Credit Suisse and certain of its affiliates have engaged in, and may in the future engage in, investment banking and other commercial dealings in the ordinary course of business with the Company and its affiliates. They have received or will continue to receive customary fees and commissions for these transactions.

In addition, SHI entered into an agreement on July 31, 2014 to sell certain mortgage-backed notes and trust certificates issued by American General Mortgage Loan Trust ( "AGMLT" ) 2006-1 (a "Trust") from Second Street Funding LLC, an affiliate of SHI, for approximately \$11 million to an unaffiliated third party, subject to customary closing conditions. This transaction is referred to herein as the MSR Sale. Investment funds managed by affiliates of Fortress Investment Group LLC indirectly own a majority of the Company's and Nationstar's common stock. Wesley R. Edens and Roy A. Guthrie, members of the Company's board of directors, also serve as members of Nationstar's board of directors. The purchase price was determined based on arms-length negotiations.

The Securitization Assets Sale, the Probable Whole Loan Sales, the Probable 2006-1 Securitization Assets Sale, and the MSR Sale are collectively referred to as the Asset Sale and were previously disclosed in SHI's Quarterly Report on Form 10-Q for the quarterly period ended June 30, 2014.

The Securitization Assets Sale and MSR Sale were completed on August 29, 2014 with total proceeds received or receivable of \$1.63 billion for the Securitization Assets Sale and approximately \$39 million for the MSR Sale. The total purchase price for the Asset Sale (after completion of the Probable Whole Loan Sales and the Probable 2006-1 Securitization Assets Sale) is expected to be approximately \$3.04 billion, subject to a possible increase or decrease in the purchase price based on the performance status of the Mortgage Loans included in the Probable Whole Loan Sales and the completion of the due diligence process.
