PART III

Item 10. Directors, Executive Officers and Corporate Governance

Directors

The Company's Board currently consists of six directors. The Company's Articles of Incorporation provide for the division of the Company's Board into three classes as equal in number as the total number of members of the Board provided in the Bylaws permits. The Company's Bylaws limit service of the independent directors to two three year terms. If recommended by the Chairman of the Board and approved by the Board, an independent director may serve one additional term. Directors are subject to mandatory retirement at 70 years of age. If a director reaches the age of 70 during his regularly elected term, he is allowed to serve out the term for which he was elected. In a meeting of the Board of Directors on December 10, 2015, the Board waived the two term limit and the age limit in the case of Chairman Conrad.

Executive Officers

The executive officers of the Company are elected by the Board at the annual directors' meeting which follows each annual shareholder's meeting, to serve until the officer's successor has been duly elected and qualified, or until earlier death, retirement, resignation or removal. Please see biographical information for our sole executive officer below, under the heading "Business Experience of Directors and Officers."

Board of Directors, Audit, Compensation and Nominating Committees

Board Leadership

Stephen V. Conrad, as Chairman of the Board of Directors, sets the agenda for and presides over Board meetings. The Company believes having a non-executive, independent Board Chairman (i) provides greater transparency between management and the Board, (ii) strengthens board independence, and (iii) and improves board efficiency. David A. Veltri, (CEO and President) is responsible for setting the strategic direction for the Company.

Meetings of the Board

The Board consists of six members and they have primary responsibility for directing management of the business. During 2015, the Board held seven formal meetings, which were attended by all of the directors serving on the Board.

Attendance at Annual Meetings by Directors

Directors are encouraged, but not required, to attend annual meetings. All of the directors attended the June 19, 2015 annual meeting of shareholders.

Communications from Shareholders to the Board

The independent directors have established a process for collecting and organizing communications from shareholders. Shareholders may send communications to the Board by addressing their communications to Stephen V. Conrad, Chairman of the Board, at 4643 S. Ulster Street, Suite 970, Denver, Colorado 80237. Pursuant to this process, Mr. Conrad determines which of the communications address matters of substance that should be considered by all directors, and sends those communications to all the directors for their consideration.

Audit Committee

To provide effective direction and review of fiscal matters, the Board has established an Audit Committee. The Audit Committee has the responsibility of reviewing our financial statements, exercising general oversight of the integrity and reliability of our accounting and financial reporting practices, and monitoring the effectiveness of our internal control systems. The Audit Committee also retains our independent outside audit firm and recommends selection of the internal audit firm. It also exercises general oversight of the activities of our independent auditors, principal financial officer, principal accounting officer, accounting employees and related matters. The Chairman of the Audit Committee is Stephen V. Conrad, who is a Certified Public Accountant. The Board has determined that Mr. Conrad is an audit committee financial expert as defined in Item 407(d) of SEC Regulation S-K. Other members of the Audit Committee are Jerry W. Danni and Leo A. Heath. All members of the Audit Committee are independent directors under applicable NASDAQ and SEC rules.

The Audit Committee met five times in 2015. All Committee members attended each meeting in person or by telephone. The Committee reviewed our financial statements for each quarter in 2015 and the year as a whole and discussed the financial statements with management and our independent audit firm. After the November 5, 2015 quarterly meeting, the Committee met in executive session with our independent audit firm. The Committee also discussed with the independent audit firm the various matters required to be discussed in the statement on Auditing Standards No. 61, as amended and as adopted by the Public Accounting Oversight Board in Rule 3200T. Based on the foregoing, the Committee recommended to the Board at the Audit Committee meeting held on March 22, 2016 that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2015. During the year ended December 31, 2015, the Audit Committee Chairman also met independently of management with the firm that performs internal control testing for the Company pursuant to Section 404 of the Sarbanes-Oxley Act. The Committee also reviews and reassesses the adequacy of the Audit Committee Charter on an annual basis.

Compensation Committee

The Company has a Compensation Committee, the members of which are Jerry W. Danni (Chairman), Thomas R. Bandy, Stephen V. Conrad, James B. Fraser and Leo A. Heath. These members are independent under applicable criteria established by NASDAQ. This Committee met formally on four occasions in 2015, and discussed compensation matters informally several times during the year. All Compensation Committee members attended all meetings of the Committee during 2015 either in person or by telephone.

