**PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS
May 31, 2017**

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The Board of Directors of the Company is furnishing this Proxy Statement to you in connection with the solicitation of proxies for use at our Annual Meeting to be held on May 31, 2017, at 8:00 a.m., local time, at the offices of Pillsbury Winthrop Shaw Pittman LLP located at 2550 Hanover Street, Palo Alto, California, 94304, or any adjournments or postponements thereof, for the purposes set forth in this Proxy Statement and in the accompanying notice of our Annual Meeting. References in this proxy statement to the “Company,” “we,” “our,” “us” or “Identiv” are to Identiv, Inc.

Copies of this Proxy Statement, the enclosed proxy card and our 2016 Annual Report to Stockholders are expected to be mailed on or about April 17, 2017 to stockholders of record as of the Record Date (as defined below).

Record Date

Our Board of Directors has fixed the close of business on April 4, 2017 as the record date (the “Record Date”) for the determination of our stockholders entitled to notice of, and to vote at, the Annual Meeting and any adjournments or postponements thereof.

Shares Outstanding

At the Record Date, 11,157,229 shares of the Company’s Common Stock were outstanding and entitled to vote at the Annual Meeting. Our Common Stock is listed on The NASDAQ Capital Market under the symbol INVE.

Quorum

The holders of one-third (1/3) of the outstanding shares of our Common Stock entitled to vote at the meeting, present in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and “broker non-votes” (as described below) will be treated as being present at the Annual Meeting for purposes of establishing a quorum for the transaction of business.

Voting and Vote Required

Each stockholder of record on the Record Date will be entitled to one vote per share of Common Stock held on the Record Date on all matters submitted for consideration of, and to be voted upon by, the stockholders at the Annual Meeting.

Assuming that a quorum is present, the affirmative vote of a plurality of the votes cast is required for the election of the nominees for director. No stockholder will be entitled to cumulative votes at the Annual Meeting for the election of any members of our Board of Directors.

All other matters being submitted to stockholders require the affirmative vote of a majority of the votes cast. Proposal No. 3 (the Say on Pay proposal) is a non-binding, advisory proposal.

Shares which abstain from voting as to a particular matter and shares held in “street name” by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter (“broker non-votes”) will be counted for purposes of determining whether a quorum is present for the transaction of business, but will not be considered as voting on such matter. Abstentions shall have the same effect as a vote against the proposal. Neither abstentions nor broker non-votes will have any effect upon the outcome of voting with respect to the election of directors, which requires a plurality of the votes cast, or the other matters being submitted to stockholders.

Voting Procedures

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company LLC, you are considered the “stockholder of record” with respect to those shares. As the stockholder of record, you have the right to vote in person at the meeting. If you choose to do so, you can bring your proxy card or vote using the

ballot provided at the meeting. However, even if you plan to attend the Annual Meeting, we recommend that you vote your shares in advance as described below so that your vote will be counted if you later decide not to attend the Annual Meeting.

If you hold your shares in “street name” through a broker, bank or other nominee rather than directly in your own name, you are considered the “beneficial owner” of shares held in street name. Because a beneficial owner is not a stockholder of record, you may not vote these shares in person at the meeting unless you obtain a legal proxy from the broker, bank or nominee that holds your shares, giving you the right to vote those shares at the meeting. If you wish to attend the Annual Meeting and vote in person, you will need to contact your broker, bank or nominee to obtain a legal proxy.

If you are unable to attend the Annual Meeting, you may vote by proxy as follows:

Internet. You may submit a proxy over the Internet by following the instructions provided on the separate proxy card.

Telephone. You may submit a proxy over the telephone by following the instructions provided on the separate proxy card.

Mail. You may submit a proxy by mail by completing, signing and returning the separate proxy card in the prepaid and addressed envelope included with the proxy materials.

Stockholders are urged to specify their choices on the proxy they submit by Internet, telephone or mail. If you submit a proxy, but do not specify how you want to vote on a proposal, in the absence of contrary instructions, the shares of Common Stock represented by such proxy will be voted as the Board of Directors recommends on each proposal and the persons named as proxies will vote on any other matters properly presented at the Annual Meeting in accordance with their best judgment. Stockholder votes will be tabulated by a representative of Broadridge Financial Solutions, Inc.

Brokers, banks, or other nominees that hold shares of Common Stock in “street name” for a beneficial owner of those shares typically have the authority to vote in their discretion if permitted by the stock exchange or other organization of which they are members. Brokers, banks, and other intermediaries are entitled to vote shares held for a beneficial holder on routine matters, such as the ratification of the appointment of BPM LLP as the Company’s independent registered public accounting firm, without instructions from the beneficial holder of those shares, but, absent instructions from the beneficial holders of such shares, they are not entitled to vote shares held for a beneficial holder on non-routine matters, such as the election of directors, and the approval of the advisory resolution on Say on Pay. Consequently, if you do not give your broker specific instructions, your shares may not be voted on the non-routine matters. **Please instruct your bank or broker so your vote can be counted on all proposals.**

Solicitation of Proxies

The cost of soliciting proxies will be borne by us. We may reimburse brokerage firms, banks and other persons representing the beneficial owners of shares for their expenses in forwarding solicitation materials to such beneficial owners. Solicitation of proxies by mail may be supplemented by telephone, facsimile or personal solicitation by our directors, officers or regular employees without additional compensation.

