#### Forward Looking Statements

This report contains forward-looking statements including, among others, statements regarding the continuing strength and momentum of the Company's business, future financial performance, sequential growth, projected revenues including target revenue and earnings ranges, income, margins, earnings per share, share amount, buyback and share price assumptions, demand for application delivery networking, application delivery services, security, virtualization and diameter products, expectations regarding future services and products, expectations regarding future customers, markets and the benefits of products, acquisition-related and investment activities, and other statements that are not historical facts and which are forward-looking statements. These forward-looking statements may be indicated by such words as "expect," "will," "may," and variations of such words and similar and other expressions (although their absence does not indicate a statement is not forward-looking) and are subject to the safe harbor provisions created by the Private Securities Litigation Reform Act of 1995. Actual results could differ materially from those projected in the forward-looking statements as a result of certain risk factors, including, among others, those not in the Company's control. Such forward-looking statements involve risks and uncertainties, as well as assumptions and other factors that, if they do not fully materialize or prove correct, could cause the actual results, performance or achievements of the Company, or industry results, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Such factors include, but are not limited to: customer acceptance of our new traffic management, security, application delivery, optimization, diameter and virtualization offerings; the timely development, introduction and acceptance of additional new products and features by the Company or its competitors; competitive factors, including but not limited to pricing pressures, industry consolidation, entry of new competitors into the Company's markets, and new product and marketing initiatives by our competitors; increased sales discounts; uncertain global economic conditions which may result in reduced customer demand for our products and services and changes in customer payment patterns; global economic conditions and uncertainties in the geopolitical environment; overall information technology spending; litigation involving patents, intellectual property, shareholder and other matters, and governmental investigations; natural catastrophic events; a pandemic or epidemic; the Company's ability to sustain, develop and effectively utilize distribution relationships; the Company's ability to attract, train and retain qualified product development, marketing, sales, professional services and customer support personnel; the Company's ability to expand in international markets; the unpredictability of the Company's sales cycle; the Company's share repurchase program; future prices of the Company's common stock; and other risks and uncertainties described more fully in our documents filed with or furnished to the Securities and Exchange Commission, including our most recent reports on Form 10-K and Form 10-Q and current reports on Form 8-K that we may file from time to time, which could cause actual results to vary from expectations. The financial information contained in this report should be considered in conjunction with the consolidated financial statements and notes thereto included in the Company's most recent reports on Forms 10-Q and 10-K as each may be amended from time to time. All forward-looking statements in this report are based on information available as of the date hereof and qualified in their entirety by this cautionary statement. The Company assumes no obligation to revise or update these forward-looking statements.
