Financing

On December 16, 2016, Majesco Entertainment Company, a Delaware corporation (the “Company”) sold an aggregate of 759,333 shares of its common stock (the “Shares”) to certain accredited investors (the “Investors”) pursuant to separate subscription agreements (the “Subscription Agreements”) at a price of \$3.00 per share for gross proceeds to the Company of \$2,278,001.

The Shares were offered and sold solely to “accredited investors” in reliance on the exemption from registration afforded by Rule 506 of Regulation D and Section 4(a)(2) of the Securities Act of 1933, as amended (the “Securities Act”). On the closing date, the Company entered into separate registration rights agreements (the “Registration Rights Agreements”) with each of the Investors, pursuant to which the Company agreed to undertake to file a registration statement to register the resale of the Shares within forty-five (45) days following the closing date, to cause such registration statement to be declared effective by the Securities and Exchange Commission within one hundred and twenty (120) days of the closing date and to maintain the effectiveness of the registration statement until all of such shares of common stock have been sold or are otherwise able to be sold pursuant to Rule 144 under the Securities Act, without any restrictions. In the event the Company fails to file, or obtain effectiveness of, such registration statement with the specified period of time, the Company will be obligated to pay liquidated damages equal to the product of 1% multiplied by the aggregate subscription amount paid by such Investor for every thirty (30) days during which such filing is not made and/or effectiveness obtained, such fee being subject to certain exceptions, up to a maximum of 12%.

The foregoing descriptions of the Subscription Agreements and the Registration Rights Agreements are not complete and are qualified in their entirety by reference to the full text of the form of Subscription Agreement and the form of Registration Rights Agreement, copies of which are filed as Exhibit 10.1 and Exhibit 10.2, respectively, to this Report and are incorporated by reference herein.

The Amendment also allows Dr. Denver Lough and Dr. Edward Swanson, the Company’s Chief Executive Officer and Chief Operating Officer, respectively, to recommend to the Company’s Nominating and Governance Committee, candidates for election as directors at the Annual Meeting, but does not obligate the Nominating and Corporate Governance Committee to nominate such candidates.