Revocability of Proxies

If you are a stockholder of record, your proxy is revocable at any time before it is voted at the Annual Meeting either by delivering to the Secretary of the Company a written notice of revocation or a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting, however, will not by itself revoke a proxy previously delivered to us. If you have executed and returned a proxy and are present in person at the Annual Meeting and wish to vote at the Annual Meeting, you may elect to do so by notifying the inspector of elections, thereby suspending the power of the proxy holders to vote the proxy previously delivered by you.

If you are a beneficial owner of shares held in street name, you may change your vote by submitting new voting instructions to your broker, bank or nominee, or if you have obtained a legal proxy from the broker, bank or nominee that holds your shares giving you the right to vote the shares, by attending the Annual Meeting and voting in person (attendance at the meeting will not by itself revoke a previously granted proxy).

Annual Report and Other Matters

Our Annual Report on Form 10-K for the year ended December 31, 2016, which is being made available to stockholders with or preceding this Proxy Statement, contains financial and other information about our Company, but is not incorporated into this Proxy Statement and is not to be considered a part of these proxy materials or subject to Regulations 14A or 14C or to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act").

We make all of our filings available free of charge on our website, www.identiv.com, including our proxy statements, our Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, together with amendments to these reports filed or furnished pursuant to Section 13(a) or 15(d) of the Exchange Act.

Edgar Filing: Identiv, Inc. - Form DEF 14A

We will also provide to each stockholder of record as of the Record Date, without charge, a copy of our Annual Report on Form 10-K for the year ended December 31, 2016, this Proxy Statement, and the related proxy card. Requests for copies may be made in writing directed to Identiv, Inc., 2201 Walnut Avenue, Suite 100, Fremont, California 94538, Attention: Investor Relations, by telephone at (949) 553-4251, or by e-mailing us at IR@Identiv.com.

Stockholder Proposals for 2018 Annual Meeting of Stockholders

Assuming a mailing date of April 17, 2018 for our 2018 proxy statement, stockholder proposals submitted for inclusion in our proxy materials for the 2018 Annual Meeting of Stockholders pursuant to Rule 14a-8 under the Exchange Act must be received at 2201 Walnut Avenue, Suite 100, Fremont, California 94538, Attention: Secretary, by December 19, 2017; provided, however, that if the date of the 2018 Annual Meeting of Stockholders is changed by more than 30 calendar days from the date of the Annual Meeting, then the deadline is a reasonable time before we begin to print and distribute our proxy materials.

Our Bylaws establish an advance notice procedure for stockholders who wish to present certain matters before an annual meeting of stockholders without including those matters in the Company's proxy statement. In general, such proposals shall set forth as to each matter the stockholder proposes to bring before the annual meeting (a) a brief description of the business desired to be brought before the annual meeting, (b) the name and address, as they appear on the Company's books, of the stockholder proposing such business, (c) the class and number of shares of the Company which are beneficially owned by the stockholder, and (d) any material interest of the stockholder in such business.

The notice period for proposals under our bylaws is not less than 60 calendar days nor more than 90 calendar days before the one-year anniversary of the date on which we first mailed our proxy materials for the preceding year's annual meeting. However, if the date of the Annual Meeting is moved more than 30 days after the anniversary of the Annual Meeting, the Company's advance notice procedure requires that such proposal must be received by us not later than the close of business on the 10th day following the day on which such notice of the date of the meeting was mailed or such public disclosure was made. Notice must be delivered to the Secretary of the Company and must be received by the Company no earlier than the close of business on January 11, 2018 and no later than the close of business on February 10, 2018. Notwithstanding the foregoing, a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to the matters set forth therein. Our bylaws have been publicly filed with the Securities Exchange Commission ("SEC").

If a stockholder fails to give notice of a stockholder proposal as required by our bylaws or other applicable requirements, then the proposal will not be included in the proxy statement for our 2018 Annual Meeting of Stockholders and the stockholder will not be permitted to present the proposal to the stockholders for a vote at our 2018 Annual Meeting of Stockholders.

Board Meetings and Committees

Board Leadership Structure

In accordance with the Company's Bylaws, the Board of Directors elects all officers of the Company, including our Chief Executive Officer and our Chairman, and each of these positions may be held by the same person or may be held by two persons. The Board of Directors has determined that a Lead Independent Director should be elected when the roles of the Chairman of the Board and the Chief Executive Officer are filled by the same person, and such Lead Independent Director should be an independent director as defined by applicable NASDAQ Stock Market rules and the Company's Corporate Governance Guidelines, and be elected annually. The role of the Lead Independent Director is to coordinate the activities of the independent directors, to advise the Chairman of the Board as to the information provided by Company management to the independent directors, to manage executive sessions of the Board of Directors' independent directors, and to act as principal liaison between the independent directors and the Chairman of the Board.