The Compensation Committee reviews and recommends to the Board compensation packages for the officers of the Company. The Compensation Committee may delegate to a subcommittee or to the Chief Executive Officer or other officer of the Company such of its duties and responsibilities as the Committee deems to be in the best interests of the Company, provided such delegation is not prohibited by law or NASDAQ rule.

Nominating Committee

The Company has a Nominating Committee, the members of which are Leo A. Heath (Chairman) and Thomas R. Bandy. These members are independent directors under NASDAQ rules. The Nominating Committee is responsible for identifying and recommending to the Board nominees for election to the Board. This process involves consulting with the Company's CEO to identify qualified candidates with expertise in one of the business areas of the Company, including financial, oil and gas, and investment banking expertise. Once identified, the Nominating Committee reviews the qualifications (including capability, availability to serve, conflicts of interest, and other relevant factors) of any identified potential director candidate and where necessary assists in interviewing such candidate. It recommends to the Board appropriate nominees to election to be included in the Company's proxy statement for the annual shareholders meeting. The Nominating Committee met once during 2015 with all members attending either in person or by telephone.

Executive Committee

The Executive Committee helps implement the Board's overall directives as necessary. Members include David A. Veltri (Chairman) and Jerry W. Danni. The Executive Committee does not regularly conduct formal meetings. The Executive Committee did not hold any meetings in 2015.

Family Relationships

Family relationships are set forth in Item 13 hereof under the caption Family Employment.

Risk Oversight

The Company faces various risks in its business, including liquidity and operational risks. Liquidity risk is encountered in the context of balancing contractual commitments to spend capital, and also is involved in the Company's hedging commitments for oil and gas price protection. Any change in our hedging strategy will require the approval of the Board.

General business operations are managed by our executive officer, who reports to the Board as needed on developments in approved areas. Operations are run in conformity with the annual budget presented by management and approved, with appropriate modifications as needed throughout the year, by the Board. However, material budget variations (for example, a proposed acquisition or disposition of a significant property or an entry into a significant joint venture) are subject to prior approval by the Board, even if the category and fund allocation generally had been previously approved by the Board. In these situations, the Chairman will call a Board meeting to discuss specific terms, costs and variables, and associated risks, before committing the Company. We believe this process provides the Board with a continuing and key role in risk oversight.

Compensation Risk Assessment

We do not believe that our compensation programs encourage excessive risk taking. Risk mitigating factors of our compensation program and Board governance include:

- A mix of short-term and long-term incentives designed to incentivize creation of long-term shareholder value;

Caps on awards under our bonus programs, along with the use of targeted performance goals designed to emphasize metrics that lead to long-term shareholder value creation; and

- The use of a Hedging Committee to review and approve all swap agreements.

Hedging Committee

The Company has a Hedging Committee to review and approve the use of all swap agreements. Members include David A. Veltri (Chairman), Thomas R. Bandy and James B. Fraser. This Committee met formally on four occasions in 2015, and discussed hedging matters informally several times during the year. All Hedging Committee members attended all meetings of the Committee during 2015 either in person or by telephone.

Code of Ethics

We are committed to sound corporate governance principles. As evidence of this commitment, the Board has adopted charters for its committees and a Code of Ethics. These documents, along with the Company's Articles of Incorporation and Bylaws, provide the framework for our corporate governance. The charters of the Audit Committee, the Compensation Committee, and the Nominating Committee may be viewed at our web site (www.usnrg.com), at the tab "Investors," then go to "Governance." The Code of Ethics also may be viewed at that location. If these documents are amended (or if the Code of Ethics is waived in a manner requiring disclosure under SEC rules), the amendments (and the occurrence of the waiver of the Code of Ethics) will be disclosed on the website as required by the SEC. Copies of each of these documents are available without charge to any person who requests them, by sending a request to U.S. Energy Corp., Attn: David A. Veltri, Chief Executive Officer, 4643 S. Ulster Street, Suite 970, Denver, Colorado 80237.

Section 16(a) Beneficial Ownership Reporting Compliance

Under Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), directors, executive officers, and persons beneficially holding more than 10% of our common stock must report their initial ownership of our common stock and any changes in that ownership in reports that must be filed with the SEC and us. The SEC has designated specific deadlines for these reports and we must identify in this report those persons who did not file these reports when due.

Based solely on a review of reports furnished to us and written representations from the filing persons, all directors, executive officers, and 10% owners timely filed all reports regarding transactions in our securities required to be filed in 2015 under Section 16(a) of the Exchange Act.

Item 11. Executive Compensation.

