Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) The number of restricted stock units (RSUs) includes 980,000 time-based RSUs and 280,000 performance-based RSUs.
- (2) The number of performance-based RSUs that vested was determined based on Apple's total shareholder return (TSR), relative to the other companies in the S&P 500 over a three-year period from August 25, 2013 through August 24, 2016. TSR is calculated based on the change in a company's stock price during the three-year period, taking into account any dividends paid during that period, which are

Edgar Filing: APPLE INC - Form 4

assumed to be reinvested in the stock. In accordance with the terms of the award, the beginning value used for calculating TSR is the average closing stock price for the 20 trading days prior to August 25, 2013. Apple's beginning value was calculated to be \$68.56 (adjusted for dividends and Apple's 7:1 stock split in June 2014). Similarly, the ending value used for calculating TSR is the average closing price for the 20 trading days ending on August 24, 2016. Apple's ending value was calculated to be \$114.86 (adjusted for dividends).

- Mr. Cook's award provides that if Apple's relative TSR performance is within the top third of the companies that remain in the S&P 500 for the entire performance period, the 280,000 performance-based RSUs vest in full. If Apple's performance is in the middle third, the RSUs will be reduced by 50%, and if Apple's performance is in the bottom third, the RSUs will be reduced to zero. Apple needed to
- (3) achieve a TSR of at least 55.68% to outperform the middle third of the companies in the S&P 500 for the performance period, and at least 19.71% to outperform the bottom third of the companies. Apple's TSR for the three-year period was 67.55%, which ranked 95th of the 430 companies that were included in the S&P 500 for the entire period and placed Apple in the 78th percentile. Therefore, all 280,000 of the RSUs subject to performance requirements vested.
- (4) Each RSU represents the right to receive, at settlement, one share of common stock. This transaction represents the settlement of RSUs in shares of common stock on their scheduled vesting date.
- The number of securities reported reflects the acquisition on January 31, 2016 of 211 shares of Apple Inc.'s common stock pursuant to
- (5) the Apple Inc. Amended Employee Stock Purchase Plan ("ESPP") for the ESPP purchase period of August 1, 2015 through January 31, 2016.
- (6) These shares are held through Mr. Cook's trust.
- (7) 656,117 shares (52.1% of the total number of shares released) were withheld by Apple to satisfy the minimum statutory tax withholding requirements on vesting of RSUs.
- (8) This transaction was made pursuant to a Rule 10b5-1 trading plan adopted on May 16, 2016.
- This transaction was executed in multiple trades at prices ranging from \$106.693 to \$107.685; the price reported above reflects the
- (9) weighted average sale price. The reporting person hereby undertakes to provide full information regarding the number of shares and prices at which the transactions were effected upon request to te SEC staff, the Registrant, or a security holder of the Registrant.
- This transaction was executed in multiple trades at prices ranging from \$107.69 to \$107.87; the price reported above reflects the
- (10) weighted average sale price. The reporting person hereby undertakes to provide full information regarding the number of shares and prices at which the transactions were effected upon request to te SEC staff, the Registrant, or a security holder of the Registrant.
- This transaction was executed in multiple trades at prices ranging from \$106.5407 to \$107.53; the price reported above reflects the
- (11) weighted average sale price. The reporting person hereby undertakes to provide full information regarding the number of shares and prices at which the transactions were effected upon request to te SEC staff, the Registrant, or a security holder of the Registrant.
- This transaction was executed in multiple trades at prices ranging from \$107.5307 to \$107.92; the price reported above reflects the
- (12) weighted average sale price. The reporting person hereby undertakes to provide full information regarding the number of shares and prices at which the transactions were effected upon request to te SEC staff, the Registrant, or a security holder of the Registrant.
- The remaining 3,500,000 restricted stock units in this award are scheduled to vest as follows: 700,000 restricted stock units vest on
- (13) August 24, 2021; the balance of 2,800,000 restricted stock units vests in five equal annual installments commencing August 24, 2017, assuming continued employment through the applicable vesting date and, with respect to a portion of each annual installment, satisfaction of the applicable performance requirements.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