Currently, Steven Humphreys serves as the Company's Chief Executive Officer and James E. Ousley, who is an independent director, serves as Chairman of the Board of Directors. The Board of Directors believes that the current structure of the Board of Directors is an appropriate allocation of roles and responsibilities to effectively manage the affairs of the Company.

The Board of Directors' Role in Risk Oversight

The Board of Directors has an active role, as a whole and also at the committee level, in overseeing management of the Company's risks. The Board of Directors regularly reviews information regarding the Company's credit, liquidity and operations, as well as the risks associated with each. The Compensation Committee is responsible for overseeing the management of risks relating to the Company's executive compensation plans and arrangements. The Audit Committee of the Board of Directors oversees management of financial risks. The Nominating Committee manages risks associated with the independence of the Board of Directors and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board of Directors is regularly informed through committee reports about such risks.

Board Meeting Attendance

Our Board of Directors held eight meetings in 2016. Each of our current directors attended at least 75% of the meetings of the Board of Directors and meetings of committees on which they served during 2016. As needed, our independent directors meet in executive session without Company management present to address any issues they

determine to be appropriate. The Chairman of the Board presides at such executive sessions.

The Investor Relations staff will forward such communication to the Board of Directors or to any individual director or directors to whom the communication is directed as applicable, if the communication is relevant to the Company's business and financial operations, policies or corporate philosophy.

Director Attendance at Stockholder Meetings

We do not have a policy regarding director attendance at stockholder meetings. One director attended the 2016 Annual Meeting of Stockholders.

COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors currently has three standing committees, the Audit, Compensation and Nominating Committees, which are composed of independent directors appointed by the Board of Directors. From time to time the Board of Directors may choose to create additional committees. The charters of each of these committees are available on the Corporate Governance page within the Investor Relations section of our website at www.identiv.com.

In discharging its duties, our Audit Committee, among its other duties:

The Compensation Committee of our Board of Directors held three meetings during 2016. Currently, the Compensation Committee consists of Mr. Kremen, Mr. Ousley and Ms. Shapiro, and Mr. Kremen serves as Chairman. The Board of Directors has determined that each member of the Compensation Committee currently serving or having served during 2016 is independent within the meaning of the applicable SEC and NASDAQ Stock Market rules.

Pursuant to its charter, the Compensation Committee has responsibility for and authority to:

Review and approve corporate goals and objectives relevant to CEO compensation, evaluate the CEO's performance in light of those goals and objectives, and set the CEO's compensation level based on this evaluation;

Develop, review and approve compensation policies and practices applicable to the Company's officers who are deemed to be "executive officers" of the Company for SEC reporting purposes, including the criteria upon which executive compensation is based, the specific relationship of corporate performance to executive compensation and the composition of benefits;

Make recommendations to the Board of Directors with respect to the Company's incentive compensation and equity-based compensation plans;

Review the compensation and benefits offered to non-employee directors and recommend changes to the Board of Directors as appropriate; and

Administer and evaluate the Company's incentive, equity-based and other executive compensation programs, including approving guidelines, making grants and awards and establishing annual award levels for employee stock options, units, restricted shares and other incentive and equity-based awards under such programs, interpreting and promulgating rules relating to the plans, modifying or canceling grants or awards, designating eligible participants and imposing limitations and conditions on grants or awards.

The Compensation Committee is authorized to delegate any portion of its authority to subcommittees and to engage external independent consultants, as deemed necessary.

Processes and Procedures. On an annual or more frequent basis, the Company's CEO recommends to the Compensation Committee salary, annual bonus and long-term compensation levels for less senior officers, including the other named executive officers. The executive officers named in the Summary Compensation Table of this proxy statement are referred to as our "Named Executive Officers." Each Named Executive Officer is reviewed annually based on whether various performance objectives were met during the preceding review period. An evaluation of each officer's performance is presented to the Compensation Committee and used in the Compensation Committee's review and analysis of such officer's overall compensation. No other Named Executive Officer currently has a role in determining or recommending the form or amount of compensation paid to the Named Executive Officers, other than providing such financial or other information as the Compensation Committee may request from time to time. Although the participation of our CEO could influence performance targets, our Compensation Committee rather than our CEO makes all determinations regarding performance goals and targets. Our CEO does not attend any portion of meetings at which his compensation is discussed.

Independent Compensation Consultant. As indicated above, pursuant to its charter, the Compensation Committee has the power, in its discretion, to retain at the Company's expense, such independent counsel and other advisors and experts as it deems necessary or appropriate to carry out the Compensation Committee's duties. Under its charter, the Compensation Committee has the express authority to decide whether to retain a compensation consultant to assist in the evaluation of compensation. If the Compensation Committee decides in its discretion to retain such a firm, the Board of Directors delegates to the Compensation Committee the sole authority to retain and terminate any compensation consultant engaged to assist in the evaluation of the compensation of the Company's senior executive officers (including all of the Named Executive Officers).