Mr. Veltri was hired to serve as our President and Chief Operating Officer effective January 1, 2015 at an annual base salary of \$359,000 and eligibility to receive an annual performance bonus of up to 150% of his base salary. Beginning in June 2015, Mr. Veltri agreed to a voluntary 20% base salary reduction. Effective September 25, 2015, Mr. Veltri was appointed to also serve as our Chief Executive Officer and his compensation did not change as a result of this appointment. However, effective October 18, 2015, Mr. Veltri's base salary was reinstated to his original annual base salary of \$359,000.

Mr. Larsen served as our Chief Executive Officer until his resignation on September 25, 2015. Beginning in January 2014, his base salary was approximately \$313,000 with an increase to \$375,000 in January 2015. Beginning in June 2015, Mr. Larsen agreed to a voluntary 20% base salary reduction.

Mr. Richmond served as our Chief Financial Officer during 2014 and 2015 until his resignation effective December 31, 2015. Beginning in January 2014, his base salary was approximately \$204,000 with an increase to \$234,000 in January 2015. Beginning in June 2015, Mr. Richmond agreed to a voluntary 20% base salary reduction.

(4) Mr. Mowry served as our Principal Accounting Officer and Secretary during 2014 and 2015 until his resignation effective December 31, 2015. Beginning in January 2014, his base salary was approximately \$198,000 with an increase to \$228,000 in January 2015. Beginning in June 2015, Mr. Mowry agreed to a voluntary 20% base salary reduction.

(5) All of our officers and employees were paid a holiday bonus equal to 10% of base salary in 2014. A holiday bonus was not paid in 2015 as a cost savings measure implemented in response to the steep downturn in the price of oil. In January 2015, we made a restricted stock awards of 100,000 shares to each of Mr. Veltri and Mr. Larsen, 71,316 shares to Mr. Richmond, and 69,395 shares to Mr. Mowry. Each of these awards was valued based on the closing price of our common stock on the date of grant of \$1.50 per share. All of these awards were originally scheduled to vest for one-third of the shares on the anniversary dates of the grants in January 2016, 2017 and 2018. In connection with the resignation and related separation agreements entered into with Messrs. Larsen, Richmond and Mowry, we agreed to immediately accelerate vesting of all shares on their respective termination dates.

(6) The aggregate grant date fair value for stock awards and modifications was computed in accordance with FASB ASC 718. A discussion of all assumptions made in the valuation of the awards is in Note 11, Shareholders' Equity, to our consolidated financial statements for the year ended December 31, 2015, included in our Form 10-K filed with the SEC on April 14, 2016. For purposes of this table, the entire fair value of awards with graded vesting are reflected in the year of grant, whereas under FASB ASC 718 the fair value of graded vesting awards is recognized in our financial statements over the vesting period.

(7) In January 2015, we granted stock option awards for 100,000 shares to each of Mr. Veltri and Mr. Larsen, 71,316 shares to Mr. Richmond, and 69,395 shares to Mr. Mowry. Each of these awards was valued at the estimated fair value on the grant date of approximately \$0.88 per share. All of these awards were originally scheduled to vest for one-third of the shares on the anniversary dates of the grants in January 2016, 2017 and 2018. In connection with the resignation and related separation agreements entered into entered into with Messrs. Larsen, Richmond and Mowry, we agreed to immediately accelerate vesting of all options on their respective termination dates.

(8) In connection with the resignation and related separation agreements entered into with Messrs. Larsen, Richmond and Mowry, we also agreed to modify certain option awards that would have expired in connection with the termination of their employment for a total of 346,666 shares, 192,983 shares and 187,728 shares, respectively. We agreed to permit exercise through the original contractual expiration date of the options, which resulted in a revaluation of the options to determine the fair value of the modified awards on the executive officers' respective termination dates. The fair value of the modified options for Messrs. Larsen, Richmond and Mowry amounted to \$48,563, \$5,059 and \$4,808, respectively.

(9) The amounts shown in this column are attributable to the increase in the actuarial value of benefits payable to Mr. Larsen under our executive retirement plan determined using interest rate and mortality assumptions consistent with those used in our financial statements. In December 2015, Mr. Larsen and the other retirement plan participants agreed to terminate the plan in exchange for cash settlements of the plan obligations in the first quarter of 2016. Mr. Larsen's share of these cash payments amounted to approximately \$360,000.

(10) All Other Compensation for Mr. Veltri is primarily comprised of a \$27,000 contribution for the benefit if Mr. Veltri to our 1989 Employee Stock Ownership Plan (the "ESOP Plan") and a \$4,000 matching 401(k) plan contribution in 2015.

