Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On December 12, 2018, Weatherford International plc (the “Company”) received written notice from the New York Stock Exchange (the “NYSE”) that the Company is not in compliance with the NYSE continued listing standard with respect to the minimum average share price required by the NYSE, which requires the average closing price of the Company’s ordinary shares to be at least \$1.00 per share over a period of 30 consecutive trading days (Section 802.01C of the NYSE Listed Company Manual).

In accordance with applicable NYSE procedures, the Company plans to notify the NYSE by December 27, 2018 of its receipt of the notice and of its intention to cure the noncompliance. The notice states that Company must bring its share price and average share price back above \$1.00 by six months following receipt of the notice, but can demonstrate an accelerated cure at any time during the six-month cure period if on the last trading day of any calendar month during the cure period the closing share price of the Company’s ordinary shares is at least \$1.00 and the average closing share price of the Company’s ordinary shares is at least \$1.00 over the 30 trading-day period ending on the last trading day of that month.

The notice has no immediate impact on the listing of the Company’s ordinary shares, which will continue to trade on the NYSE. The Company intends to regain compliance with Rule 802.01C by completing its previously announced Company-wide transformation plan designed to improve its 2017 EBITDA run-rate by an incremental \$1 billion by year-end 2019. The Company may also explore other available options, including a reverse stock split, if appropriate.

Item 7.01. Regulation FD Disclosure

On December 14, 2018, as required by NYSE rules, the Company issued a press release announcing that it had received the notice. A copy of this press release is attached as Exhibit 99.1 to this Current Report on Form 8-K.