Compensation Committee Interlocks and Insider Participation. No director who served on the Compensation Committee during 2016 and no current member of the Committee is a current or former executive officer or employee of the Company. No director who served on the Compensation Committee had any relationships requiring disclosure by the Company under the SEC's rules requiring disclosure of certain relationships and related-party transactions.

Analysis of Risk in Compensation Programs. In setting compensation, the Compensation Committee also considers the risks to the Company's stockholders, and the Company as a whole, arising out of the Company's compensation programs. The Committee considered the various elements of the Company's compensation practices, including base salary, annual bonus programs, short and long-term incentive awards, the use of cash and equity awards, and how performance is evaluated. While our annual bonus programs may encourage short-term risk taking on the part of participating employees, the Committee believes that these risks are balanced by the use of fixed base salaries and long-term equity incentives that encourage employees to take a long-term view of our business aligned with the interests of the Company's stockholders. The Committee did not identify any risks arising from the Company's compensation policies and practices reasonably likely to have a material adverse effect on the Company.

Nominating Committee

The Nominating Committee assists in identifying individuals qualified to become members of the Board of Directors. Currently, the Nominating Committee consists of Messrs. Kremen and Ousley, with Mr. Kremen serving as the Chairman. The Board of Directors has determined that each of the members of the Nominating Committee is independent within the meaning of the NASDAQ Stock Market director independence standards. The Nominating Committee held one meeting during 2016.

Policy for Director Recommendations and Nominations

The primary role of the Nominating Committee is to develop and recommend to the Board of Directors criteria for identifying and evaluating director candidates and to establish a procedure for consideration of director candidates recommended by our stockholders. The Nominating Committee periodically assesses the appropriate size of the Board of Directors and whether any vacancies are expected due to retirement or otherwise. In the event that vacancies are anticipated, the Nominating Committee seeks to identify and evaluate potential candidates at meetings of the Nominating Committee, which can take place at any point during the year.

Candidates may come to the attention of the Board of Directors through current members of the Board of Directors, professional search firms, stockholders or other parties. All candidates are evaluated based on a review of the individual's qualifications, skills, independence and expertise. The Nominating Committee will consider candidates submitted by stockholders as nominees for election as directors of the Company. Stockholders wishing to have the Nominating Committee consider a candidate should submit the name(s) and supporting information to Corporate Secretary, c/o Identiv, Inc., 2201 Walnut Avenue, Suite 100, Fremont, California 94538, and should include the following information: (a) the name(s) and address(es) of the stockholder(s) making the recommendation and of the persons to be nominated; (b) a representation that the stockholder is a record holder of stock of the Company entitled to vote for the election of directors on the date of such notice and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (c) a description of all arrangements or understandings between the stockholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the stockholder; (d) such other information regarding each nominee proposed by such stockholder as would be required to be included in the Proxy Statement filed pursuant to the proxy rules of the SEC, had the nominee been nominated, or intended to be nominated, by the Board of Directors; (e) the consent of each nominee to serve as a director of the Company if so elected; and (f) appropriate biographical information and a statement as to the qualifications of the candidate. Written notice of a nomination must be received by us within the timeframe described under "*Stockholder Proposals for 2018 Annual Meeting of Stockholders*" above.

As part of its selection process, the Nominating Committee may consider recommendations of director candidates with diverse backgrounds and experience who are expected to enhance the quality of the Board of Directors, serve stockholders' long-term interests and contribute to our overall corporate goals. Pursuant to our Corporate Governance Guidelines, we endeavor to have a Board of Directors representing diverse experience at policy-making levels in various areas that are relevant to our global activities. While the Nominating Committee has not established specific minimum criteria for candidates, the philosophy of the Committee is that directors should possess the highest personal and professional ethics, integrity and values, informed judgment, and sound business experience and be committed to representing the long-term interests of our stockholders. Candidates must also have an inquisitive and objective perspective, the ability to make independent analytical inquiries, practical wisdom and mature judgment. In evaluating candidates, the Nominating Committee may consider a candidate's work experience related to our business, general professional experience and overall expected contributions to the Board of Directors in relation to other directors already serving on the Board of Directors. When evaluating existing directors for nomination for re-election, the Nominating Committee may also consider the directors' past Board of Director and committee meeting attendance and participation.

The Nominating Committee evaluates stockholder-recommended candidates using the same process and the same criteria it uses to evaluate candidates from other sources. The Nominating Committee has the authority to retain outside counsel, experts, and other advisors as it determines appropriate to assist it in the full performance of its functions, including sole authority to retain and terminate any search firm used to identify director candidates, and to approve the search firm's fees and other retention terms.

CORPORATE GOVERNANCE

Corporate Governance Guidelines

The Board of Directors has adopted Corporate Governance Guidelines that assist the directors in following corporate practices that serve the best interests of the Company and its stockholders, including guidelines relating to board composition, director qualifications and selection process, director independence, board committees and auditor independence. The Corporate Governance Guidelines are available on the Corporate Governance page within the Investor Relations section of our website at www.identiv.com. The Nominating Committee and the Board of Directors review the Corporate Governance Guidelines annually and the Board of Directors may amend the Corporate Governance Guidelines at any time.