(11) All Other Compensation in 2015 for Mr. Larsen is primarily comprised of a severance payment of \$550,000. Due to his resignation, Mr. Larsen eliminated the possibility of vesting in our 2001 Retirement Plan for which we had recognized an accrued retirement liability of approximately \$360,000. All Other Compensation consists primarily of (i) severance of \$550,000, (ii) an ESOP Plan contribution of \$27,000, and (iii) a \$4,000 matching 401(k) plan contribution during 2015. All Other Compensation in 2014 for Mr. Larsen is primarily comprised of an ESOP Plan

contribution of \$27,000 and a \$4,000 matching 401(k) plan contribution.

(13) All Other Compensation in 2015 for Mr. Richmond is primarily comprised of a severance payment of approximately \$129,000, an ESOP contribution of \$22,000, and a \$4,000 matching 401(k) plan contribution. All Other Compensation in 2014 for Mr. Richmond is primarily comprised of an ESOP Plan contribution of \$27,000 and a \$4,000 matching 401(k) plan contribution.

(14) All Other Compensation in 2015 for Mr. Mowry is primarily comprised of a severance payment of approximately \$129,000, an ESOP contribution of \$21,000, and a \$4,000 matching 401(k) plan contribution. All Other Compensation in 2014 for Mr. Mowry is primarily comprised of an ESOP Plan contribution of \$27,000 and a \$4,000 matching 401(k) plan contribution.

Each executive officer participated in the ESOP Plan, which was established to make annual contributions toward employee retirement. During 2015 and 2014, all officers received an annual contribution to their ESOP Plan accounts of 10% of the executive's plan year compensation in common stock of the Company, up to an annual salary limitation of \$265,000 for 2015. In addition to the 10% ESOP Plan contribution, the officers received certain unallocated shares from terminated employees pursuant to the terms of the ESOP Plan. Each executive officer also participated in the 401(k) plan and each received a \$4,000 contribution during 2015 and 2014 as a matching amount on their 401(k) contributions to the plan. In consideration of the administrative costs to maintain the 401(k) plan and the fact that we currently only have one employee participating in the plan, our Board of Directors took action to dissolve the 401(k) plan by the end of April 2016. During 2015 and 2014, we did not have any non-equity incentive compensation to report in the table above.

Agreements with Named Executive Officers; Potential Payments upon Termination or a Change in Control

As previously disclosed, in connection with the resignations of Keith G. Larsen (effective September 25, 2015), Steven D. Richmond (effective December 31, 2015) and Byron G. Mowry (effective December 31, 2015), the Company entered into a separate Agreement of Mutual Release of All Claims with each of Messrs. Larsen, Richmond, and Mowry, which provided, among other things, for severance (including health insurance) payments to Messrs. Larsen, Richmond, and Mowry in the amount of \$550,000, \$129,000, and \$129,000, respectively, and immediate vesting of their outstanding options and restricted stock awards.

As of December 31, 2015, the Company is not subject to any employment agreements or any other agreements that provide for potential payments in the event of a change of control of the Company.

Executive Retirement Plan

A retirement plan for executives was approved by our Board of Directors on October 20, 2005. Eligibility requirements for receiving benefits under the plan include reaching age 60 and having served for a minimum of 15 years as a designated executive and being employed by us on December 31, 2010.

Benefits include five years of payments equal to 50% of the greater of the average of the individual's last five years of base salary or the last annual base salary. In addition, upon retirement, officers are generally eligible for healthcare insurance for themselves and their spouses for 18 months. In order to fund the Retirement Plan obligation, we periodically made cash contributions to a separate trust account that was managed by an independent trustee. We periodically engaged the services of a third party actuary to determine the estimated liability under the Retirement Plan. The Company and the Retirement Plan participants mutually agreed to terminate the retirement plan in December 2015, and all obligations were settled through cash payments during the first quarter of 2016.

Larsen, Richmond and Mowry, we agreed to accelerate vesting for all outstanding options and we modified certain option awards that (1) would have expired in connection with the termination of their employment. Accordingly, all options held by these individuals are exercisable as of December 31, 2015.

(2) In January 2015, Mr. Veltri was granted a stock option award for 100,000 shares of common stock, of which one-third of the shares vest on the anniversary dates of the grants in January 2016, 2017 and 2018.

(5) Mr. Veltri's unvested shares of restricted stock had a market value of \$16,250 on December 31, 2015, based on the closing market price for the Company's common stock of \$0.1625 on such date.

