payments (cash or Shares) under an Award on account of the "termination of the Participant's employment or other service" or words of like import, and if such payments constitute "deferred compensation" within the meaning of Section 409A of the Code, then (a) such termination of employment or service will not be deemed to have occurred unless and until the Participant incurs a "separation from service" within the meaning of Section 409A of the Code and the regulations issued thereunder, and (b) to the extent required by Section 409A of the Code, if the Participant is a "specified employee" within the meaning of Section 409A at the time of his or her separation from service, then such payment shall be delayed until the first business day after the expiration of six months following the date of the such separation from service or, if earlier, the date of the Participant's death. On the delayed payment date, the Participant (or the Participant's Beneficiary) will be entitled to receive a lump sum payment or distribution of the payments that otherwise would have been made during the period that such payments are delayed. Notwithstanding the foregoing, each Participant shall be solely responsible, and the Company shall have no liability to the Participant or otherwise, for or with respect to any taxes, acceleration of taxes, interest or penalties arising under Section 409A of the Code.

ARTICLE 12

miscellaneous

12.1 Non-Transferability. Except as otherwise specifically permitted by the Plan or the applicable Award Agreement, no Award shall be assignable or transferable except upon the Participant's death to his or her "beneficiary" (as defined below), and, during a Participant's lifetime, an Option or SAR may be exercised only by the Participant or the Participant's guardian or legal representative. Notwithstanding the foregoing, subject to the consent of the Committee (which it may grant, condition or deny in its sole discretion for any or no reason), a Participant may make an inter vivos transfer of an Option (other than an ISO) or an SAR to any "family member" (within the meaning of Item A(1)(a)(5) of the General Instructions to SEC Form S-8 or a successor), including, without limitation, to one or more trusts, partnerships, limited liability companies and other entities which qualify as family members, provided that such transfer is not a transfer for value or is a transfer for value that the Committee determines is for estate planning purposes. For the purposes hereof, a Participant's "beneficiary" is any person or entity (including, without limitation, a trust or estate) designated in writing by a Participant to succeed to the Participant's Award(s) upon the Participant's death, subject to the provisions hereof and of the applicable Award Agreement(s). A Participant may designate a beneficiary by delivering a written beneficiary designation to the Committee (or its designee) in such form and in such manner as the Committee (or its designee) may prescribe. Each beneficiary designation duly filed with the Committee (or its designee) will have the effect of superseding and revoking any prior beneficiary designation. If a Participant does not designate a beneficiary, or if no designated beneficiary survives the Participant, then the Participant's estate will be deemed to be his or her beneficiary. The term "Participant," as used herein, shall be deemed to include the Participant's beneficiary if and to the extent the context requires.

12.2 Successors. All obligations of the Company with respect to Awards granted under the Plan shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

A-12

TABLE OF CONTENTS

12.3 Legal Construction. If any provision of the Plan shall be held illegal or invalid for any reason, such illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

12.4 Requirements of Law. The granting of Awards and the issuance of Shares under the Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

12.5 Sub-Plans. The Committee may from time to time establish sub-plans under the Plan for purposes of satisfying securities, tax or other laws of any foreign jurisdictions that may apply to Participants who receive Awards. Any such sub-plan shall contain such limitations and other terms and conditions as the Committee determines are necessary or desirable and shall be in such form (including, without limitation, as an Appendix to the Plan) as the Committee deems appropriate. Each sub-plan shall be deemed a part of the Plan, but shall apply only to the Participants who are subject to the laws of the jurisdiction to which the sub-plan relates.

12.6 Uniformity Not Required. The provisions of the Award Agreements need not be uniform among all Awards, among all Awards of the same type, among all Awards granted to the same Participant, or among all Awards granted at the same time.

12.7 Claw Back Conditions. Notwithstanding anything to the contrary contained herein or in an Award Agreement, Awards and benefits otherwise provided by Awards made under the Plan shall be subject to the Company's incentive compensation claw back policies as in effect from time to time, and, as applicable, the claw back requirements of the Dodd-Frank Act Section 954.

12.8 Limitation of Rights. The Plan shall not interfere with or limit in any way the right of the Company or of any Subsidiary to terminate any person's employment or other service at any time, and the Plan shall not confer upon any person the right to continue in the employ or other service of the Company or any Subsidiary. No employee, director or other person shall have any right to be selected to receive an Award or, having been so selected, to be selected to receive a future Award.

12.9 Decisions and Determinations Final. All decisions and determinations made by the Board pursuant to the provisions hereof and, except to the extent rights or powers under the Plan are reserved specifically to the discretion of the Board, all decisions and determinations of the Committee, shall be final, binding and conclusive on all persons.

12.10 Governing Law. The Plan and all Award Agreements shall be construed in accordance with and governed by the laws of the State of Delaware (without regard to the legislative or judicial conflict of laws rules of any state).