Code of Conduct and Ethics

The Board of Directors have adopted a Code of Conduct and Ethics for all of our employees, including our CEO, Chief Financial Officer (“CFO”), any other principal accounting officers and for the members of our Board of Directors. Our Code of Conduct and Ethics is posted on the Corporate Governance page within the Investor Relations section of our website, at www.identiv.com. The Board of Directors may amend the Code of Conduct and Ethics at any time and has the sole authority to approve any waiver of the Code of Conduct and Ethics relating to the activities of any of our senior financial officers, other executive officers and directors.

Compensation of Directors

During 2016, each non-employee member of our Board of Directors was eligible to receive compensation, payable monthly, as detailed below. However, at a minimum, 50% of the annual retainers must be paid in restricted stock units (“RSUs”) under our 2011 Incentive Compensation Plan (the “2011 Plan”). Annual compensation for each eligible director potentially includes:

an annual retainer for the board year ended May 31 of \$100,000, except for the Chairman of the Board or Lead Independent Director, who is eligible to receive an annual retainer of \$180,000 for the board year ended May 31; and

an additional annual retainer for the board year ended May 31 of \$40,000 for service on each committee of the Board of Directors, except for the Chairman of the Audit Committee, who is eligible to receive an annual cash retainer of \$65,000 for the board year ended May 31.

RSUs granted to non-employee directors for the board year ended prior to May 31, 2016 vested in full on the date of grant. RSUs granted to non-employee directors for the board years ending May 31, 2016 and after vest monthly. Vested shares will be delivered on the earlier of three years from the date of the award or the date of separation of service.

Additionally, we reimburse our non-employee directors for all reasonable out-of-pocket expenses incurred in the performance of their duties as directors, which primarily consist of travel expenses associated with Board of Directors or committee meetings or with committee assignments.

**PROPOSAL NO. 2
RATIFICATION OF THE APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Our Board of Directors is asking you to ratify the appointment of BPM LLP (“BPM”) as our independent auditor for the fiscal year ending December 31, 2017. Although our Bylaws and applicable legal requirements do not require stockholder ratification of the selection of BPM as our independent auditor, our Board of Directors is submitting the selection of BPM to our stockholders for ratification as a matter of good corporate practice. We expect that a representative of BPM will be available at the Annual Meeting to make a statement and will be available to respond to appropriate questions.

In the event that our stockholders fail to ratify the appointment of BPM as independent auditor, our Audit Committee may reconsider its selection. Even if the selection is ratified, the Audit Committee at its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Vote Required

The affirmative vote of the holders of a majority of the votes cast and entitled to vote at the Annual Meeting will be required to ratify the appointment of BPM as our independent registered public accounting firm for the fiscal year ending December 31, 2017. As a result, abstentions and broker non-votes will have no effect on the outcome of this proposal.

Recommendation of the Board of Directors

The Board of Directors recommends a vote “FOR” the ratification of the appointment of BPM LLP, an independent registered public accounting firm, to serve as the Company’s independent auditor for the fiscal year ending December 31, 2017.

Principal Accountant Fees and Services

The aggregate fees billed or to be billed to us by BPM for the fiscal year ended December 31, 2016 and December 31, 2015, are as follows:

Audit-Related Fees	—			
Tax Fees	—		—	
All Other	—		—	
Total	\$580,100		\$715,500	

(1)

Amounts reflect only those fees invoiced by the independent auditing firm that rendered an audit opinion on our financial statements for the year indicated.

Audit Fees. Audit fees include fees associated with the audit of our annual financial statements included in our Annual Report on Form 10-K, review of our financial statements included in our quarterly reports on Form 10-Q, and fees for the statutory audit of subsidiaries.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Our Independent Registered Public Accountants

In accordance with the charter of the Audit Committee of our Board of Directors, the Audit Committee pre-approves all audit and permissible non-audit services provided by our independent registered public accounting firm, including the estimated fees and other terms of any such engagement. In certain circumstances, the Audit Committee may provide subsequent approval of non-audit services not previously approved. Services provided by our independent registered public accounting firm may include audit services, audit-related services, tax services and other services. Actual amounts billed, to the extent in excess of the estimated amounts, were periodically reviewed and approved by the Audit Committee. The Audit Committee considers whether such audit or non-audit services are consistent with the SEC rules on auditor independence. The Audit Committee has determined that the services provided by the Company's independent public accounting firms are compatible with maintaining the independence of such firms. All fees set forth in the table above were pre-approved pursuant to this policy.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee of the Board of Directors is composed of three members and acts under a written charter adopted and approved by the Board of Directors. The members of the Audit Committee are independent as defined by the Audit Committee's charter, the Nasdaq Capital Market listing standards and the Securities Exchange Act of 1934.

The Audit Committee assists the Board of Directors in fulfilling its responsibility for oversight of the quality and integrity of our financial reporting processes, system of internal controls, processes for monitoring compliance with laws and regulations, audit processes and standards of business conduct. The Audit Committee manages the relationship with our independent auditor, who reports directly to the Audit Committee. The Audit Committee also oversees the internal audit and Sarbanes-Oxley compliance functions of the Company, who reports directly to the Audit Committee. The Audit Committee has the authority to obtain advice and assistance from outside legal, accounting or other advisors as the Audit Committee deems necessary to carry out its duties and to allocate appropriate funding, as determined by the Audit Committee, for such advice and assistance.