Non-Employee Director Compensation

We generally use a combination of cash and share-based incentive compensation to attract and retain qualified candidates to serve on our Board of Directors. Additionally, our directors are reimbursed for reasonable travel expenses incurred in attending meetings. In setting director compensation, we consider the significant amount of time that directors expend fulfilling their duties to us as well as the skill level required of such directors. For the year ended December 31, 2015, all non-employee director compensation was paid in cash as shown below:

Director Name ⁽¹⁾	Nature of Director Fees		
	Director	Committee	Total
Thomas R. Bandy	\$ 45,000	(2) \$ -	\$45,000
Stephen V. Conrad	45,000	(2) 13,500	(4) 58,500
Jerry W. Danni	45,000	(2) 6,750	(4) 51,750
Leo A. Heath	45,000	(2) 4,500	(4) 49,500

Mark J. Larsen	-	(3) -	(3) -
All directors as a group	\$ 225,000	\$ 24,750	\$249,750

David A. Veltri was appointed to our Board of Directors on December 31, 2015 as a replacement to Mark J. Larsen who resigned on that date. Mr. Veltri has been omitted from this table since he does not receive additional compensation for serving as a director of the Company. Mr. Veltri's compensation is described above under "Executive Compensation."

Effective July 1, 2015, each of our independent directors receives annual cash compensation for serving on our Board of Directors of \$40,000, payable at the rate of \$3,333 per month. Prior to July 1, 2015, the annual compensation of independent directors was \$50,000, payable at the rate of \$4,167 per month. Effective July 1, 2015, each of our independent directors agreed to a voluntary 20% fee reduction as one of a number of cost savings measures implemented in response to the steep downturn in the price of oil.

During 2015, Mark J. Larsen served as a member of our Board of Directors until his resignation on December 31, 2015. Mr. Larsen previously served as our President, Chief Operating Officer and Treasurer until his resignation as an executive officer on December 31, 2014. As discussed below under the caption Certain Relationships and Related Transactions, we retained Mr. Larsen to provide consulting services for a one-year term ending on December 31, 2015. During 2015, we did not pay Mr. Larsen any fees for services in his capacity as a member of our Board of Directors.

Independent directors receive additional fees for serving as the Chairman of our board committees. Effective July 1, 2015, Mr. Conrad receives an annual fee of \$12,000 to serve as Chairman of the Audit Committee; Mr. Danni receives an annual fee of \$6,000 to serve as Chairman of our Compensation Committee; and Mr. Heath receives an annual fee of \$5,000 to serve as Chairman of our Nominating Committee. Prior to July 1, 2015, Mr. Conrad received an annual fee of \$15,000 to serve as Chairman of the Audit Committee; Mr. Danni received an annual fee of \$7,500 to serve as Chairman of the Compensation Committee; and Mr. Heath received an annual fee of \$5,000 to serve as Chairman of the Nominating Committee. Effective July 1, 2015, each of our committee chairmen agreed to a voluntary 20% reduction in their fees as one of a number of cost savings measures implemented in response to the steep downturn in the price of oil.

Due to the resignation of Keith Larsen in September 2015, Mr. Conrad assumed the duties of Chairman of the Board of Directors. In recognition of the additional time required by Mr. Conrad to fulfill these duties, the Board of Directors increased Mr. Conrad's board compensation by \$2,333 per month effective January 1, 2016.

As of April 1, 2016, the adjusted liquidation preference was approximately \$2,034,000 or \$40.68 per share. ⁽¹⁾ Please refer to the Summary Compensation Table under “Executive Compensation” for information about compensation for Keith Larsen.

In September 2014, Mark J. Larsen notified us that he intended to resign as President, Chief Operating Officer and Treasurer effective December 31, 2014. We retained Mr. Larsen to provide consulting services relating to our Mt. Emmons mining project for a one-year term beginning January 1, 2015. In consideration for those services, we ⁽²⁾agreed to pay Mr. Larsen consulting fees equal to his then current annual salary of \$304,240. Effective July 1, 2015, Mr. Larsen agreed to a voluntary 20% reduction in his consulting fee as one of a number of cost savings measures implemented in response to the steep downturn in the price of oil. Mr. Larsen remained on our Board of Directors until his resignation on December 31, 2015.

(3) All Other Compensation is primarily comprised of contributions under our ESOP Plan.

All Other Compensation for Reginald Larsen is comprised of a severance payment of approximately \$23,000 upon (4)his termination of employment on December 31, 2015, a \$10,000 ESOP Plan contribution, and a \$2,000 matching 401(k) plan contribution in 2015.