The Audit Committee has reviewed and discussed with management the audited financial statements of the Company for the fiscal year ended December 31, 2016. The Audit Committee also has discussed with the Company's independent auditor for the fiscal year ended December 31, 2016, the matters required to be discussed by Auditing Standard No. 16 ("Communication with Audit Committees"), as amended by the Public Company Accounting Oversight Board ("PCAOB"). Furthermore, the Audit Committee has received written communications from our independent registered public accounting firm required by the PCAOB regarding communications with the Audit Committee concerning independence and has discussed the auditor's independence from the Company and its management, and considered whether the provision of other non-audit services by our independent registered public accounting firm to the Company is compatible with the auditor's independence.

In performing all these functions, the Audit Committee acts only in an oversight capacity and necessarily relies on the work and assurances of our management and independent registered public accountants. Management has primary responsibility for preparing the Company's financial statements and for our financial reporting process. Our independent auditors for the fiscal year ended December 31, 2016 are responsible for expressing an opinion on the conformity of our audited financial statements to accounting principles generally accepted in the United States. In reliance on the reviews and discussions referred to in this report, and in light of its role and responsibilities, the Audit Committee recommended to the Board of Directors that the audited financial statements for the fiscal year ended December 31, 2016 be included for filing with the SEC in our Annual Report on Form 10-K for the year ended December 31, 2016, and the Board of Directors has approved such inclusion.

PROPOSAL NO. 3

ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION “SAY ON PAY”

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”), as well as Section 14A of the Exchange Act and the rules promulgated thereunder, we are asking stockholders to approve, on a non-binding advisory basis, the Company’s compensation of our Named Executive Officers as described in this Proxy Statement. As described below in the “Executive Compensation” section of this Proxy Statement, the Compensation Committee has designed the compensation of our Named Executive Officers to align each Named Executive Officer’s compensation with the Company’s short-term and long-term performance and to provide the compensation and incentives needed to attract, motivate and retain the Named Executive Officers, who are crucial to our long-term success. Please read the section of this proxy statement entitled “Executive Compensation,” which describes in more detail our executive compensation policies, as well as the Summary Compensation Table and other related compensation tables and narrative, which provide detailed information on the compensation of our Named Executive Officers.

Based on the voting results at our 2012 Annual Meeting of Stockholders with respect to the frequency (the “Frequency Vote”) of stockholder advisory votes to approve the compensation of Named Executive Officers, we have decided to include an advisory vote to approve the compensation of Named Executive Officers in our proxy materials on an annual basis.

The advisory resolution, commonly known as a “say-on-pay” proposal, gives stockholders the opportunity to express their views on the compensation of our Named Executive Officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers and the philosophy, policies and practices described in this Proxy Statement. Accordingly, you are being asked to vote on the following resolution at the Annual Meeting:

“RESOLVED, that the Company’s stockholders approve, on a non-binding, advisory basis, the compensation of the Named Executive Officers, as disclosed in the Company’s Proxy Statement for the 2017 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the 2016 Summary Compensation Table and the other related tables and disclosure.”

The say-on-pay vote is advisory, and therefore not binding on us, the Compensation Committee or the Board of Directors; however, the Board of Directors and Compensation Committee value the opinions of our stockholders and to the extent there is any significant vote against the Named Executive Officer compensation as disclosed in this Proxy Statement, the Compensation Committee will consider the stockholders’ concerns and will evaluate whether any actions are necessary to address those concerns.

Vote Required

The affirmative vote of the holders of a majority of the votes cast in person or by proxy and entitled to vote at the Annual Meeting will be required to approve this proposal. As a result, abstentions and broker non-votes will have no effect on the outcome of this proposal.

Recommendation of the Board of Directors

The Board of Directors believes that Proposal No. 3 is in the best interests of the Company and our stockholders and recommends a vote “FOR” the approval of the non-binding advisory resolution on Named Executive Officer compensation as disclosed in this Proxy Statement.

Employment Agreements; Termination / Change in Control Arrangements

We have entered into employment agreements with certain of our executive officers. Below is a description of the material terms of each agreement, including severance provisions.

Employment Agreement with Steven Humphreys

On September 14, 2015, we entered into an executive employment agreement with Steven Humphreys pursuant to which Mr. Humphreys serves as our Chief Executive Officer and a director. As of the date of his appointment as Chief Executive Officer, Mr. Humphreys continued to serve as a director, but ceased serving as the Chairman of the Board and serving on the Audit and Nominating Committees, and receives no additional compensation for his service on the Board. Under the terms of the agreement, Mr. Humphreys receives an annual base salary of \$350,000, with a target annual performance bonus of 100% of his base salary. Additionally, Mr. Humphreys was granted an option to purchase 444,460 shares of common stock at an exercise price of \$4.36 per share (the "Option"), the closing price of the Company's common stock on September 9, 2015, under the 2011 Plan. The Option vests as to 25% of the underlying shares on the first anniversary of the date of grant, and then monthly over the following three years. In addition, the Board agreed to grant Mr. Humphreys a restricted stock unit award for 302,657 shares of the Company's common stock vesting over four years from September 9, 2015.

Pursuant to his employment agreement, Mr. Humphreys is also entitled to severance benefits. If he is terminated without Cause or leaves for Good Reason (as each term is defined in such agreement), he is entitled to 12 months of his base salary and benefits, as well as 12-month acceleration of his equity vesting schedule. In the event he is terminated without Cause or leaves for Good Reason within 12 months following a Change in Control of the Company, he is entitled to full acceleration of his equity awards with time-based vesting. As an employee, Mr. Humphreys is also eligible to participate in the Company's employee benefits plans.

Employment Agreement with Jason Hart

On March 13, 2014, we entered into an executive employment agreement with Jason Hart under which Mr. Hart served as President, Chief Executive Officer and director, which agreement had a term of three years from January 1, 2014 through December 31, 2016. The agreement was amended September 14, 2015 in connection with Mr. Hart's transition from Chief Executive Officer on September 9, 2015. As amended, the agreement continued to provide Mr. Hart a \$350,000 annual base salary and use of a company car, provided him an annual commissions opportunity of up to 100% of base salary and annual bonus opportunity of up to 50% of base salary (in substitution of a 200% annual bonus opportunity in the original agreement) and provided a new benefit of up to \$10,000 in annual reimbursements for personal financial advisor costs. The agreement, both originally and as amended, provided for certain cash severance, benefits continuation and acceleration of equity award vesting in the event of an involuntary termination of employment within 12 months following a change of control. The agreement originally provided that in the event of an involuntary termination of Mr. Hart's employment not following a change of control, Mr. Hart would continue to receive monthly salary payments, employee benefits, applicable bonus payments and company car usage until the earlier of either the expiry of 24 months from the date of such termination or the then-current term of the agreement. As amended, the agreement provided that in the event of an involuntary termination not following a change of control, Mr. Hart would receive 12 months of his base salary and benefits and a payment equal to 100% of bonuses or actual commissions paid in the prior 12 months, subject to his execution of a general release of claims.

Mr. Hart ceased to serve as our President and an employee of the Company effective February 2, 2016, and resigned as a member of the Board on the same date. In connection with his cessation of employment, we paid Mr. Hart a separation payment of \$546,625 in 2016.

Employment Agreement with Steven Finney

On May 7, 2013, we entered into an executive employment agreement with Steven Finney, which agreement provides Mr. Finney a \$180,000 annual base salary, an annual bonus opportunity of up to 50% of base salary and up to \$25,000 in reimbursements for relocation costs. Over the course of the subsequent two years Mr. Finney's base salary increased to \$200,000 annualized. The Company may unilaterally terminate the agreement without cause (as defined in the agreement) upon three months prior notice, during which notice period Mr. Finney will be entitled to continued salary, pro-rated bonus and other standard benefits. If employment terminates by reason of disability (as defined in the agreement), Mr. Finney will be entitled to six months continued salary and pro-rated bonus. In December 2015, the Company agreed to increase Mr. Finney's base salary by an additional \$10,000 per month during the period in which he serves as interim Chief Financial Officer.

Mr. Finney ceased to serve as our interim Chief Financial Officer effective February 16, 2017.

Employment Agreement with Sandra Wallach

On January 19, 2017, we entered into an executive employment agreement with Sandra Wallach, which agreement provides Ms. Wallach a \$265,000 annual base salary. Additionally, Ms. Wallach was granted a restricted stock unit award covering 90,000 shares of common stock under the 2011 Plan, which award vests with respect to 25% of the underlying shares on the first anniversary of Ms. Wallach's start date with the Company and then with respect to the remaining shares on a quarterly basis over the following three years. Pursuant to her employment agreement, Ms. Wallach is also entitled to severance benefits. If she is terminated without Cause (as such term is defined in such agreement), she is entitled to three months of her base salary and reimbursement of three months of health care continuation coverage premiums, subject to her having provided the Company a general release of claims.

Potential Payments upon Termination or Change in Control

The information below describes the estimated value of certain compensation and benefits that would potentially have become payable under contractual arrangements with our named executive officers other than Mr. Hart assuming a termination of employment or change in control of the Company had occurred on December 31, 2016, based upon the named executive officer's compensation and service levels as of such date and, where applicable, the \$3.18 closing price of our common stock on December 31, 2016. The information presented represents estimates of incremental amounts that would become payable had a triggering event occurred on December 31, 2016 and does not include amounts that were earned and payable as of that date regardless of the occurrence of a triggering event. Because Mr. Hart's employment with the Company terminated on February 2, 2016, the information presented for him reflects the actual compensation and benefits to which he became entitled as a result of termination. The actual amounts to be paid and the value of any accelerated vesting of stock options, restricted stock or RSUs can be determined only at the time of a triggering event, and are dependent upon the facts and circumstances then applicable.