(5) All officers and employees were paid a holiday bonus equal to 10% of base salary for the year ended December 31, 2014.

(6) The amounts shown in this column are attributable to the increase in the actuarial value of each NEO's combined benefits under our executive retirement plan determined using interest rate and mortality assumptions consistent with those used in our financial statements. No NEO received preferential or above market earnings on deferred compensation.

The Company has adopted a nepotism policy pursuant to which family members of any employee, which include fathers, mothers, siblings, sons, daughters, nieces, nephews or grandchildren, may not be hired or terminated by a direct family member. Additionally, family members are not allowed to participate in any discussion relating to the setting of compensation rates for other family members. In addition, an immediate relative of any employee can only be hired after the Compensation Committee has reviewed the application of the direct family member and has satisfied itself that (a) the position is necessary, (b) the position has been adequately advertised, (c) other applicants have been interviewed by non-family managers of the Company and (d) that the family member is the most qualified for the position. Further, written approval from the Chairman of the Compensation Committee must be received along with an approved rate of pay before any family members of any employees, officers or directors can be employed and paid by the Company.

Related Person Transaction Policy

From time to time, we have entered into transactions with certain "related persons," a category that generally includes executive officers, directors, and beneficial owners of five percent or more of our common stock, and immediate family members of these persons and entities in which one of these persons has a direct or indirect material interest. We refer to transactions with these related persons as "related party transactions." The Audit Committee is responsible for the review and approval of each related party transaction exceeding \$120,000, although, as a matter of practice, the Committee reviews, and, if appropriate, approves, all related party transactions regardless of the amount involved.

The Audit Committee considers all relevant factors when determining whether to approve a proposed related party transaction, including (without limitation):

- the size of the transaction and the amount of consideration that might be paid to a related person;

- the nature of the interest of the applicable related person; and

- whether the transaction involves the provision of goods or services to us that are available from unaffiliated third parties.

Implementation of the Policy

In determining whether to approve a proposed related party transaction, the Audit Committee must be reasonably satisfied that:

- the transaction likely will significantly benefit all shareholders, even though it will provide a benefit to the related parties; and

- goods or services of comparable quality either cannot be obtained from third parties in time to meet the Company's needs, or can be obtained but at a significantly higher cost.

In appropriate circumstances, the Committee may enlist outside sources to obtain information about the possibility of using third party vendors' goods and/or services.

Compensation of certain related persons other than executive officers is determined by the Compensation Committee rather than the Audit Committee as discussed in "Family Employment." The policy has been followed by the Committee since 2004.

Director Independence

We are committed to sound corporate governance principles. As evidence of this commitment, the Board has adopted charters for its committees and a Code of Ethics. These documents, along with the Company's Articles of Incorporation and Bylaws, provide the framework for our corporate governance. The charters of the Audit Committee, the Compensation Committee, and the Nominating Committee may be viewed at our web site (www.usnrg.com), at the tab "Investors," then go to "Governance." The Code of Ethics also may be viewed at that location. If these documents are amended (or if the Code of Ethics is waived in a manner requiring disclosure under SEC rules), the amendments (and the occurrence of the waiver of the Code of Ethics) will be disclosed on the website as required by the SEC. Copies of each of these documents are available without charge to any person who requests them, by sending a request to U.S. Energy Corp., Attn: David A. Veltri, Chief Executive Officer, 4643 S. Ulster Street, Suite 970, Denver, Colorado 80237.

Board and Committee Independence

The Board is comprised of a majority of independent directors. Specifically, the Board has determined that Stephen V. Conrad (an incumbent director nominee), Jerry W. Danni, Leo A. Heath, James B. Fraser, and Thomas R. Bandy are independent under applicable NASDAQ rules. In addition, the Audit Committee, the Compensation Committee, and the Nominating Committee are each comprised solely of independent directors as required under the applicable requirements of NASDAQ and the SEC.

Item 14. Principal Accounting Fees and Services.

The Audit Committee approves the terms of engagement before we engage the audit firm for audit and non-audit services, except as to engagements for services outside the scope of the original terms, in which instances the services are provided pursuant to pre-approval policies and procedures established by the Audit Committee. These pre-approval policies and procedures are detailed as to the category of service and the Audit Committee is kept informed of each service provided. These policies and procedures, and the work performed pursuant thereto, do not include any delegation to management of the Audit Committee's responsibilities under the Exchange Act.