In connection with Mr. Hart's termination from employment effective February 2, 2016, he received (i) a \$481,175 lump sum, representing the sum of 12 months of his base salary and 100% of bonuses or actual commissions paid in the prior 12 months, (ii) a \$35,517 lump sum, representing the leasing costs of 12 months continued car usage, (iii) the right to reimbursement of health care coverage for a period of twelve months and having a value of approximately \$9,000 and (iv) accelerated vesting of all outstanding equity awards otherwise scheduled to vest on or before May 12, 2016, having an intrinsic value of approximately \$74,625. Mr. Hart entered into a general release as a condition of receiving these benefits.

If Mr. Humphreys had either been terminated as of December 31, 2016 either by constructive termination (as defined in his employment agreement) due to a material change in his employment conditions or by involuntary termination initiated by the Company for any reason other than for cause (as defined in his employment agreement), death or disability (as defined in his employment agreement), he would have become entitled to (i) \$350,000, representing 12 months' salary, (ii) reimbursement of health care coverage for a period of twelve months and having a value of approximately \$27,218 and (iii) accelerated vesting of all outstanding equity awards with respect to the shares that would have vested in the twelve (12) months after such termination, having an intrinsic value of approximately \$240,612. Had Mr. Humphreys' employment terminated as of December 31, 2016 following a change in control of the Company as a result of a constructive or involuntary termination, he would have become entitled to the severance described in the immediately preceding sentence but, in addition, the accelerated vesting would apply to 100% of outstanding equity awards having an intrinsic value of approximately \$661,682. Mr. Humphreys' entitlement to such benefits would be conditioned upon his execution and nonrevocation of a general release in a form determined by the Company. In addition, Mr. Humphreys may be subject to a Section 280G cutback. Had Mr. Humphreys' employment terminated as of December 31, 2016 for reasons of death or disability (as defined in his employment agreement), he (or his estate as applicable) would have become entitled to \$350,000, representing 12 months' salary, not conditioned on a general release.

If Mr. Finney had been involuntarily terminated as of December 31, 2016 without cause and not for disability (each as defined in his employment agreement), he would have become entitled to \$80,000, representing 3 months' salary. Had Mr. Finney's employment terminated as of December 31, 2016 by reason of disability (as defined in his employment agreement), he would have become entitled to \$160,000, representing 6 months' salary.

Certain Relationships and Related Transactions

Related Party Transactions

Earn-out Consideration Pursuant to idOnDemand Agreement. We entered into a Stock Purchase Agreement (the “SPA”) on April 29, 2011 between the Company and the sellers of idOnDemand, Inc. (the “Selling Shareholders”) whereby the Selling Shareholders, including Jason Hart and Brian Nelson, were eligible to receive limited earn-out payments (“Earn-out Consideration”) in the form of shares of common stock subject to certain lock-up periods under the terms of the SPA. The SPA provided for the Earn-out Consideration to be paid to the Selling Shareholders for each of the years or part years ended December 31, 2011, 2012, 2013 and 2014 based on the achievement of specific financial and sales performance targets, with the measurement of those achievements to be determined based on the financial records of idOnDemand. However, the idOnDemand product group has been fully integrated into the Company since the acquisition and, as such, it was impractical to derive the discrete financial records of the related product group, so the Company engaged a third party independent valuation firm to assist in the validation of the Earn-out Consideration liability as of December 31, 2014. The valuation was based on a calculation of our internal sales performance data as well as consideration of comparable companies’ metrics and data. Our Board of Directors considered this valuation, among other factors, and approved an Earn-out Consideration liability in the amount of \$3.51 million for the period ended December 31, 2014.

The Earn-out Consideration was settled through the issuance of our common stock on May 11, 2015. Accordingly, the \$3.51 million Earn-out Consideration was distributed to the Selling Shareholders in proportion to their former shareholdings, which included approximately 87% held by our former Chief Executive Officer representing approximately \$3,040,000 and approximately 0.3% held by a former Chief Financial Officer representing approximately \$10,500 of the total Earn-out Consideration. We issued 294,750 and 921 shares of common stock, respectively, to these individuals.

Compensation to Mr. Hart. For the year ended December 31, 2014, we allocated as additional compensation to Jason Hart \$97,868 of previously reimbursed expenses in 2014 which we subsequently determined should not have been reimbursed either because such expenses were not consistent with our expense guidelines and policies or because insufficient documentation was provided to support such expense reimbursements. At our request, in February 2016 Mr. Hart repaid \$35,784 of such amount.

Indemnification Agreements. We have entered into indemnification agreements with our directors and executive officers. These agreements require us to indemnify these individuals to the fullest extent permitted under Delaware law against liabilities that may arise by reason of their service to us, and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified.

OTHER MATTERS

We do not intend to bring any matters before the Annual Meeting other than those set forth herein, and our management has no present knowledge that any other matters will or may be brought before the Annual Meeting by others. However, if any other matters properly come before the Annual Meeting, it is the intention of the persons named in the enclosed proxy to vote the shares they represent as our Board of Directors may recommend.
